

Coniaurum and Porkies to Play for Kenning Cup Now

Porkies Accept Challenge of Coniaurum for Cup Play

Kenning Trophy Not Yet Safely Stowed Away Among Porkies' Souvenirs. Second Match Here Friday Night.

You might have thought that the Thursday night match between South Porcupine and Timmins finished off the Kenning Cup hockey event for the season. But it didn't.

No sooner had Porkies the silverware packed up prior to taking it to South Porcupine and Timmins finished off the Kenning Cup hockey event for the season. But it didn't.

On Wednesday this week Porkies entertain Coniaurum at the South Porcupine rink in the first of a two-game, goals-to-ought series. Then on Friday, the battleground is moved to Timmins for the final.

Bill Briden and Bill Shields of Coniaurum are looking after the mine team and have such men as Bus Clark, Cy Kerr, Ab Kerr, Ray Morgan, Jack Young, Merv Thompson, Jerry Neddow, and Jack Birkett. They've been practising at the Timmins rink the past few nights and seem to be in good shape. Porkies will place their senior N.O.H.A. team on the ice it is believed.

Railroaders Take All Points Friday

Advance Didn't Advance Any in the Commercial Bowling.

The T. & N. O. and Advance played their postponed game last Friday in the Commercial Bowling League.

There was nothing at stake and the game showed it by the scores. Only a couple of men got over the six hundred, and it was only natural for one man to do it.

The railroaders took a gift of four points in the evening's bowling.

Mrs. Doe played an important part in the printers' downfall, for all she could help with was a 377 score. The printers could only muster up four men when time was called.

Winners in Badminton Tournery at Local Club

Winners of the ladies' doubles tournament finals played on Friday afternoon at the Porcupine Badminton Club were Mrs. Yorke and Mrs. Morgan. Runners-up were Mrs. Darling and Mrs. Jones. The consolation event went to Mrs. C. J. McDonald and Mrs. Whitney.

Kincardine Review:—It is possible to be strong and safe without being a menace to others. Look at the elephant.

CANADA'S FINEST CIGAR

Perfectos or Panetelas 10¢

Punch CIGAR

World's Sport Events

(By F.J.H.)

'Twas a sound beating the Timmins boys had to take at their own skating rink on Monday night. It wasn't entirely their own fault—weather conditions and playing conditions working against them all the way through. But this is no time for alibis—wait till next year! The boys did well, and it is easy for all to see that they have it in them.

The Tuxis seniors have hung up their skates for the season, as far as playing in any more games is concerned, although rumour, which were unfounded, got around that they were playing another game. It's a pity some people would not find out the truth before they make statements.

The Sudbury Tigers advanced another step in the Allen Cup playoffs on Thursday night by defeating the Port Colborne Sailors 6-4, winning the round 7-5. They now play the winners of Dominion and Goodyears.

After a close-scoring four-game series the St. Mike's Irishmen finally won out by a score of 8-3 in Toronto on Saturday afternoon. They play Copper Cliff tonight at Sudbury.

The Kimberley Dynamiters played their 60th game last Thursday in London and beat a German team 4-2.

It has been a very disastrous season in the N.H.L. so far as accidents are concerned. There has never been a season to compare with it.

Detroit and Canadiens are the hardest hit teams as they have lost two good men at the crucial point of the season, the former team losing Aurie (their sharp-shooter) with a broken leg, and the latter in the death of Howie Morenz.

There is no doubt that the Flying Frenchman of the ice lanes died of a broken heart, for he was a young man with his heart and soul given to the game. It was a sad and untimely ending for such a brilliant hockey player.

Detroit got another setback on Saturday night, when "Scotty" Bowman was injured while playing against the Maple Leafs and will be a doubtful starter in the playoffs to-morrow. It's a charity-house trouble.

The Maple Leafs have had ill luck all season with injured players, but are now back to full strength to start the play-offs with Rangers next Tuesday.

Horse Racing
It was a great race at Aintree on Friday, and these listening in on the race got some thrills.

The race was won by "Royal Mail" and probably was lucky, for "Coolen" was not heard of during the race until the last couple of jumps when, coming from nowhere, the horse nearly caught the winner. Had it not been for a loose horse in between, the result might have been different.

Baseball
The baseball camps in the U.S.A. are in full swing rounding out the players. Dizzy Dean has been causing quite a stir all week but has finally decided to play and his signature has gone on the dotted line.

