Palace Finishes Half of Schedule Without a Loss

Softball Leaders Have Little Trouble Taking Friedmans Friday Night. Walter Grant Hits Two Home Runs

The mighty Palace softball machine is still rolling down the league highway unmolested. They have played exactly half of their scheduled games and are still unbeaten. Their latest victims were the weakened Friedmans. Without using their famous "noise play" that they seem to be saving for a tougher game they ran up a 12-4 count against last year's champions.

For the first time this season the game was "umpired" from behind the pitcher's box. Between both teams they had only one mask and "Irish" Johnson was taking no chances of stopping any of those foul tips with his nose. He also had a better chance to observe the pitcher and as a result he checked up Dave Campbell on his delivery. Campbell stepped on the rubber with both feet and then stepped back with one foot. This enabled him to take two steps in his delivery and it was ruled out.

Palace took an early lead and were never threatened. Each team scored in the first frame and then Palace stepped in front with two runs in the second, holding Friedmans scoreless. The third canto saw Palace score twice while Friedmans were only able to push across one run. The fourth inning was disastrous for Friedmans when Palace counted five times to their one. Palace scored one in the fifth, Friedmans got one in the sixth and Palace added another in the seventh to finish the scoring.

Three Home Runs
Walter Grant was the best hitter of the day, connecting for circuits twice and a single in four trips. Ridsny led the Palace hitters with a homer and a triple in three trips. Doubles by Wilkes and Romualdi were the only other extra base hits in the game.

Lukon walked to start the game and went to second when Wilkes singled through the box. Romualdi was safe at first when the play was made on Lukon at third. Dorey fled to left field sending Wilkes to third and Romualdi to second. An error by White at third left McMahon safe at first and the bases were loaded. On a wild pitch each advanced a base, Wilkes scoring. Delmonte was thrown out at first to retire the side. Giallonardo singled to centre for Friedmans' start in the first. Studor knocked a hard one to Romualdi at short and Louie started the only double play of the game. He threw to Wilkes to catch Leo Campbell, running for Giallonardo, and Wilkes relayed the ball to Dorey to beat Studor. It was a fast play and was very nicely done. Grant connected for his first homer and planted the ball in deep centre field. Dominico made a fine attempt to get it but missed. Godin walked and it looked as if Friedmans were going to

start something but Webb was beat out at first to finish the inning. Barbare got to Campbell for a safety to start the third and went to second when the peg got away from Grant. Rodney was thrown out at first. Dominico and Lukon walked to fill the bases. Wilkes hit one to second and scored Barbare but Lukon was forced at second. On Dave Campbell's error Romualdi was safe at first and Dominico was in with the second run. Dorey batted one down to third and Wilkes was tagged out by White to end the inning.

Two More in Third
Palace scored two more in the third like this. McMahon fled out to Studor. Delmonte walked and was caught when Barbare forced him. Rodney knocked out a three-bagger scoring Barbare, and then came in on a passed ball. Dominico singled to left field and was forced at second by Lukon, when Dainton made a nice peg from left field, to end the scoring.

Friedmans' tally in the third was Walter Grant's home run with nobody on base and two out. In the fourth inning Wilkes was the first out, at first base. Romualdi singled to second. Dorey was safe when the play was made to try and catch Romualdi. Grant had the ball and in his attempt to make a double play he hit Romualdi on the back, the ball caroming off into left field. Louie kept on running and got all the way in before the ball was returned. Dainton made a bad throw from left field and Dorey was perched on third when the smoke cleared. McMahon walked. Delmonte touched his batted ball and was out; the runners were not allowed to advance. Barbare singled through the box and McMahon went to second while Dorey scored. Jack Rodney knocked a home run to deep centre field scoring McMahon and Barbare ahead of him. Dominico fled out to Dainton to finish the inning. Friedmans in their half of the fourth retaliated weakly, adding only one run. Ferrari got a life on Wilkes' error and went to second on a passed ball. Dainton's single to short sent Ferrari to third and he scored when Wilkes pegged wild to the plate.

Palace's run in the fifth was scored by Romualdi when he doubled to centre and went the rest of the way on two passed balls.

