

Lake Shore Surprises Macs by Drawing Foster Final

McIntyre Ball Club Loses Protest Over Friday Game

Re-play Ordered by T. B. L. Toburn Loses Protest Against Lake Shore. Play-off Dates Set.

The Temiskaming Baseball League threw out two protests on Saturday night when the executive gathered here in a special meeting. The McIntyre lost their protest over the fiasco at South Porcupine Wednesday night. The game is to be re-played on Monday night at South End.

Toburn or Kirkland Lake lost a protest arising from a game played there with Lake Shore on July 25th.

Dates set for final games in the northern group between McIntyre and South Porcupine are: Monday (to-day) 5.00 p.m. at South Porcupine; Wednesday, at South End; and Friday, if a sudden death game is necessary to settle the group, at Timmins.

Playoffs between northern and southern groups are to begin at Kirkland Lake on Wednesday, August 19th, and Thursday, August 20th; in the Porcupine, Wednesday, Aug. 26th, and if necessary, Thursday, August 27th, and Friday, August 28th. It is to be a best-three-out-of-five series. The play-offs between E.B.A. champions and T.B.L. champions are to begin either in Kirkland Lake or the Porcupine on Labour Day. Umpires will be Dr. Joe Teich of Kirkland Lake and Lloyd Chambers of Timmins.

President Issues Statement "The league heartily disapproves of the action of the Dome (Porcupine) baseball club," said President S. C. Platus of the T.B.L. after the McIntyre protest had been thrown out. "The umpire-in-chief did not declare the game forfeited and the league had no other alternative than to abide by the umpire's decision. The game will be re-played on Monday."

McIntyre's protest, read at the meeting, said that the Porcupines deliberately delayed the game by stalling, throwing the ball wild, not attempting to put men out when chances were offered on Wednesday last at South Porcupine in the eleventh inning of a game. Porcupines held that the Maes had deliberately tried to be put out and that it was too dark to play ball anyway.

A report from Lloyd Chambers, umpire-in-chief, said that he had called the game on account of darkness after having warned the Porcupine team several times about delaying the game. Base Umpire Monaghan filed a similar report.

Rule 24, section 4, was quoted, in which an umpire is empowered to call a game forfeited to the opposing team when the other team "employs tactics palpably designed to delay the game."

Baseball Schedule to be Completed This Week

The last game of the Temiskaming Baseball league schedule is to be played at South Porcupine on Wednesday night of this week.

If Porcupines and McIntyre are tied when the twelve games have been played, the T.B.L. will decide what sort of final series there will be to decide which of the teams will meet the Kirkland Lake winner.

Begin Knox Handicap Cup at Golf Course Next Week

Play in the Knox handicap trophy in the men's section of the Timmins golf club begins next week, it was announced this morning. The draw will be made and is posted in the locker room early this week.

Ran in Two Sprints

BRUCE HUMBER of Victoria who ran second in a preliminary heat of the 100 metres dash at the Olympics, but was beaten in the quarter finals of that event. He entered the 200 metres dash, where he ran third in a preliminary and reached the semi-finals before being eliminated.

have been great enough to account for the 6-3 defeat. Toburn took that day from Lake Shore. The "psychological effect" of the run was put forward as a claim by Toburn but somebody pointed out that the next batter after the run had been scored had been struck out, so the team must have been operating fairly well. This time it was Carl Schultz and Inky Wood whose votes made the difference.

There had been a semi-annual meeting of the Eastern Ontario Baseball Association on Saturday at Smith's Falls and the playoff arrangement was verified by long distance telephone by Art Moran, secretary of the league.

Those who were at the meeting were: S. C. Platus, Timmins president; Art Moran, Timmins, secretary; I. A. Solomon, McIntyre, vice-president of the E.O.B.A.; Inky Wood, McIntyre; Carl Schultz, Porcupine; Bill Oxy, Porcupine; Mr. Saunders, Porcupine; Walter Coleman, Porcupine; Bill Brydges, Lake Shore; P. E. Young, Toburn.

