Seldom, if ever, has any man for whom a town is named shown as much interest and has been as generous to the school children as has Mr. F. W. Schumacher. Apart from his Christmas gifts he has signified his intention of giving four scholarships to the school this year, to be controlled by the board of trustees, chairman of the board principle of the board, and teachers engaged in teaching the entrance class. It is the object of the chairman to award the scholarships according to the rules and keep in touch with Mr. Schumacher so as to keep him informed of the work done in connection with the scholarships. Points to be considered

A certificate of good health by the school doctor. Must be a scholar of the school for the greater part of the year in which the award is made. Children of the members of the public school board, or the children of any employee of the school board are not eligible for these scholarships. The awards are given, two to boys and two to girls, and the payments will be made in two parts: the first part in September so that it will help the student with his books and supplies to begin the term, and the second part later as the student makes progress in his work. The duration of these scholarships shall continue at the pleasure of Mr. Schumacher. Every child is interested at the mention of Mr. Schumacher's name because of his generous attitude to the pupils of the school. All the parents and friends appreciate his generosity.

Wedding Yesterday at South Porcupine

Miss Irene Kaufman and Mr. Ulric Hodgins United in Marriage.

South Porcupine, June 2nd, 1937. Special to The Advance.

One of the prettiest and simplest of weddings took place in St. Paul's Anglican church here this afternoon when Irene, second daughter of Mr. and Mrs. Henry Kaufman, became the bride of Ulric Hodgins, son of Mr. and Mrs. R. W. Hodgins, of Shawville.

The young couple were married according to the ritual of the Lutheran Church, of which the bride is a member by Mr. Norman C. Kvitsch, Lutheran minister of North Bay.

The church was beautifully decorated with white flowers, white carnations on the altar and organ, and white stocks in baskets with fern before the altar.

Messrs. George Kaufman and Wilmer Fera acted as ushers for the occasion. The beautiful bride, who came in on her father's arm, looked most lovely in a bridal gown of white satin trimmed with lace and wore a long veil of embroidered net, which was caught to the head in coronet effect with white ribbon plaited to form a crown. Her bouquet was of exquisite white roses, in their natural foliage with long pale green satin ribbons streamers.

Preceding her were her two sisters, Dorothy and Lillian, each dressed precisely the same in white organdie long dresses, simply made, with yellow touches at neck and with big yellow sashes. They carried yellow roses, and wore wreaths of white flowers on their heads. Her bridesmaid of honour was the bridegroom's sister, Miss Gwendolyn Hodgins, who was gowned in white organdie with pale green at neck and waist, and who carried a sheaf of talisman roses.

Little Marjorie Fera was flower girl. Her dress was identical with the older girls, in white organdie with touches of pale heliotrope at neck and waist, her headdress being a Queen Anne chaplet of pearls. She carried a sheaf of pink roses.

The bride's mother looked lovely in a gown of pale yellow with white accessories and she wore a corsage of pink roses.

Iroquois Falls Event Pleases Big Crowd

Amateur Night and Dance. Other Iroquois Falls News

Iroquois Falls, Ont., June 2nd, 1937. (Special to The Advance)—The Amateur Night sponsored by the ladies of St. Mark's Parish Guild proved most interesting, with a programme of fourteen entries. Mrs. D. Brewer acted as master of ceremonies, "the Major." The applause of the audience determined the prize winners and gave the first to little Marie Jago who in her cute manner did a skipping tap dance. A military tap dance by Misses Reta and Beryl McDermid in pretty military costumes, showed wonderful talent and training and received second prize. The third prize went to Rachelle Vienette for a very fine piano solo.

Albert Gagne took the fourth with a vocal solo, while fifth went to Dan and George Gregorochuck who played a violin and mandolin duet.

The artists were accompanied on the piano by Mrs. Leo McDonald and the prizes presented by Mrs. W. Butcher. Refreshments were served by the refreshment committee, Mrs. W. Butcher, Mrs. E. Hayes, Mrs. E. Olavson, under the convener'ship of Mrs. H. Jones. Following the programme a social evening and dancing was enjoyed.

A number of the members of the Oddfellows and Rebekah Lodges motored to Timmins to attend the church parade and evening service held at the United Church for the various lodges of the district.

Unusual Weather for Month of May

May came in with the first real summer-like day of the season, and, keeping up the better than average weather, closed with three days of summer heat, the maximum temperatures of which were 77, 85 and 91 in the shade, according to Mr. L. F. Kent, observer for the Meteorological Bureau. Minimum temperature was 20 above. The maximum temperature for May of the past three years was 81 degrees, with a minimum of 19 above. The monthly average was 65, or 11 degrees above the average for the same period last year.

On June 1st the T. & N. O. Railway resumed the summer bus service between the Falls and Porcupine Junction with slight timetable changes.

Address on Gardens to be Given on June 9

John F. Clark to Give Illustrated Address Here on Wednesday Next.

