## New Canadians to Give Concert Thursday Next

One-Act Play, "The Dear Departed," to be Presented by New Canadians of the Evening Classes at the Central School. Also Musical Numbers, Recitations, etc. Event to be Held in Harmony Hall.

The New Canadians who have been studying English and other subjects at the evening classes held in the Central public school under the superintendence of Principal Transom and Mr. Koestel are to give a concert in Harmony Hall (formerly the Moose hall) Fourth avenue, on Thursday evening, April 8th, commencing at 8.15 p.m.

This concert should be of very special interest and attraction to all good citizens, because it indicates the remarkable progress made by those attending the classes, the programme being all presented in English and showing the mastery of the language attained by the students. The concert should also be particularly pleasing on its own account, the various items on the programme being of unusual interest on their own merit.

One of the chief items on the programme is a one-act play, "The Dear Departed." This is an amusing comedy with many happy lines and the attentions at the classes are reported to be handling the play with remarkable skill and effectiveness and that this one item alone will be worth more than the nominal charge of admission for the concert. This one-act play, "The Dear Departed," is being produced by special arrangement with Samuel French (Canada) Limited, Toronto, the owners of the copyright, the new Canadians making the necessary arrangements and securing permission from the firm for the legal presentation of the play here.

Another feature of the concert that will be of outstanding interest is the fact that there will be a number of recitations in English of translations from foreign writers.

It is expected that a number of vocal soloists of the classes will also be included on the programme, while instrumental music will also be represented, among other items being accordion selections by one of the students.

At present plans are under way to have a local male quartette add to the pleasure of the programme by a number of selections during the evening.

Altogether, the concert on Thursday evening, April 8th, in Harmony Hall, promises to be one of the most interesting and pleasing events. Tickets for the concert are now on sale and may be secured from students of the classes.

## Says Men and Women Not Drink Together

New Rules of Liquor Control Board to be Strictly Enforced.

Word from Toronto is to the effect that new and far-reaching Liquor Control Board regulations which require all Ontario hotels with authorities to operate two separate and distinct beverage rooms—one for men only, and the other solely for women, except where attended by female escorts—were announced last night by Liquor Commissioner Edmond G. Odette as effective from April 1st.

These regulations, which have been designed as far as possible to curb "mixed drinking" with its attendant abuses of which there has been considerable complaint of late, have been mooted for some time. Actually, notification of their preparation has been for some weeks in the hands of hotel proprietors.

"They all have had ample warning of what we intend to do," said Mr. Odette last night, "and if on April 1st they have not altered their premises to conform with our requirement, there will be no renewal of their authorities for the forthcoming year."

**May Set Closing Hour**  
A second set of regulations, which also come into operation on April 1st, vests in the municipalities the right to declare by by-law whether the beverage rooms in their midst shall close before 12 o'clock midnight, the hour prescribed by provincial regulations.

"There will be no closing of beverage rooms before ten o'clock at night," said Mr. Odette, "but if any municipality feels that they should be shut by 10.30 or 11, or 11.30, say, all they have to do is pass a by-law and submit it to the Liquor Control Board and we will do the rest. A municipality, for instance, might desire an earlier than 12 o'clock closing on some particular night. That's all right with us. From the first of the month they will have the authority to go about getting it."

**Inspection Tightened Up**  
In view of the fact that there were no amendments to the Liquor Control Act itself at the recent Legislature session, Mr. Odette is taking regulatory action to tighten up on inspection and other angles of the board's administration.

"Things are working very smoothly now," he said last night, "and our inspectors are keeping a very close check on conditions. At the present time they are looking over the hotels, listing any which have made no move to meet our April 1 demands."

## Thinks All Motorists Should be Tested Yearly

(Chatham News)

There are many men and women, who have been driving cars for years, who may have developed physical disabilities—especially in eyesight—which they did not possess when their licenses were first granted. They may be entirely unfit to drive cars today, and yet these people have no trouble in securing new licenses from year to year.

If the department would institute a system whereby all drivers of cars were compelled to undergo periodical examinations before their licenses are renewed, we believe it would result in the weeding out of a number of present drivers, who are a menace to life and property on the highways. Also when some of these drivers secured their permits, years ago, traffic conditions were not so complicated as they are now, and examiners may not have been as strict as they are compelled to be in the present day, to guard against possible accidents.

