Large Crowd Out for the Dominion Day Event

Thousands Lined the Streets for the Parade. Weather Perfect Yesterday. Timmins Citizens' Band and Porcupine District Pipe Band Furnish Fine Music. Day of Sports, Athletes, Novelties, Etc.

Timmins citizens turned out in thousands yesterday for the celebration of Dominion Day. They lined the streets for more than an hour before parade time and then almost all of them went to the ball park where the day's sports events were held.

Perfect July 1st weather made a fine setting for the festivities. Aside from a short delay at the beginning, the programme went along on schedule all afternoon and was a lot of fun for those who took part and those who looked on.

The parade was not as long as some that have been seen in Timmins recently but it was lively and colourful. The Timmins Citizens' Band led and the Porcupine District Pipe Band brought up the rear. The members of the Legion in the bright yellow berets marched a hundred strong; the Cercle Canadien, with whom the Legion cooperated in arranging for the day were well represented. The Roumanians were the best represented of the other loyalist organizations in town and the Ukrainian Prosvita came a close second. Both the sponsoring organizations had floats and a number of local firms also contributed moving displays.

Bring Cartoons to Life
"Oie Bill," toasting fish over a fire brought back memories of Barrisfather's wartime cartoons; "What we Have We Hold," was the central idea of another float in which the navy, Britannia, Canada and the Empire were represented. Clowns and a jazz band on another float kept the fun going. A car decorated in red, white and blue bunting carried the honorary presidents of the committee that made the arrangements: Urbain Aubry and Austin Neame and Napoleon Magnon, director of Le Cercle Canadien.

Following the successful day, both Mr. Neame, president of the Legion, and Mr. Aubry, president of Le Cercle Canadien expressed themselves as well pleased at the fine spirit of co-operation that had been evident between the two organizations. "I want to thank the band, the committee, and all who took part in aiding the Canadian Legion and Le Cercle Canadien in this celebration," Mr. Aubry said to The Advance. "We hope this will be an example for the future in the town of Timmins. We hope it will be united forever and for our own organization I can say that we shall be very pleased to co-operate at any time with the Legion." Mr. Aubry spoke highly of Mr. Neame saying that he found him a president who is devoted to the work of the Legion and to its members.

Those in Charge
James Cowan was president of the celebration committee; F. T. Curtis, vice-president; Fernando Gauthier, secretary-treasurer; J. E. H. Chateauvert, Claude Desaulniers, Alex Borland, Wilfred Blais and T. Parsons, directors.

George Nippers and Claude Desaulniers were secretaries for the sports events in the afternoon; A. C. Brown and Fernando Gauthier took over the jobs of starters; and Chief Borland, J. E. H. Chateauvert, T. Parsons, A. Proulx, J. G. Harris, U. Aubry and J. Brown were judges.

In the evening a dance was held at the Riverside pavilion at which Andy Cangiano and his orchestra supplied the music. It was a well attended affair and the dancers stayed until early morning.

Proceeds of the day, raised from the sale of tags, admission to the park, and the dance in the evening, will go to carry on the work of the Legion and Le Cercle Canadien.

A complete report of the sports events at the ball park appears elsewhere in this issue of The Advance.

More Damage By Frost

Serious Injury to the Crops Again Early Tuesday Morning This Week.

Serious damage was once again done to crops in this district when early Tuesday morning the temperature, even on high ground fell to the freezing point. On Low-lying ground, such as that at the Hollinger townsite and along the Mattagami, the thermometer went as low as 30 degrees, an almost unheard of mark for so late in June. Damage will run into many thousands of dollars, farmers report. Even the hardy crops suffered.

The cold weather is past now, the weatherman believes. To-day and tomorrow will be cloudy with scattered showers, it is indicated, but the weekend should be clear and warm. The only rain up to this morning was on Monday when .09 inches fell.

Temperatures this week have been: Monday, max. 57, min. 37; Tuesday, max. 60, min. 32; Wednesday, max. 76, min. 40; minimum last night 43, eight o'clock this morning 58.

Three Men Committed on Charges of Conspiracy

Rauthmell, Weir and Crawford to be Tried by Judge and Jury. Some Peculiar Evidence in Cases Where Men Accused of Attempted Hold-up in "Gold" Case. Five Ounces of Gold Sold Apparently as "Teaser."

