

# Softball Away to Good Start; Lacrosse Activity Increases

## Opening Game of this Season's Softball Won by Hardware Men

Coniaurum Team Blanked by the Taylor Hardware Experts, the Score Being 8 to 0. Taylors had the Game on Ice Despite the Hot Weather.

Taylor Hardware defeated the Coniaurum nine in the first softball game of this season played on the cyanide grounds yesterday afternoon. The score at the end of the nine innings was 8-0. The Taylormen got away to a great start in the first inning scoring no less than five runs off Sutherland. Two of these five were circuit hits resulting from long slams from the bats of Anderson and Berardine. The only other homer of the game was made by Romualdi in the seventh, when he blasted a drive into deep left field. Jones dropped back fast, but just wasn't able to get under it. The other two runs in the game were scored by Campbell and Romualdi in the fourth and fifth innings respectively.

The Hardwaremen secured a total of twelve hits in the game while Coniaurum was held down to four by Campbell's clever twirling. The first innings looked pretty bad for the Miners, the Taylorites had the first batting and the tally sheet showed a balance of five runs in their favour before the Miners were able to get a chance at the bat. Stewart, the Coniaurum centre-fielder, managed to make second when he drove a tough one into Berardine's territory but that was as far as he got before they were forced to take the field again.

In the second inning Campbell was the first batter for the Taylor team. He punted a short fly to Pitcher Sutherland. Lukon made the first on Jones' error and Brandon secured a walk, forcing Lukon to second. Anderson, the first baseman, killed the inning when he drove a high one into right field which was easily handled by Marks.

Coniaurum was retired when only five batters had faced the pitcher. Marks was put out at first when Brandon stopped a fast grounder. Young walked and Donegan was struck out. Campbell erred badly on Sutherland's short punt, but redeemed his good graces when he struck out Jones to retire the side.

The Coniaurum team rallied in the first of the third inning when they allowed only four batters to face Sutherland. McMahon's drive along the third base line was bagged by Simmons whose throw beat the runner to first. Romualdi's grounder was handled by Morgan. Berardine managed to get to second base but Dominic was stopped at first by Morgan's throw to Donegan. However the Hardwaremen were still alert in the field and the Miners were downed in short order. Stewart was put out at first. Calverley made third when Campbell made a bad throw to second; Morgan was struck out, and Simmons was caught at first.

In the first of the fourth Campbell scored after he had managed to get on base on Stewart's error. Lukon flew out to Sutherland. Lacombe was stopped on a force play to second; Brandon made first but Anderson's short fly was caught by Calverley.

In the last of the fourth, Romualdi caught Marks' hard line drive; Young's high fly was easily handled by Brandon and Donegan was stopped at first. In the first of the fifth, McMahon walked but was later forced out at second. Romualdi scored a hit and finally managed to steal home. Berardine got as far as third on the same play that Dominic was forced out at

second. Campbell tried to steal second when Sutherland was in the box, retiring the side.

Sutherland was Coniaurum's first batter in the last of the fifth. McMahon stopped his grounder along the third base line and the throw beat the runner to first. Jones drove a long fly into left field and Berardine had to go back fast to make a beautiful catch. Stewart was struck out, retiring the side in quick succession.

Lukon was the first batter in the first of the sixth and he was granted a walk. Lacombe, Brandon and Anderson were put down in short order.

Lacombe made a brilliant catch in the last of the sixth when he bagged a foul off Calverley's bat. Morgan and Simmons drove hard grounders into Romualdi's territory and he handled both of them very capably.

McMahon was Taylor's first man at bat in the first of the seventh. His drive along the third baseline was taken by Simmons. Romualdi was the next man at bat and he made a circuit hit with no one on base. Berardine's infield fly was caught by Simmons and Dominic was stopped at first.

Campbell struck out Marks and Donegan in the last of the seventh. Young drove a hard grounder to Brandon on second, whose throw beat the runner to first.

Burkett relieved Sutherland of the pitcher's duties in the first of the eighth and did not allow any hits for the remainder of the game.

Box, who relieved Jones in left field, caught Lacombe's long fly. Brandon grounded to Simmons and was put out at first. Morgan took Anderson's short fly.

In the last of the eighth, Stewart got on base on a hard drive into middle field. Calverley got to first on Campbell's error. Morgan knocked a foul tip into Campbell's waiting hands; Burkett was put out at first and Box was struck out.

