

## Thirteen-Year-Old Lad Dies from Injuries

### New T.N.O. Time Table is Working Satisfactorily

A. H. Cavanagh, General Manager of the T. & N. O. on Visit Here This Week. Bus Service to be Continued. Steam Trains Ready if Roads Blocked. Good Progress on Works Programme.

Asked yesterday if the proposal to unite T. & N. O. and C.N.R. terminal facilities at Cochrane under the C.N.R. had been dropped, A. H. Cavanagh, general manager of the T. & N. O. said: "No. We're still considering it. I would rather have any announcement in regard to that come from the premier."

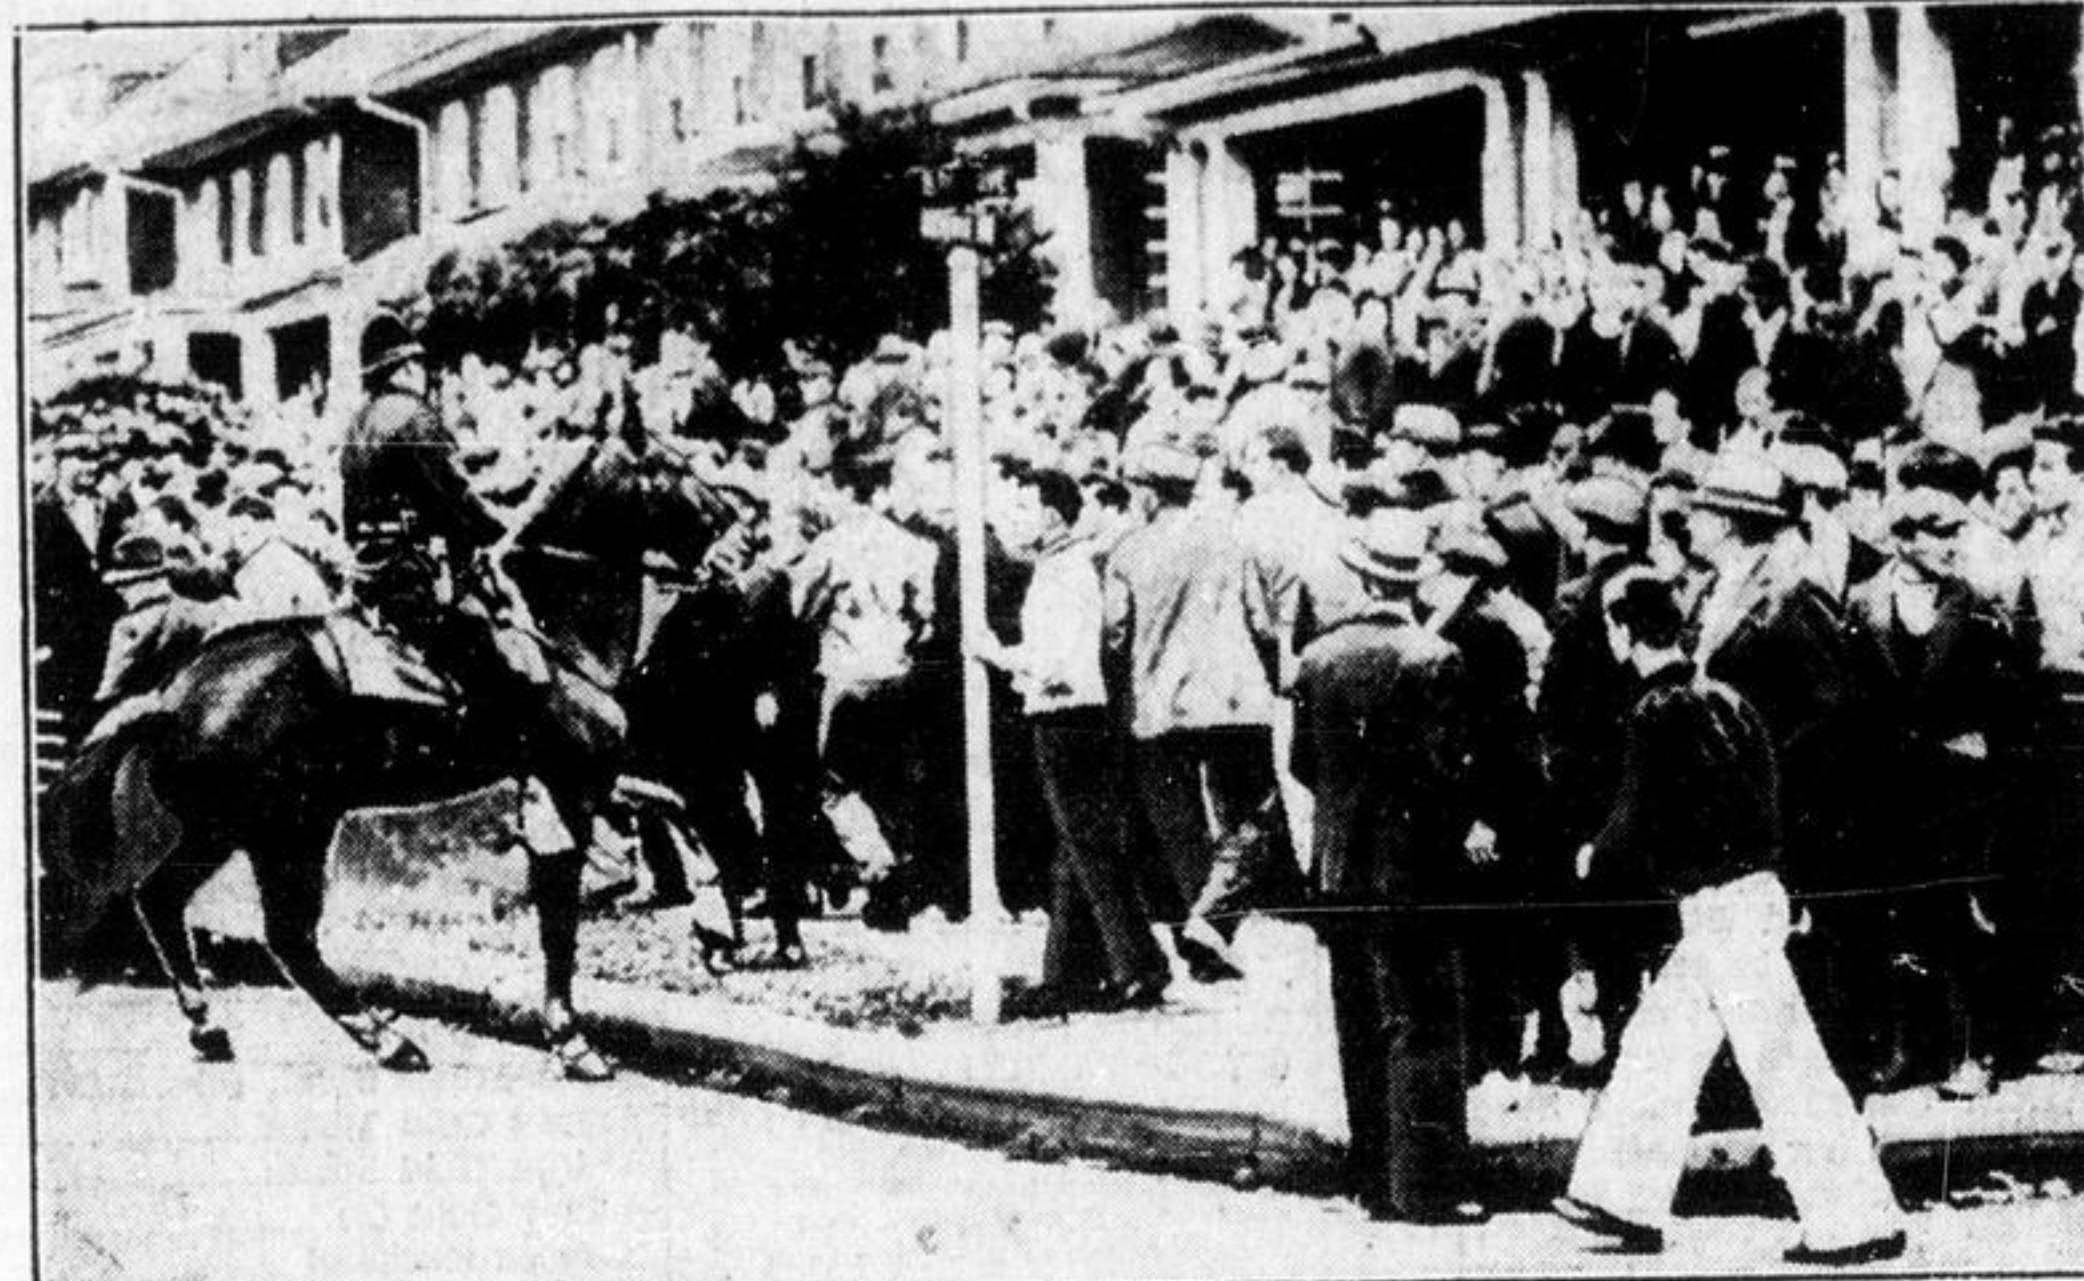

The railway's new time-table for the Toronto-Timmins train is working out well, Mr. Cavanagh said. No further changes are under way for the present at least. The difficulty with having the Toronto train service here any earlier than it does now is entirely in the time of departure from Toronto. Most people, railway officials believe,

would rather have the train leaving Toronto late in the evening.

The Commission's bus service between Timmins, Porcupine Junction, Iroquois Falls and Cochrane will be continued for a few weeks at least. Weather is the only factor that may make a sudden change in arrangements necessary. Steam trains will be ready to operate in case of a snowstorm that blocks the roads, so that service between the four points on the northern division will not be interrupted.

Mr. Cavanagh expressed himself as pleased with the progress that has been made on work projects undertaken by the railway this year. Construction of the new locomotive shed here is well up to schedule.

