

First T.P.A.A.A. Boxing Show Here This Wednesday

Game and Fisheries Officer Asks Co-Operation of Citizens

If All Observe Rules and Regulations, it Will Not be Long Until Fish and Game Come Back to Abundance.

With the approach of another fishing season, Porcupine district anglers are already beginning to dust off tackle, oil reels, clean out haversacks. Some of the more ardent may be seen walking along the street, their eyes transfixed with a peculiar light that means only one thing—they're day-dreaming about that pool in the bush where the speckled trout rise to the fly like mosquitoes cluster round the fisherman's head.

That kind of fisherman is all right. He's usually a good sport, observes the regulations of the department of game and fisheries and leaves at least a few fish for the other fellow. But there is another kind.

With the approach of another fishing season, Porcupine district anglers are already beginning to dust off tackle, oil reels, clean out haversacks. Some of the more ardent may be seen walking along the street, their eyes transfixed with a peculiar light that means only one thing—they're day-dreaming about that pool in the bush where the speckled trout rise to the fly like mosquitoes cluster round the fisherman's head.

Duty to Protect Heritage

"It is part of our duty to see that our fish and game are not abused. Our great forests, with all their living things were the source of our grandparents' livelihoods. We owe it not only to them, but to our children that the wild life of to-day should be protected. It's their rightful heritage. Teach the children the right attitude toward these things. Tell them not to destroy living things in the bush when there is no need to do so.

Officer Asks Co-operation

Phil Boudreau, game and fisheries officer for this district, is asking the co-operation of every citizen in an effort this year to curb those who don't play the game according to the rules. He'll be patrolling all the lakes and creeks as soon as the season opens, but in the meantime there is plenty to be done by those who really want to help in solving one of Canada's greatest problems.

"A good citizen always observes the game laws," said Mr. Boudreau in an interview with The Advance on Saturday. "If anyone notices any abuse of the regulations, the matter will be fully investigated if turned over to me. All information from citizens is, of course,

Summaries of the fish and game regulations for the approaching season will be published soon in The Advance.

Victorias on Saturday night by the score of 4-1. The Vics got their only tally one minute from the end of the game.

The whole North will be behind these two teams to-night when they both clash. The Redmen play in Montreal, and the Miners at Toronto.

Hull Volants gave the fans the biggest surprise of the week when they gave the much-touted Montreal Aces a beating, 4 to 1.

The hockey season is about closed as far as league fixtures are concerned in Britain and most of the players will soon be homeward bound, but there are a few that are staying for the baseball season.

England and France played an international game Saturday and the former won 2-0.

I read with interest Mike Rodden's account of refereeing, and agree it's the hardest game in the world to referee. It's a tough assignment, and there is not one referee that will satisfy the fans, but I found Mike pretty fair in his decisions. There is one thing he mentions in his article that is hard to swallow in this North, and that is the words, bush league; where does the South get their players?

Cricket

In another column, under "Sports Ahoj," the writer says more and more cricket fans are turning to baseball. "Maybe it's because the innings are shorter and the chaps can cycle home for a spot of tea."

It is evident that the writer has never attended a cricket match, for a man does not have to go home, for tea is brought around, while the players refresh themselves at the pavilion.

Baseball, or no baseball, cricket will still go on.

England lost the Ashes to Australia, but the English women brought back the cricket crown from New Zealand.

Tennis

With the coming of the Davis Cup matches, the reports seem to give U.S.A. chance to lift trophy for the world's supremacy, from England, where it now rests.

Fred Perry, the Old Land's formidable player in the past matches, is now a pro and his place will be hard to fill. Charles Hare will likely succeed him.

Four of the finest amateurs of past Davis Cup matches, and now pros, gave their views of the coming matches.

Tilden gives Germany an edge; Vines favours U.S.; Richards and Perry like Australia.

True, England will be weak (maybe), but what about Japan and France and other countries that have put up some great battles?

Boxing

Tommy Bland has signed on the dotted line to fight Frankie Genoise in a semi-final spot in the Wallace-Luffspring card in Toronto, April 2.

Wallace of Vancouver is the title holder and Luffspring is the challenger for the title, and it looks like there will be a few thousand fans on hand.