In the first of the last inning McMahon flew out to Simmons. Romualdi flew out to Stewart and Berardine was stopped at first.

The last half of the last inning was just as short. Simmons was stopped at first, Marks and Young both drove long flies into right field, where Berardine handled them easily.

The line-ups were as follows:—

Taylor Hardware:—Lukon, Lacombe, Brandon, Anderson, McMahon, Romualdi, Berardine, Dominic, Campbell.

Coniaurum:—Stewart, Calverley, Morgan, Simmons, Marks, Young, Donegan, Sutherland, Jones. Subs: Burkett, Fox, McAndrews.

Batteries:—Taylor's—Campbell and Lacombe; Coniaurum—Sutherland, Burkett and Young.

Umpires—Howard Webb and Zig Cstrwaski.

**WOODEN COURT FOR THE NEW KIRKLAND LAKE TENNIS CLUB**

The newly-formed Kirkland Lake Tennis Club is planning construction of a new \$1200 wooden court. The township council promised the club a loan of \$350. The contract for the erection of the court has been awarded to Hill-Clark-Francis Limited.

## World's Sport Events

(By F.J.H.)

**Boxing**  
Benny Lynch, world's European and British flyweight champion, will meet Jim Warrack, the Irish champion, in a 15-round contest on Wednesday night in Glasgow. Lynch's titles will not be at stake.

Petey Sarron is on his way to South Africa for a return bout with Harry Miler in Johannesburg. Sarron won the first fight with Harry in London recently when the referee stopped the fight. Harry said that he was just getting warmed up and said he would win.

Buddy Baer who recently beat Jimmy Wilde in England is not only throwing his weight about these days, but also challenge, for he thinks he can beat the best heavies over there and has challenged Farr, Doyle and Neusel, and intends to stay in England as long as he can get fights.

Len Harvey, who is supposed to have hung up his gloves through eye injuries, says he is not through but that he is prepared to fight Neusel, Farr or Doyle. His last fight was with John Henry Lewis on November 9th last. Lewis won the fight.

Max Baer evened his fights in the Old Land by beating the South African, Ben Foord, by a technical knockout in the ninth.

Kid Chocolate will meet Al Reid at the Hippodrome, N.Y., on Wednesday night. The coloured boy is trying a comeback.

Tommy Bland will mix it up with Sammy Luftspring at the Maple Leaf Gardens to-morrow night.

**Golf**  
The touring South African golfers are holding their own on British courses.

Mme. Rene Lacoste retained the French women's golf championship last week by defeating Mme. A. Strauss 4 and 3 in the finals at St. Cloud.

U.S.A. professional championships—Denny Shute of Boston won from Tony Manero, and Harold McSpaden won from Ky. Lafoon in the semi-finals.

Robert Sweeney, the Anglo-American is the new holder of the British Amateur Golf title. Cyril Tooley, a former holder, went down to defeat in the fourth round. Sweeney won the finals 3 and 2 from L. Munn, the 50-year-old golfer of Ireland.

**Tennis**  
The Australian Davis Cup team sure struck bad luck for their matches in the North American interzone, sickness striking down two of their best players, and Crawford, their other ace player, losing Saturday.

The following are the tennis matches played Saturday:—

Davis Cup—Don Budge won from Crawford; "Bitsey" Grant won from J. Bromwich, the youthful player substituting for Quist.

French Championships—Semi-finals. Germany won from France; Austin, Britain, won from C. Boussus, France.

Coronation Plate—Bill Tildon lost to Lynn.

Middlesex Championships—Women's finals. Senorita Anita Lizana, Chile, won from Miss Marble, U.S.A.

Exhibition match—Fred Perry won the third match from Vines.

Davis Cup—Men's doubles and final matches played yesterday. Crawford and McGrath went down to defeat before Don Budge and Gene Mako after very hard sets 7-5, 6-1 and 8-7, giving the United States the right to enter the next interzone playdowns to take place in England.

Perry and Vines will meet next at Bournemouth on June 5th and at Liver-

Mickey Cochrane, catcher for Detroit baseball team, who was struck on the head with a pitched ball by Irvin Hadley last Tuesday, is making fine progress to recovery.

## With the Porries

Once more the old waste paper basket gets the tickets and the losers are waiting for the next batch to come along.

Some people get all the luck. Any-way there are a couple of girls in Los Angeles certainly come in for their share, for last October they won \$3000 in the Irish Sweepstake and on Friday last they got word of their second win of about \$2233 in the Derby.