### ONE DEAD, MANY HURT, AS 6,000 HOSIERY WORKERS STRIKE

Wyoimissing, Pa., suburb of the city of Reading, was the scene of several clashes between state police, pickets and strike sympathizers. The state police are shown riding into a crowd of sympathizers after a demonstration before a knitting mill. More than two score persons received minor injuries. The hosiery mills at Reading are the largest in the world. More than 6,000 workers are on strike and picketing. Further violence is feared as strikers protest wage reductions.

### Conservative Party Policy for the North Outlined

Annual Convention of Conservatives of Cochrane Riding Deals with Interests of North. Stirring Addresses by Hon. W. A. Gordon and Others. Officers Elected for the Ensuing Term. Much Enthusiasm and Earnestness Shown.

"There is a direct responsibility to map out a plan for the development of this country and see that it is carried into effect," said Hon. Wesley A. Gordon, former minister of mines, at a meeting in Matheson yesterday of the South Cochrane Liberal-Conservative association. "We have passed the point where our resources are not known. Definite and precise economic planning must be put into effect. Courageous and interested people must be given some chance to realize the produce of their labours."

Impression on all those who heard it and one that will do much in the re-organization of the party in the North, it is believed.

#### Officers Elected

Seventy-five delegates, from Timmins, Schumacher, South Porcupine, Kirkland Lake, Matheson, Monteith, Ramore, Iroquois Falls and other points in the riding were there for Mr. Gordon's address and the election of the following officers of the association: Honorary presidents: Right Hon. R. B. Bennett, Hon. W. A. Gordon, Hon. (Continued on Page Six)

### \$2000 Fire Loss in Mountjoy

Garage and Truck, Property of Peter Curtis, Destroyed Yesterday.

A loss of more than \$2,000 resulted from a fire in Mountjoy township early yesterday morning that destroyed a truck and garage, the property of Peter Curtis.

Timmins firemen were called at 5.30 a.m. and when they arrived at the town limits, saw the garage a mass of flames. Realizing that nothing could be done to save that part of the property, they laid a water line 1,400 feet long, in order to protect the house. Since the Curtis place is past the end of Bannerman avenue, the truck could not take the hose in so the whole 1,400 feet had to be "buled" in—a tough job.

Mr. Curtis had been out very early in the morning, had started the truck and had gone back into the house. Ten minutes later, when he looked out the back door, the fire was burning fiercely. Firemen were able to prevent any damage to the house.

Raising a house at 116 Pine street south was responsible for a fire last night. The chimney had been split in the raising and the top part of it fell over. No damage was done by fire. Box 61 was rung in.

A chimney fire at 43 1/2 Third avenue on Tuesday was put out before damage was done.

### Address on Trip to Europe Given C.W.L.

Rev. Fr. O'Gorman Tells Interesting and Amusing Stories of Trip Abroad.