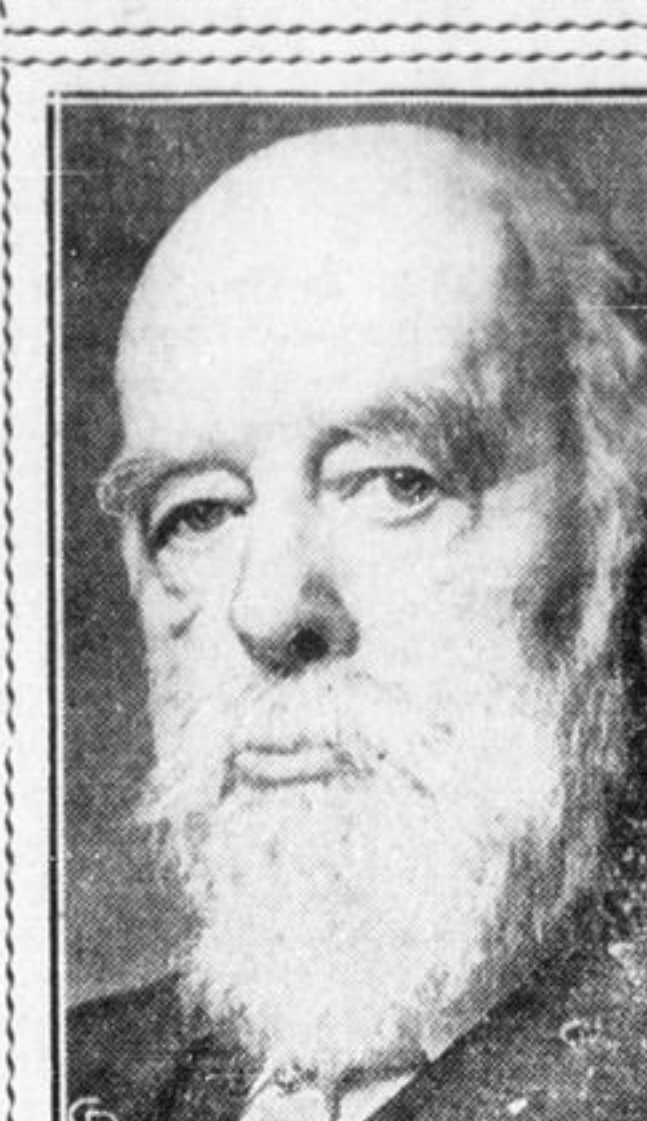

Horace Rauthmell, James Crawford and Alex Weir were committed for trial before Judge and jury by Magistrate Atkinson in Timmins police court on Tuesday when they faced charges of conspiring to rob. Since the maximum penitentiary term is seven years for the offence, the district judge must fix bail.

According to the evidence, Weir had in his possession on the night of May 21st, a fraudulent warrant. Rauthmell had had in his pocket a fraudulent telegram. During the trial there was not a great deal of direct evidence to show that Rauthmell, who was in the house at 155 Spruce street south ostensibly to buy gold, had any connection with Weir and Crawford who are said to have entered the place and attempted a hold-up. But in closing the case Magistrate Atkinson said he thought it only fair the defence should know that the prosecution would present expert evidence to show that both the fraudulent warrant held by Weir and the fraudulent telegram held by Rauthmell had been made out on the same typewriter.

The Story in Brief
The story of the evening's activities, as told by Patrick Downey, Mrs. Downey, Peter Strazza, District Constable Robert Allen and Provincial Constable J. W. F. Pretorius was briefly this: Rauthmell had been seen in town and was suspected of being a high grade buyer. He approached Downey who is one of Mr. Allen's operators, and asked if he knew where he could buy any gold. Downey sold him gold. Later, Rauthmell asked if he could again buy gold, this time in larger quantities—about \$3,000 worth. Downey told Allen, who said to go ahead and make any appointments Rauthmell wished. So it was arranged that Rauthmell was to go to Downey's house at 155 Spruce street south at nine o'clock on the evening of May 21st. Downey was to have 50 to 70 ounces of gold there at the time, it was agreed.

Allen was to arrange to have some gold there, and also asked the provincial police to appear a short time after nine o'clock. Rauthmell arrived a few minutes after nine but the gold was not yet there. While Rauthmell and Downey were talking about their bargain, Crawford and Weir came into the place. (Continued on Page Six)

Would Halt Science

SIR OLIVER LODGE

Celebrating his eighty-fifth birthday in London, Sir Oliver Lodge, famous British scientist, decried the use of scientific achievements for war purposes. He urged scientists to call a halt and take stock of what they have on hand.