The big fiasco in Chicago is still on; first they decide to go ahead with the fight, in spite of the Senate's bill, then Gould, Braddock's manager, says Chicago doesn't want the fight, and will go ahead with Schmelling's bout; but the latest dope now is if they don't soon clean up the mess, Gould is going to take the champ on a world's tour.

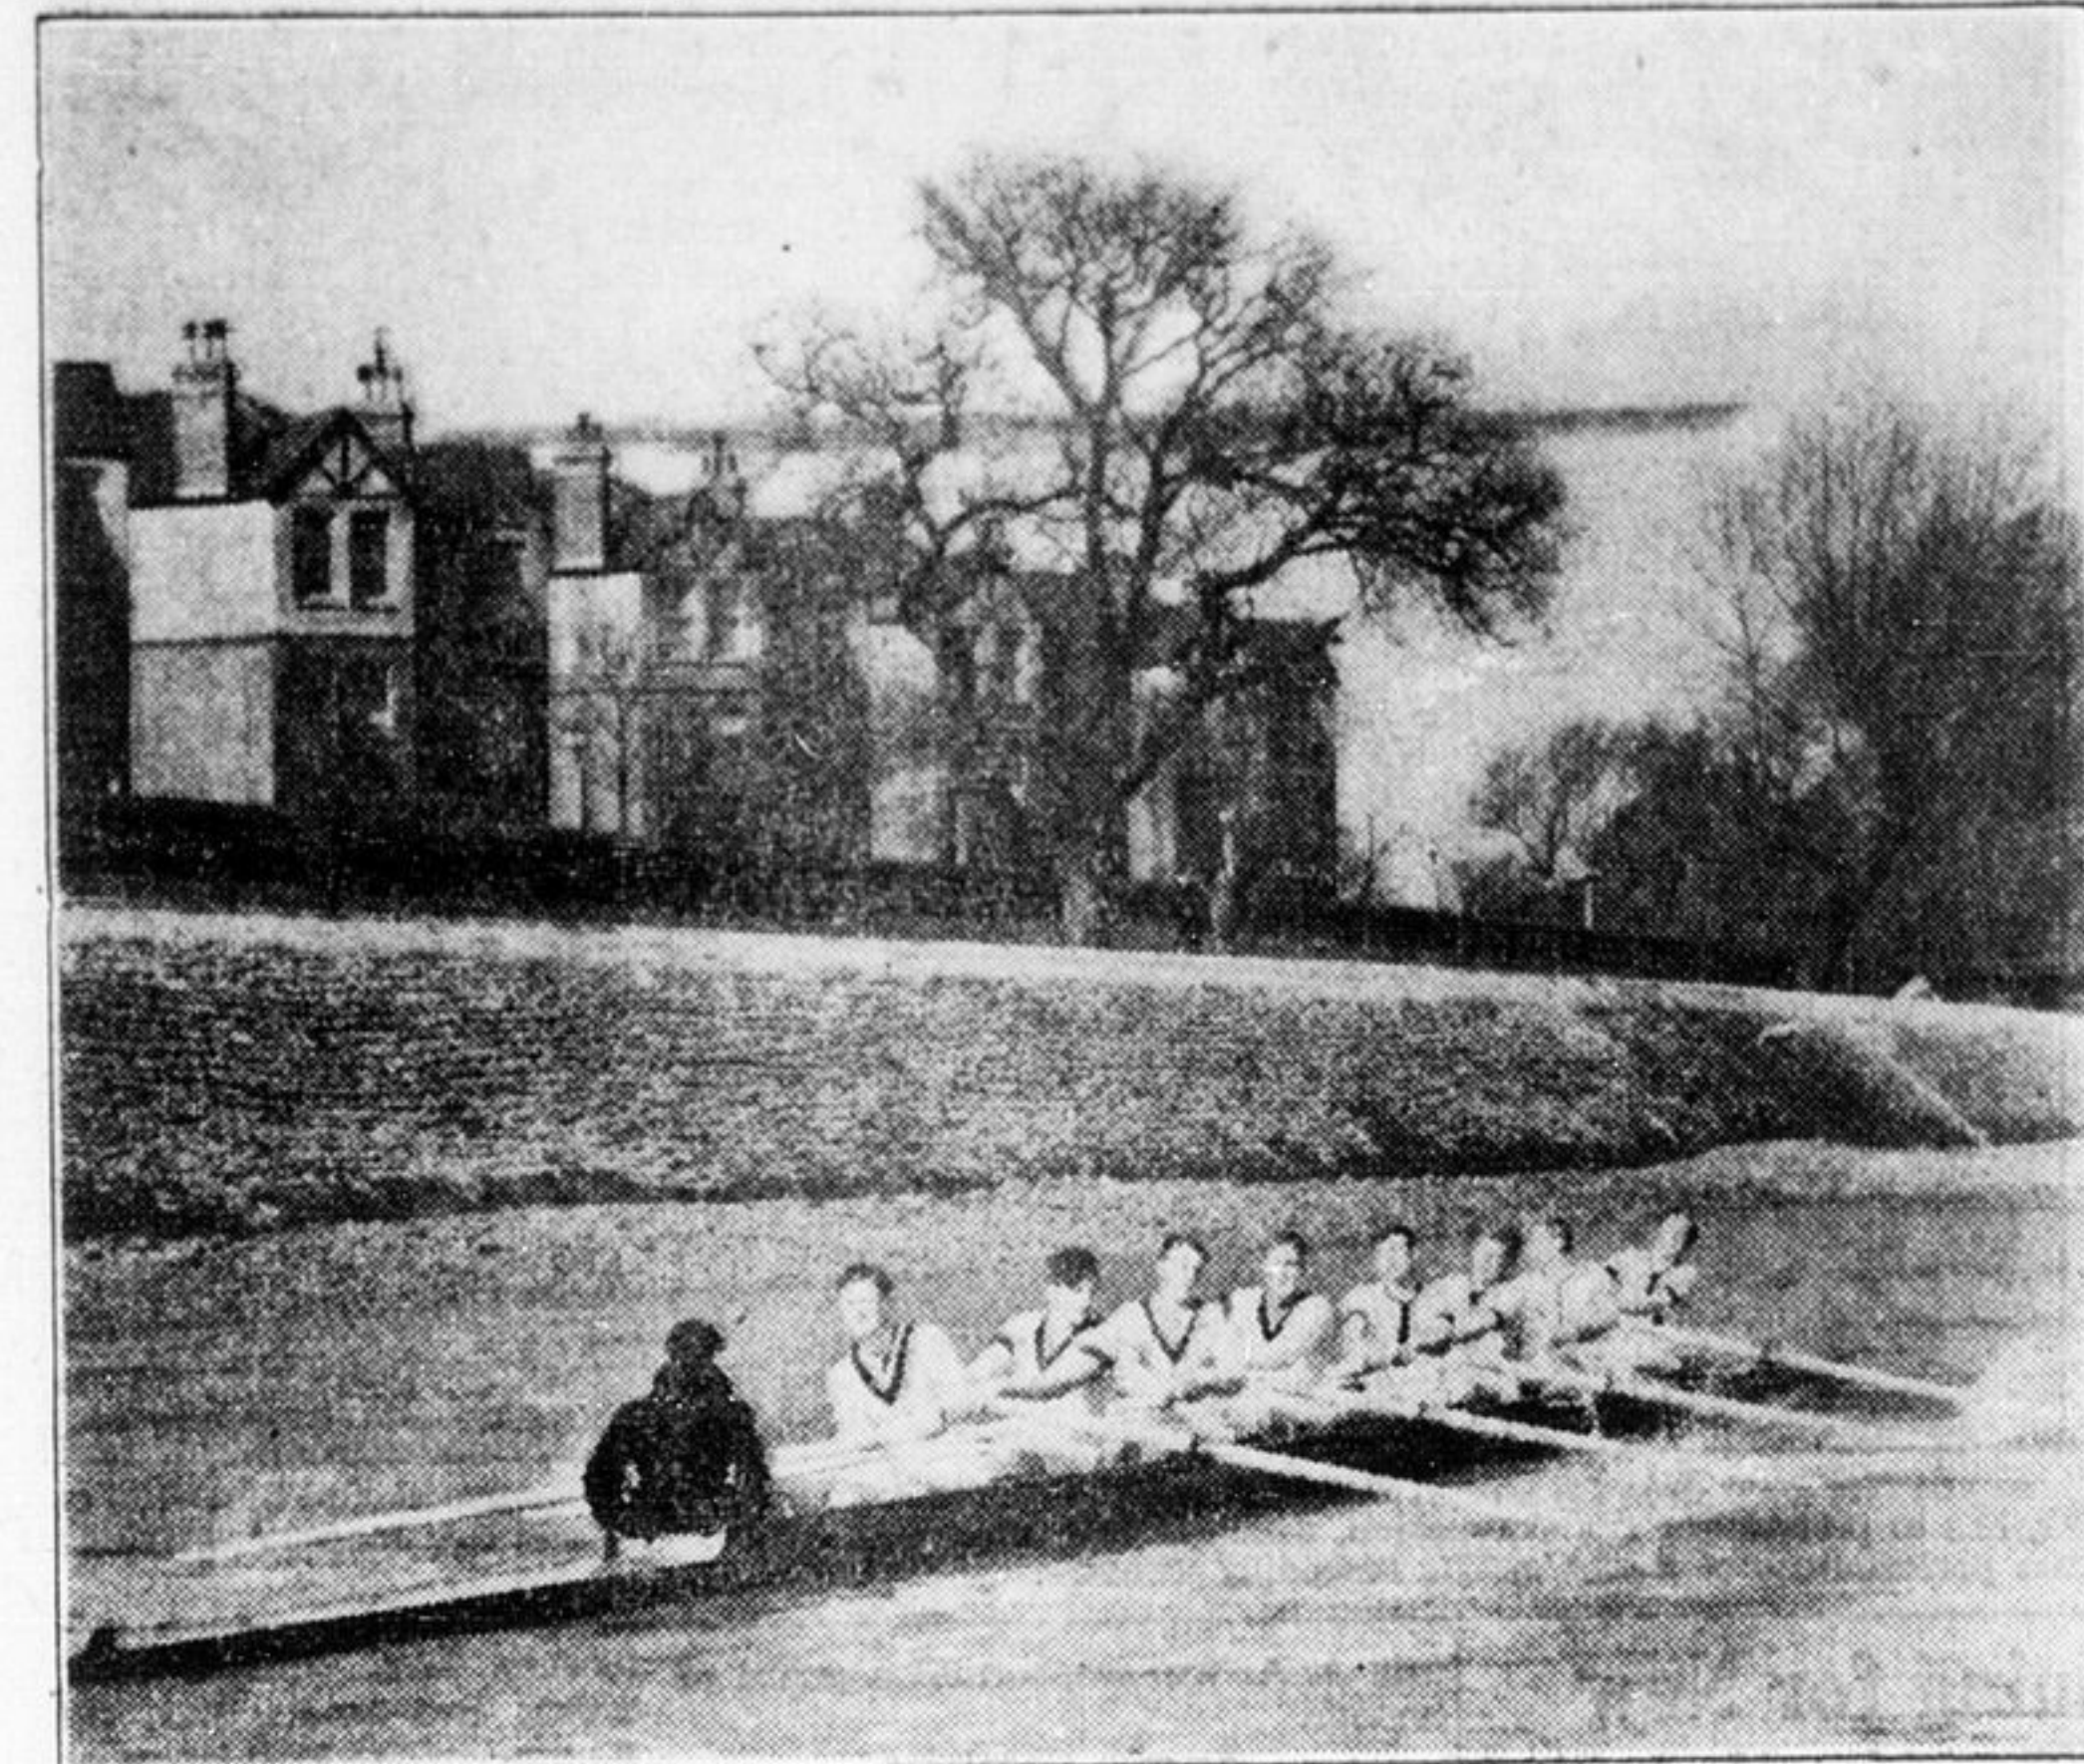

England has been asked to intervene by the U.S. commission in the Baer-Farr fight, but the Old Land has turned a deaf ear.

