Visitors Delighted with Ukrainian Easter Event

Mrs. Kovolsky, of Montreal, the Guest of Honour Here. Interesting Story of Ukrainian Easter Feast Given. Clever Dancing by Local Ukrainians in Costume. Visitors Find Evening a Very Pleasant One.

The customs and old traditions of the Ukrainian Easter festival were portrayed in interesting manner for the special benefit of the English-speaking visitors at the annual Ukrainian Prosvita Association Easter Supper.

Mr. Kindvak in very fluent and interesting style told of how in the Ukraine Easter is about 14 days later than ours. The mothers, on the Saturday after Good Friday, prepare the feast, Easter bread a vast loaf with raisins mixed in, and eggs forming the major part of the feast. After all the food is cooked it is taken to church in baskets and blessed by the priest then taken home.

Before the feast is begun at the table the head of the house takes one of the eggs and cuts it into as many pieces as there are persons present at the table. After each has eaten their portion, the feast of Easter is begun. So it was carried through on Sunday evening.

Charming Ukrainian young ladies waited on the tables in their beautiful costumes, making a pretty touch to the already nicely decorated hall.

All the addresses, except those of the specially invited guests and the one of explanation above-mentioned were in the native tongue of the Ukraine. Those who addressed the large and merry gathering were Mr. John Stodjency, Mr. Kyril, Mr. D. Podolan, Mr. Wm. Boy, and others who also responded briefly to their remarks.

Mrs. Kovolsky, Women's and Young People's organizer, of Montreal, made a vivid impression upon all. A beautiful and attractive personality, her expression and speech was fascinating to hear. Her audience were evidently as much impressed as the visitors and loud applause continually interrupted her address.

Mrs. Kovolsky spoke upon the youth movement. Mayor J. P. Bartleman, Austin Neame and W. A. Devine spoke briefly in English to the gathering. Mayor Bartleman told of some of his experiences in landing in a strange country and said the Ukrainian and other "New Canadians" were lucky to have organizations to come to, upon reaching Canada. "It is a fine thing to know you are coming among friends," the mayor said.

Austin Neame, president of the Canadian Legion, thanked the Ukrainian Prosvita Association for its support in all patriotic events in Timmins. He said, "I would like to see more of these gatherings where one could meet and learn the customs and traditions of the various peoples who make up the citizenship of the Dominion."

W. A. Devine touched upon the subject of the younger members of the Ukrainian Prosvita Association, his remarks being heeded and will be acted upon in the near future, if at all possible.

After supper, the Ukrainian folk danced some of their native dances. The skill with which these were executed was a feature of the evening and enjoyable to all present.

The Easter supper came to a close in the early hours of the morning after a pleasant and enjoyable night.
