South Porcupine High School Concert Friday

Holy Week Services at South Porcupine. Visitors to and from South Porcupine. District Deputy Grand Matron at Eastern Star Chapter. Other South Porcupine and Dome News.

South Porcupine, March 17.—(Special to The Advance)—Don't forget the High School concert on Friday evening this week. It was a sad error to have written on Monday that this concert was slated for Thursday. Friday is the night and the preparations are going ahead in fine style.

Next week is Holy Week and there will be services in both the Protestant churches here. On Monday in the United Church Archdeacon Woodall will preach at 7:30 p.m.

On Tuesday in the United Church the Rev. Canon Cushing will be the preacher at 7:30 p.m.

On Wednesday Dr. Fraser will conduct an evening service in St. Paul's Church and preach.

On Thursday in St. Paul's Church Major Hillier will be the preacher.

These services will be held as United services for both congregations.

On Good Friday each church will hold its own service under its own minister.

In St. Paul's on Good Friday there will be a morning service at 10:30 and in the evening the final lantern service for Lent the subject of which is to be "Classical Pictures of the Closing Scenes in the Life of our Lord."

The United Church also will hold a service on Good Friday at 7:30 p.m.

At the closing meeting in Timmins of the Missionary Study on China that the C.G.I.T. groups have been studying, both the Schumacher group and some of our own C.G.I.T. were entertained on Tuesday evening. Some of the Timmins girls acted in scenes taken from the book that all had read on this subject. Our girls had a very nice evening being entertained very nicely by the Timmins group. Attending from South Porcupine were Oretta Herbert, Isobel Hepburn, Nancy Christie, Dolores Guitard and Jean Andrews.

The W.A. of St. Paul's Church intend holding their usual Easter tea on the Saturday before Easter Day. It will be held at Mrs. W. H. Johns' home at the Dome Mines as usual. Please keep the date in mind.

The Dome Extension Bridge Club on Tuesday met at the home of Mrs. Webb. A lovely evening was enjoyed by all, the honours going to (1) Mrs. Curtis; (2) Miss Niemi; and (3) Mrs. W. Thomas.

No-glaze

Event is Featured by Splendid Music

St. Patrick's Day was fittingly closed last night by the dance of the Ladies' Auxiliary of the Canadian Legion. There was a good attendance at the Crostian hall, Schumacher and the special features arranged were greatly enjoyed by those present. The music by the Croatian dance orchestra calls for extra special mention. "It was wonderful!" the perfect time and the sweet blending of the 7-piece instrumentation combined to give the dancers the very latest and best in dance music. Another feature which drew much applause was the "Spanish" dance, executed by Miss Ivy Paice. The grace and charm of this talented miss as she went through the intricate steps to the accompaniment of the Croatian tambour orchestra was a highlight of the evening. Miss Paice obliged with an encore number which was equally as well rendered and received.

The touch of Ireland was given in the serving of the refreshments, the serviettes being in keeping with the occasion and emerald colours predominating throughout. The luncheon was fully in keeping with the reputation of the Ladies' Auxiliary in this regard.

The streamers used were also in keeping with the event and caused much fun in the streamer dance.

Oldest Resident of Cobalt Passes Away

Mrs. Cushing, Mother of Mrs. J. Brown, of Timmins, Dies at Age of 89 Years.

Cobalt, March 18.—(Special to The Advance)—Mrs. Christina Cushing, widow of the late P. W. Cushing and mother of Mrs. John Brown, of Timmins, died early yesterday morning at the residence of her daughter, Mrs. Margaret McAllister, on the Buffalo property here. Believed to have been the oldest resident of the Cobalt camp in point of age, Mrs. Cushing would have reached her ninetieth birthday had she lived until April 24 next. In fair health for her years until March 7, on that day she suffered a stroke and had been gradually sinking since. The funeral will be held from St. Patrick's Roman Catholic Church, probably to-morrow morning.

Mrs. Cushing was a daughter of Gengarry, her parents, the late Mr. and Mrs. Ronald McDonald, having lived at Glen Nevis, where she was born. She had lived at different times in Lancaster and Cornwall before moving with her husband and family to Sudbury many years ago. Mr. Cushing died there in 1900, and when Mrs. McAllister moved to Cobalt in October, 1907, Mrs. Cushing came with her and she had made her home in the silver camp ever since. Surviving are three daughters, Mrs. McAllister, Mrs. Brown and Mrs. Walter Ballard, of Schreiber. A son, William, died in Sudbury.

Trial of R. Strange Now on in the States

Former Porcupine Resident on Trial on Charge of Murder Thirty Years Ago

Rocco Strange, as he was known in the North for 20 years, or Rocco Esposito, as the Pennsylvania authorities claim him to be, went on trial this week as New Castle, Penn., on a charge of the murder of Francesco Romeo in that town some 30 years ago. Rocco was arrested at his home near Kirkland Lake on New Year's Eve and waived extradition. He was taken to Pennsylvania for trial. At the time of the killing of Romeo another man, Dominick Cato, was arrested and tried for the killing. He was acquitted, however, while Rocco Esposito, a cousin of the murdered man, disappeared at the time. Since then the Pennsylvania authorities have continued their search for Esposito and claim that the man known in the North as Rocco Strange is the man. Romeo was shot down on the street, his body being riddled with bullets.