Football

It looks as though the Nickel Belt intends to have a much stronger team this year. The Frood scouts have been reported as having picked up a couple of good players and are out for more.

Frood has had good teams for the past three years, but have been unable to lift the Ontario Cup for the same reason Timmins and McIntyre were unable to lift it, through the matches in the South being delayed so long. Is the North going to sit down to it this

THE DARK BLUES BREAK THE JINX AND WIN THE BOAT RACE

For the first time in 13 years Oxford University won the Oxford-Cambridge boat race, and did it in convincing style. It was one of the most exciting races ever witnessed on the Thames as the boats stayed together for four miles. The Dark Blues then pulled ahead and won by three lengths. Above is a recent picture of the victorious crew practising on the river near Hammersmith Bridge.

Pete Ostrosser Wins East Ontario Event

Takes 50-Yard Open Swimming Race at Kingston.

Peter Ostrosser, son of Mr. and Mrs. Dayton Ostrosser, has been making a name for himself as a swimming star down in Eastern Ontario athletic meets. Recently he won the 50-yard dash at a secondary schools meet held at Kingston. It was an open affair and some of the best racing talent of high schools and collegiates in the district was represented. Pete is just over 17 years of age now, so he has still a good many years in which to compete in swimming events.

Railroaders Best Bowlers on Friday

But All the Others had a Lot of Fun in the Games.

Only one team took matter seriously in the Commercial bowling league last Friday as the season is about to close. There was nothing at stake and the boys got quite a bit of fun out of the evening.

Gambles bowled naturally with nearly a thousand pins less than the week before, against the Power, their opponents in the play-offs for the league.

The T. & N. O. took the game seriously in order to bring up their averages, while The Advance only had three men they filled in with. S. Abraham rolled a good game for the printers.

The railroaders had three out of six men on the honour roll—A. Saint, C. Armstrong and T. Fenwick. 677, 666 and 612; G. Wallingford and S. Abraham, Advance 715 and 618; E. Towers, Power, 601.

With all the soccer teams in England at it again to-day, for the third time in four days, there are a few changes being made in the standing of the leagues. Aston Villa is making a grand bid for the first division, and have not lost a game in the last eight starts. Leicester City, who jumped half the league to get into second place, is having a hard time to hold it, and it looks as though they will have a repetition of two years ago, when they had to stop in the second division, through goal average.

At a fashion show in Berlin, Germany recently, a suit of yellow plus-fours for sportswomen was shown. There will be no need now to shout (FOUR!).

BOY SCOUTS IN TIMMINS

Birthday Message from the Chief Scout of the World.

My dear Brother Scouts: I am eighty years old. What do you think of that? But I can't say that I feel much older than some of you.

As a boy I was a sort of Scout Scout, and what I learned then helped me ever afterwards in my life.

I became a soldier and did war Scout, and jolly exciting it was. In the Army I learned Service—that is, doing your duty without asking the reason why, and being ready to face danger or even death, if need be, to carry out your duty.

I did a good lot of travelling which opened my eyes to other countries and other peoples and their ways.

I played games and got healthy. With exploring I got lots of adventure. Yes, I thoroughly enjoyed my life, though I had no money except what I earned by my work.

I got lots of pleasure, but after a time I found that there was a difference between PLEASURE and HAPPINESS.

You get pleasure by amusing yourself, by going to the cinema or playing football, or eating a good dinner.

Well, that's all pleasure, but that feeling of pleasure comes to an end when you have finished your game or your dinner.

Happiness is another thing; it is the joy which remains with you always, and it comes largely not so much from amusing yourself as from doing good turns which help other people.

Eighty years may seem to you a long time out I can't remember a time when I wasn't busy, and as long as you are busy you can't help being cheerful. If ever you find yourself without something to do remember there are always lots of people wanting help, old or infirm and poor people, who would be only too glad of a helping hand.

However poor or small you may be, you can always find someone worse off than yourself, ill or old or crippled.

If you go and help them and cheer them up a funny thing happens. You find that by making others happy you are making yourself all the happier too. I want you to have as long and as jolly a life as I have had. You can get it if you keep yourself healthy and helpful to others. I will tell you my secret for this:

I have always tried to carry out the Scout Promise and the Scout Law in all that I do. If you do that you will make a success of your life and will have a very happy time even if you live to eighty.