Foray, a favourite for the Derby, has been scratched and Fairford is another favourite that has dropped in the betting while Le Ksar, unknown before Two Thousand Guineas race which he won, is among the favourites in the latest betting, along with Cash Book.

Mr. MacKay of Hamilton has drawn a ticket on "Go To," a third favourite, and has had two offers of \$7500 for a half share. He doesn't know what to do. "Go To" is a dark horse and so far has not won a race this year, and to put it up among the favourites there must be something behind it all, especially when an Irishman wants a half share in the ticket. Keep it, old man, and take a chance.

## BOY SCOUTS IN TIMMINS

I'm sure that most of you have at some time or other read a column in one of the more popular daily papers that began with the title "Interestin' Fac's about Interestin' People." You have, haven't you? So this week I should have titled my little column "Interestin' facts about Interestin' Birds." In several places I've seen both models of aeroplanes made by Scouts and bird houses made by Cubs. This then should be of interest to both of you. It's about both.

Recently a wild duck which paced a plane piloted by Charles Sutherland for a distance of five miles at a speed of 80 miles an hour, started others at East Boston, telling of their experiences with birds.

Capt. William H. Wincipaw, veteran pilot, stated that sea gulls, for instance are one of the best weather vanes that he knows of. They hate to have their plumes ruffled; accordingly, when they are at rest on the water they always head into the wind, so that it will flow smoothly over their feathers. When Capt. Wincipaw looks for a landing along the seacoast where there are usually no wind indicators, such as smoke or artificial devices, he generally watches for sea gulls on the water, so that he may know the direction to come into the wind for a landing.

John Shobe, pilot, reported a swallow flying at an altitude of 6,000 feet. Think of a tiny bird more than a mile high. Then there is "Frisco Lady," the homing pigeon whom it is believed holds the record for long distance hazardous flight. She flew from San Francisco to her New York loft—a distance of 3,000 miles.

Captain Salisbury, another pilot, spotted an eagle two miles away with a wing spread of about four feet. He cut his motor so as not to startle the bird and then put his ship into a glide. The bird, upon seeing the ship close behind, executed a beautiful Immelman turn. Then followed a 15-minute exhibition of wheelings and maneuverings, after which the plane left the scene. Eagles are actually big lumbering things in flight.

A hint. One of the most favoured foodstuffs for winter (but who's thinking of winter now) bird feeding consists of melted beef suet (or mutton tallow), packed full of seeds of all sizes, shapes and kinds—grape, sunflower, radish predominating. This food is for birds what potatoes are for man. A picturesque way to serve it is in a cocoanut shell sawed in half. A 10 cent piece of suet will last a month or so.

Next Wednesday the 6th Timmins Pack and the 6th Timmins Troop will hold a joint meeting at which several Cubs will "go up" into the Scout Troop.

On Tuesday evening the executive of the Timmins Boy Scout Association will hold a meeting at 8 o'clock in the town hall. It is hoped that the chairman of all Group Committees and the

## Officers District Golf Clubs for 1937

List of Officers of North Bay, Kirkland Lake and New Liskeard Golf Clubs.

The following are the officers of the North Bay Golf Club as recently elected for 1937:—

President—Dr. D. A. Campbell  
Vice-President—S. J. Sanders  
Secretary-Treasurer—Dr. B. P. Nott  
Captain—Alex Watt.  
Vice-Captain—Dr. Ralph Foster.  
Honorary Presidents—Hon. Geo. Gordon, Duncan McLaren, Geo. W. Lee.

**New Liskeard**  
The following are the officers of the New Liskeard Golf Club for the ensuing term:—

President—Ed Miller.

Chairman Greens Committee—H. L. Roscoe.

## Draw for a Mixed Two-Ball Foursome

Very Successful Event with Very Large Attendance.

The feature for the Timmins Golf Club is the mixed two-ball foursome for which the draw was made last week. The draw is posted in the club house. The same rules are to apply as in the mixed foursome on May 24th. Nine-hole competition.

