Many at Funeral of Mrs. J. B. Schneider

Service at United Church South Porcupine, Conducted by Rev. A. I. Heimonen.

The death of Mrs. J. B. Schneider in South Porcupine last week removed from that community one of the pioneer church workers of that centre. She had arrived at the young mining town 24 years before and had been actively engaged in church work among babies and children, not only in those of the Finnish United Church but also among the English congregation. She will be greatly missed there.

Fifty years of age, Mrs. Schneider is survived by her husband, two children, Aileen Tuulikki (Mrs. A. Laammen) and Urho J. Schneider, both of South Porcupine, one brother, Oscar Andersen, and two sisters, Lydia Kokko, and Elin Nurminen, both of Finland.

Friends and relatives of Mrs. Schneider filled the United Church at South Porcupine to overflowing for the funeral service on Sunday afternoon at two o'clock. There were a great number of wreaths and floral offerings. The choir of the Timmins Finnish United Church contributed two selections, and Rev. A. I. Heimonen conducted the service. Interment was at Tisdale cemetery.

Falling Plank Kills Man at the Preston
Accident Last Night at the Preston East Dome.

Struck on the head with a short plank that fell 86 feet down the new shaft at the Preston East Dome mine near Dome last night at 11.45, Wilfred Calder, aged 33, of Kirkland Lake, was killed almost instantaneously. It was learned at the mine this morning.

Calder had been working at Preston for just three days when the accident occurred. He had been timbering at the bottom of the shaft when the short plank became dislodged at the collar of the shaft near ground level and went hurtling down to the bottom.

The young man lived at 38 Kirkpatrick street, Kirkland Lake, and is survived by his wife and two children. The usual inquest will be held.

Expect Foundation Ready in Four Weeks
Hill-Clark-Francis Awarded Contract for foundation of New Theatre.

Hill-Clark-Francis will have the foundation for Timmins' new \$75,000 theatre ready in four weeks, it was learned yesterday from W. H. Burnes, local manager of the construction company.

Wrecking of the Cedar street north buildings that now occupy the site of the big new place is well on the way now. Excavation will be started just as soon as possible, and concrete pouring done so that the foundation will be ready for superstructure in what will amount to record time.

The contract for the building itself has not yet been let by the Hanson Theatre Corporation, it was learned from other sources.

To Call Reports to Attention of Judge
Reports of Enquiry in Outside Newspapers Only Giving One Side of Evidence.

In Monday's Advance there was an editorial calling attention to the reports in some outside newspapers of the judicial inquiry held here last week. These reports appeared to be most unfair, evidence reflecting on Chief Paul being featured but no mention made of the rebuttal of this evidence given as the case proceeded, and no evidence that appeared to be favourable to the police chief being noted. It was suggested that in view of the very striking unfairness of this and in view of the fact that the town solicitor had called the attention of the judge to a comment in a weekly newspaper that might be prejudicial in the case it might be well to follow the same procedure in the case of the inadequate and unfair reports in outside newspapers. These reports had been sent from Timmins. In reply to the editorial, Mr. Caldwell, town solicitor in the case, wrote The Advance saying that he had not noticed the reports in question but that if he had copies of the reports considered unfair he would consider it his duty to place the matter before His Honour Judge Caron. On receipt of the reports referred to Mr. Caldwell informed The Advance yesterday that he would duly call them to the attention of His Honour Judge Caron.

Is Your Name on the 1936 Voters' List?
Court for Hearing Complaints in Regard to List to be Held on Nov. 20th, 1936

Is your name on the voters' list? That is the question for the day. If it is not on you are risking the right to vote at the municipal election this year. "Is your name on the voters' list?" That will be a pertinent question on Dec. 7th, the municipal election day. A number of electors usually leave it to that day to find out whether they have a vote or not. If they find then that they have no vote they raise Cain, they condemn everybody about the matter. The truth is that any man whose name is left off the list is himself to blame if he is unable to vote. It is his responsibility and right to see that his name is on the list. Do it now! If your name has been omitted you still have the chance to get on the list. The court held each year on the voters' list to correct any errors or omissions is to be held this year on Friday evening, Nov. 20th, at 7 p.m. at the town hall. In the meantime look up the matter. See if your name is on the list. If it isn't, then notify the clerk and by appeal to the court on the voters' list to sit as noted on Nov. 20th you will be added to the list if you are entitled to a vote.

