SYLVIA SIDNEY and HENRY FONDA in  
"THE TRAIL OF THE LONESOME PINE"  
An Outdoor Picture in Technicolor.

## Schumacher Lions Present Big King's Birthday Celebration

Perfect Weather. Big Crowd. Fine Programme of Sports and Athletics. Street Dance and Draw at Night. Baseball Match One Special Feature. Races Also of Particular Interest.

With perfect weather from dawn until midnight, the Schumacher Lions' summer carnival on Tuesday was one of the finest events of its kind ever held in the district. McIntyre park, scene of the day's biggest events, was crowded from morning until the football game was over at dusk. A full day of sports, with every number on the long programme run through without a single hitch, not only pleased a crowd estimated at about 1500, but made many a boy and girl in Timmins, Schumacher and South Porcupine happy.

The evening events, held on the main street in Schumacher, attracted a crowd estimated at 2000. Dancing to the music of Gordon Archibald's orchestra was enjoyed by hundreds. It was a thoroughly enjoyable evening.

James Cowan, of Timmins, won the first prize in the big draw put on by the club. He gets a double return-trip ticket to the Olympic games in Germany. The number of his ticket was

4684. A. Ansara, also of Timmins, won a double return trip ticket to Jamaica with number 7622. Third prize, an electric Frigidaire, goes to R. Kennedy, at 62 Pinecroft road, Toronto, ticket number 2252. Eight prizes of \$10 each were won by: Archie Shields, Hemlock street, Timmins, number 2040; M. T. O'Brien, Mattawa, Ontario, number 2613; E. C. Brewer, Timmins, number 7103; J. I. Arcsott, Timmins, number 2275; H. Isardi, Schumacher, number 5947; A. D. DesRoches, Timmins, number 8670; A. Ziraldo, Schumacher, number 1252; and Mrs. H. L. Barber, Toronto, number 3403. Six prizes of \$5.00 each were won by H. Bateman, Timmins, number 6321; Hespeler Furniture Company, Hespeler, Ontario, number 8917; T. Neilson, 14 Main avenue, Timmins, number 2115; and M. Ferko, of Schumacher, number 5601.

Financially, the day was a big success and the funds raised will go far toward helping the lot of any under-

privileged children in Schumacher. The Lions Club expressed their appreciation to all those who helped to make the carnival the success it was.

The Lake Shore-McIntyre baseball game at 3:30 found the crowd at its height. The grandstand was full and the crowd overflowed along the base lines. Gay summer colours against the smooth green of the well-kept park made a fine setting for a fine day.

Under the capable direction of the Lions, the children had their fun in the morning. Races of all kinds kept them busy and contented. The afternoon events started sharp on time and were run off speedily. Two softball games were played between teams picked up on the spot and although the class of ball wasn't of the best, both players and spectators had a lot of fun. Track and field events in the afternoon were well watched.

The crowd stayed right through from early afternoon until the final whistle of the soccer game blew as dusk was settling over the town. Many more arrived for the street dance which began soon after the last event at the park. Complete details of the event appear on the sport page of to-day's Advance.

## Killed by Fall Down Shaft at Ankerite

Alden Votour, 22-year-old Son of Mr. and Mrs. J. D. Votour Loses Life in Accident.

Alden Votour, 22-year-old son of Mr. and Mrs. J. D. Votour, of 52 Wilson avenue, was killed early Wednesday morning, at the Buffalo Ankerite mine, when he fell 80 feet down a shaft. According to mine officials, he had been working on a bulkhead platform just below the 1050 station when the accident occurred. None of his fellow companions witnessed his fall. Aid was rushed as soon as possible but nothing could be done for him. Death was almost instantaneous.

Alden had worked at the Ankerite for the past year and at the time of the accident was employed as a machineman's helper. He was born in New Brunswick but came here 12 years ago with his parents. He attended Mattagami public school and was known by his friends as a quiet young man who took his job seriously. Surviving him, in addition to his mother and father, are three brothers, Clarence, Gerald and Hector, and one sister, Madeline.

The funeral service will be held tomorrow morning at nine o'clock from the Church of the Nativity. Father Theriault officiating. Burial is to be at the Timmins Roman Catholic cemetery.

## N.O.S.S.A. Plans Track and Field Meet

W. W. Tanner President of North Section Secondary Schools Association.

W. W. Tanner, principal of the Timmins High and Vocational School, heads the northern section of the Northern Ontario Secondary Schools Association for the coming year. At a Cochran meeting attended by the high school representatives of the district, officers were elected and new activities planned for next year. The body controls all interscholastic activities in the northern section. Timmins, Schumacher, South Porcupine, Iroquois Falls, Kirkland Lake were represented.

Joseph A. Bradette, M.P., Cochrane; Charles Tresidder, Kirkland Lake; and Robert E. Dye, Schumacher, were elected honorary presidents for the year. Vice-president is G. W. Cushman, Iroquois Falls, and secretary-treasurer is H. J. Runnalls of Timmins.

