

Sudbury Tigers Win Northern Ontario Hockey Title

Timmins Juniors Made Nice 6-5 Win Against Noranda Here

Local Lads Built up a 4 to 1 Lead in the First Period, but the Game was Tied in the Second Frame. Joe Delmonte the Hero of the Game.

After building up a four-to-one lead in the first half of the first period and then seeing the game tied up by the end of the second, Timmins juniors went on to win the game 6-5 against Noranda's junior edition of the Copper Kings in the first of a two-game total series in the semi-final round of the N.O.H.A. championship, here last Thursday night. They brought the one-goal lead to Noranda yesterday for the final game of the series.

It was Joe Delmonte that fired the shot that gave the locals the one-goal lead on the game shortly after the third canto had started. Joe played a sterling game all night and it was fitting that he should settle in the hero role of the battle.

Outstanding on the Noranda team was Lajoie, pint-size second line winger. His ability to hold the puck even when surrounded by two and three players was uncanny. He was a demon at back-checking and was a menace to the locals all the way through the game. Doc O'Leary had him on the ice most of the time and he was especially effective when his team was short-handed. He lacked the weight to get through the tough Timmins defence which accounted for his being kept almost entirely off the score sheet. He got two assists on passes at the blue line.

By the time the game had reached the halfway mark in the first frame Timmins had rapped four goals past Newton and it looked as though they were going to have everything through their own way. Tony Delmonte banged in Booth's rebound as three minutes to start the parade and 40 seconds later their second line scored when Theriault wrapped his hickory around a long pass from Marinacci and made no mistake as he picked a top corner.

At eight minutes Richard, who was probably the smoothest player on the ice, took a pass from Booth to shove the total to three. Booth was behind the net when he flipped the disc out. The second line came in turn to score the fourth local counter. Marinacci had gone in with Theriault, and Cook and it looked as if he had scored. The goal judge refused to flash his light but Referee Grant counted the goal. It was the second time that the goal judge had apparently missed on a close one and he was replaced.

While Noranda was short-handed through Barrows penalty for tripping Marinacci and Timmins juniors were swarming around the Copper King nets. Briand, Stewart and Lajoie broke away and registered the first Noranda goal. Briand did the scoring. With only a minute left to play Briand again scored when Tony Delmonte was marking time and Noranda was pushing their power play. He got the pass from George Courteau.

Leo Richard got in for the period's last goal when he brilliantly stick-handled his way through three men to get in the clear for his drive.

Shortly after the second had started Richard and Paul Courteau collided at

the Noranda defence and Courteau had to be taken out for repairs. Richard was given a five-minute sentence "for drawing blood." Bastien proved his metal while his team was short and was sensational in turning back one Noranda attack after the other. Just as Richard returned Bastien weakened for a moment and Lachance batted in a puck that Bastien had thrown to one side in clearing.

Three-quarters through the period Noranda were given a goal when George Courteau broke away with nobody to stop him and Numella threw his stick from the blue line. Half a minute later George Courteau repeated when he took Lajoie's pass at the blue line. Two penalty shots were handed out in the second period when Newton threw the puck ahead to clear. They were taken by Richard and Hume and both missed.

Just after the third started Joe Delmonte and Leo Richard broke clear and Richard put down a perfect pass through the defence that Joe pounced upon. The shot was labelled, as the "Tiger" let loose a power drive that fairly smoked.

In the last period Noranda went into a strictly defensive game and steadily shot the puck down the ice to clear. Three dangerous rushes that left the whole Timmins team in Noranda territory were turned back by Bastien who played a good game in the local nets in spite of the five counters that went through him.

"Bud" Hume, who played with last year's champion Porkies, missed six or seven good chances when he picked up Richard's perfect passes and drew the goalie out of position and then lost control of the rubber. It showed lack of condition because last season Hume was one of the fastest men on the team.

Noranda: goal, Newton; defence, Gould, Barrow; centre, Paul Courteau; forwards, George Courteau, Lachance; subs, Lajoie, Stewart, Briand, Ladds, Kirkwood.

Timmins: goal, Bastien; defence Joe Delmonte, Tony Delmonte, centre, Richard; forwards, Booth, Hume; subs, Marinacci, Theriault, Cook Numella. Referee, Walter Grant.

EXCITING MOMENTS IN CUP TIE GAME

Everton defenders (in dark jerseys) have a hard time keeping out the speedy forwards of the Tottenham Hotspurs' team during the fifth round Cup tie replay at White Hart Lane, Tottenham. The player in the white jersey who is putting on a "Charlie Chaplin" act is Morrison, the Spurs' centre forward.

Can Anglers Here Produce "Ontario's Finest Trout"?