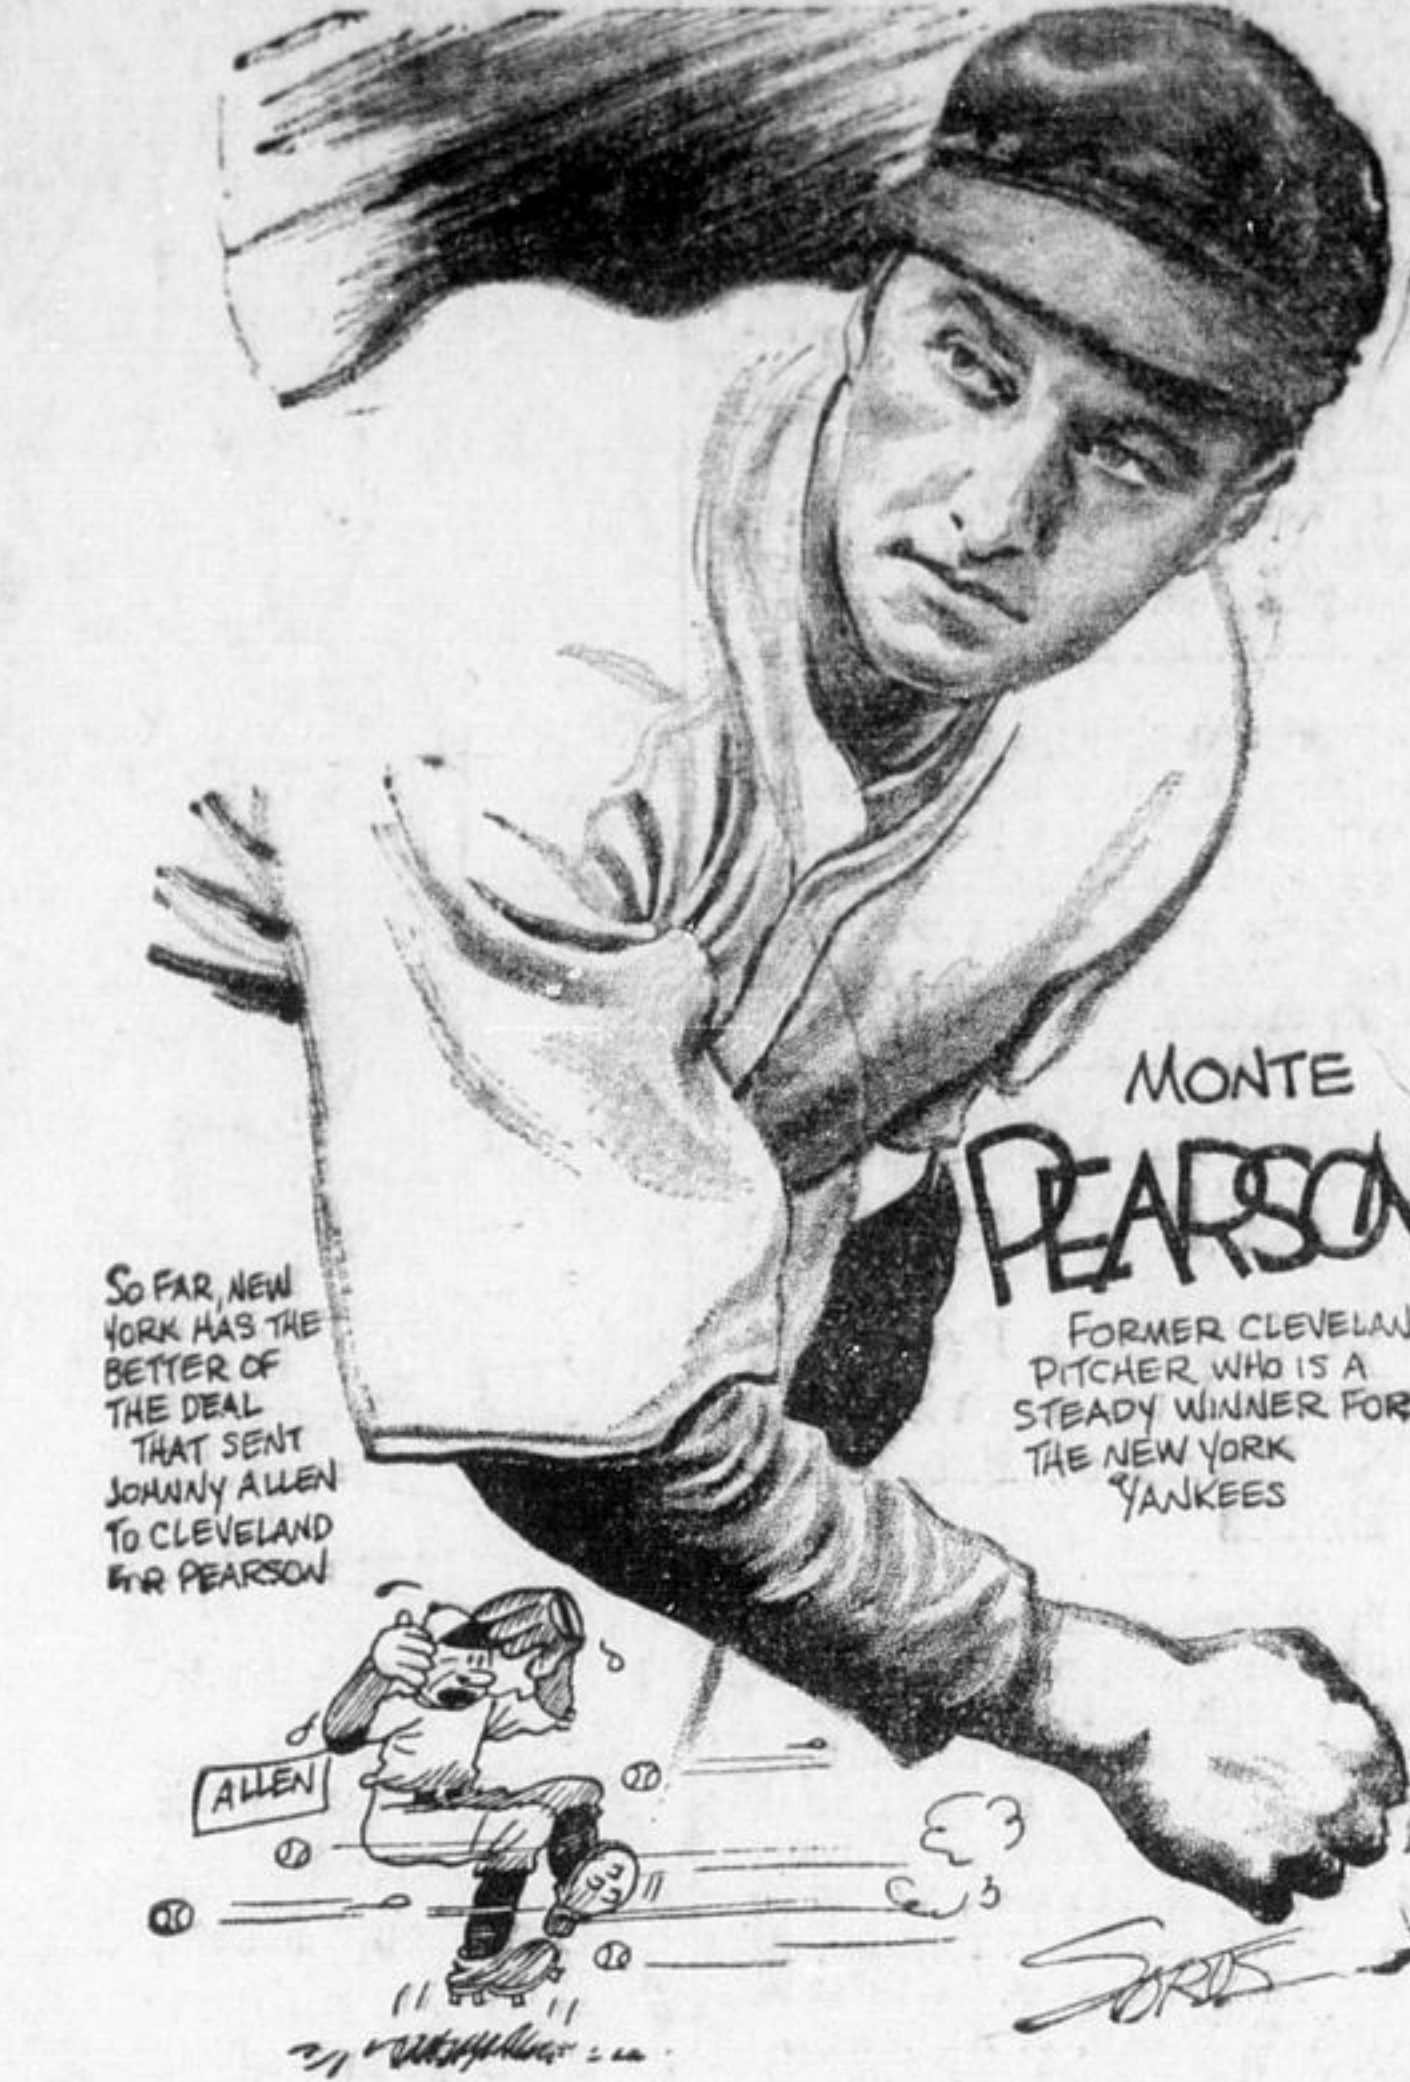

In the sixth Friedmans scored their last run when Dainton walked and went to second on Wilkes' error. White's single to right scored Dainton.

