

PREPARING FOR NEW TOWN HALL

Annual Meeting Timmins Board of Trade To-night

Large Attendance of Members Asked for as Business of Meeting is Important. Activities of the Year to be Reviewed, and Election of Officers for the Ensuing Year.

The Timmins Board of Trade is holding its annual meeting this (Thursday) evening in the town hall commencing at 8 p.m. President W. O. Langdon is particularly anxious to have as large an attendance of members as possible as the business for the evening is especially important. The annual meeting will hear the reports of the officers for the past year, and there will be the annual election of officers to carry on for the ensuing year. Recently there has been a call for new members and if this call has succeeded to the extent some hoped the attendance this evening will be unusually large. In recent years it has been the custom to have a banquet on the evening of the annual meeting and the attendance on these occasions has been large. It will be interesting to note whether this evening's plan of having a strictly business meeting will bring out a large attendance as it should. All interested in board of trade work and all interested in the town and its progress should join the Board of Trade and assist in the activities of that body for the advantage of the town. During the past year a notable amount of work has been done by the Board of Trade for the benefit of Timmins and district. The review of this work should prove especially interesting and will prove a surprise to those who have been criticizing the Board of Trade recently for its supposed lack of action.

Hand Badly Cut in Ball Game

Star Centre Fielder for Timmins Receives Painful Injury in Last Night's Game.

Baseball injuries are quite a common occurrence these days. Last night, in the opening baseball game between McIntyre and Timmins, Dorey, the local's star centre-fielder, received a nasty cut in the hand in the last of the eighth inning. Dorey had just been granted the only walk of the game, when he was caught leading off for second base. He saw the catcher throw the ball to Cybulski on first and tried to beat the throw.

He dove for the sack with his hand stretched out ahead of him. In the confusion, Cybulski accidentally stepped on Dorey's hand, severing the cord between the thumb and first finger. Dorey was rushed to a doctor and Delmonte took his place in the field.

The injury was quite painful and may keep the valuable player out of the lineup for some time.

Kiwanis Plan Re-opening of Boys' Camp for Season

New Supervisor for Camp Introduced to Kiwanis Meeting Monday. Various Reports of Interest at Meeting. All-Kiwanis Night, June 21st, to be a Ladies' Night. Other Kiwanis Club Notes.

Preparations were made to open the Kiwanis Boys' Camp at Barber's Bay sometime in July at the regular meeting of the club held in the Legion hall on Monday.

Arrangements were made to visit the camp site, and the members gathered there last Tuesday to plan the necessary work which must be done before the opening.

Charles Joliffe, formerly of the Bolton Fresh Air Camp, has been selected as supervisor for the Kiwanis Boys' Camp. Mr. Joliffe was introduced to the members by President King. He will address next week's meeting.

Following the luncheon, Rev. Bruce Millar led the singing. A pleasing novelty was introduced when the members sang one number in harmony without piano accompaniment. This is similar to the Welsh style of singing and the members responded to it heartily.

Frank Feldman gave a report on the work being carried on by the agricultural committee. The committee has made arrangements to bring in a number of young pigs to be supplied to farm boys. This is being done to stimulate an interest in livestock. Some of the boys may not be able to pay for the pigs when they are purchased, but the club will arrange with them to pay when the pigs are killed.

A short discussion was carried on concerning the proposed amendments to the international by-laws. This was done for the guidance of Phil Kinkel

Tom Magladeray Again Pays Visit to Timmins

Capt. Tom Magladeray, former member of the Legislature for Temiskaming riding, and more recently in charge of the Soldiers' Civil re-establishment Department at Ottawa and in other government positions under Hon. W. A. Gordon when the latter was in the R. B. Bennett Cabinet, is a visitor to Timmins this week. Mr. Magladeray was a frequent and regular visitor to Timmins and district and was very widely known here. Indeed for a time after his own return from overseas he looked after this riding for his friend the member, Mac Lang, who at that time was on service in France. It is probably fifteen years since Mr. Magladeray's last visit to Timmins and he finds remarkable changes here. "There are parts of the town that I recognize, of course," he told The Advance yesterday, "but the place in general has expanded and changed to such an extent that the town I once knew well has gone and in its place is a lively young city with which I would like to get thoroughly acquainted."