Rev. Father J. R. O'Gorman was the chief speaker yesterday at the regular monthly meeting of the Catholic Women's League in the parish hall of the Church of the Nativity. He told many amusing and interesting stories of his trip abroad this summer in which he went to Vimy, and other parts of Europe, including Spain. A vote of thanks to Father O'Gorman was moved by Mrs. J. Hubert.

Mrs. W. J. McCoy, president of the league, was in the chair for the meeting and voiced the regrets of the members on the departure of Mrs. D. Chisholm, treasurer, and a valued member of the league. While Mrs. Chisholm is away this winter Mrs. H. See will carry on with the work.

A summary of the annual diocesan convention, held at Cobalt on September 15th, 16th and 17th was read by Mrs. Cotnam.

Coming events planned by the league include a rummage sale on October 17, for which Mrs. A. Prout is convener; a tea and sale of home baking on October 24th in charge of which are Mrs. H. Smith and Mrs. J. Reynolds; and a card party early in November with Mrs. Flower, Mrs. J. P. Burke, and Mrs. G. H. F. Adams conveners.

At yesterday's meeting a pleasant musical number was a piano solo by Master Amadio.

### Big Building Operations Here Now Being Rushed

Erection of Walls and Placing of Roofs Being Speeded on Larger Buildings in Progress of Erection. Excellent Progress Being Made on Churches, Schools, Business Blocks.

Big construction jobs in Timmins are going ahead rapidly with the approach of cold weather. Walls are being raised as quickly as possible and roofs put on so that interior work may be done under proper conditions.

The vari-coloured stone walls of the new St. Anthony's church have risen to the eaves at both sides. The back wall is complete and the more complex front wall is being erected as quickly as possible. Even as little as may be seen of the new church indicates that it will be the most substantial looking building in town with the possible exception of the post office. Local granite is being used for the majority of the outside walls, although imported stone is used around the windows and doors and for other decorative purposes.

New O'Hearn Block  
The most recent addition to the business buildings of the town is the F. O'Hearn block on Pine street north, immediately north of the Dominion bank. Rapid progress has been made with the front wall, which is of buff brick with black mortar, a pleasing combination. Steel uprights and beams have been erected.

The Dr. McInnis block, south of the Dominion bank is now nearly ready for occupancy. Hardwood flooring is being laid in the two stores and painting and finishing of the interior is going ahead quickly.

Both big public buildings—the public school in the north and the separate school in the south—are progressing well.

Construction at Notre Dame de Lourdes church is also reported as satisfactory.

Work has not yet been begun on the new theatre which is to be on Cedar street, north.

### Officers Elected by Finnish Ladies

Timmins Finnish Aided Church Ladies' Aid Sewing Circle Meeting.

At the regular business meeting of the Timmins Finnish United Church Ladies' Aid Sewing Circle held last night (October 7th) the following officers were elected for the balance of the year: Mrs. (Rev.) A. I. Heinenon, president; Mrs. V. Taskinen, vice-president; Miss Gertrude Heinenon, secretary; Mrs. (Rev.) A. I. Heinenon, treasurer; to the committee in charge of work: Mrs. J. E. Viitanieniemi, Mrs. A. Martin, Mrs. V. Taskinen and Mrs. (Rev.) A. I. Heinenon.

Mrs. (Rev.) W. Leeman, from Kirkland Lake, was also present and brought greetings from the Kirkland Lake Finnish United Church Ladies' Aid. Mrs. Leeman is the Past president of the local Sewing Circle.

Refreshments were served by Mesdames J. A. Peterson and V. Ryhanen. The ladies of the local Finnish United Church are holding a basket social next Saturday at 7 p.m.

During the election of officers Rev. A. I. Heinenon, the minister, presided.

### Dr. Russell to Address Meeting of Nurses Tuesday

The monthly meeting of the Porcupine chapter of the R.N.A.O. will be held in St. Mary's hospital, Tuesday, Oct. 13th, at 8 p.m. Dr. Russell will address the meeting. All nurses are invited to be present.