We believe that stiff tests should be applied to all persons seeking drivers' permits—and that these tests should be extended to present holders of licenses as well as the beginners.

## Principal R. C. Wallace of Queen's to Speak Here

Principal R. C. Wallace, of Queen's University, is to be the guest speaker at the third annual dinner by the Porcupine Queen's Alumni to be given in the Empire hotel on Wednesday, April 14th, commencing at 7 p.m. Invitations were issued for the event some time ago and former students at Queen's are looking forward to the event with keen interest. Principal Wallace is well known as an able speaker and he always has a message of value and importance presented in important way.

Queen's Alumni will also hold the third annual dance the same evening, April 14th, in the Riverside pavilion, commencing at 10 p.m.

## Coronation Service on May 9th by the Legion

Rev. Fr. J. R. O'Gorman, Padre of the Local Branch of the Legion, to be Asked to Dedicate New Legion Colours, Viny Banquet to be Held Next Week. Other Legion News.

It has often been admitted that it takes a patriotic event to stir Legionnaires to action and this was proven again by the very large and enthusiastic turnout of members on Monday evening to the monthly general meeting. The forthcoming coronation of King George VI and Queen Elizabeth has taken a firm hold and the entire rank and file of the Timmins branch of the Legion are ready to show their loyalty and patriotism, to the citizens and more especially the children of the district.

The municipal authorities of the town and township did a very wise move when they asked the Canadian Legion to take over the observance of the coronation event. The branch heard a brief outline of the programme for the day, but Austin Neame suggested that the solemnity of the event should be observed as well as the jubilation of the crowning of a new king and queen. His words had good effect and it was decided to hold a Legion church parade on Sunday, May 9th. The new Legion standards will be ready prior to this date and it was also decided to ask Rev. Fr. J. R. O'Gorman, to dedicate these beautiful colours. Jack Farrar was appointed the colour bearer for the branch.

Much business was transacted. A large number of applications were read and six took the obligation. These included some of the professional men of the town.

The financial report showed fairly good standing and with coming activities planned, it should be boosted considerably before convention time.

Correspondence was of a varied nature. There were cheques from Mr. Stovel, of the Dome, John Knox of the Hollinger, Dr. Moore of Timmins. These were duly received with a hearty vote of thanks. A letter from a minister at Connaught thanking the Legion for assistance given to a very deserving sickness case, was another tribute to Legion relief work. The Dominion president in a letter asked all branches to show leadership in the Coronation event. Another Pilgrimage is to be held to Viny. This will be on much the same lines as last year only the cost will be higher, as full hotel and tour charges will be included. The Dominion

Command very emphatically turned down the idea of a soldiers' bonus.

Mention was made of the Viny celebration, which is to be held on Friday, April 9th. The officers and stewards have the tickets for sale at a nominal figure. There is to be a buffet supper and programme.

General business took up quite a time. Comrade Dowse, librarian, gave a good report and appealed to any who may have books to spare to fill up the shelves of the case. Several have already donated books and it is hoped that more will be given as time goes on.

A vote of thanks was tendered the Ladies' Auxiliary, for the fine slipcovers for the arm chairs and chandelier. With this was coupled thanks to Mrs. G. Nippers who embroidered the lettering upon these covers.

Comrade A. Odgers was appointed to the sick and visiting committee.

Club routine was given a good discussion and it was shown in no uncertain manner that the rules and regulations are being observed 100 per cent. This was a creditable record indeed on account of the shifting membership.

After a short discussion on general topics the meeting closed with all singing "God Save the King."

## Another of Those Crazy Stories from the West

(From Blairmore Enterprise)

Two men had escaped from an asylum, and had managed to steal a plane from a nearby airport. Up in the plane at a height of fifteen thousand feet, one of the men grew fidgety. "I think I'm going to jump out," he told his companion. "I feel I can't stand it in here any longer."

"Better take a parachute with you," advised the other.

"What do I want with a parachute?" The other wagged a finger. "Don't be silly," he cautioned. "Can't you see it's raining outside!"

Ottawa Journal.—The despatches tell us that at Hartington, Ontario, a goat consumed important parts of a suit of red flannel underwear as it hung on a clothes line. So red flannels are not yet museum pieces.