In earlier days of Timmins Mr. Magladeray was very popular with all classes and parties, and he still has hosts of friends to welcome and greet him. Some months ago he resigned his government positions and returned to his old home town of New Liskeard to again take up residence there. According to recent despatches from Cobalt and Haileybury in The Advance there is a widespread desire to have Mr. Magladeray as the Conservative candidate for the next provincial election in the riding. Yesterday Mr. Magladeray made no comment on the suggestion of these despatches, further than to admit that he still retained a keen interest in politics, but that his visit to Timmins was a purely personal visit. Mr. Magladeray will be in town for a few days.

First Annual Summer Ball of Kiwanis Club

To be Held at Riverside Pavilion on June 18th.

Invitations are being issued this week for the first annual summer ball of the Timmins Kiwanis Club. The event is to be held on Friday evening, June 18th, at the Riverside pavilion. The grand march will commence at 10 p.m. A number of very pleasing entertainment surprises are promised for the event. Invitations are to be presented at the door. All proceeds of the event are to go to the Kiwanis Camp fund and the Kiwanis fund for crippled children.

Pleasing Event by Sewing Circle of Ladies' Auxiliary

The Sale of Work by the Sewing Circle of the Ladies' Auxiliary on Monday night was fairly well attended. There were a few tables of whist, the winners being: 1st, Miss Mamie Borland, 2nd won by Mrs. Johnson and Mrs. Clegg, who cut for the prize, Mrs. Johnson winning second, and Mrs. Clegg, consolation. A delicious lunch was served by the ladies to the members and their friends who were present. A good deal of work was sold, but there are still several lovely pieces left, which will be on sale at the general meeting of the Auxiliary next Monday.

Limited Number of Tickets Available

Necessary to Arrange at Once for Tickets for Banquet to Good Will Tour.

The Goodwill Tour of the North sponsored by the Toronto Board of Trade will reach Timmins on Wednesday morning next, June 9th. Part of the entertainment for the visitors as arranged by the Timmins Board of Trade will be a banquet in honour of the visitors at the Empire hotel on Wednesday evening. It is not known how many there will be in the party from the South, but it is certain that there will be at least fifty or sixty and there may even be a hundred. As only 120 can be conveniently accommodated in the Empire hotel main dining room it means that the tickets available to local people will be strictly limited. Accordingly all wishing to attend the banquet are asked to arrange at once for their tickets. All applications for tickets must be made to W. O. Langdon, president of the Timmins Board of Trade, before Monday, June 7th. To avoid disappointment any wishing tickets for the banquet should get in touch with Mr. Langdon immediately.

The Goodwill Tour has been arranged by the Toronto Board of Trade with the idea of creating goodwill between North and South by making the two sections better acquainted. The Toronto Board of Trade is visiting the North in a body next week to meet and greet the people of the North. They invite the people of the North to return the visit either as organizations, groups or individuals.

The Goodwill Tour party will reach here at 5:20 on Wednesday morning, and leave here at 1 a.m. on Thursday. In addition to the banquet, the Timmins Board of Trade has arranged the following forms of entertainment:

Cars to provide transportation to any of the mines of the district or to other places of interest in the town or neighbourhood.

