

Propose Prizes for Essays on H.I.P.

One of Best Vimy Events Ever Held by Legion Here

Solemnity Marked Impressive Honouring of Those Who Passed at Vimy. Beautiful Floral Token Presented. Parading of New Flag for First Time. Attractive and Varied Programme.

The Vimy banquet and celebration held on Friday evening in the Legion hall fittingly observed the taking of Vimy Ridge by the Canadian Corps under the command of Gen. Byng, latterly known and revered as "Lord Byng of Vimy," and honoured with the office of Governor-General of Canada. A very large attendance was on hand and two sittings had to be made to accommodate all attending. President Austen, Neame acted as chairman for the occasion. The menu and catering were all arranged by the executive and consisted of sliced ham, roast beef, bread and butter, mixed pickles, dill pickles, celery hearts, and cheese and biscuits. The kitchen committee were busy with Walter Greaves, James Cowan, Jack Cousintine, Jack Moody, Bill Pennington, doing the work.

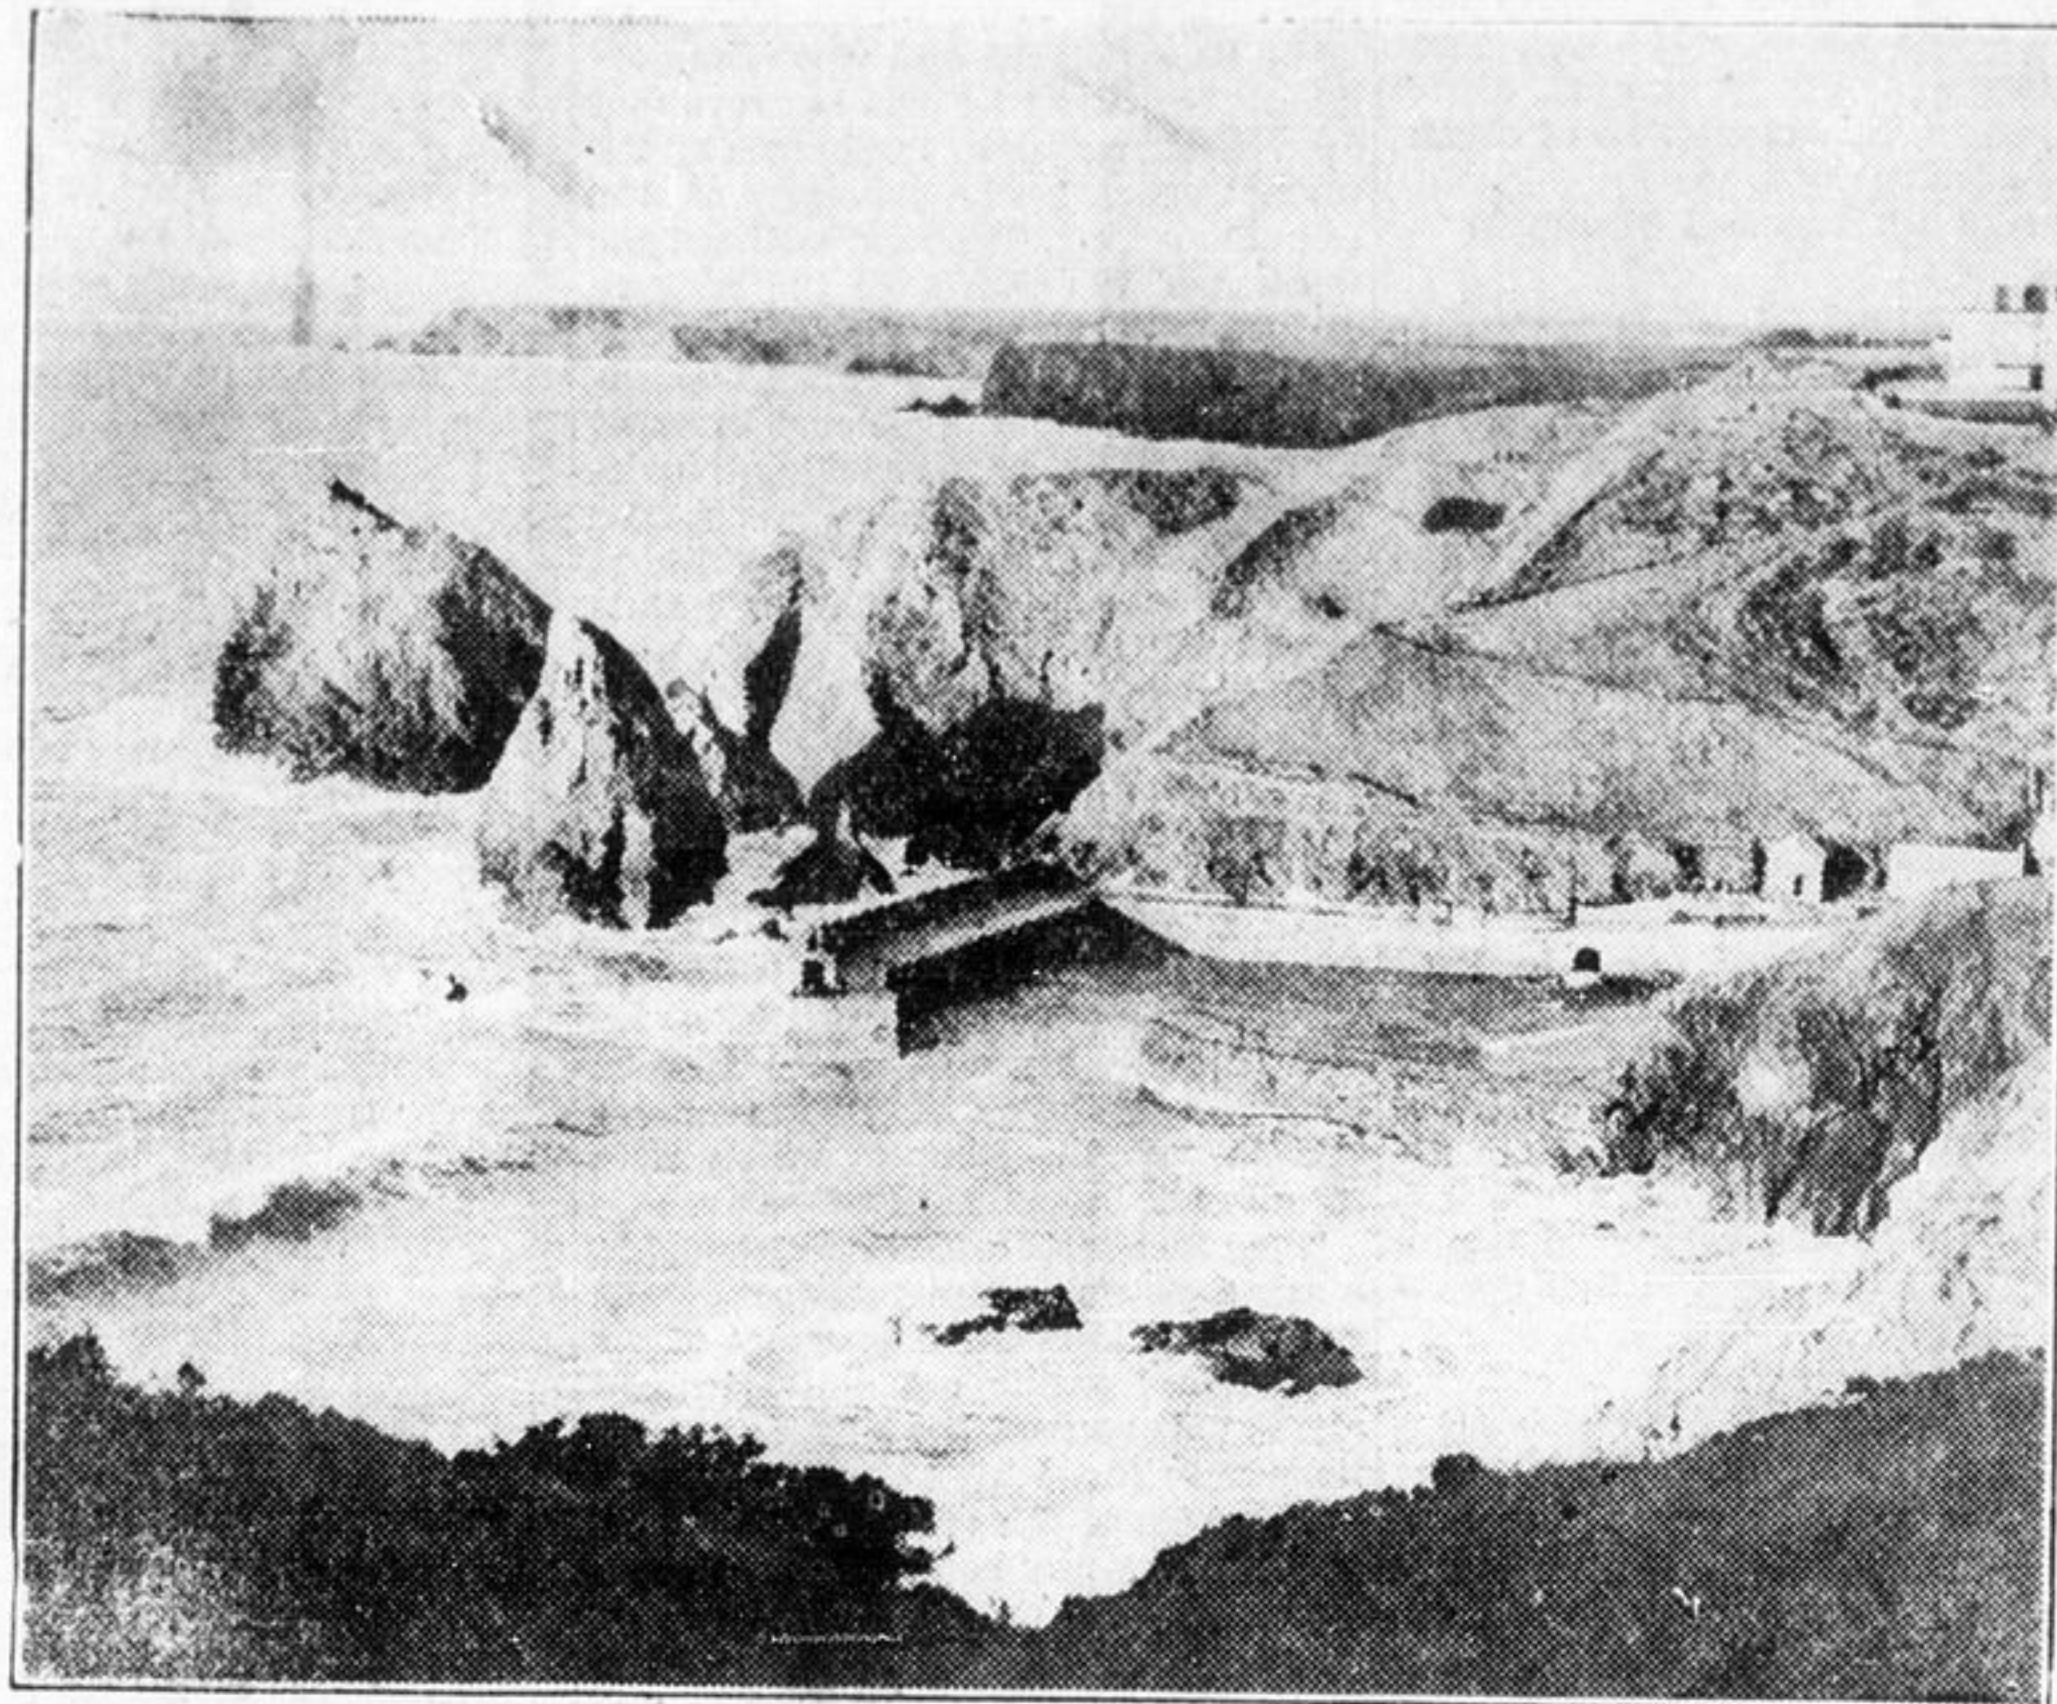

Fred Curtis made a capable M.C. for the programme upstairs, while Tommy Parsons filled in that capacity downstairs. Geo. Nippers acted as sergeant-at-arms. There were several features of the evening which make it stand out as unique in similar Vimy events of the Legion. The first was in the solemnity of honouring the dead. Archie Pierce scolded the "Last Post" and the lights of the hall were dimmed, a spotlight focussed itself upon a beautifully framed oil painting of the Vimy Memorial, unveiled last year at the Pilgrimage. The painting was the work of (Continued on Page Eight)

Ceremonies at Lions Model Home

Excavation to Start on Thursday of This Week, with Special Features.