Mary Pickford Presents Beautiful Trophy for Annual Competition. Is in Charge Now of William Lang, of Toronto.

Percupine district (and that includes Iroquois Falls this time) are to have a chance this year at a trophy that will be prized above all others by Ontario anglers.

The most beautiful cup that has been seen in Toronto for many a year is the Mary Pickford trophy, to be presented annually to the fisherman catching the finest speckled trout—not necessarily the largest or heaviest, but the most beautiful. Competent judges will decide the winner from photos and affidavits.

It happened this way: When Mary Pickford was in Toronto last she was entertained by William Lang, one of Canada's most ardent anglers and a man who knows the Mattagami river from Timmins to James Bay better than thousands who have lived here most of their lives.

May Present Replica Here
When Mr. Lang visited Hollywood a few weeks ago, he took with him the "Mary Pickford fly," a creation of gold and blue. In gratitude for the fine speckled trout she had been given by Mr. Lang in Toronto and for the honour he had bestowed upon her, Miss Pickford has presented a sterling silver cup for competition among Ontario anglers.

C. A. Remus, who met Mr. Lang in Toronto last week, learned all this from the famous angler. So enthused did he become with the idea of the trophy that he has offered to present a replica of the trophy if anyone in this district is successful in winning the prize. The trophy itself must be put up for competition the following year but Mr. Remus' replica is to be retained as the property of the angler.

Showed Hollywood the Movies
Not only is Mr. Lang an accomplished angler and a member of the Caledon club, but he has another hobby that matches perfectly his desire to try the far rivers and streams. He's taken motion pictures of all his trips, many of them now in colour. These he carried to Hollywood with him and was invited to show the technicians at one of the big studios what Ontario's Northland is really like. They were amazed with what they saw—rippling trout, fierce muskellunge, and the beauty of the unspoiled waters of the North.

His camera has won Mr. Lang entry to the finest private fishing reserves in United States. The anglers needed only one look at his Northern Ontario pictures to make him an honoured guest.

Symbol of Northern Canada
Interviewed in Toronto by Robert Reade, Mr. Lang told this story of the Mary Pickford fly and of his trip to Hollywood:

"To represent her golden hair, I took the feathers of the American golden pheasant. Miss Pickford was wearing at the time a pale blue dress. To recall this, I put in the shoulder of the fly, feathers from the Indian bird called the chatterer. As she posed for the newspaper photographers, she asked her maid to bring a rouge box and she dabbed her cheeks here and there. Those dabs and the coloured spots in the fish I represented by using the red in the tail feather of a Greek sparrow. The body of the fly I made silver in recognition of the silver screen. As a streamer, I added hair from the polar bear. That is not only a most effective lure, but a symbol of Northern Canada. The world-wide range of the materials I used typify the universality of the screen.

"I placed my Mary Pickford fly," continued Mr. Lang, "in an oval silver background in a gold frame and added

a suitable inscription. When I presented it to her in her Beverly Hills home, she exclaimed: 'I have received many souvenirs, but there has been none like this. It is unique and delightful. I will always treasure it as a memento of Toronto and Ontario.'

"She at once," he went on, "planned a fishing trip to try it out, but after luncheon in her garden she insisted on taking me that afternoon to a polo game in which Buddy Rezers was playing. As we motored in, she glanced at the score board and exclaimed in delight, 'Look! Buddy has scored three goals!' During the game I was able to take pictures of her applauding his play. After the last chucker she introduced Buddy to me, and he also admired the Mary Pickford fly.

"The next day their engagement was announced, and the excitement of that postponed our fishing trip beyond the time I could spare in California. My fly was put into the display of Zane Grey fishing trophies in Los Angeles. "A few days later, Mary Pickford asked me to call on her again, and, with several other screen celebrities as an audience, presented me with a cup to take back to Ontario for angling competition. She picked it up in England and it is a real object of art, solid silver with double handles in the loving cup style."

Moneta Boys Lose First at Cochrane

Exhibition Series Begins With Closely Contested Game.

On their second annual visit to Cochrane under the leadership of Farquhar Anglin, a group of Moneta boys played hockey in the district town on Saturday, and lost by a single goal. Final score was 3-2. Last year the boys were all in Moneta public school but this year a few of them are in first form high school. The team has been kept together.

Cochrane public school boys will visit Timmins this Saturday for the return game.

The trips are financed by the boys themselves, the home team providing the noon meal. Great improvement in ability on the part of both Moneta and Cochrane teams was noticed in Saturday's closely contested game. Each team scored one in each of the first two periods, Orland getting the first for the Moneta boys and Cochrane making the tie when the forward line swept in on Omeccioli in the Moneta nets. The goalie was hit in the face with a stick as the puck went in.