Softball Diamonds Built at Townsite

Hollinger Mine Prepares Two Diamonds for Six-Team League. Trophy for Competition.

A six-team softball league for the boys of the Hollinger Townsite will begin this week at two softball diamonds recently prepared by the mine for the use of sons and daughters of Hollinger employees. One diamond is located on Mons avenue and to other on Cambrai. Both have backstops, have been levelled off to provide a good field and will be improved gradually.

Pioneer Stores have offered a trophy for competition among six townsite teams and the clerks of the store there will each take teams for coaching. From the beginning made this month, it is hoped that next year the league will be operating smoothly and regularly.

W. H. Pritchard of the Hollinger has provided bats, balls and masks to see the league going properly.

Next Golf Tourney will be at Timmins

Northern Ontario Golf Association to Hold the 1937 Tournament Here.

The next Northern Ontario Golf Association tournament is to be played in Timmins, it was decided at a meeting in Haileybury last week. John Knox was elected president of the association and W. L. Hogarth secretary.

Westinghouse Makes Place in Softball Final Series

McIntyre Defeated 13-8 in Poor Softball Display at Cyanide Yesterday. Play-offs Begin This Week.

Westinghouse showed McIntyre out of the playoff berth in the Porcupine Men's Softball league last night when they took a 13-8 win in one of the least interesting games of the schedule. It wasn't Westinghouse's fault that the game turned out to be such a poor display of softball and sportsmanship. Now it's Westinghouse and Schumacher in a series to see who meets Palace for the championship.

Earlier in the afternoon, a game had been begun between same two teams and the Maes had piled up a three run lead before the game was called on account of rain, wind and dust. The players had been told that there would be a re-play at six o'clock. Barely enough McIntyre men turned up to fill the places on the team when the second game got under way. Then it was a let down on Ray Fox's part that lost the game for the mine team.

Westinghouse started out strong in the first by getting three runs off two

Old Gold Will Go to Teck Town With No Advantage

Mac's Have Bad Evening as Kirkland Lake Team Shows Better Defence Than on Last Visit

Won Olympic Prize

The McIntyre will have to step to win the Foster Cup, emblematic of the soccer championship of the T. & N. O. district, this year. For on Saturday night the Lake Shore team came north from Kirkland Lake and held the powerful Macs to a one-all draw. The visitors were much improved over their last appearance here when the Old Gold won the right to represent the N.O.F.A. in the Dominion Cup play-downs.

Until the latter part of the last half, it wasn't as rough or as fast as the soccer played in the Porcupine district league but it was well worth seeing and pleased the four hundred fans who turned out.

Tommy Searle, tricky McIntyre inside left, got the first goal of the game early in the first half. Reg Dunstan had forced a corner and Brother Ed did the kicking. Searle picked the ball up as it came to the ground a few yards to the right side of the net. His shot hardly rose from the ground and went sizzling past McMurray into the left corner.

Shore Slow at Net

The Shore forwards were slow at the net in that first half and it was only late in the second that they really came to life. After 33 minutes of play the visitors got their break. Manuel carried the ball down the outside and centred to Langton. Williams, who had been moved up from the half lines to outside right came in from his wing just in time to take Langton's pass. His shot was fast and accurate. The score was tied.

Those last few minutes were the best of the game. McIntyre had all the play except for one or two fast Lake Shore rushes that were not dangerous. The Maes closed in on the Shore nets as Phillips started a play that lasted for the last two minutes of the game. He passed out to Ed Dunstan who tried hard to head the ball into the net but McMurray tipped it over, allowing a corner. Lake Shore supporters began to cry "Time's up! Time!" as it looked as though the Maes' attack would surely end in a score. McMurray again tipped the ball over the bar on Dunstan's corner. Searle had a shot this time and once more McMurray had to allow a corner. Finally Rodgers made a hand ball and the Shore was able to clear without trouble. Then the whistle blew. It was a hectic few minutes that had everybody on their feet shouting.