Actual excavation work for the new model home on Toke street, the house being erected by Barney Sky, contractor, for the Lions Club, will start at 5 p.m. on Thursday, April 15th. It is expected that Mayor J. P. Bartleman will turn the first sod in the excavation. There will be a number of special features about the ceremony of the starting of the new model home. In addition to the mayor, a number of prominent citizens have been asked to attend. The Lions Boys Band will be in attendance and it is expected that the music provided by the Boys Band will be one of the specially interesting features of the occasion. Members of the Lions Club are also expected to be present. The Timmins Lions Club has invited those taking part in the official ceremonies to be the guests of the club at the regular dinner on Thursday after the commencement ceremonies.

ANOTHER BEAUTY SPOT PRESERVED BY THE BRITISH PEOPLE

Mullion Cove, on the Cornish coast, has just been preserved for the nation, and is now one of 18 coastal properties which will be protected by the National Trust. Canadians who have hiked along the Cornish coast will remember remarkable views similar to this, which shows Mullion Cove from the cliffs.

At Least Sixteen Large Floats for Parade Here

Plans Being Perfected for Remarkable Celebration of Coronation Day at Timmins. Display of Fireworks to be Another Special Feature of Coronation Day in Timmins. Souvenirs of the Occasion to be Obtainable.

Two New Firemen on May 1st

Both the New Men Have Had Experience as Volunteer Firefighters.

Two new members have been added to the local Fire Department force according to information received Friday, April 9.

Frank Culhane, who has been on the volunteer force for two and a half years, is at present an employee at the Hollinger Mines and starts on his new position with the regular force on May first. Mr. Culhane, who is a husky being over six feet in height and weighing approximately two hundred pounds, is married and has one child. He lives at 97 Sixth avenue.

William Martin, 24-year-old volunteer of two years, is the second addition to the regular force. Mr. Martin is another big fellow, being almost as tall as Culhane and weighing one hundred and eighty-five pounds. Martin, who was raised in Timmins, is also married and has three children. At present in the employ of the Connaught, he too starts on May 1st. He lives on Kimberley at Cedar.

Sixteen floats to be designed by the various clubs, societies and organizations, representing different countries and scenes from the various countries are to be in the mammoth Coronation parade in Timmins on May 12 under the direction of the Canadian Legion. Plans are made and everything is nearly in readiness to make the Timmins celebration one of the greatest they have yet conceived so that the camp may take its place among the foremost in the matter of celebrations.

The local branch of the Canadian Legion will have two floats in the parade, one to represent the "Soldiers of the Empire" in the various uniforms and equipment of soldiers from all over the Empire. The second float will be a comic one, the exact nature of which was not disclosed.

The Sons of England are sponsoring a float which is to represent John Bull with the possible inclusion of a bullock or two.

The Daughters of the Empire will have a float entitled "Britannia."

The Ladies' Auxiliary of the Canadian Legion will enter one called "Canada."

The float which comes from the Daughters of England will be "May-pole," and what is more typical of the Lancashire Club than the "Red Rose of Lancashire?"

Further Minor Changes in T. & N. O. Schedule

Railway Very Evidently Making Determined Effort to Meet All Needs and Give the Best Service Possible. Some More Small Changes in Schedule to Take Effect on April 25th.

In an effort to provide train service that will fill the needs of everyone in the North, Temiskaming and Northern Ontario Railway officials have again altered schedule changes that are to come into effect on Sunday, April 25th.

The new overnight train, No. 50, under the most recent change will leave Timmins at 5.20 p.m. daily except Sunday, arriving in Toronto early the following morning.

The new incoming overnight train, No. 49, leaves Toronto early at night, arriving in Timmins about 9.20 a.m. daily, including Sunday. This is just a minor change from the original schedule. There will be no arrival of this train on Sunday mornings.