Rocco Strange, as he was known in the North, lived for some years in the Porcupine area, but in more recent years he has been at Kirkland Lake. He was widely known on account of his reputed connection with enforcement of the law against theft of gold ore, giving evidence in many cases as an agent or operator for the mine managers' association.

Despatches from New Castle, Pennsylvania, on Tuesday told of the opening of the trial, saying that the jury was being selected.

Rocco is credited with denying all knowledge of the murder. "I am not guilty of the murder of Francesco Romeo," he is stated to have said to the new court, adding: "I never saw Romeo in New Castle."

Rocco has a wife and family who have been residing at Kirkland Lake.

HARDLY A COMPLIMENT

"You never take the slightest interest in anything I do," sobbed the young bride.

"Now, don't be unreasonable, darling," said the husband. "All last night I lay awake wondering what you had put in that cake you made yesterday."

Born—On Friday, March 12th, in the Tudale hospital, a daughter to Mr. and Mrs. Osborne Davis.

Miss Winifred Naish is leaving tomorrow (Thursday) for three weeks' vacation in Toronto.

Mr. A. M. Bilsky of the Arcadia Mine interests returned yesterday to New York after being some days in camp on business.

Mr. C. V. Gallagher's surveying parties in Red Lake and Larder Lake returned this week.

Mr. George Stanger, who has just returned from a voyage to the South Seas, was visiting in camp this week and left for Ottawa on Saturday.

Mr. J. McFarlane, of Swastika, is visiting his daughter, Mrs. T. Kingston, for a short time.

Mr. P. Laforest is leaving on Thursday to attend the Mining Convention in Toronto; also Mr. F. P. J. Gallagher who has been visiting here for a few days.

Mr. J. K. Gamble, of Toronto, was in camp this week from Toronto on business connected with the Canusa Mine.

Mr. Zeigland, mining man of Toronto, is in camp for a day or two.

Mr. H. M. Turner left on Saturday for a few days in Detroit.

Mr. A. M. Marnock, Mr. Frank Slatery and Mr. G. McDonald, all of Toronto, are in camp on mining business.

The Catholic Women's League is planning an Easter tea on Easter Monday, to be held at the home of Mrs. F. Laforest from 3 to 6:30 p.m. There will be a door prize and a sale of home baking specializing in bread and rolls.

On Tuesday evening the ladies of the Porcupine Eastern Star Chapter were officially visited by their District Deputy Grand Matron, Mrs. O. Thornham, of Cobalt. A very large number of members attended, 25 coming in from Timmins. After the official business of the evening a lovely banquet was served which was much appreciated. Mrs. Thornham was presented at this meeting with a memento of her visit in the form of a little gift (a hand-cut crystal vase) from the Chapter.

On Tuesday evening a delightful bridge party was held at the home of Mrs. F. C. Evans on Connaught Hill, sponsored by the Local Association Girl Guide Committee. Seven tables of bridge were accommodated, a lovely evening enjoyed by all, and a nice sum realized toward the cause—the payment of rent for the Guide meeting place. Mrs. John Newman won first prize at bridge (a lovely pot of pink cyclamens); Mrs. F. Laforest gained second honours with a very nice cake plate; and Miss Isabel Tate was consoled for having no luck at all at cards with a blooming pot of real Irish shamrock. Lunch was served.

Mrs. Mrs. Mathew Kolehmainen (nee Julia Kivistö) of Scarsdale, New York, who is visiting her brother, Mrs. Karl, of Timmins, formerly of town, is being entertained by her old school friends in South Porcupine this week. Mrs. Kolehmainen attended our public schools here in 1918—and will be remembered by many old-timers. She was entertained on Tuesday at the home of Mrs. Gerneck, and on Wednesday at the home of Mrs. Maki at Golden City.

Mr. Roy Binch was visiting in Detroit last week.

Don't let CONSTIPATION get you down

"WATCH YOUR STEP" THE BOSS TOLD ME

Constipation dulls working hours, undermines energy and ambition. You feel tired all the time.

The brainiest man in the world just can't succeed if poisons due to accumulated waste in his system slowly and steadily dull his brain, sap his energy, and pull him down below par physically.

Doctors will tell you that common constipation is due largely to lack of "bulk" in your diet. Kellogg developed All-Bran to put that necessary fibre back into your diet.

Tests prove that All-Bran absorbs at least twice its weight in water, supplies the soft bulk necessary, and acts like a sponge in gently cleansing out the system. It also supplies vitamin B to tone up the intestines, as well as iron for the blood.

It's such a simple and easy method to follow too. Just eat two tablespoonfuls of All-Bran daily—either as a cereal with milk or cream—in tasty muffins—or sprinkled on some other cereal.

All-Bran is sold by all grocers. Made and guaranteed by Kellogg in London.

Serve Kellogg's ALL-BRAN regularly for regularity