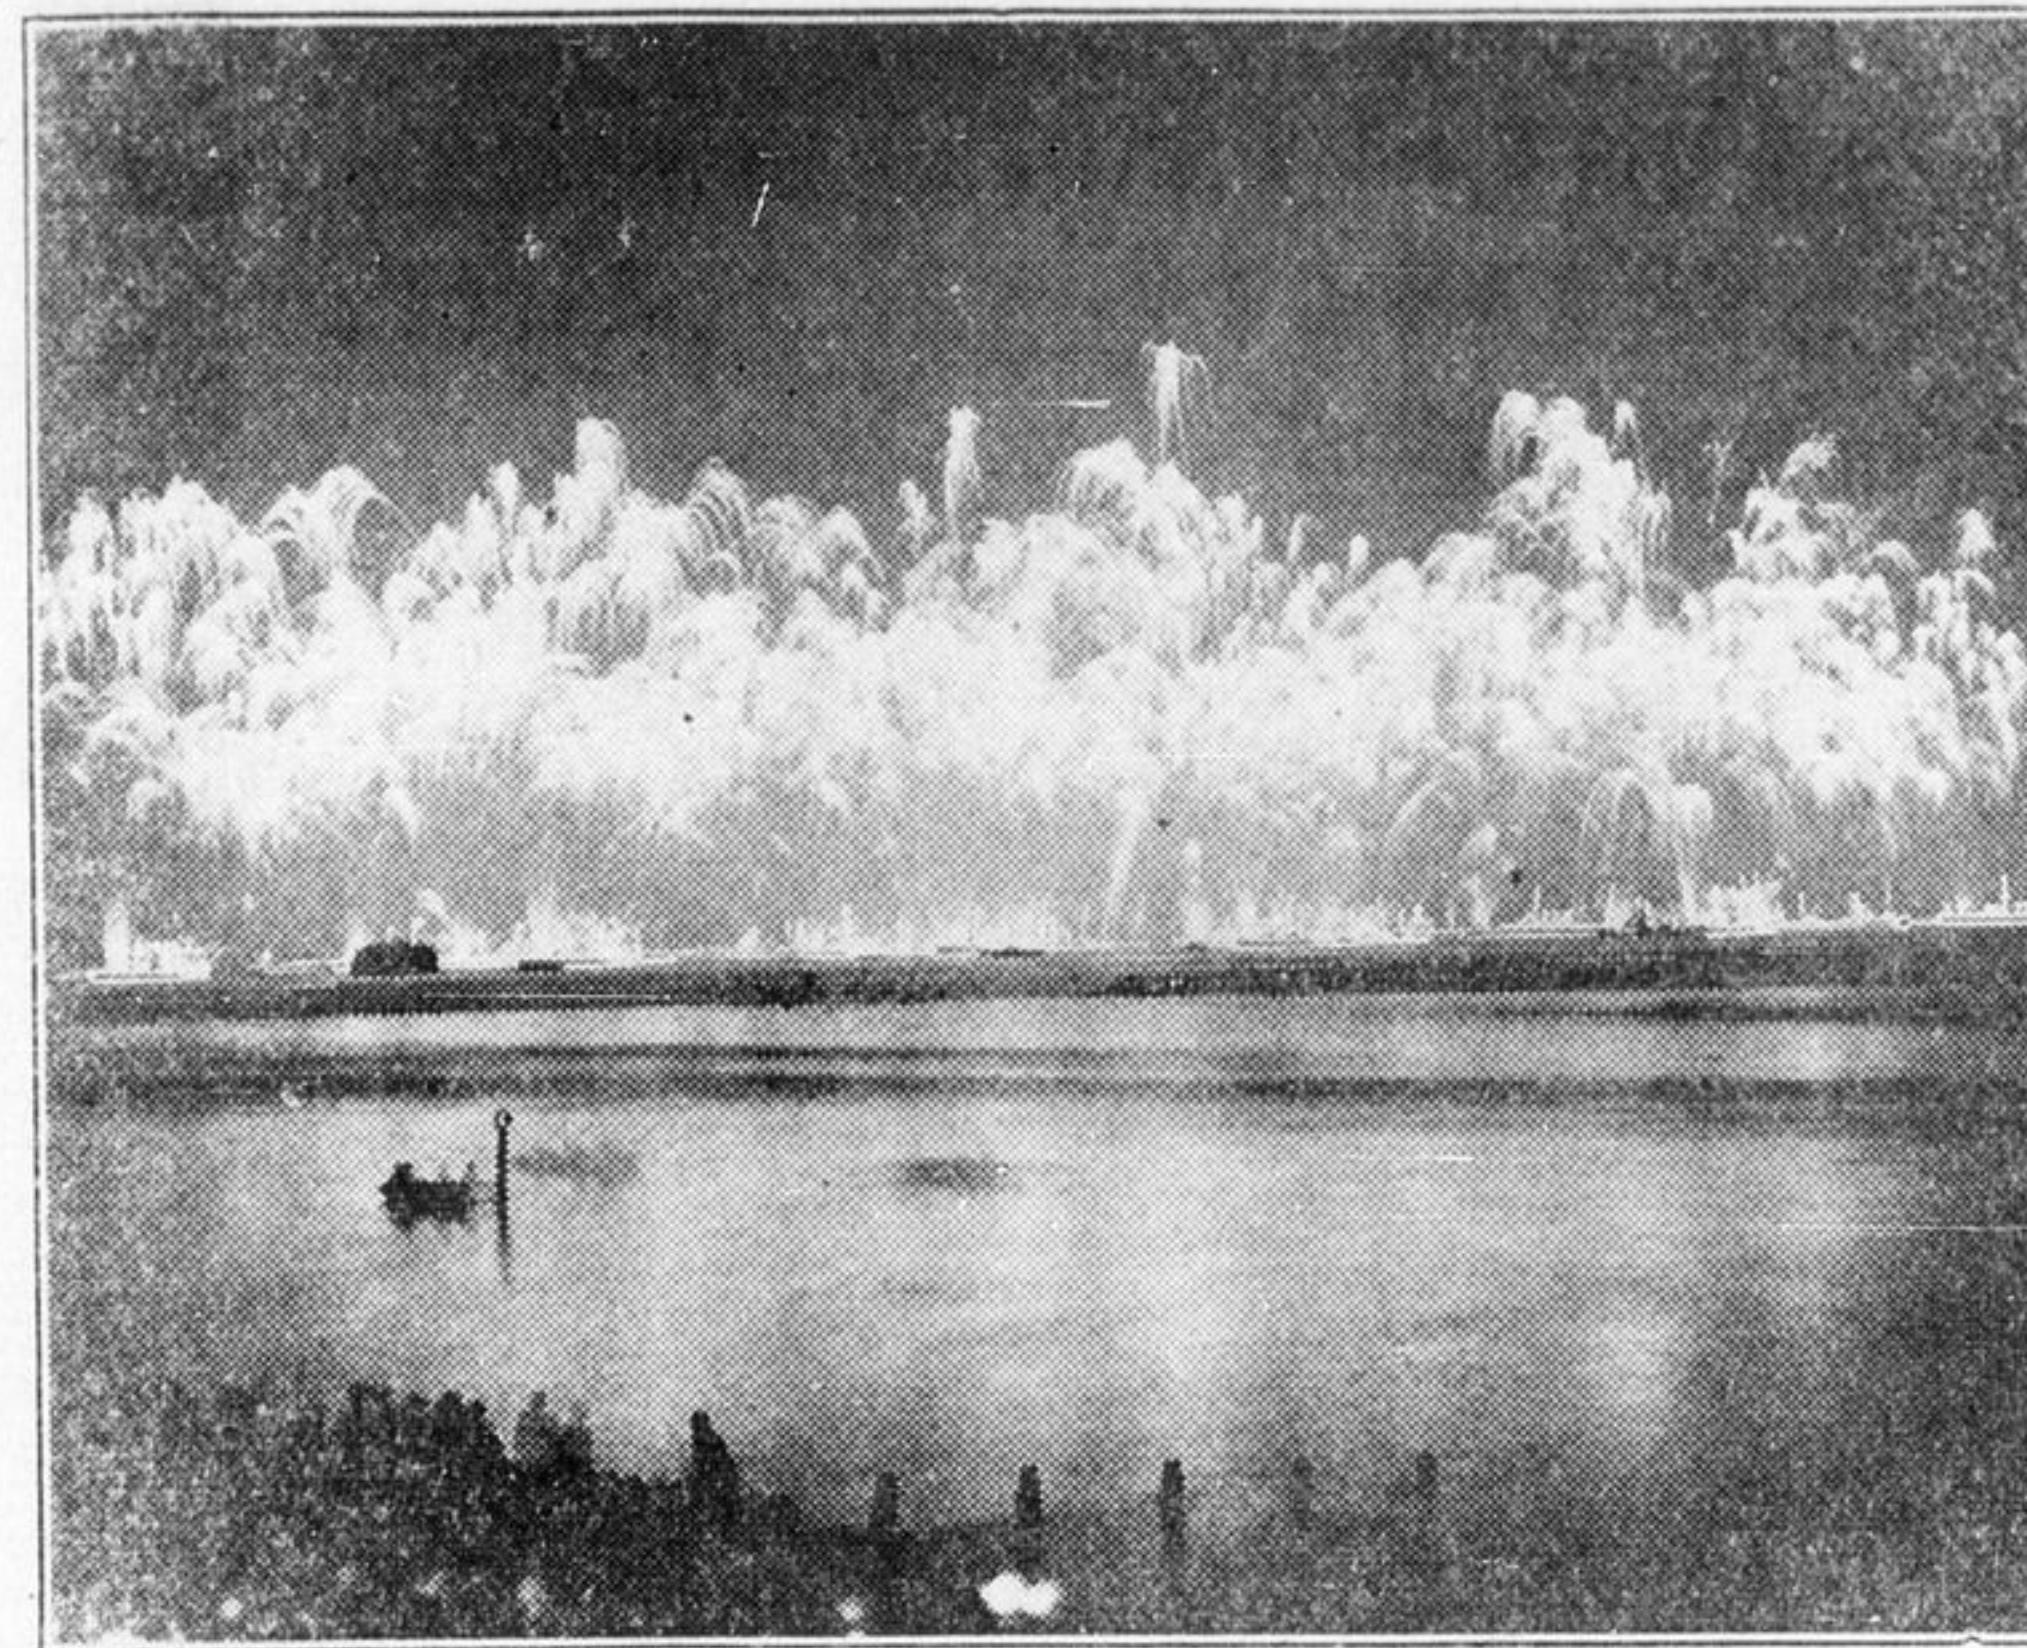

Music by the Boys' Band.
Music by the Porcupine District Pipe Band.

Visit to one of the mines to see the actual pouring of gold.

At the banquet there will be a musical programme including selection by the Timmins High and Vocational School orchestra, dancing numbers by pupils of Mrs. H. Burt, and other features.

Monday, May 31st, was the birthday of E. H. King, president of the club. He was presented with a novelty sun umbrella which J. T. Jackson, who made the presentation on behalf of the members, said "would shelter his head from any criticisms."

The British Jack Tars Give King George "Royal" Welcome

When their Majesties the King and Queen travelled to Spithead to review the British Fleet as part of the Coronation celebrations they received a tremendous welcome from the Jack Tars. This picture shows the Fleet during the firework display on the evening of the review.

Chances for New Town Hall Appear Good Now

Council Appoint Delegation to Interview Architect in Toronto. Advertising for Tenders for Wrecking Old Town Hall. Several Matters at Special Meeting of Town Council.

It was decided at a special meeting of the town council held Tuesday night to send a delegation to Toronto to interview an architect concerning the plan for the new town hall.

The delegation selected was Councillor William McDermott, J. D. MacLean, town engineer, and H. E. Montgomery, town clerk. They will meet an architect in Toronto in the near future in order to get some ideas on their proposed building.

The council authorized the payment of \$900 to S. A. Caldbeck for past services.

Neither the question of the hiring of a town manager or the purchase of the accounting machine was brought up at the meeting.