No. 47 in at 4.45 p.m. Train No. 47, the present "Porcupine Limited" that arrives daily from Toronto, will be in here at the same time as at present, 4.45 p.m. This was to have been 5.30 p.m. under the first arrangement. This train will not arrive here on Sunday, according to present plans.

Train 46, the train outbound for Toronto, will continue to operate daily, including Sunday, leaving here at 1.25 p.m. instead of at 2.25 p.m.

Trains Nos. 1 and 2, the "locals," will continue to operate on their present schedules, No. 1 arriving here from North Bay at 10.00 p.m. and No. 2 leaving here for North Bay at 7.00 a.m., both daily except Sunday.

Summary of Service Summarized, the newest changes mean that on week days two trains leave here for Toronto and one for North Bay. Two trains arrive from Toronto and one from North Bay.

On Sundays, a train arrives from Toronto at 9.20 a.m. Another train leaves for Toronto 1.25 p.m. No. 4, a Sunday train only, leaves here for Cobalt at 8.30 a.m. No. 1 arrives here at 10.00 p.m. from Cobalt.

Sessions of Grand Chapter on Daylight Saving Time

Notice is given from Toronto that all proceedings of the seventy-ninth annual convocation of the Grand Chapter Royal Arch Masons of Canada to be held at the Royal York Hotel, Toronto on April 27th and 28th, 1937, will be conducted on Daylight Saving time, which is one hour in advance of standard time. Daylight saving time comes into effect in Toronto at midnight on April 25th.

MONTHLY MEETING OF THE LOCAL CHAPTER R. N. A. O.

The regular monthly meeting of the Porcupine Chapter of the Registered Nurses Association of Ontario will be held on Tuesday of this week, April 13th, at 8 p.m., at St. Mary's hospital. All nurses are cordially invited to attend.

Roads in District Worst Yet

Condition of Porcupine Area Roads Reported as Beating Recent Record. "Pot Holes" a Bad Feature.

Roads in the Porcupine district are in worse condition now than they have been even in the past few years, when records for roughness were set up. Pot holes are so close together on the road from Schumacher to South Porcupine that in many places speeds of over 15 miles an hour are most uncomfortable and even dangerous. From South Porcupine part of the way to the Dome a similar condition exists.

Probably the worst section of the main road is the strip from Golden City to the Pamour Mine, over which a regular bus schedule is maintained for the large number of Pamour employees who live in Golden City, South Porcupine and Timmins. Kept open all winter by ploughing, it is now a mass of mud, water and pot holes. At present the Department of Highways is building up the lower sections of the road with waste rock from the Dome Mines, bringing the visibility along the stretch up to Department of Highways specifications. Thirteen trucks have been employed on the job.

Engineers of the Brennan Paving Company, who have contracted to pave the road this year from Pamour seven miles in the direction of Timmins, are expected to arrive here this week.

SOCIAL EVENING TO-NIGHT BY THE LADIES' AUXILIARY

A social evening will be held to-night (Monday) in the Canadian Legion hall under the auspices of the Ladies' Auxiliary. The event will be a formal farewell party for one valued member Mrs. J. Macnaughton, and also to say bon voyage to several other members of the Auxiliary who are leaving to attend the Coronation. Members of the Auxiliary and their husbands as well as Legion members are invited to attend.

Police Checking up on Breaches of Traffic Laws

With the beginning of warm weather many Timmins motorists have brought their cars out of winter storage. Traffic problems have immediately increased. Timmins police, keeping a watchful eye on week-end drivers, laid two charges of reckless driving, both of which will be heard at to-morrow's police court.

Dynamite, Gasoline at Fire

Firemen have Dangerous Fire to Combat on Friday.

The Timmins Fire Department saw plenty of action over the week-end when they were called out for a total of six calls in five days. On one call particularly was the force required to show great courage and resource when they were called to 135 Wilson avenue to combat a blaze in a shed in which were stored two cases of dynamite and a total of 25 gallons of gasoline, 29 gallons of which were stored in a 45-gallon drum and five in a five-gallon can.

Captain Morton of the Department said that the 20 gallons of gasoline in the drum would leave it about half empty, and this was more dangerous than a full drum. The Fire Department acted commendably throughout their task and the people of the town should be proud to know that they can depend on their force at all times.