### Puzzles Doctors

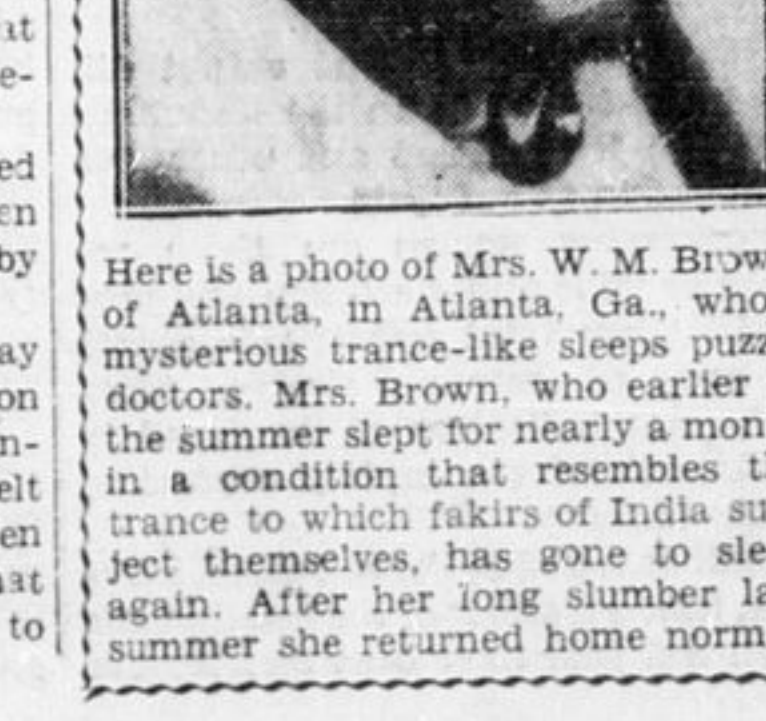

Has your house been inspected from top to bottom for fire hazards? Has all rubbish been cleaned out of it? Have the pipes and chimneys been cleaned? Are the electrical fixtures in your home safe?

Those are the questions every citizen of Canada is asked to answer this week. If you can answer "yes" to all of them, then you've done at least part of your duty for Fire Prevention.

The rest of the job is in seeing that others know something of how to prevent fires.

School children in Timmins learned something of the dangers of fire when pamphlets were passed out to them by the teachers.

Fire Chief Borland said yesterday that he was pleased with the attention that had been brought to Fire Prevention Week this year and that he felt a great deal of good had already been accomplished. He asked once again that everyone in Timmins do his part to "Make Timmins a Safer Town."

Here is a photo of Mrs. W. M. Brown, of Atlanta, in Atlanta, Ga., whose mysterious trance-like sleeps puzzle doctors. Mrs. Brown, who earlier in the summer slept for nearly a month in a condition that resembles the trance to which fakirs of India subject themselves, has gone to sleep again. After her long slumber last summer she returned home normal.

### Monday, Oct. 12th, is Thanksgiving Day

Stores and Business Places to be Closed All Day on National Holiday.

Monday next, Oct. 12th, has been proclaimed a public holiday by the Dominion and will be observed throughout Canada. All stores and other business places will be closed. Monday is Thanksgiving Day, a holiday observed in Canada and the United States for a great many years. For a time attempt was made to have Thanksgiving Day observed at the same time as Armistice Day, but this was not found satisfactory. There was equal dissatisfaction with the plan of having Thanksgiving Day observed on a Thursday, so the holiday is now scheduled for a Monday. Thanksgiving Day this year Monday, Oct. 12th.

### Damage Over \$1600 When Cars Collide

Accident at Corner of Preston and Middleton Monday. Car Takes Fire.

When cars driven by John H. Currie, of Kapuskasing and Steven Tesluk, of 46 Montgomery avenue, collided at the corner of Preston and Middleton avenues on Monday afternoon, the Tesluk car was turned over and is almost a complete wreck and the Currie car was damaged and, a fire that followed, seriously burned.

Occupants of both cars escaped injury. The total loss from the collision and fire will probably be about \$1,600. Both cars were insured, it is understood. Mr. Tesluk had been driving south on Preston street and had reached the middle of the intersection when the collision occurred. Mr. Currie had been driving west on Middleton avenue.

It is not known how the fire began but it is believed to have broken out about ten minutes after the accident. Gasoline was leaking from a tank previous to the fire.

### Lived Days with Broken Spine

Israel Daigle, Trampled by Horse, Dies from Injuries.

Israel Daigle, injured a week ago in a runaway accident at the A. E. Wicks Lumber company, died in St. Mary's hospital early Tuesday morning. From the beginning doctors realized there was no hope of saving his life. His spine was fractured in many places and there were serious internal injuries as well. He lived from Wednesday morning of last week until six days later.