Charles Yates met the council on behalf of his clients who desire a 12-foot lane to be constructed to run from Birch street to Maple street. Several of the stores in this block do not want a lane behind their stores, and so the council have taken no action in the matter to date.

Pat Murphy, town employee, was authorized to sign town checks in the absence of Mr. Montgomery.

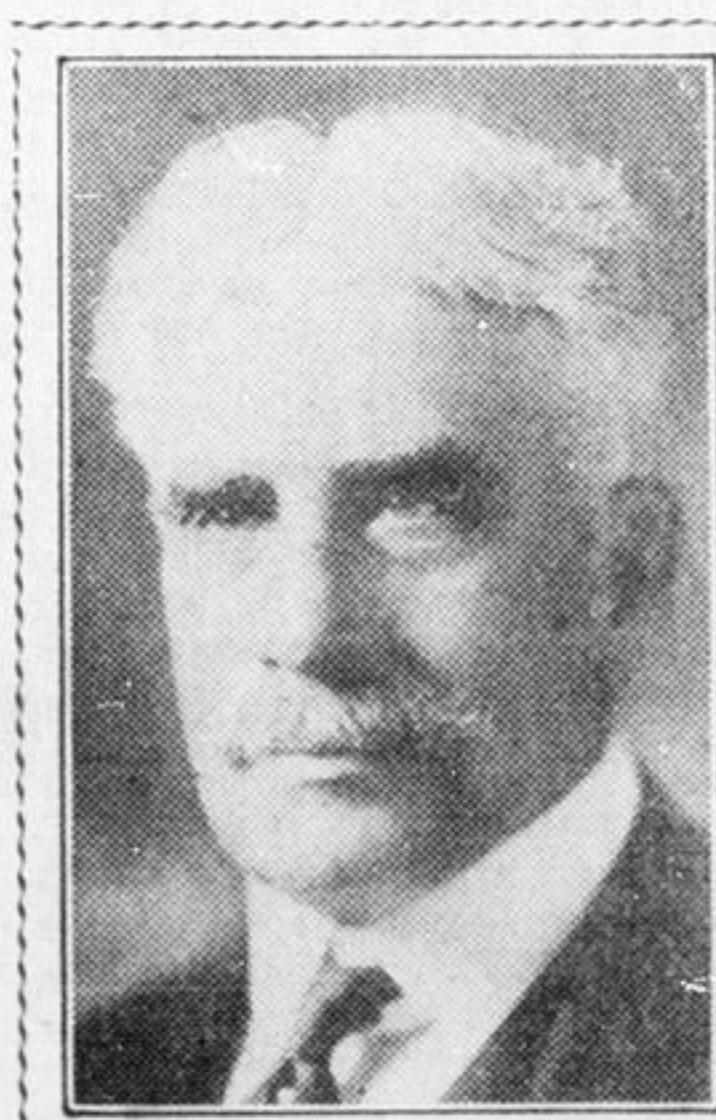

Mattress Burning Cause of Fire Call

A mattress burning in the home of Mrs. D. Giovannini, 115 Cedar street south caused damage to the extent of \$50.00 late this morning.

The fire department were called at 10:45 a.m. and succeeded in quenching the flames before any extensive damage was done.

Damage was covered by insurance.

Sir Robert Improving

SIR ROBERT BORDEN

war-time premier of Canada, 83 years old, for two generations prominent in Canadian public life, was quite ill at Ottawa this week from a heart attack. Word at noon to-day says he is improving.

Dr. J. A. McInnis left on Wednesday for a visit to Toronto.

To Form Junior Fish and Game Club in District

Plan to Interest Boys and Girls in Conservation of Fish and Game. Senior Organization Arranging to Bring Famous Fisherman to North to Give Address.

Body of Boy Not Yet Recovered

Continued Dragging at Wa-watin Still Without Results.

The body of Gwyne Jones, eight years of age, who was drowned last Sunday in the tall race at Wa-watin Falls, has not, as yet, been recovered.