To Have Track and Field Meet  
Track and field sports will be added this year to the growing list of activities sponsored by the association—rugby, hockey, boys' basketball, girls' basketball and debating. The first track and field meet is to be this September here. All schools of the district will be represented, it is anticipated.

An annual meet of this sort will aid the schools in determining which are the best athletes and to train prospects for the annual track and field meet at New Liskeard which is sponsored by the Ontario Athletic Commission. Those who make standards at New Liskeard have their expenses paid to the big meet at Toronto in July.

Timmins High and Vocational School won both junior and senior rugby last year. Schumacher high school won the shield donated for debating, while South Porcupine won the girls' basketball championship.

## Testing of Soil Often Found to be Advisable

It is good practice to test the solidity of soil before placing the footings of a building. There may be a spring or subsoil water channel which will later cause the building to settle. Likewise, sandy soil or an area filled in with fresh dirt or rubbish is likely to pack down, permitting the foundations to settle with resulting structural damage to the building.

When the test borings indicate the soil is not solid, the footings can be reinforced with steel rods or made wider and deeper than usual. In practically all cases, however, it is essential that footings wider than the basement wall be placed on which to rest the foundation walls. Where there is any question as to the soil being sufficiently solid to prevent settling over a period of years, then a competent architect, engineer, or contractor should be consulted.

Miss Hemkuff, of Manitoulin East, is visiting at the home of Mr. and Mrs. S. A. Fulton.

Mr. Curtiss McKinley, of Cobalt, arrived in town last week to take a position in the McIntyre Mine.

Henry Fulton left on Saturday to spend the summer with his uncle and aunt in Manitoulin.

## Longer Time on Second Voyage of the Queen Mary

In her second journey from England to New York the Queen Mary was almost four hours slower than in her maiden voyage.

The ship's log showed she required four days, 16 hours, and 13 minutes, and had averaged 23.14 knots for the 3158 nautical miles. The ship's officers said no attempt had been made to break the French liner Normandie's record of four days, 11 hours and 42 minutes.

Sudbury Star:—These days when a fellow has sore shoulders, it's hard to tell whether he's been playing ball, or just trying to demonstrate how big that fish was.

Mail and Empire:—Another of the difficulties confronting Anthony Eden is that press photographs make him hard to distinguish from King Carol of Roumania.

## Kiwanis Lt.-Governor Speaker at Club Here

Special Interesting Evening at Local Club on Monday Night (Ladies' Night) when International Night is Observed. Inspiring Address by Lieutenant-Governor H. Coll.

Celebrating Kiwanis International night in common with 90,000 other Kiwanians all over Canada and the United States, members of the local club met at the Legion hall on Monday evening at exactly the same time as all other Kiwanis Clubs were in session.

An impressive programme was followed through, beginning at 9:45 when there was a moment of "silent fellowship." Following that the two national anthems, "God Save the King" and "America," were sung. At 9:49, a message from Harper Gattson, president of the Kiwanis International, was read.

At the same time Mr. Gattson delivered the message personally at the Washington convention of Kiwanis. "Kiwanis has forgotten the material in the support of spiritual values. We have placed ourselves on the side of high idealism, righteousness, justice, patriotism and goodwill. But the contentment we feel to-night comes not altogether from past accomplishments and growth. We are