## Appealing Sentence on Charge of Keeping Liquor

Man Given Three Months, but Only in Cells an Hour Before Securing Bail to Await Appeal. Family Trouble Adjusted. Cases Against Adults and Children for Alleged Theft of Wood Dropped with Warnings.

## Another Play by the United Church Y.P.S.

"Trusty Jim," a Comedy That Will Make a Hit, to be Given April 12-13.

For several years past dramatic offerings by the Young People's Society of the Timmins United Church have been delightful events that have won popular favour. Accordingly there will be general interest in the announcement that the Young People's Society have another event in preparation. It will be presented in Harmony Hall, Fourth avenue (formerly the Moose hall) on Monday and Tuesday evenings, April 12th and 13th. In recent years it has been found that two nights are necessary to accommodate the crowds wishing to enjoy the dramatic events under Y.P.S. auspices. This year the holding of the presentation in Harmony Hall will also be an advantage, the hall, which was recently enlarged and improved, having an excellent stage and larger accommodation for those attending the event.

"Trusty Jim" is the name of the play to be presented on April 12th and 13th. It is a three-act comedy drama, with amusing situations, bright and entertaining lines, and general interest and entertainment value. There are 10 characters in the cast and the Y.P.S. may be depended upon to carry through the project with their usual efficiency and talent.

At 2.45 a.m. the police returned and found five different men drinking. One case of beer had disappeared, the bottle of gin had been opened, and the level of the Scotch was considerably lower. Of one bottle, labelled Scotch, but containing mostly coca cola, Orsatti had said: "That's for the girls and the taxi drivers."