Thirty-two years old and single, Mr. Daigle had been the North for the past ten years. He was an employee of the Hawk Lake Lumber company on their limits near Cochrane and when Hawk Lake was taken over by the Wicks company, continued to work in the bush and at the mills.

He came here from Bathurst, New Brunswick, where his brothers and sisters live now. Both his mother and father are dead.

The funeral service was held this morning at eight o'clock from the Church of the Nativity, Rev. Father J. A. Chapleau officiating. Burial was at the Timmins Roman Catholic cemetery.

### North Temiskaming and Cochrane Teachers Meet

Annual Convention to Be Held in High School Auditorium, South Porcupine, on Thursday and Friday of This Week. Includes all Schools in This District Except Timmins and Schumacher.

The North Temiskaming and Cochrane (in part) Teachers' Convention will be held in the High School hall, South Porcupine, to-day and to-morrow (Thursday and Friday, Oct. 8th and 9th). This convention includes all the rural schools in this district and some of the towns—indeed, in the immediate area round here Timmins and Schumacher teachers are the only ones not to be in attendance. Timmins and Schumacher teachers are at Cochrane for the District of Cochrane Teacher's Convention there this week.

The following is an outline of the programme for the North Temiskaming and Cochrane Teacher's Convention at South Porcupine:

- Thursday Morning, October 8th.
  - 9.00 a.m.—Devotional exercises, Ven. Archdeacon J. E. Woodall, D.D., Rev. Father Gellinas.
  - 9.15 a.m.—Addresses of Welcome, Reeve C. V. Gallagher, Mr. S. Kennedy.
  - 9.45 a.m.—Response, Miss Grace Anderson.
  - 9.50 a.m.—President's Address.
  - 9.55 a.m.—Community Singing led by Mrs. Besette with Miss Rapsey at the piano.
  - 10.05 a.m.—General Business: Minutes, appointment of committees, reports from treasurer and librarian.
  - 10.25 a.m.—Dance by Primary pupils.
  - 10.30 a.m.—Automatic Membership, J. D. Deyell, B.A.
  - 11.00 a.m.—Address on Canadian Art, Mr. J. W. Beatty, R.C.A.
- Thursday Afternoon, October 8th.
  - Grade conferences—South Porcupine Public School—Junior and Senior IV and V classes, Room 4, Chairman, Mr. J. M. Evans.
  - 2.00 p.m.—Course in English Grammar, Mr. R. L. Ship.
  - 2.30 p.m.—Making Arithmetic Practical, Mr. C. O. Martin.
  - 3.00 p.m.—A discussion of Civics and Citizenship.

- Senior and Junior III, Room 9, Chairman, Miss E. Traynor.
  - 2.00 p.m.—Teaching of Composition, Mr. Howard Wilson.
  - 2.30 p.m.—Geography, Demonstration Lesson, Miss Myrtle Harrison.
  - 3.10 p.m.—History, M. Wm. Armstrong.
- Senior and Junior II, Room 7, Chairman, Miss A. Sinclair.
  - 2.00 p.m.—Local Geography, Miss M. Keys.
  - 2.30 p.m.—Direct Learners and Second Book Arithmetic, Miss Easton.
  - 3.00 p.m.—Demonstration of Choral Reading, Miss A. Sinclair.
  - 3.30 p.m.—Composition Lesson, Miss Paolini.

(Continued on Page Four)

### Indian Summer but It Won't be for Long

Weatherman Thinks it Will be Cooler Weather for the Week-end.

Warm south winds have brought a real Indian Summer to the North in the past 36 hours, but it won't last long, the weatherman predicted this morning. Cooler weather may be expected for the Thanksgiving week-end, he believes.

Almost continuous rain from six o'clock Monday morning until late last night have brought almost an inch of rainfall this week. On Monday and Tuesday the total was 47 inches, the next day .50 inches and last night .02 inches, a total of .99.

Temperatures this week: Monday max. 48, min. 33; Tuesday max 58, min. 35; Wednesday max 54, min. 38; minimum last night 37, eight o'clock this morning 45.

### Stop! Look! Listen! Back for Three Days!

Popular Company Returning to Palace Theatre by Special Request.