Palace added one more to their total in the last inning. Rodney walked and Dominico was safe when the play was made on Rodney at second. Dominico stole second and scored on Wilkes' double to centre field.

Dome Well Out in Front of Soccer League; Beat Holly 2-0

Visitors Make First Tally on Free Kick, Second as Ball Glances Off Hollinger Back Into Net. Hollinger Team Appears Improved.

Dome soccer club stepped far out in front of the Porcupine District Football league on Thursday night when Hollinger went down to defeat before them 2-0 in a game played at the Timmings field.

Although the local team looked a good deal better than on the last occasion, it still lacked the scoring punch to beat the Dome. Defensive work was fine. Neither of the Dome goals was scored as the result of any effort on the part of the forwards.

It looked very much as if the game would end in a no score draw until well on into the second half when Hollinger made a hand ball within the penalty area. On the free kick awarded, Joe White made one his usual fast, low kicks that found the left corner of the net.

The second goal was one of those things that does happen once in awhile in soccer—a kick from midfield that found the net when it rebounded from a Hollinger back. Joe White had worked hard to get the ball at centre and tried to lift it over the milling forwards in the hope that it would be picked up at the net. Welsh tried to head it back up the field, but it glanced from his head toward Bannerman and fell into the net. About two minutes later the final whistle blew.

Holly Had Two Free Kicks
Hollinger had two free kicks during the game but was not able to make good on either of them. Billy Boyd took the first one early in the game but Baxter dropped on the ball at the goal mouth in a nice save.

The locals' second chance to score on a penalty kick came in the second half before Dome had scored. Bennett did the kicking and the ball, intended to reach the left corner of the net went just outside the upright.

Three Boys appeared with the Hollinger team—Billy, at centre half; and Alex and Jack, brother, from Alberta, on the forward line. Danny Nee was moved to back and he, with Welsh had plenty to do throughout the game. Dome had replaced Foster at back with Wishart, who has been playing outside right. Galbraith, who usually appears at left half, went to inside left.

Although Dome carried the play for the greater part of the time, the Hollinger rushes were made quickly and looked dangerous. Early in the game Johnston came close as Alex Boyd sent him a pass at goal.

Just as the half closed Alex Boyd carried the ball down the outside and passed to Johnston in another attempt. Bennett picked up the rebound and passed out to Lawrence Morley and the forward line moved in again, only to be turned back by Baxter.

Chambers on Nice Play
Dome's best effort of the half was made when Witherspoon dropped one at the goal mouth where Chambers was waiting. The centre tried to head it in but missed by inches. Tierney had a good chance near the end of the half but the ball struck the upright. Joe White got the rebound but shot over the net.

Bannerman came out of his net and stopped Chamby's hard shot. Hollinger: goal, Bannerman; backs, Nee, Welsh; halves, Bennett, Billy Boyd, Lawrence Morley; forwards, Alex Boyd, Bert Morley, Johnston, Jack Boyd, Gibb; spare, McWhinnie.

Dome: goal, Baxter; backs, Barnes, Wishart; halves, Munroe, Crawford; forwards, Lone, Witherspoon, Willie White, Galbraith, Tierney; spare, Chambers.

Chambers went in during the first half, replacing Lone. White went to outside right.

Referee: Tommy Johnston.

Exhibition Game Is Better Than Usual

McIntyre Defeats Friedmans 7-2 in Week-end Game "Just for Fun"

Yesterday's scheduled softball game between McIntyre and Friedmans was called off when it began to rain in earnest about a quarter to four. But by four o'clock when the skies cleared, there were still enough players left to make a good game. In fact it was a much better game than most of those played at the cyanide, even though it didn't count in the league.

McIntyre won 7-2. Friedmans went bad in the sixth inning. Wally Stewart slammed out a three-bagger and Jim Walsh got a homer.

The first two innings passed without either team making a hit, a run or an error. In the third the Maes collected a couple and in the fourth Friedmans got one. One in the fifth and four in the sixth finished McIntyre's scoring, while Friedmans made their other in the last. Fox pitched the first three for McIntyre, gave one hit, two walks and struck out four. Jim Walsh, who finished the game, gave one hit, struck out none and allowed two walks. Dave Campbell started for Friedmans and went well up to the sixth, when Grant replaced him. Campbell allowed six hits, gave three walks and struck out three. Walsh gave two hits, no walks and had no strike-outs.