Mazzuca-Orland Combination
In the second period Mazzuca scored from in front of the net as Orland shot a pass across to him. A Cochrane defence man tied the score when he circled the Moneta blue line. A scramble in front of the net in the third period gave Cochrane the winning goal.

Cochrane: goal, R. Mitchell; defence E. Kamapelky, H. Biers; centre, F. Passano; wings, J. Hannan, J. Downie; spares, L. Ballard, G. Leblanc, R. Stewart, D. Heslip, B. Warrell.
Moneta: goal, O. Omivolioli; defence, S. Moro, D. Guistini, P. Creighton; wings, G. Mazzuca, R. Orland; alternates, S. Grimaldi, K. Handley, J. Gallagher, B. Turcotte, C. Hudson, R. Pezozola.
Referee: Jack Ballantyne, Cochrane.

Three Events Still Going for Curlers

Approaching Finals in Timmins Local Bonspiel.

In an Ecclestone cup game played Friday night at the curling club Leaman advanced to the finals by defeating Ramsay. The rink now meets Walker. Carson meets the winner of the White-Callick game this week to put the event into semi-finals.

In the vice-skips' Marshall-Ecclestone event, Stenhouse won from Wynne in a second round game. Fulton won a third round game from Brady.

In consolation event games Pickering won from Blackman, Lowe won from Brough, Black won from Jamieson, and Arscott won from Stevenson.

Van Itallie Trophy to Haileybury Rink

"Saw-Off" Necessary With New Liskeard in T. & N.O. District Curling Event.

Kirkland Lake, March 8.—(Special to The Advance)—Dunc Sutherland's Haileybury rink that made such a remarkable showing at the bonspiel here a few weeks ago, took the Van Itallie trophy at Kirkland Lake on Saturday afternoon. When the tankard play had been finished, it was found that Haileybury had lost only one game and so had New Liskeard. In the saw-off match, Haileybury won.

The Timmins rink, skipped by I. A. Solomon, was the only one to hear Haileybury in the scheduled play. A. E. Stephenson's New Liskeard rink lost to Haileybury Friday afternoon.

The Porcupine's second rink, from the South Porcupine club, was skipped by Karl Eyre. Two wins and four losses came their way.

Locals Lost Only Two
Solomon's crew lost only two matches, to New Liskeard and North Bay.

Standing of the rinks at the conclusion of the last round in this T. & N.O. district equivalent of the all-Canada Macdonald Brier event:

Geo. Lake Runner-up in Closely Contested Curling Match.

In a closely-contested week-end curling match, A. W. Pickering's rink won the McIntyre trophy in the final match against Geo. Lake's rink. The score mounted by ones during the first eight ends. Play for the McIntyre cup began some time ago but was delayed on account of the mild February weather.

Rinks were: A. W. Pickering, skip; W. R. Dudge, Ed Reid, J. Walton, Geo. Lake, skip; P. J. Doyle, Bob Donald, Murray Yolles.

Blank Lake Shore by Five Goals in Second of Series

Power Plays and Combination Efforts of Nickel Belt All-Star Team Prove Too Much for Gold Belt Representatives.

Sudbury, March 8.—(Special to The Advance)—Blanking Kirkland Lake Lake Shore by a score of 5 to 0 at Stanley Stadium, Sudbury Tigers won the senior N.O.H.A. championship and the right to advance into the provincial playdowns.

Power plays and pretty combination efforts carried the play right up to Durnan at the Lake Shore cage and as the Sudbury Tigers snipers drew the former Cub Woller netminder out of position he was given no chance to save the well-directed shots.

Jim Dewey, stellar Tiger centreman, played an outstanding game for the winners and added three scoring points to his record with two assists and one goal. Hastie, former Hamilton Tiger star, also played well for the winners and in addition to kicking one of the counters played a heady game. Murph Chamberlain sifted through the Lake Shore squad repeatedly for shots at Durnan, but on all but one occasion was robbed of counters by Durnan's clever netminding.

Strong Sudbury Defence

The Tigers defence men, Graham, Lavigne and Kamppan, performed well and "Bingo" Kamppan was probably the most outstanding man on the ice in this department. Kamppan not only played a strong defensive game but also broke away several times in nice rushes to the Lake Shore net and unpacked a series of wicked back-hand shots.

Grivel looked best for Lake Shore and was always a serious threat. Olliver played steadily but failed to shine due to the close checking of the Sudbury squad. Grivel played the entire contest strapped up in adhesive tape as the result of muscle injuries received in one of the gruelling games against Tekimas, Jack Wilkes, former Timmins star, also played with five stitches in his foot as the result of an injury received in the same series.