The Kirkland Lake team's defence has undoubtedly improved since its last appearance here. Both McMinn and Chambers on the rearguard were working well and the half line contributed a good deal.

The Maes weren't in top form. They lacked the finish that has meant so many victories for them this year. On defence they were all right but on the attack they seemed much weaker than usual.

Lake Shore: Goal, McMurray; backs, Chambers, McMinn; halves, Williams, Nelson, Connelly; forwards, Partridge, Cree, Longton, Quinn, Manuel; spares, Simpson, Hurst.

McIntyre: Goal, Brockbank; backs, McAdam, Davis; halves, G. Boyd, Phillips, J. Morrison; forwards, Ed Dunstan, Reg Dunstan, Hampton, Searle, Rodgers; spares, Mair, C. Dawson. Referee: Carrell.

SPORT-ORE From All Levels

What happens to Canadians and Americans who win honours in the Olympic games for their country? What became of Percy Williams and a hundred other comets from this continent who have flashed to fame but briefly?

They came back here, ran a few exhibition races in a few years, were eventually beaten, and forgotten. A few were given better jobs than the ones they had left to go across the water. They were, in effect, good advertisements for somebody's product. People liked to be sold stocks and bonds by the former champion of this and that.

In Germany it's different. Perhaps not better, but certainly different. In the Nazi state, Mr. Hitler has for a good many years now been encouraging his people to become a stronger and better race. He's given them opportunities to play in the fresh air such as few other nations have. It doesn't seem to have produced any great result yet, to have produced any great result yet, to have produced any great result yet.

But when a German wins an Olympic event, the government sits up and takes notice. National heroes these days are (in addition to the Reichsfehrer) Josef Manger, Gottthard Handrick and Hans Woelke. And the government does something about it. Mr. Manger, a very heavy lad who grunted his way through out of an obscure position title, comes out of an obscure position title, comes out of an obscure position title.

There's the idea. Fancy what a lot of fun it would be over here. Canada's athletes have given a good enough account of themselves at the games. Surely there must be a good crown attorney or game warden, or harbour inspector, or radio announcer, or deputy minister among the lot.

Mr. King and Mr. Heppburn had better look to their laurels.

BETTY TAYLOR Hamilton girl athlete who ran third in the 80 metres women's hurdles at the Olympic games in Berlin last week. She ran second in the semi-finals and first in the trials. Later running third in the final.

SOFTBALL STANDING

	P	W	L	F
Palace	10	9	1	906
Schumacher	10	7	3	700
McIntyre	10	5	5	500
Westinghouse	10	5	5	500
Friedmans	10	3	7	300
Tuxis Grads	10	1	9	100

This is how the six teams entered in the Porcupine Men's Softball league finished this season. McIntyre and Westinghouse played off the tie for third place yesterday. Westinghouse winning. They now play a best-two-out-of-three series with Schumacher to decide which shall meet Palace in the final series.

Softball Series Starts Here To-Morrow Night

The first of a best-two-out-of-three series between Schumacher and Westinghouse softball teams in the Porcupine Men's league will be played on Tuesday night at the cyanide. Vice-president Ed Reid announced this morning. Games starts at six o'clock. The two other dates will be set later.

McIntyre Loses Last Game of Schedule to Palace 8-2

Mine Team Forced Into "Pre-Playoff" Game With Westinghouse by Score of 8 to 2

Losing the last game of the softball schedule on Friday night to Palace, McIntyre was forced into a "pre-playoff" series with Westinghouse for third place in the Porcupine league. The score was 8-2.

The good pitching of Rodney, efficient infielding and consistent hitting of the Palace made it obvious from the beginning that the Maes would have to be in extraordinarily good shape to win. Jack Rodney was the most important man in the game for he held the Maes to four hits during the game.

scored one of his team's runs and brought in two more on the only two-base hit of the evening. In the three times he faced McIntyre pitchers, he hit twice and gave one fielder's choice. Ray Fox had an off evening. The Maes had scored one in their half of the first when Fox walked and Block and Vail hit to bring the pitcher across the plate before the third man was out.