The damage to buildings and contents amounted to approximately \$150, and the property was uninsured.

On April 8, at 4.32 p.m., the Department was called to 114 Wilson avenue to the home of W. Brewer by telephone. It was a stovepipe fire and no damage was done.

On April 9th, the same day that the fire occurred in which the explosives were concerned, the force was called by telephone to 9 Cedar south, the home of Mrs. Hurlbise, to another stovepipe blaze. Again there was no damage.

Again on the 9th at 7.21 p.m. a call was sent in, this time to go to 53 1/2 Wilson, the third Wilson avenue fire in two days. Again the blaze was in the stovepipes, and there was no damage.

On Sunday, April 11, at 9.45 p.m., the department was called verbally to the Remus Jewelry store at 17 Pine street north. A blaze had been started in the window by the rays of the sun shining in the window and being concentrated by a large glass flower container, so that they caused a cloth window dressing to burst into flame. The fire department was called in time, and little damage resulted.

The last call came on April 12, at 2.55 a.m., from Box 43, 27 Cambria avenue. The fire was in a shed in the rear of the property which was owned by the Hollinger Mines, and the cause was not known. Damage amounted to about \$20.00.

Local Mining Institute to Meet on Tuesday Night

The meeting of the Porcupine branch of the C.I.M.M., postponed some weeks ago on account of the illness of Mr. Langford, will be held to-morrow (Tuesday) evening, April 13th, at 8.30 p.m. in the Empire hotel. The chief features of the evening will be a paper by George Langford on "The Geology of the McIntyre Mine," and a motion picture film showing a cross section of Simons Cone Crusher.

MCDONALD HILL HOUSE RAIDED

Provincial police, in a raid at McDonald Hill on Friday night, arrested Domenico Orlando and have charged him with keeping liquor for sale. He will appear in police court to-morrow.

Life Insurance Companies Make Investments Here

In Address to the Lions, Fred Stock Answers the Question as to What Companies do With Money Collected in Premiums. Other Interesting Details About Life Insurance.

Thirty-five members and one guest, Mr. M. L. Stanbrook, manager of the R. Neill Ltd. Since Store, were present at the meeting of the Lions Club which was held on Thursday, April 8. Instead of the usual procedure, which is to have each member of the Club answer his own name during the calling of the roll, a little novelty was introduced when District Governor Ball called and gave a brief description of each member.

The speaker was Fred Stock, of the Mutual Life Insurance Company, who spoke on "Life Insurance." Mr. Stock said that the assets of insurance companies run into billions of dollars. The first insurance that was put into effect was several hundred years ago when an English merchant, about to embark on a journey on the high seas, was insured before he left. Since that time, the insurance plan has grown until almost every person in any kind of business has insurance in some shape or form.

The premiums in insurance are based on the number of policies written and the total number of deaths with which they have to contend. The main point in taking on insurance is that an estate is established immediately, paid for during the life of the insured person, and is available after a definite number of years.

An insured person can terminate his policy at any time but it is impossible for an insurance company to get out of the contract in any way.

One can do almost anything with an insurance policy; it can be increased, decreased, borrowed on, suspended, or paid in advance. Insurance is probably the best single investment that can be made.

An interesting point was brought out when Mr. Stock mentioned that several people had asked him "what happens to

the money paid by the policy-holder?" "This money," said Mr. Stock, "is invested in debentures in the Town of Timmins, the township of Tisdale, the Temiskaming and Northern Ontario Railway and other governmental and municipal bonds, debentures, etc., in the North country, as well as in similar investments in the South and elsewhere. Out of every dollar paid in by policy-holders, 50 cents is invested in bonds—35 to Governmental and 15 to industrials. The other half is used to pay insurance claims and to pay to the people who wish to borrow on their policies.

VACCINATION FOR SMALLPOX FOR PRE-SCHOOL CHILDREN

Vaccination for pre-school children to protect them against smallpox will be held on Monday and Tuesday of this week, April 12th and 13th, between 3 and 4 p.m., at the Children's Clinic.

To Confer Wednesday Night

President of Board of Trade Calls Meeting to Confer With Merchants.