The accident occurred when Gwyne and Irma Treff fell into the water while Irma's father was fishing some distance up the river. The body of the little girl was recovered shortly after the drowning, but all efforts to find the boy's body have been unsuccessful.

Continued dragging operations have been maintained under the direction of Provincial Constable George White but authorities believe that it may take the full nine days before the body is recovered.

Gwyne is the son of Mr. and Mrs. Brynley Jones, 212 Birch street north.

Local High School Girls Entertained by Queen Mary

In a letter home, Miss Ellen Harkness, who was one of the delegates from Timmins High and Vocational School to the Coronation, refers to the graciousness of the Queen Mother, Queen Mary. The letter, in part, says:

"After the services in Westminster Abbey and Westminster Cathedral on May 19th, the Canadian school girls were invited by Queen Mary to tea at Marlborough House. As the girls curtsied as they were presented to the Queen, she smiled and bowed graciously to each one."

Jury Disagrees for Second Time in Case

Alleged High-grade Fraud Case Traversed for Second Time When Jury Fails to Agree.

At Haileybury, June 3.—(Special to The Advance)—For the second successive court, a Temiskaming sessions jury has been unable to make up its collective mind on the guilt or innocence of Henry Platrowick, Kirkland Lake miner, and Steve Bolcev, whose home is at Hamilton, and who have been facing charges of conspiracy to defraud since last year. Late last night, Judge Hartman learned from the twelve men who had been considering the evidence for nearly eight hours they could not agree and were without hope of reaching unanimity. They were discharged and the case traversed to the December sittings. A similar deadlock was reported when the case was tried last fall, the jury then being out five and a half hours. The men are accused of having tried to palm off on Provincial Constable Alex Wilson a composition mostly lead as gold and offered for sale at \$15 an ounce.

Precipitation: Rain on Monday, May 31st, from 1:00 a.m. until 8:00 a.m. and from 3:00 p.m. until 11 p.m. to a depth of .53 inches. Rain again on Wednesday, June 2nd, from 7:30 p.m. until 11 p.m. to a depth of .07 inches.

Forecast: A little cloudy with scattered showers. Will probably clear up for the week-end.

Medical Service Plan to Start About June 18

Meeting of Porcupine Medical Association Approves of Plan and Set-up of Services. Committee Formed by Doctors to Work with Committee of Employees. Employees Practically Unanimous in Endorsement.

The plan worked out by the committee of the employees of the Hollinger and the Porcupine Medical Association with the purpose of providing in the most economical manner possible responsible and complete medical and surgical services, together with necessary hospital care, X-ray treatment, drugs and medicinal supplies for all full-time Hollinger employees, their families and other dependents resident in Timmins will go into effect about June 18th. The employees appear practically unanimous in favour of the plan, as it appears to provide medical and surgical service for them and their families at a notably low rate of cost.

On Saturday evening the Porcupine Medical Association met and approved of the plan and the set-up of services. At this meeting Dr. H. M. Torrington of Sudbury, who is District Councillor of the Ontario Medical Association, along with Dr. A. D. Kelly, assistant secretary of the O.M.A., and Dr. W. J. Cook of Sudbury, who is chairman of the Relief Committee for District No.

9, and Mr. E. M. Vanstone, who is the chief accountant of Government Medical Relief Board of the O.M.A., were present and took an active part in the discussion.

The administration of the Hollinger Employees Medical Association plan is to be carried on by a board composed of representatives of the employees and the members of the Porcupine Medical Association concerned in the plan. The board of directors for the plan is formed in this way:—The employees who join the association form elect representatives from whom an executive of four is selected. The Porcupine Medical Association doctors concerned elect an executive of four. The two executives thus formed make up the board of directors of the plan. Dr. Smith was chosen as chairman of the doctors' executive, with Dr. Kinsman, Dr. H. H. Moore and Dr. J. A. McInnis as the others on the advisory committee.

The advisory executive of the employees, the advisory executive of the employees.