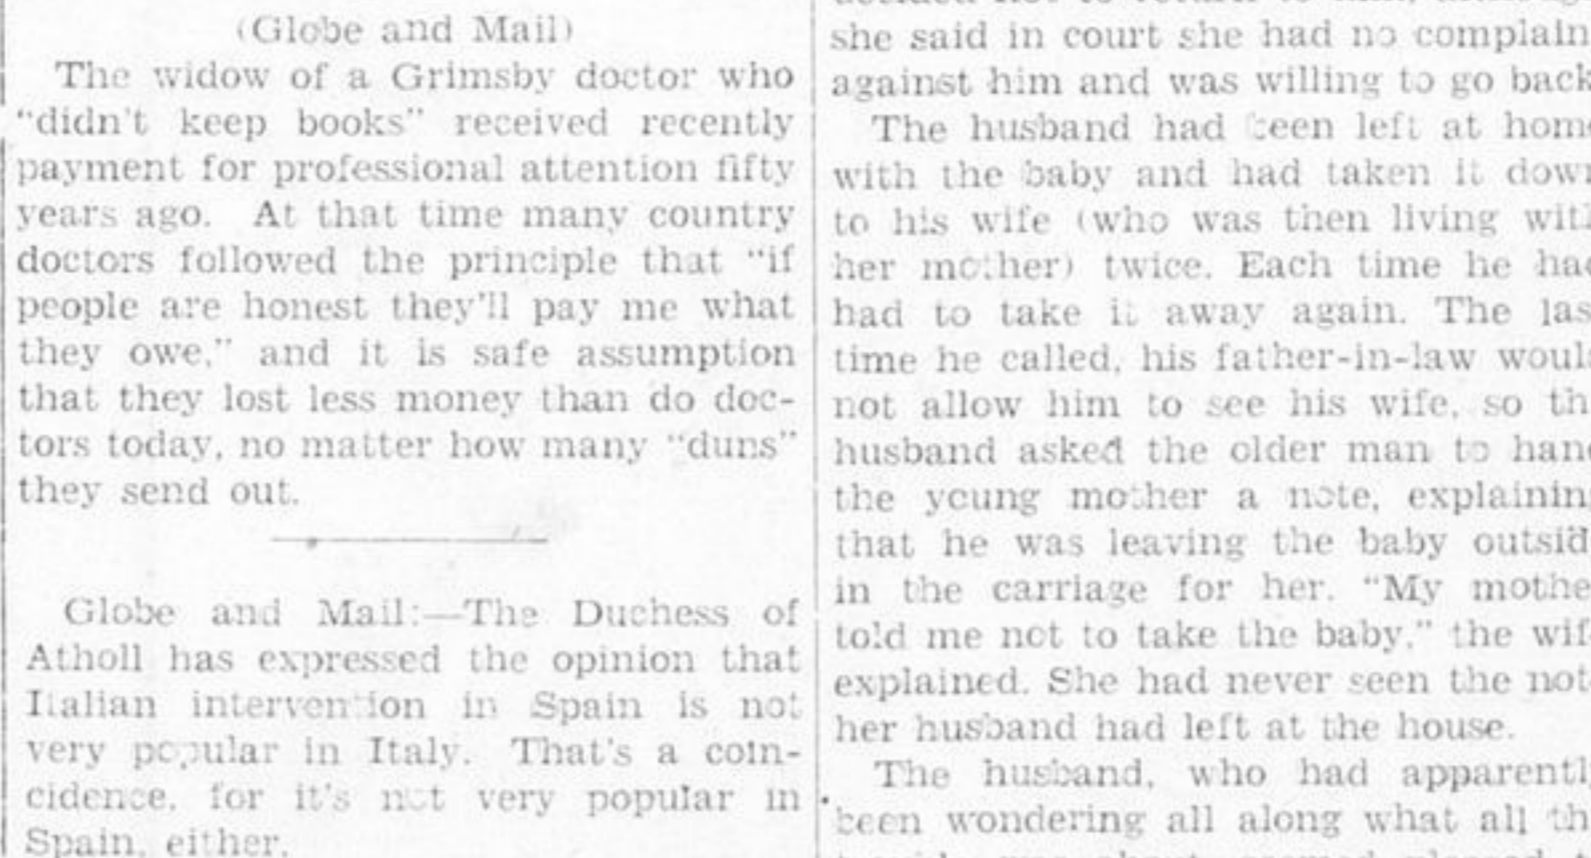

## Death at Creighton Mine of Mrs. G. Leck Last Week

Funeral services were conducted in the United Church, Creighton Mine, on Saturday afternoon at 2.30 by Rev. W. G. Morrison, for Lena Griffin, wife of George Leck, who died at her home in Creighton Mine on Thursday, March 25, at the age of 71 years. Interment was in Eyre Cemetery, Sudbury. Born in Cornwall, England, she had resided in Crystal Falls, Michigan, prior to taking up residence in Creighton Mine 39 years ago. Besides her husband she is survived by four daughters and two sons: Mrs. C. Cullen and Mrs. E. Marsh, of Sudbury; Mrs. T. Starkey and Mrs. J. Randall, of Creighton Mine; William, of Schumacher, and Wilfred, of Creighton Mine. One sister, Mrs. E. Jenkins, of Cobalt; and two brothers Thomas, of Toronto and George, of the Maritimes, also survive. The late Mrs. Leck was a member of the United Church, Creighton Mine.

## WIDOW OF DOCTOR PAID FOR ACCOUNT 50 YEARS OLD

(Globe and Mail)  
The widow of a Grimby doctor who "didn't keep books" received recently payment for professional attention fifty years ago. At that time many country doctors followed the principle that "if people are honest they'll pay me what they owe," and it is safe assumption that they lost less money than do doctors today, no matter how many "duns" they send out.

## FAMOUS GENERAL VIEWS THE "WORLD" FROM MOUNTAIN TOP

This most usual photograph shows General Smuts, world famous South African statesman, who spends his leisure hours climbing Table Mountain, of Capetown. We see him in a contemplative mood as he stands on the edge of the mountain gazing at the wonderful panoramic view of Capetown below.

**Matter of Life and Death**  
A doctor, charged with illegal parking pleaded: "We had a woman bleeding to death in the hospital. We were more concerned with saving her than going up to the corner, turning around and coming back again to be on the right side of the road." He was dismissed.

Another man, charged with obstructing traffic by changing a tire at an intersection when he could have run his car off to the side of the road, was fined \$2.00 and costs. A third, who had parked a truck in a lane so as to obstruct traffic paid a dollar fine.

One man paid a \$10 fine for disorderly conduct.

Six charges against two men for unpaid wages were adjourned for a week at request of counsel. So was a common assault charge.