In England baseball was little known until last season when they had sixteen teams operating in one league. This year, there will be four leagues of eight teams. There will also be 418 other teams in operation.

Boxing
The Foord-Farr bout went the full route last Monday and Farr, the Welsh boy, won on points. The stage is now set for the Baer-Farr right on April 15th and if Baer is successful he will meet Walter Neusel, the German, on May 6th.

Boxing
The T.P.A.A.A. are now busy starting the youngsters in the manly art and have quite a few boys wearing the leather mitts.

On Saturday night, within two blocks, three times, I heard youngsters say "I'll knock his block off, etc." my advice is, see the T.P.A.A.A. and learn how to do it.

Football
It won't be long now before the snow and ice is off the Athletic field, and I hope the T. P. A. A. A. will consider training the youngsters how to kick the sphere around. There are plenty of footballers in town who would be glad to teach them.

In the third match, Sunderland finally defeated the Wolves in the cup series and go into the semi-final against Millwall, a third division team. Sunderland are picked as favourites to win the cup, but anything can and does happen in cup finals. Millwall are likely to pull another surprise.

Charlton Athletics and Arsenal are having quite a time at the head of the first division.

On Saturday Charlton lost and Arsenal tied. This gives the latter one point lead.

In the second division Leicester gained another valuable point, by drawing on Saturday, while both their nearest rivals lost.

The Villians, from Birmingham are making a great bid to get in first division company again by winning from the league leaders, Blackpool, on Saturday 4-0, and going into fourth place.

This is going to a hard week for all teams, with a double schedule.

Boating
Wednesday is the big day, and the big question is, who is going to win.

UNUSUAL ACTION IN EUROPEAN HOCKEY FINALS

When Canada beat Switzerland and finished in London, England, which gave the team the world's ice hockey championship, the Canadian boys had a hard battle. This picture shows Campbell, the Canadian goalkeeper, helpless on his knees as a Swiss attacker just fails to connect with the puck and flies through the air in the attempt. The score was 2-1 for Canada.

Porkies Take Kenning Series in Two Wins and Two Draws

Ten Minutes Overtime Played on Thursday as South Porcupine Seniors Met Timmins.

A five-game series that included two draws, was finished at the Timmins arena on Thursday evening when South Porcupine won what was to have been the final in the Kenning Cup. Since then Porkies have accepted a challenge from Coniaurum. Thursday's score was 6-6.

Of the three games played at the beginning of the hockey season, Timmins was able to tie only one at 4-all. The second and third were won by Porkies by scores of 4-2 and 5-2.

In the first of the post-N.O.H.A. schedule games, Timmins won 6-5. The tie Porkies got last week gave them the right to the trophy. Total goals on the play are: Porkies 24, Timmins 20.

Ten minutes' overtime was played Thursday but no score was made by either team.

Imperial the Leader in Bankers' Bowling

Nova Scotia and Commerce the Winners in Games Last Week.

In the Bankers' Bowling league on Thursday evening last the Nova Scotia team won from the Montreal-Dominion team, while the Commerce took three points to the one made by the Imperial. The following is the score sheet study of the two matches:

Montreal-Dominion			
Mayhew	97	160	122
Carrigan	234	150	310
Watson	185	153	252
Langs	145	150	138
Breen	146	225	106
Totals	807	838	928

Nova Scotia			
McLean	259	224	213
Traynor	155	174	217
Moody	121	140	166
Grant	181	—	136
Shepherd	258	215	290
Johnston	—	171	—
Totals	974	924	1022

Imperial

Burgess	133	182	183
Ritzie	134	161	204
Clark	297	167	212
Houle	169	136	209
Total	989	882	931

Commerce			
Robinson	233	183	212
King	176	258	182
Bird	142	173	153
Jackson	136	255	197
Bruce	176	336	210
Totals	963	1205	954

Imperials 31; Commerce 25; Nova Scotia 24; Montreal-Dominion 8.

Sample of Co-operation as It Worked Out in Scotland

(Western Producer)
James Aiken, C.C.F. Labour member in the Manitoba legislature, is a firm believer in the co-operative movement. Mr. Aiken is Scotch. To illustrate the benefits humanity can derive from mutual effort, he told a Scotch story to the legislators last week.