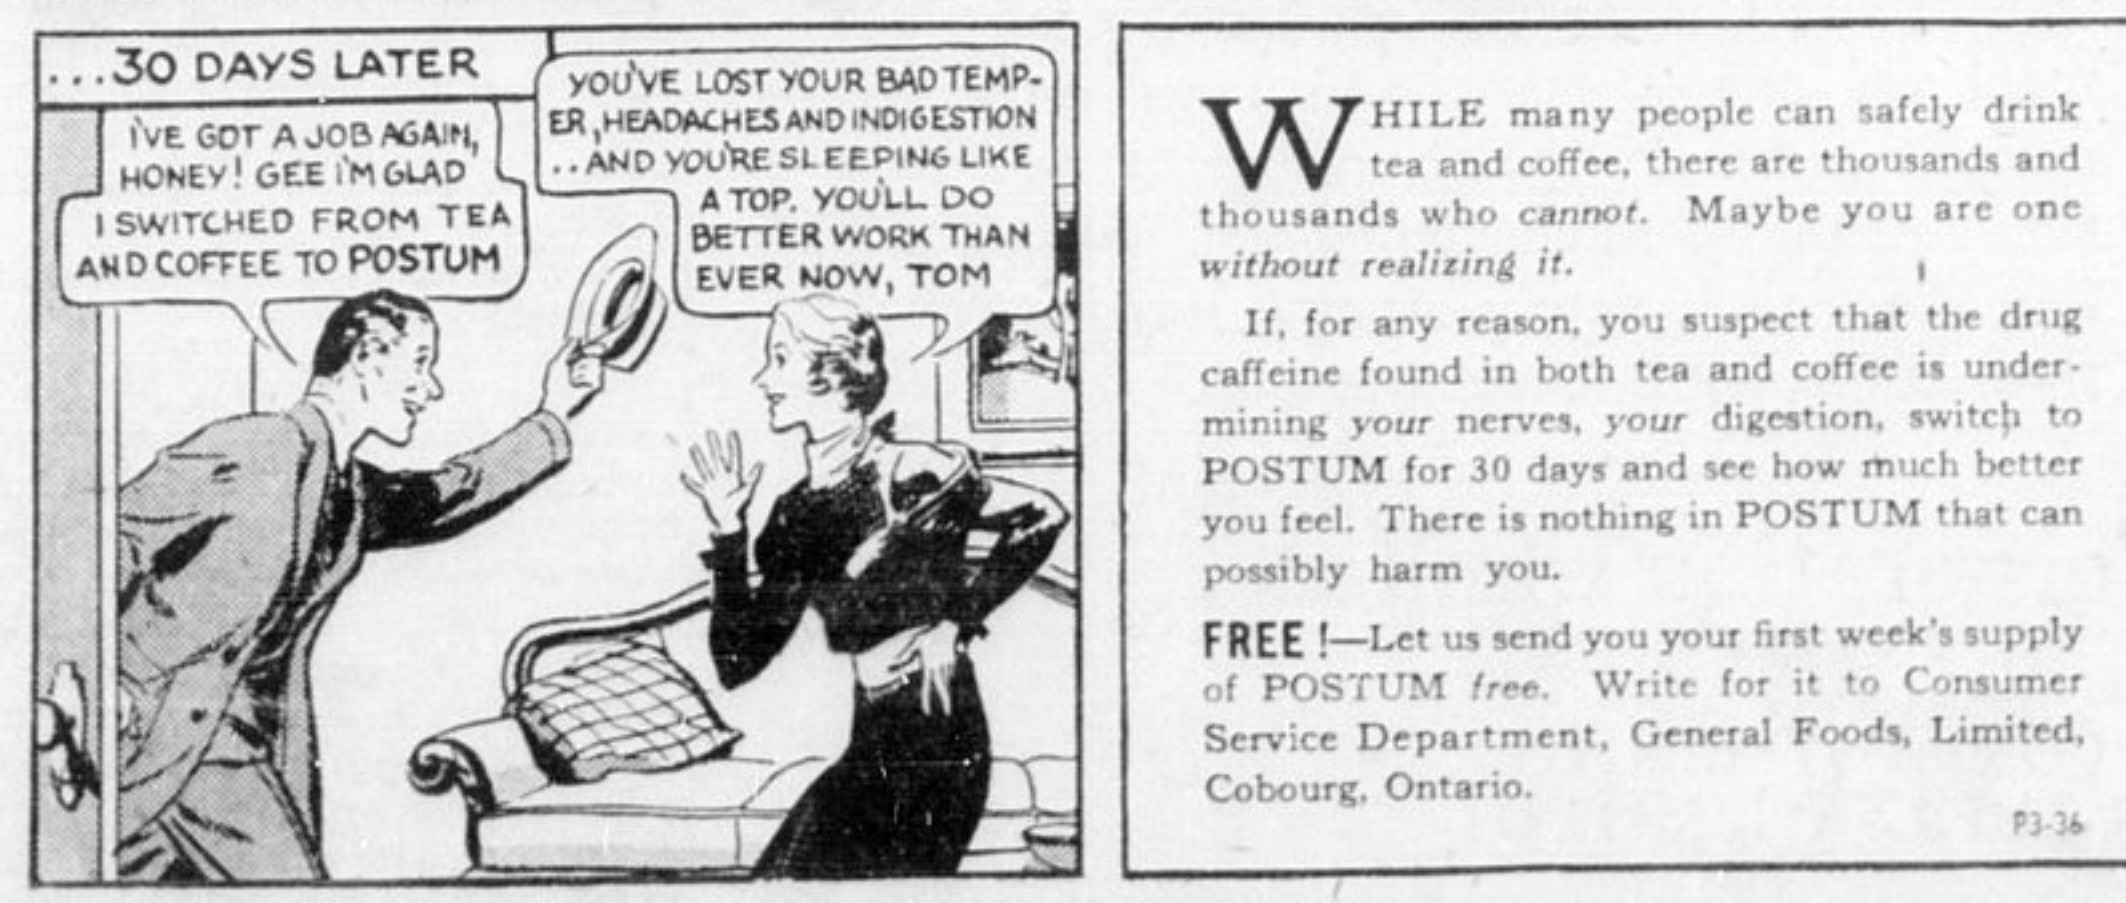

happy because of future opportunities and possibilities. We welcome the problems that are ahead because we are united in a service that will improve the citizenship of our people, join the hands of rural and urban men in friendly understanding, stabilize our government on an efficient but economical basis, support the spiritual aims of our churches, supply adequate educational facilities, fill leisure hours with happy enjoyment, and supervise the development and growth of our children, privileged and unprivileged."

**Solemn Rededication**  
The rededication of members, recited in unison all across the continent, was a solemn pledge to continue the work of bettering the community in which their club is.

The international part of the programme closed with the singing of the fellowship song, "Onward in Kiwanis."

Harry Coll, of Noranda, Lieutenant-Governor for the Northern Division of