Buffalo-Ankerite Production is Up
Total Tonnage Last Month was 24,733 Producing \$193,623.

Production at the Buffalo-Ankerite is quickly nearing two hundred thousand dollars a month. October's record shows. Total tonnage run through the mill during last month was 24,733, from which \$193,623 in gold was recovered. This is \$7,000 more than last month. R. P. Kinkel manager of the mine told The Advance this morning. It is expected that Ankerite will top the two hundred thousand during November, since a better grade of ore is being used.

Second Snowplough May be Purchased
Three or Four Ton Truck, with Snowplough Attachment, may be Bought.

Timmins will have a second snowplough this winter if a plan at present being considered by the council is finally approved. The idea is to buy a three or four ton truck, with a snowplough outfit attached to the front, similar to those used by the department of highways in southern Ontario. This could clean light snow from streets in town and roads in the district at a much higher speed than the diesel tractor outfit and could keep Timmins streets open by constant operation during a storm, it is believed.

There is also talk of using town equipment this winter to plough roads to nearby mines. If this were done, it would be almost imperative to have the truck as a second plough. The truck could be used in summer for heavier town work.

Dr. Margaret Patterson to Speak at Timmins, Nov. 13
Dr. Margaret Patterson, formerly magistrate of the women's police court in Toronto, is to speak in Timmins at the United church on Friday, November 13th. It was announced this morning by the Fireside club.

The subject of Dr. Patterson's address is to be "The Opportunities of Youth" and it is expected that her talk will attract a large number of people to the church. Further details are to be announced later, when tickets are to be placed on sale.

GOOD NEIGHBOURS

Hope to Make Poppy Day the Best Yet
President Austin Neame Refers to Plans Being Made for Annual Legion Event.

"We are endeavouring to make this the best Poppy Day we have ever had," said Austin Neame, president of the local branch of the Canadian Legion yesterday, describing the plans that have been made for this annual drive for funds. "The profits from the sale of poppies go entirely to the relief of ex-servicemen in the Porcupine district and are not used for administrative purposes in any way. The poppies

Address to Auxiliary by President Neame
Asks Help Again of Ladies for Poppy Day Work.

There was a good attendance of the members at the Ladies' Auxiliary of the Canadian Legion on Monday in the Legion hall. Mrs. F. Bennett, the vice-president being in the chair.

Austin Neame, addressed the ladies, the main theme of his address being "What the Auxiliary means to the Legion." He also appealed to the members to help on Poppy Day and received the assurance that a goodly number will be on hand.

A notice of motion affecting the Auxiliary was given its first reading, this has to be read twice more before a ballot is taken.

The ladies arranged for a social evening on Remembrance Day. The event to be held in the Legion hall at 8.30 p.m. Further particulars will be given in Monday's issue.

The ladies canvassing for wreaths and large poppies have done exceedingly well it is learned at time of going to press. Sales are the best for a number of years. Over 500 of the new style window poppies being sold already.

DIDN'T LIKE WIFE'S LOOKS
(Calcutta Statesman)
Displeased with the looks of his wife, a young man of Lahore is alleged to have poured kerosene oil over her while she was asleep and set fire to her clothing. The woman was burned to death. It is stated that the youth, who was a resident of a village near Patiala, did not see the girl prior to his wedding, the match having been arranged by his parents. Displeased with her looks, the young man urged her on several occasions to return to her parents, but she refused to do so. Waiting for an opportunity, one day while his parents were away from the house, he is alleged to have committed the deed.

STILL THE GOSSIP RAGES

Gossip about Mrs. Ernest Simpson, friend of King Edward VIII and who recently divorced her second husband in London, continues unabated—in the United States. American journalists have uncovered many "amazing stories" and rumours, all pointing toward the marriage of Mrs. Simpson and the King. The much-talked-about former Baltimore girl is shown above in evening gown. Though well-known in court circles, Mrs. Simpson has never been presented formally to the Court of St. James.