At the Porcupine Credit Corporation banquet at the Empire hotel last Monday night there was renewed discussion of the idea of the merchants in general giving greater support to the Timmins board of trade and thus making it possible to extend the work of the board. A committee was named to interview the president of the board of trade and arrange for a conference. J. P. Lynch was named as chairman of the committee and it did not take him long to get into action. He met Mr. Langdon, president of the Timmins board of trade, explaining the idea behind the resolution and the desire of the merchants and businessmen generally to have a particularly aggressive board of trade with all the business men giving the board the fullest possible support.

It has been noted that Mr. Lynch acted very promptly. President W. O. Langdon, acted with equal speed. Last week, Mr. Langdon over his own signature asked all members of the executive of the board of trade to meet in the council chamber in the town hall on Wednesday evening, April 14th, at 8.30 o'clock. In sending out the notices of the meeting on Wednesday, Mr. Langdon's letter concludes: "This meeting is called for the purpose of meeting a group of local merchants and business men. Will you kindly keep this date in mind and make every effort to be present."

It is hoped from this conference of the board of trade executive and the representatives of the merchants to increase the activity and interest in the local board of trade work.

May Attend Coronation

Hon. Norman O. Hipel, Speaker of the Ontario Legislature, who will probably be selected by the Provincial Government as official representative of the Province of Ontario.

Big Crowd Greet the Siamese Twins Here

Literally Thousands at Station as Young Ladies Arrive.

Indicating the unusual interest in the visit of Misses Daisy and Violet Hilton, the Siamese Twins, to Timmins, was the crowd of a couple of thousand people at the station Sunday afternoon to greet them on arrival.

These Siamese Twins will be a special feature at the Palace theatre Monday, Tuesday, Wednesday and Thursday of this week. They will appear in addition to the regular programme. The Misses Hilton are hailed as among the most remarkable attractions in vaudeville together. Joined from birth, and inseparable until death, these young ladies are considered one of the remarkable wonders of the day.

Prizes for Essays on the Home Improvement Plan

Students Likely to Have Chance to Write on H.I.P. Proposal Made at Joint Meeting of H.I.P. Committee and Representatives of the Building Trades and Dealers in Supplies.

The proposal was made at a joint meeting of the local Home Improvement committee with the Building Trades and Supplies Dealers in the town hall, Friday, April 9, at 8.00 o'clock that a prize essay contest be inaugurated among the older school children of the district with the benefits of the Home Improvement Plan to individuals and of the community as a subject. The proposal is under consideration.

Chairman J. E. H. Chateaufort opened the meeting and commented on the large number present. He said that he was glad to see so many of the Building Trades represented because they were the ones who should be fully acquainted with the committee's aims and that it was essential that the right people be contacted.

In a short address, W. C. Wingrove, secretary of the committee, mentioned the formulating of a plan to relieve the unemployment situation as it existed in the building trades by putting the builders to work. The Government has come to the assistance of the exponents of the Home Improvement Plan by instituting a low interest, three-year loan for home owners who are desirous of improving their property. Mr. Wingrove concluded with a plea for the support and co-operation of those present which, he said, was essential if living conditions were to be improved.

W. Burnes reported that the speakers' committee had had a speaker at the Porcupine Credit Association banquet and that they had made arrangements to have speakers at functions and meetings of the various clubs and organizations.

Some discussion was raised concerning necessary expenditures but this was disposed of satisfactorily.

Arrangements were made to have cards reading "We are supporters of the Porcupine Home Improvement Com-

Noted Ukrainian Musician at Prosvita Hall Tuesday

Prof. Wm. Jemec, musician and educationalist, with his Ukrainian musical instrument, the mandore, will present a programme of special interest on Tuesday evening in the Ukrainian Prosvita hall, 74 Elm street, north, commencing at 8.30. Prof. Jemec has won general recognition as a musician. The programme he will present will include Ukrainian songs, Cossack songs, Easter songs, dance music, folk songs, humorous numbers, etc.

The concert was originally planned for to-night but a wire from Prof. Jemec gave the information that he will not be able to reach here to-night and the concert was accordingly postponed till to-morrow night.

Mr. Reg. Smith returned Thursday from a two months' vacation to San Antonio, Texas, and Mexico. Mrs. Smith accompanied him but stopped off at Boston on the return trip, to visit her mother and sister for two weeks.