The "Stop! Look! Listen!" Company that won so much popularity some months ago when appearing at the Palace theatre is coming back here by popular request and will be at the Palace theatre on Monday, Tuesday, and Wednesday next week, Oct. 12th, 13th, 14th. It will be noted that the company is to be here three days, instead of the two mentioned in the theatre advertisement, so the people will be three times as well pleased, instead of twice as much. The "Stop! Look! Listen!" Company on their last appearance here won the greatest popularity just as they did in Kirkland Lake and other Northern centres. In presenting their present new show, Lou Walters assures the friends made here on the previous visit that the coming show is bigger and better than ever. New dances, new songs, new music, new costumes, new turns, new stars! There is a special children's matinee at 11 a.m. on Monday, and a special midnight show for adults on Tuesday evening at 11.30.

### Timmins Citizens' League to Meet Monday Evening

The Timmins Citizens' League announce a public meeting to be held in the Posvita hall, corner Elm and Fifth on Monday evening, Oct. 12th, at 8 o'clock. The notices for the meeting have been issued in both English and French and all citizens are invited to attend to discuss municipal matters of interest and importance.

### Next Issue Advance Thursday

Issue on Monday to be Missed on Account of the Holiday.

Monday next, Oct. 12th, is Thanksgiving Day and a regular holiday throughout the Dominion. Following its usual policy, carried through since its inception, The Advance will not publish on the holiday. The next issue of The Advance will be on Thursday, Oct. 15th, and then every Monday and Thursday until—the next holiday on publication day.

### Board Approves Sewers and Waterworks Plans

Municipal Board Grants Permission to Town for Expenditure of Several Thousand Dollars for Improvements and Extensions. Issue of Debentures Now Possible.

Permission has been granted the town to go ahead with sewer and waterworks plans that involve the spending of several thousand dollars, it was learned to-day from a telegram received from the Municipal Board in Toronto by Gordon H. Gauthier, solicitor for the town.

By-laws authorizing the work were passed several weeks ago by the council and were sent to Toronto for approval. They need only be passed a third time here to make the issue of debentures possible.

Complete written permission from the Board to proceed with the work is expected within the next few days.

Latest word from Toronto is to the effect that the condition of Russ Grigg, who is ill in the hospital there, is still quite serious.

### Crushed in Collision, Boy Dies

Thirteen-year-old Lyman Dillman, Golden City, Dies from Injuries Received in Collision.

Thirteen-year-old Lyman Dillman, of Golden City, was crushed last night between the rear of his father's truck and the front of a car. He died in South Porcupine hospital early this morning.

The driver of the truck had stopped it on the street in Golden City and had got out to see if a culvert was safe enough to hold up the heavy load. Lyman was standing at the rear of the truck when a car driven by W. Brewer, of Timmins, came up behind. The force of the collision in which the boy was caught, broke many bones in his body and caused other serious injuries. Taken immediately to South Porcupine hospital, he lived until early this morning.

Lyman was the son of Mr. and Mrs. Ambrose Dillman of Golden City and the funeral service is to be held there on Saturday afternoon at two o'clock.

### Business Meeting, Schumacher Lions

Activities Planned Include Child Clinic at South Porcupine.

At a business meeting last night of the Schumacher Lions club, two activities were planned that will bring more funds to the club for the community service work in Schumacher and South Porcupine. A dance at the Croatian hall, Schumacher, on November 11th, will be the first of the Lions frolics of the season. Arrangements are in charge of E. Brooker.

Proceeds of a tag day at South Porcupine at a date to be announced later will go toward the establishing in South Porcupine of a child clinic, similar to that now in operation at Schumacher.

Next week's meeting of the club is to be at South Porcupine when two members of the club from that town will be initiated, Dr. Harper, and P. C. Evans. T. R. Langdon and Max Smith are looking after arrangements for the meeting.

Child welfare work being planned for Schumacher this winter includes the operation of open air skating rinks such as were provided last year.

### Hon. Earl Rowe on Tour of the North

Spoke at Sault Ste. Marie This Week. Itinerary to be Announced.

Hon. Earl Rowe, leader of the Conservative party in the province of Ontario started this week on his tour of the North Land. He spoke at Sault Ste. Marie this week and it is expected that he will also visit Sudbury, North Bay, Timmins, Kirkland Lake, Cochrane and other centres in the North during the three weeks he is devoting to a tour of the North. His itinerary is not known at present, but will be announced at an early date.