The 900 employees of an Aberdeen firm, said Mr. Aiken, decided to give a present to the retiring manager, and found out he wanted a radio. They subscribed a shilling each. The committee then bought 900 shilling packs of cigarettes and got a radio with the coupons. At the presentation the manager got the radio, each man got cigarettes, and refreshments were provided with the dividend from the co-operative store where the money was spent.

Oxford have equalled and beaten the record in trial matches. Can they do it in the race? It all depends on the toss of the coin.

Cambridge have been training to start the race by quickening their stroke to get a faster start.

BOY SCOUTS IN TIMMINS

While in our provincial headquarters last week, Mr. Irwin, Assistant Provincial Commissioner, showed me a copy of the Coronation King's Scout Certificate and wanted to know why they weren't issuing any to Timmins. I didn't know, but perhaps you do. If your Scouters hasn't told you about it, here is what you have to do, according to The Scout Leader.

The Coronation King's Scout Certificate, issued to Scouts qualifying for this rank as between September 1, 1936 and July 1, 1937, is now available. Through the courtesy of the Stores Department, the Certificate bears a beautiful four-colour picture of King George VI, printed for the 1937 catalogue. It is 9" x 12" in size, and every Scout winning one will be proud to frame and hang it in his room.

The honour of qualifying for the first three Coronation King's Scout Certificates, and the first three pages in the Coronation Souvenir Book at Dominion headquarters, was claimed by one troop, 1st Acton, Ont.

Apparently a number of certificate applications are being held back because boys lack photographs. Applications should be sent as soon as qualifications are completed, the pictures following when and if available.

Ask your Scouters for a form. If he hasn't one write to Boy Scouts Association, 330 Bay St., Toronto, and they will forward you them. At any rate let us buckle down and do as I suggested sometime last year, make our King a gift of King's Scouts in Timmins.

A word to the Scouters. The training course for the Porcupine district announced in The Scout Leader, will be held at Davis Lake a few miles from Matheson. This seemed to be the midpoint between Kirkland Lake and Timmins, the two largest Scouting centres. The dates are the same, July 3-14, and the camp will be in charge of Assistant Dominion Commissioner for Training, W. L. Currier, Jr. It is not likely that this course will be repeated in the North again for several years, so it is important that any who want to take it near home grasp this opportunity. The Timmins Local Association Executive will consider another joint camp for the troops whose Scouters will be unable to attend the course and run their camp as well. I am pointing this out now in order that you might adjust your holidays to suit. And let me tell you that these courses are a lot of fun too.

Last week the 3rd Troop forfeited their meeting in favour of the rehearsal of the cast of "Journey's End." However, they plan to be back on schedule this week.

The Second Pack's Parents' Night held last Tuesday proved quite a success. A good number of parents were out and yours truly was there long enough to see several good games and a pirate play.

Some of you patrol leaders ought to see the stuff the Moneta Troop have made for their patrol corners. I noticed some very good workmanship in knot badges, patrol shields, patrol flags, and patrol totems. Especially good is the carving of an ornament on the top of one of their flag poles. Good work, 5th Troop!

Yours for Good Scouting,
E. B. R., District Scouter.

Score 23 Goals in Hockey Game Played Yesterday

Yesterday afternoon, in a hockey game played at the Timmins arena, Bill's Taxi team defeated the Dalton's Taxi team by a score of 15 to 8.

Expects \$7,000,000 for Roads in North

Announcement Made by Hon. Mr. McQueen at Toronto Last Week Implies Good News.

Announcement made last week at Toronto by Hon. T. B. McQueen, minister of highways for Ontario, suggests good news for the North for 1937 and 1938 in the matter of roads.

The announcement as given in The Toronto Star of March 15th, in full, is as follows:—

To Ask Tenders for 266 Miles of Roadwork

First step in the Hepburn government's \$14,000,000 highways programme for 1937 will be construction and improvement of 400 miles of roads, including laying of over 200 miles of concrete pavement. Hon. T. B. McQueen, minister of highways, announced today. Cost of the first flight of roadwork will run about \$4,500,000.

Tenders for over 200 miles of this work, including 109 miles of concrete roadway, are being called for March 30, and construction is expected to begin in Southern Ontario by May 1. Work in the North should get under way, the minister believed, by May 15. As soon as contracts have been let, tenders will be called for another series of jobs of about the same size. Intimation is that the \$14,000,000 for the year will be spent about equally in Southern and Northern Ontario.

Tenders due late this month or early in April call for work on 114 miles in the south and 80 in the North.