So now I ask you to repeat to yourself, with me, the Scout Promise, not like a parrot, but each thinking of the meaning of each word as you say it.

Now, half-salute, and whisper after me the Scout Promise.

Thank you. I wish you a long and happy life, and lots of Good Camping. **BADEN-POWELL.**

Several Timmins Troops and Packs cancelled or postponed meeting last week in favour of Church services. The 3rd Troop held its meeting immediately following prayers last Monday. Just now they are busy working up what they hope to be a crack First Aid team. Visions of a Dominion-wide trophy coming to Timmins is in their minds. Here's luck to you.

Several of the less fortunate members of the 2nd and 6th Packs who jointly met in Pirates night last Wednesday had to walk the plank. Among those who were roughly treated was Don Clark, pack instructor, who had the nerve to turn up at the meeting without a costume. We all had lots of fun and hope that the 1st and 3rd Packs will get as much "kick" out of theirs on Friday next.

The totem pole down in the Hollinger hall, which has caused some discussion among leaders, belongs to the Eagle Patrol of the 1st Timmins Troop and was made by one of the boys. And it's even got real claws. The troop is now starting up some real pioneering work of lashings and trestle and bridge building. At last Friday's meeting Lloyd Dolan was invested as a Scout in that troop.

Plans are being made for a new pack in connection with the 5th (Moneta) Timmins Group. A leader has been secured and it is hoped that a definite date will be announced soon and the pack gets away to a good start just after the Easter holidays.

Patrol meetings are becoming quite popular now. I have had reports of P.L.S. conducting weekly meetings in the 1st and 4th Troops. Good work, fellows, keep it up.

And till next week I'll "hush my chatter" with the wish for good Scouting. **E.B.R., District Scouter.**

Tuxis Seniors Lose at South Porcupine

Red Wings Win by Score of 11 to 3 in Exhibition Game

The Tuxis Seniors played a friendly game in South Porcupine last Saturday night against the Red Wings and lost by a score of 11-3.

Mr. Cattarello sent over an invitation to the boys last Wednesday, and they accepted, although they had not played a game since the play-offs nearly a month ago. The boys went over in cars that were supplied by friends of the Red Wings.

It was a good game until the last frame when the Tuxis tired, through lack of practice, and the Red Wings scored at will, which netted them seven goals. The large crowd enjoyed the game and the friendly spirit between the two teams.

Promise Hour and a Half of Real Action at Harmony Hall

Boxing and Wrestling Matches to be on at the Same Time in "Two Ring Circus," Holiday Feature at T.P.A.A.A.

The first of a series of Timmins amateur boxing shows that will undoubtedly go down in the sport records of the town as the time at which the manly art took on a new and more vigorous life here is to be held this Wednesday evening in Harmony Hall (formerly the Moose hall, Fourth ave.

It's to be a two ring circus—the first of its kind ever held here, in which boxing bouts will be going on at the same time as wrestling. Participants are all members of the Timmins Police Amateur Athletic Association and have been in training at the organization's Gym. No. 1 for the past few weeks.

With Sammy Hackett as referee, Jack Gorman as timer, Karl Eyre as master of ceremonies and R. Richardson and S. A. Caldwell, judges, the boxing show will be run off in a style that should please everyone. Twenty rounds, taking about an hour and a half in all, will be fought. Here are the weights and times:

60-pound class, two two-minute rounds; 70-pound class, two two-minute rounds; 80-pound class, three two-minute rounds; 90-pound class, three two-minute rounds; 135-pound class, four two-minute rounds; 140-pound class, three three-minute rounds; 145-pound class, three three-minute rounds. Times limits will be set for all the wrestling events.

It'll be action from eight o'clock right through to half past nine. There won't be a dull moment.

Tickets may be obtained for two bits from police officers, cigar stores, some senior members of the association or at T.P.A.A.A. headquarters at the rear of 4 Balsam street north.

Proceeds of the affair will go directly toward supporting T.P.A.A.A. activities here.