On several occasions John F. Clark, lecturer on horticulture for the Ontario Department of Agriculture, has visited Timmins and given illustrated addresses on gardens, flowers and the beautifying of homes and communities. Audiences here have always been delighted with Mr. Clark's very interesting and illuminating addresses, so all lovers of flowers and gardens, and all who would like to see the town beautified will be delighted to know that Mr. Clark is to visit here again next week. He was not here last year and so his visit this year will be greeted with the more enthusiasm by old friends here. It is regrettable that counter attractions may interfere with the attendance at the lecture here next Wednesday night, but this cannot be avoided. One of the counter attractions will be the dinner tendered by the Timmins board of trade to the members of the Toronto board of trade coming here on their "Good-Will Tour." Arrangements had been completed for Mr. Clark's address here before the date of the "Good-Will Tour" visit was known. When the conflict of dates was known it was too late to alter either of them.

The lecture by Mr. Clark is sponsored by the Timmins Horticultural Society and that alone should warrant it full support. The recent planting of trees on the main streets of the town by the Horticultural Society is one of the things that will please Mr. Clark very much, as this sort of activity by Horticultural Societies has been recommended by him on more than one occasion. He is an enthusiast on beautifying towns as well as home surroundings and the planting of trees accordingly makes special appeal to him. The experiment in town this year under the auspices of the Timmins Horticultural Society will likely be given special attention by Mr. Clark in his address.

The address by Mr. Clark will be held in the basement of the United Church on Wednesday evening next, June 9th. All lovers of flowers and gardens will be very welcome and will undoubtedly receive hints and helps that will fully repay for the trouble of attending. There is no charge made for admission to the illustrated address, though those who had the pleasure of hearing previous addresses by Mr. Clark will agree that such events are well worth while. The programme will begin at 8 p.m.

J. Byrne the Winner of the Legion Auto

South Porcupine Man Comes Here to Claim Car and Drive it Home.

As announced in The Advance on Monday, the name on the ticket which Miss Lamoureux, drew from the revolving drum to win the Ford DeLuxe Sedan given by the Timmins branch of the Canadian Legion was not plainly written. However, the address was very plain and the serial number printed. Some had come to claim the car but the rightful owner of the ticket appeared on Monday evening, and drove the handsome car home. The lucky winner was J. Byrne, 52 Bruce avenue, South Porcupine. Another error, since rectified is the winner of the \$50.00 cash prize. This appeared to be Wm. Oshmann, on the ticket, but careful checking gives the name as Wm. Ohlmann, Schumacher, Ont., Ticket No. 319-1.

Any Place is a Good Place in a Good Newspaper

Renfrew Mercury—It is an amusing thing to the news writers on a newspaper when they hear somebody suggest that they would like to have an item or an advertisement in the paper "where people will see it." The news writers know that people see every item and every ad. People see a "3" when it should be a "5," and they see every wrong initial, every misspelled name and every omission of items they expect to see. "Where people will see it?" There is no place you can put anything in the newspaper that people will not see it.

Old-Timer of the Cobalt Camp Dies on Sunday Last

Cobalt, June 3.—(Special to The Advance)—For more than a quarter of a century a resident of Cobalt and in that time associated with the business life of Cobalt and Halleybury with his shoe repairing shops in both towns, John Mino died on Sunday at his home on Earle street here after a brief illness. He had been at his usual employment until about three weeks before his death. Mr. Mino, who was 74 years of age, was born in Italy in 1863. He came to Canada first in 1886, remaining two years before transferring to the United States. He came to Cobalt in 1911 and since then had lived here. His Halleybury store was destroyed in the fire of 1922, but he rebuilt later, his son carrying on the business there. Mr. Mino is survived by his widow, the former Mary Louise Denome, whom he married at Holyoke, Mass., in 1889; by four sons, George, of Detroit, Albert in Val d'Or, Ben in Kirkland Lake, and Henry in Toronto, and by two daughters, Mrs. Chalfoux, of Fabre, Que., and Mrs. Gauthier in Cobalt. There are 30 grandchildren. The funeral took place on Tuesday from St. Therese's Roman Catholic Church Rev. Father St. Louis celebrating Re-

Sudbury Police to Have Complete Radio Equipment

Immediate delivery of police radio equipment is desired by the Sudbury board of police commissioners, which awarded the contract last week for a transmitter and two receiver units. The contract went to the Canadian Marconi Co. at the price of \$1,295.00.

Chief Constable David Loudon urged that the commission specify that the equipment be installed as soon as possible. Installation of radio equipment he suggested, would considerably extend the services of the police department and facilitate policing of the city.

Radio patrol cars will operate on 24 hour duty divided into eight hour shifts. Accordingly six men will be required for patrol work, three men to a car on eight-hour shifts. Radio calls will be broadcast from headquarters and the Chief Constable expects that he and Inspector Edward Pyle will assist at the transmitter end.

Sudbury Star—The speed limit has been increased to 50 miles. Celia the Cynic thinks that makes the approach to the graveyard just that much faster.