The following is the draw, with particulars as to the dates on which the several rounds must be completed:—

- Mrs. Sandwith—W. Rinn 11
  - Miss J. Scott—Dr. Stahl 11
  - Mrs. Porter—N. Adams 7
  - Miss Mulvihill—A. H. Munroe 11
  - Miss C. Cuthers—S. A. Wookley 10
  - Mrs. Harrison—J. W. Fogg 8
  - Mrs. Robson—D. B. White 8
  - Mrs. Darling—Sandwith 10
  - Mrs. H. Hudson—G. N. Ross 8
  - Mrs. Fogg—G. S. Lowe 8
  - Mrs. McClinton—J. P. Burke 11
  - Miss Wookley—C. Kerr 12
  - Mrs. N. Adams—S. R. McCoy 11
  - Mrs. Lake—J. Grady 10
  - Mrs. Sippell—W. Laidlaw 7
  - Mrs. Douglas—V. Woodbury 9
- First round to be played by June 3rd.  
Handicap Second Round by June 10th.  
Third round by June 17th.  
Fourth round by June 24th.  
Final by June 26th.

## Winners of Sweepstakes Men's Section Golf Club

The winners of the sweepstakes of the men's section of the Timmins Golf Club were as follows: 18 holes—A. H. Munroe, G. N. Ross, J. H. Sandwith, John Fogg, V. Woodbury, Geo. Lake, 9 holes—Dr. Stahl.

Kincaid News:—A farmer should lead the most interesting life because he has to be a mechanic to keep his machinery in good operating condition. He has to be a veterinarian in order to safeguard the health of his livestock. He has to be a soil specialist to keep his ground in good productive condition. He has to be a financier of no mean merit to be able to make ends meet. Then he has to be a gambler and weather prophet to try to match Mother Nature when she starts out playing pranks with winds, rains, heat and frosts. Besides these he has dozens of other things to attend to which requires other members of the executive will attend that summer business may be completed.

—E. B. R.  
District Scoutmaster

## Prospects Bright for Great Lacrosse Season in Timmins

Lacrosse Box Now Being Built on T.P.A.A.A. Grounds. Teams Expected from Timmins, Schumacher and South Porcupine in Senior League. Also Midget, Junior and Juvenile Teams in Timmins.

Prospects are now looking much brighter for a great lacrosse season in Timmins, Lee Taylor, chairman of the committee in charge of lacrosse for the T.P.A.A.A., announced on Saturday.

The lacrosse box which is being built on the T.P.A.A.A. grounds is nearing completion and the officials believe that it will be ready for a practice on Wednesday night.

Teams from Timmins, Schumacher and South Porcupine will probably comprise the senior league, while midget, junior and juvenile teams will be operated in Timmins. One hundred and twenty boys have already signed to take part in the latter league and three midget, four juvenile and three junior teams will be formed out of this number.

There is a possibility that Charlie Arnott will enter a junior team from Schumacher but this has not definitely been decided upon.

The players have been practising at the new grounds for the past two weeks and are very anxious to get playing in their new box.

Workmen have been busy at the grounds for the past week laying out hardball and softball diamonds, constructing the lacrosse box and making a cinder track. Jack Downey, who is in charge of the work, states that the grounds will soon be in shape for the coming summer's activities.

The association has ordered all necessary pads and equipment for the lacrosse teams and hope to have an exhibition game with South Porcupine at their new box on Friday night.

## T. B. L. Not to Break Away From C. A. U.

Kirkland Lake Breaks with Amateur Union, but Other Ball Teams in North to Remain.

According to Ike Solomon, dean of the McIntyre baseball team, the T. B. L. will not break away from the C. A. U.

Last week the Eastern Ontario Baseball Association officially broke off with the Canadian Amateur Union. This breaks Kirkland Lake's last connection with the amateur body.

At a special meeting held yesterday it was decided that the various sports bodies in the North would not follow the footsteps of the E. O. B. A. and that every player who wishes to make their teams must be able to produce his amateur card. At present the big difficulty confronting the T. B. L. is for them to find another body with whom they can affiliate. Nothing definite has been done in this regard but it is thought likely that the T. B. L. will conduct their play-offs with the Nickel Belt and thereby qualify for the O.B.A.A. play-downs.

## Opening of Ladies' Golf on Friday Last

Same Rules to Apply as for Mixed Foursome on May 24th.

The opening of the Ladies' Golf took place on Friday last, and proved very successful with a very large attendance.

In the Hidden Hole competition, Mrs. Porter won the first flight, and Mrs. Gillies won the second flight.

The 9-hole competition was won by Mrs. Todhunter.

Next Friday there will be a Flag Competition for 18-hole and 9-hole players.