Palace went to bat confidently and both Lukon and Barbarie, first two men up, were walked. Romualdi hit through first to score Lukon. Dorey walked and the bases were loaded. Rodney picked out a good one and slammed it out between first and second for two bases. Barbarie and Romualdi scored.

Palace Scores Sixth Fox was relieved on the mound by Jim Walsh. Delmonte dropped a hit in behind second base that brought both Dorey and Rodney home. Before the Maes had settled down and put the last three Palace batters out, Delmonte had come in with the sixth Palace run.

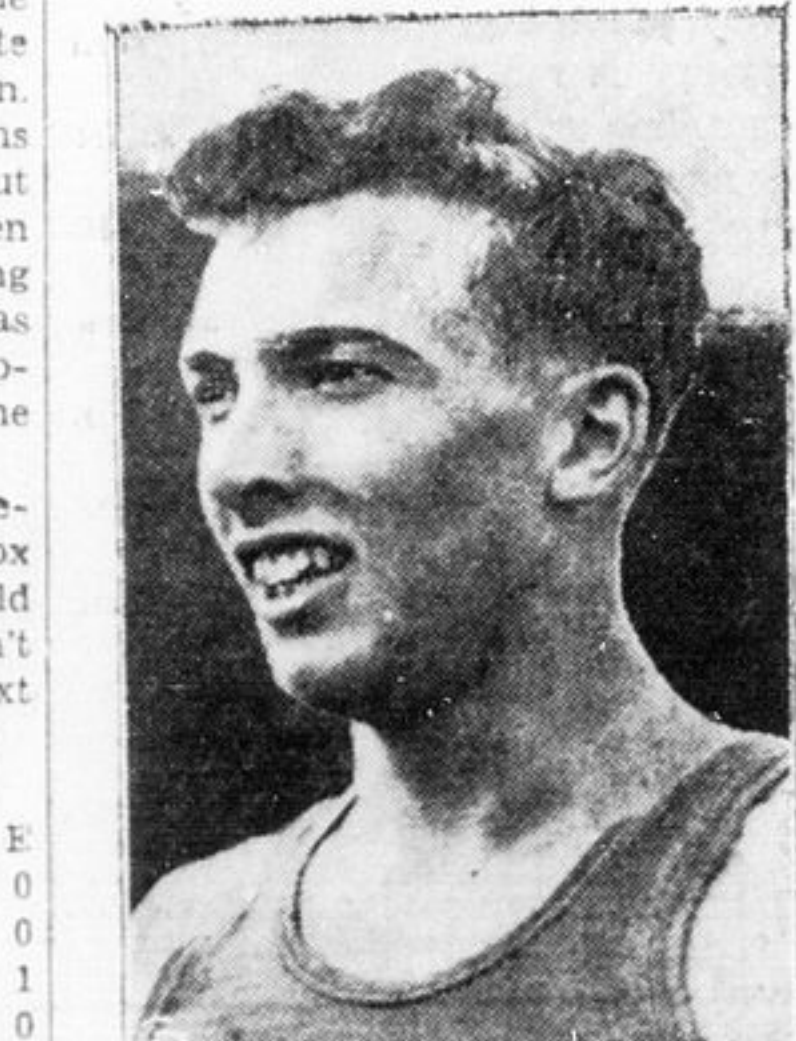

Palace made their other two runs in the second inning. Lukon beat out his bunt, and Barbarie singled. Then with two men out, Rodney hit, scoring Lukon. Barbarie started home but was trapped by Hicks and Vail. Hicks dropped the ball as Barbarie dove for the plate.

The only other scoring of the evening was in the fifth inning when Fox drove one to the tracks in centre field that was good for a home run. It didn't seem to worry Rodney and the next three men up were out by the infield.