Postpone Draw for Prizes from July 1st to July 4th

One Year for Button of Gold

Luigi Anfusio Given One of the Speediest of Speedy Trials.

Luigi Anfusio, found a couple of weeks ago by District Constable Robert Allen digging up a "button" of gold from under a tree about half a mile from the cemetery, was sentenced at Cochrane on Saturday to serve a year in prison.

It was one of the speediest of "speedy trials" known in the district for Anfusio was committed for trial by Magistrate Atkinson on Tuesday of last week at local police court. This week he was in prison. Constable Allen and Provincial Constable J. W. F. Pretorius told of trailing the grey-haired man to the bush one evening and of watching him dig under the tree. When Mr. Allen stopped him, Anfusio threw the chunk of refined gold about 12 feet away where Constable Pretorius recovered it. The piece was worth about \$250.

Joe Bovic and Andrew Markulin were sentenced by Judge Caron to serve prison terms following a conviction of assaulting Bob Rubic. Evidence showed that Rubic had been beaten up late one night by the two men and had been left in a lonely spot bleeding freely. Both Bovic and Markulin have been in jail for the past six months, unable to raise bail. Judge J. B. T. Caron, who tried the case, ordered that terms of one year for Bovic and six months for Markulin be dated from the day of arrest.

Big Crowd Watched Wild Drunk

Disorderly Drunk Caused a Little Excitement Yesterday by Celebrating Too Much.

No sir, he wouldn't go home. He was out celebrating and he was going to stay celebrating, no matter how many citizens he offended or how close he came to being killed by motor cars. Police constables gave him a half a dozen chances. His reply was abuse. So, when things got to the stage where the man was making a thorough nuisance of himself, a call was put in for the van.

It was quite a struggle getting the drunk into the van. A curious, gawking crowd collected on the street and followed the van to the police station where an attempt was made to get the half-crazy man into the cells. One of the heavy windows of the van was smashed. The crowd stood around and criticized.

The drunk was taken to the cells, kicking and swearing, by three constables. He will appear in police court on Tuesday facing an ordinary charge of being "under the influence."

Dr. Fraser Asks Better Treatment of Public Men

Reviews Life of Joseph Howe as an Example to Canadians. Kiwanis Club Pleased with Interesting and Inspiring Address Particularly Appropriate to Dominion Day Week.

The people of modern Canada should be more fair-minded toward their men in public life, Rev. Dr. J. R. Fraser of South Porcupine said in effect at the Kiwanis meeting here on Monday.

Still he strove, and was one of the great exponents of the Intercolonial railway. Although he at first fought Confederation, believing that a close union between the Maritime provinces would be an effective governing measure, he was great enough to change his views and worked hard in the interests of the federation. He was a member of the first Dominion cabinet under Sir John A. Macdonald.

Rev. Bruce Millar introduced Dr. Fraser to the club and President P. T. Moisyer thanked him on behalf of the members.

W. Burnes reported progress at the Fresh Air camp at Barber's Bay, and said that Newton Vance had offered to take the first lot of boys out this week.

Visitors were Dr. Atkinson, of the Dome, and Frank Purdy, of South Porcupine.

Block on Cedar North to be Flood-lighted July 8

Street to be lined with Booths. All Sorts of Games and Also "Eats" and "Drinks" to be on Sale Next Wednesday. Kiwanis Carnival Expected to Set a New Standard.

The bright spot in Timmins next Wednesday evening will be on Cedar street north between Third and Fourth avenues. The Kiwanis club is flood-lighting that section then to give everybody a chance to see what's going on. For there'll be plenty according to the plans made now by the club.

Both sides of the pavement will be lined with booths. Games of all sorts will be played, food and soft drinks will be on hand and generally, there'll be every opportunity for enjoyment. A street dance, held in the same section of Cedar street, will be the big attraction for the younger people.

Draw at Midnight
One of the most important events of the evening will be the draw, for

which tickets have been on sale now for some weeks. A car, an electric refrigerator and many other prizes are offered. The stubs will be mixed in the barrel about midnight and some lucky ticket holder will drive the car home that night.

Proceeds of the carnival go toward operating the Fresh Air camp at Barber's Bay, through which 80 boys will this summer get two weeks of life in the open under proper supervision, all expenses paid. This is first year of the camp and the club plans to extend it until every needy boy in Timmins is cared for.

Games will all be operated by Kiwanians. It is stated, so that entire proceeds go to the club.