Durnan was spectacular at times in the Lake Shore net and robbed the Tigers of several sure-fire scoring chances by his cool and heady work in the cage.

At the other end of the ice his opposing netminder, Teno, also made several nice stops and this was particularly true in the third period when Lake Shore had a two-man advantage with Chlette and Kamppan both serving time in the penalty box. Lake Shore's best efforts were without avail.

Exciting Finishes to Ski Events at Porcupine Club

H. Tuuttilla, South Porcupine, to Represent This District in Eastern Canada Cross-Country Event Next Year. Shows Amazing Form.

Porcupine Ski Club will have an entry in the cross-country racing for the Eastern Canada championships next year who will be hard to beat. H. Tuuttilla, South Porcupine, who entered his first local skiing competition yesterday, turns out to be without doubt the best seen in action here.

Finishing far ahead of the other nine entrants, Tuuttilla seemed to think little of his success. With training the middle-aged man believes he can better his own time by a great deal. Although the course over which the cross-country was run was not accurately measured, both those who laid out the trail and those who competed set its length at seven and a half miles. Tuuttilla's time was 27 minutes, 30 seconds, or an average of something like 12 miles an hour. That's travelling for cross-country skiing. Tuuttilla's skis hand-made, are of the Finn type, narrow, but much shorter and lighter than usual.

Ray Kleven finished second, taking just 41 minutes, 15 seconds for the run.

Exciting Intermediate Finish
The finish to the intermediate cross-country event was one of the most exciting of the day. Although there were only four entrants in the five-mile affair, they were extraordinarily well matched, shown by the fact that there was little more than two minutes' difference between first and fourth. Ambrose Killeen won the race in 34 minutes, 7 seconds, two seconds ahead of George Theriault.

The senior slalom race produced another neck-and-neck finish. When the figures were added for two runs made down the crooked course, it was found that Tom Kleven and Pearly Martin had tied for an average of 13 seconds.

On the race to break the tie, Martin claimed first prize with a run of 12 seconds, two seconds better than Kleven.

Pilon Wins Point-to-Point
The junior point-to-point race that was to have been run from the foot of Balsam street to the clubhouse was actually from the sand claims, a mile and a half from the club. Henry Pilon finished first with a time of approximately 15 minutes. George Blake followed him.

The junior jumping contest was not held because Otto Kleven, one of the contestants in the combined jumping and cross-country event, had jumps will probably be made next Saturday morning.

Huntsville Forester—A Lincoln, Neb., pastor states that profanity is a greater sin than murder. Personally, however, we would rather be cursed out than bumped off.

as the Tiger netminder turned aside the barrage of rubber.

The game attracted the largest crowd of the season and there was a large number of Lake Shore supporters among the fans wearing the blue and white team ribbons.

Lake Shore—Goal, Durnan; defence, Crawford, Milton; centre, Olliver; wings, Mitchell, Grivel; alternates, Lamoureux, Chipman, Wilkes, Wright, Armstrong.

Sudbury Tigers—Goal, Teno; defence, Graham, Lavigne; centre, Dewey; wings, Grosso, Hill; alternates, Conick, Hastie, Chamberlain, Cholette, Kamppan.

Referees: Dutch Hamel, Sudbury; LaGrave, Kirkland Lake.

First Period

1. Sudbury Tigers, Grosso (Dewey) 18.18
Penalties: Chamberlain, Wilkes.

Second Period

2. Sud. Tigers, Graham (Dewey) .. 8.47

3. Sud. Tigers, Chamberlain 19.23
Penalties: Lavigne (2), Olliver.

Third Period

4. Sud. Tigers, Hastie 11.52

5. Sud. Tigers, Dewey (Hill) 15.18
Penalties: Laineux, Cholette, Kamppan.

Timmins Curlers Win Englehart Cup

G. S. Lowe and Geo. S. Drew Skip Winning Rinks at Noranda.

Timmins curlers yesterday brought back the Englehart trophy from Noranda, a cup for which rinks on the T. & N. O. railway have been playing since 1911. It was a challenge event and two Timmins rinks won both their games.

The victors were: G. S. Lowe (skip), L. Pare, Jack Taylor, George Mondoux; Geo. S. Drew (skip), A. G. Carson, A. R. Harkness, E. H. Hill.

In "friendly games" between Noranda and Timmins curlers, M. J. Belanger won from Schnarr, A. E. Prout won from McDonald and McGuire lost to Huehnergard.

McIntyre Winter Sports Big Success

To Become Annual Event. Wives and Children to Have Races Next Week-end.

Schumacher, March 8.—(Special to The Advance)—McIntyre Winter Sports Day will be an annual event from now on, it seems certain.