Three double plays made the fielding look smart. Friedmans got two of them, one in the first, Grant to Morin to Giallonardo, and the other in the fourth, Davis to Giallonardo to Morin.

Friedmans: c., Webb; p., Campbell, Grant; lb., Morin; 2b., Grant, Campbell; 3b., Davis; s.s., Giallonardo; l.f., Dainton; c.f., Ferrari; r.f., Kobald, Studor.

McIntyre: c., Hicks; p., Fox, J. Walsh; lb., Block; 2b., White; 3b., Vall; s.s., G. Walsh; l.f., W. Stewart; c.f., J. Walsh, O'Neill; r.f., G. Stewart, Dutton.

Lake Shore Turned Back 3-0 in T. & N. O. District Final

Visiting Team All in During the Last 20 Minutes of Play. Rodgers Scores First McIntyre Goal Just Before Whistle Ends First Half.

Turning back the Lake Shore team three goals to none on Saturday night, McIntyre's football club won the right to represent the T. & N. O. district in the Northern Ontario Dominion Cup playdowns in Sudbury. The game was the second in a home-and-home series, the first of which was played in Kirkland Lake last Saturday and resulted in a 1-all draw.

The biggest feature of the display of football was doubtless the work of Eddie McMurray in the Lake Shore goal. Shots were rained in on him from every angle, particularly in the last half. The three that did get by him would have discouraged the best of goalies. Long after the rest of the Lake Shore players had been run off their feet, McMurray continued to hold the fort alone.

First Goal Ends Half
The Maes' first goal was scored when the first half had less than half a minute to go. Rodgers picked up the ball inside the Shore penalty area after Ed. Dunstan had crossed. It was a hard low shot that went to the net.

Twenty-five minutes into the second half, one of the four hundred spectators remarked "The Blues are done now." They were. Half a minute later Reg Dunstan centred one nicely and Billy Hampton was at the net to head it in where McMurray had no chance to reach it.

A minute later Rodgers gave Hampton the ball a few yards out from the goal mouth. The backs were drawn out of play and Hampton's hard shot found its mark. From that time on, the Shore rarely even got hold of the ball. The men were all in, unable to keep up with the plays they started and, so far as the forwards and halves were concerned, unable to stop the McIntyre machine's continuous attack. The backs and goalie had a tough 20 minutes at the end of the game.

Field Slightly Greasy
The field was a bit greasy from the afternoon's showers and occasionally good plays went haywire as forwards slipped and missed the ball completely. It was a strange sort of field to the visitors—much more resilient underfoot than their own and less lively for the ball. They put on a good performance during the first 15 minutes or so but then weakened badly.

The McIntyre team was not working as smoothly as it did in the exhibition game against Dome on the King's

birthday but the players did do some remarkably accurate passing and were able to out-manoeuvre the Shore players individually almost at will.

One unique feature of the game was the lack of corner kicks which pointed not only to excellent work by both back lines but also to the accuracy with which crosses and centres were placed.

Maes Have Best of Play
Play opened with the Maes carrying the ball in. Ed Dunstan and Searle combined in a nice effort. Connolly had the first Shore chance. He had brought the ball down the outside, centred it and came in to take the rebound. Brockbank was on his toes to save. Rodgers and Ed Dunstan fed Hampton and the inside regularly but McMinn and Chambers with McMurray in goal seemed to be almost impregnable in the first half.

Rodgers had a bullet-like shot from the side that the McIntyre supporters swore was a goal. The ball ricocheted from the net in a peculiar manner but no score was counted.

The Maes came out in the second half determined to make their lead safe but it was not until well on into the half that Lake Shore was finally tired so that they were almost forced to in.

Rankin replaced Crea at inside left in the first half and Hurst went on for Collins in the second. The Maes made only one substitution when Charlie Dawson replaced George Boyd at right half.

Lake Shore: goal, McMurray; backs, Chambers, McMinn; halves, Simpson (captain), Nelson, Collins; forwards, McDonald, Quinn, Manuel, Crea, Connolly; spares, Hurst, Rankin. McIntyre: goal, Brockbank; backs, McAdam, Davis; halves, George Boyd, Phillips, Morrison; forwards, Ed Dunstan, Reg Dunstan, Hampton, Searle, Rodgers; spare, C. Dawson.

Referee: Carrell; linesmen, McWhinnie, Tommy Johnston.