Tickets are now on sale at Moseley and Ball's drug store and the United Cigar store, it was announced at noon.

Porkies Win Again to Take Kenning Cup Series Again

Defeat Coniaurum 7-6 at Local Arena in Second at Goals-to-Count Series. Have Six-Goal Total Lead.

Winning 7-6, South Porcupine seniors on Friday night won the Kenning Cup for the second time this season. Coniaurum, challengers for the trophy, had been beaten at South Porcupine 10-5 on Wednesday night in the first of a two-game, goals-to-count series. That made the score on the round 17-11 for Porkies.

The Coniaurum team, made up partially of members of the Timmins senior team who had gone through a series with South Porcupine for possession of the cup, looked much better in action on Friday than they had two nights previously. Had the team been playing together all season, it could doubtless have given Porkies a much better battle for the silverware.

Although the ice is still good at both Timmins and South Porcupine arenas, there have been no more senior games announced.

Dome Curlers Take Home T. N. O. Trophy

Stovel Cup Stays With Hollinger as Skelly Rink Wins. Event Planned for Tuesday Night.

Dome curlers took the T. & N. O. trophy back home with them on Saturday night when one of their rinks defeated a Timmins club rink and another tied with the locals. Moir, of Dome, defeated A. E. Cain, Timmins, by a score of 10-4, and Louie Penna-o tied with J. R. Walker, Timmins rinks were Cain (skip), S. A. Caldwell, W. S. Jamieson, G. S. Grant, Walker (skip), J. M. Belanger, Dr. Henry Hudson and Jack Gauthier.

The Stovel Cup for competition between mine rinks, was retained by the Hollinger when J. H. Skelly defeated Humphries from the Dome in a game played the same evening.

A curling event is being planned for to-morrow evening, and a notice has been posted on the bulletin board. Members of the curling club who want to take part are asked to sign the card.

Week-End Hockey Scores

N.H.L. Saturday
Canadians 3, Detroit 1.
Sunday
Maroons 4, Boston 1.
(Maroons win round and now meet Rangers.)

Memorial Cup
Copper Cliff 4, Montreal Victorias 1. (First game.)

HOW HE KNEW
(Ottawa Journal)
The policeman was asked by the magistrate how he knew the prisoner was drunk.

"Well," drawled the constable, "he put a nickel in a letterbox, rang the bell, put the empty milk bottle to his ear, said 'No reply,' then sat on the doorstep and went to sleep."

Continuing their remarkable string of victories in their search for the Memorial Cup, Copper Cliff Redmen defeated Montreal Victorias 4-1 in Toronto on Saturday night. Much to the surprise of Timmins and Sault Ste. Marie fans who saw the Redmen apparently at their worst, Copper Cliff has settled down to serious hockey, as their record of the past ten days shows clearly.

Second game in the series with Victorias, Quebec junior champions, is to be played to-night at Montreal.

In the Allan Cup playoffs Port William defeated North Battleford to tie up the Western round.

Kenning Cup

For the third time this season the Porkies have won the Kenning Cup. Are there any more challengers?

The cup is for competition in the Porcupine camp, and must be won three consecutive times to be won outright. How does this affect the Porkies?

Tuxis Seniors

After a long lay-off, the Tuxis seniors got out their gear again and travelled to South Porcupine to play an invitation game last Saturday against the Red Wings. The score was 11-3 for Red Wings.

The last time these two teams met, it was a close game all through, but Saturday was different. The first period ended 1-1, the second was 4-2, and in the third the Red Wings swamped the tiring Tuxis 7-1.

The past week has been a week of surprises in the various hockey cup playdowns.

Fort William pulled a big surprise Saturday by defeating North Battleford to tie the round.

Toronto suffered their worst year, as both pet teams were knocked out in the first play-offs. Wednesday came the first set-back when Copper Cliff trounced the Irish, and on the next night, the so-called Stanley Cup threat Maple Leafs went by the wayside in two straight defeats. Their only remaining hope is in the Dominions who got a ray of hope in defeating the Sudbury Miners in a close battle.

Copper Cliff Redmen are stepping right along in their quest for the Dominion honours, by defeating Montreal