First work to be undertaken includes four-lane concrete paving of the side road from Bronte to Oakville, about five miles. The south side of the highway from Humber river to Long Branch will be resurfaced in concrete, a new bridge will be built at Richview on Brown's line.

To Pave All Roads Ready
In general, all stretches of through highways which are ready for it will be paved this year, Mr. McQueen said. This applies particularly, he said,

to those parts of the 534-mile stretch from Severn Bridge to Hearst, via North Bay; the 480-mile stretch from Pembroke to Sault Ste. Marie, via North Bay; and the 472 miles from Schreiber to the Manitoba boundary, via Port Arthur and Fort William.

A survey is now being undertaken to determine what parts are graded, ready for paving, and those stretches not in condition for concrete, will be graded and straightened as far as possible this year for 1938 paving, the minister indicated.

Sees U.S. "Sharing" Cost
The shortest route from New York to the states of the middle west is through Ontario," the minister observed. "By paving all the roads we can along this route we will get a big revenue back in gasoline tax that should go a long way toward paying for the work. The new international bridge at Sarnia will be built this year, helping to route United States traffic through Michigan and Ontario."

The province, he said, has agreed to contribute one-third the cost to the Sarnia bridge, the state of Michigan one-third and a private company would float bonds for the balance. Until the bonds are repaid toll will be levied.

From Windsor to Buffalo, the minister stated, was 173 miles shorter by way of Ontario than via the States. From Port Huron to Buffalo was 235 miles shorter than the U.S. route, and tourists or through motorists travelling from New York to the middle west, or from the western states to New York saved 360 miles by cutting across into Canada at Sault Ste. Marie.

"Other concrete paving likely to be begun about May 1 includes eight miles north and south of Wingham; Ailsa Craig to Parkhill, seven miles; one-and-a-half miles between Preston and Galt; six miles northeast from Stratford; four-lane pavement from Mississauga Road to Sheek's Hill, two miles; Burford to the Oxford county line, eight miles; Alexandria to McCrimmon's Corners, eight miles; six miles south from Kincardine, and six miles south of Drysdale.

Timmins Boys Learning Art of Self Defence at T.P.A.A.A.

Classes of Thirty at a Time Keep Boxing and Wrestling Instructors Busy at T.P.A.A.A. Gymnasium.

Timmins will be full of boys who know the arts of self defence within a few years, if the T.P.A.A.A. is able to continue the work for which the foundation is now being laid. Thirty at a time, youngsters are being taken into instruction classes at Gym No. 1 these days.

They're happy, energetic young men who are learning to lead with their left, and keep a good right guard, to feint, and to jab. They're learning that skipping isn't necessarily a girl's sport. Little legs are becoming stronger, more supple, and ready to react with lightning-like rapidity as the classes go on.

While thirty of them are in the gym, another thirty gather outside the door, waiting their turn. The need for bigger and better accommodation for gymnasium work is obvious now. Drop down to the T.P.A.A.A. gym at the rear of 4 Balsam street north some afternoon "after four" or on a Saturday and see for yourself.

Rapid Progress in Three Local Draws

Main, Cain and Pain Events Well Under Way at Timmins Curling Club.

Rapid progress in the three-event curling affair being played now at the Timmins Curling Club has disposed of all but three of the rinks that entered the main event and has brought the two others, the Cain and Pain well on the way.

Complete second round results in the Main are:

Eyre won from Father O'Gorman. Walker won from Stevenson. Tanner won from White. Belanger won from Arscott. McCoy won from McDowell. Drew won from D. McInnis. Solomon won from Leaman. Black won from Rinn.

Third Round, Main
Eyre won from Walker. McCoy won from Drew. Solomon won from Black. Tanner won from Belanger.

Semi-Final
Solomon won from McCoy. In the Cain event, all first round games have been played. Results are: Ramsay won from Cain. Carsen won from McDermott. Lowe won from Richardson. Harkness won from Amm. McDowell won from D. McInnis. Rinn won from Leaman. O'Gorman won from White. Arscott won from Stevenson.

Results in the Pain event so far have been: Cain won from McDermott. Richardson won from Amm. Drew won from Black. McInnis won from Leaman. Byles: Walker, White, Belanger, Stevenson.

If the weather holds for another few days, the three events should be completed in record time. They are expected to be the last of the season.

The draw for to-night is: 6:00 O'clock
Eyre vs. Tanner (Main). Ramsay vs. Carson (Cain). Lowe vs. Harkness (Cain). Cain vs. Richardson (Pain). McInnis vs. Drew (Pain).

8 O'clock
McDowell vs. Rinn (Cain). Father O'Gorman vs. Arscott (Cain). Walker vs. White (Pain). Stevenson vs. Belanger (Pain).

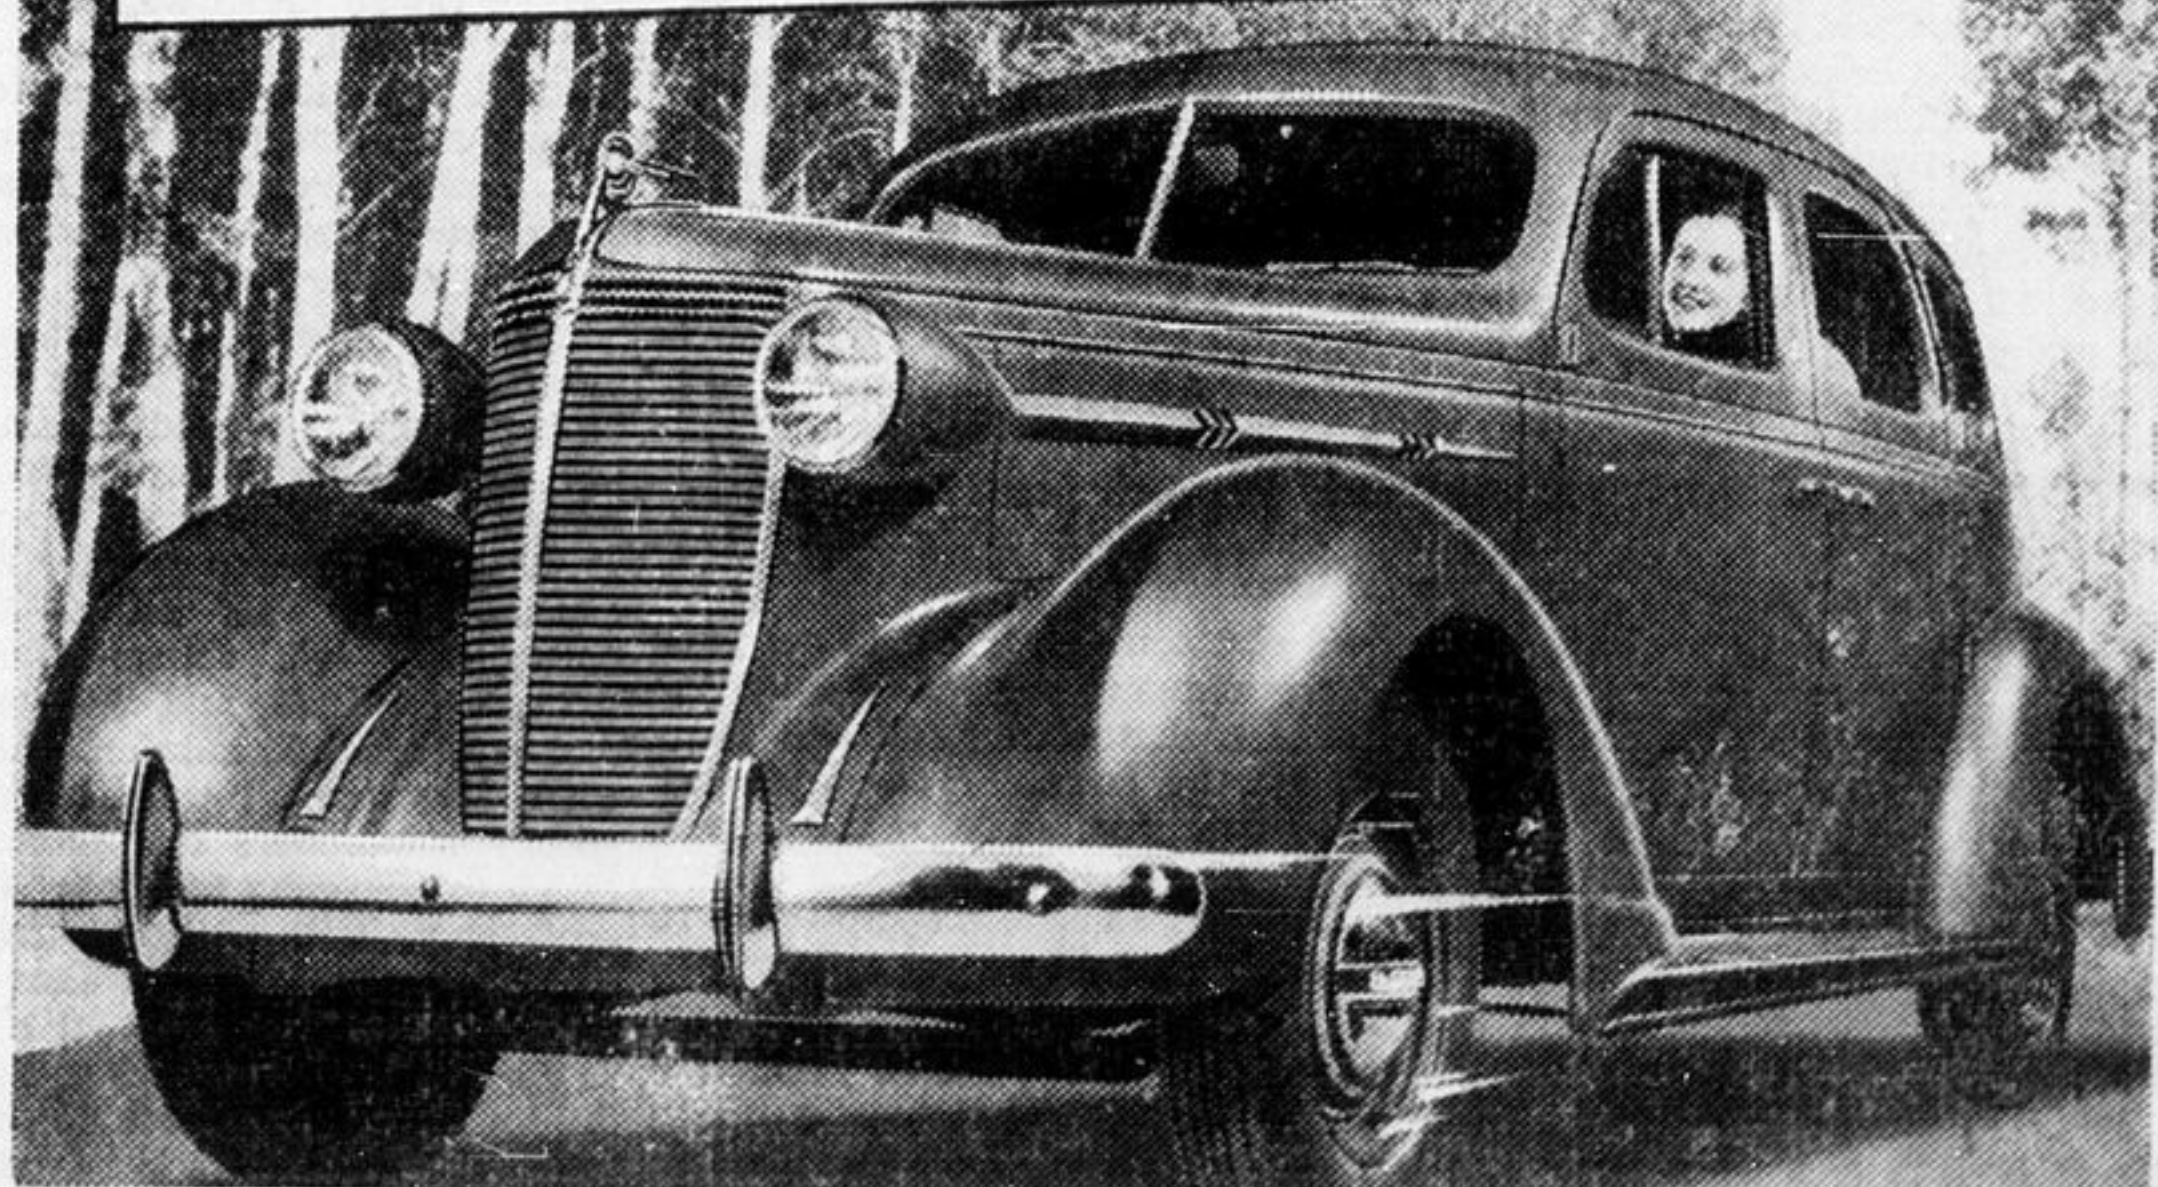

Week-End Hockey Scores
