

T.B.L. Opener Ends with Tie ; Mason Pitches Fine Game

Only One Walk in Ten Innings in Smart Ball Game Yesterday

Two-all Tie in Snappy Feature in T.B.L. Game Here. Mason Shows that Timmins has a Pitcher All Right. Opening Ball of Season Thrown by John Knox.

A paid admittance of about 400 eager fans watched the Timmins nine hold the mighty McIntyre men to a 2-2 game, when the season was officially opened at the Timmins ball park last night.

The Timmins Boys' Band supplied the music for the opening ceremonies and John Knox threw the first ball of the season. Mr. Knox is either a former big-leaguer or he has been doing a lot of practicing in his backyard because his opening pitch was a beautiful ball just cutting the inside corner of the plate.

Mason pitched a swell game for the local squad, as well as making a hit which accounted for one of the two runs. McShane was throwing some nice ball for the Macs but he was pulled in the sixth and Callory finished the game.

Dorey, the local centre-fielder, received an injury in the last of the eighth, and Delmonte was sent in to replace him.

Mason allowed only eight hits, while Timmins pounded seven hits off McShane and three off Callory.

McIntyre were first at the bat and Price was the first hitter. He hit the second pitch and drove a bouncing ball into centre field. Dorey recovered the ball and threw it in to second, crediting Price with a hit. Hann was the next hitter but struck out. Cybulsky punted a short fly to Lawton at third, and Price advanced to second, on an overthrow to first. Lawton caught Angrignon's fly to retire the side.

Bea Laflamme was the first hitter for the locals. He grounded to Quinn on second and the throw beat him to first. Ruvinsky, the imported short stop, struck out. Lawton's grounder was snapped up by Hann at short and the throw made the third out.

Romualdi at second took Prout's grounder and the throw made the first out in the starting of the second inning. Quinn made first on a short fly into centre field. Romualdi took Gilbert's grounder into deep, short and beat the runner to first. Stinson, the McIntyre catcher, struck out.

In the last of the second Dorey was credited with a hit when he drove the ball through second base. Berscht was the next hitter and he was also credited with a hit when he drove the ball past Hann at short, scoring Dorey, who had made second on his hit. Darragh sacrificed, advancing Berscht to third base. McCarthy and Mason struck out, making the score at the end of the second inning read 1-0 for the locals.

McShane was the first hitter for the Macs in the beginning of the third inning. His long fly was caught by Darragh. Price received his second hit on only two trips to the plate when he drove a low ball into left field. He drew a one-base hit on this drive. Hann's short fly was caught by Mason, and Dorey in centre field took care of Cybulsky's long fly.

Romualdi struck out on his first trip to the plate for the locals. Laflamme made first when he hit the ball just over McShane's head. The pitcher jumped to catch the ball but only succeeded in deflecting it so that the second baseman was unable to get behind it. Ruvinsky again struck out and Lawton's fly was caught by Prout.

Angrignon struck out on his second trip to the plate for the Macs in the first of the fourth inning. Prout drove a hard ball in the direction of third base and it was called fair by Umpire Chambers. The local team disputed this decision but the umpire stood by his guns and Prout held his ground on second base. Quinn was put out when he grounded to Romualdi. Ruvinsky errored on Gilbert's drive through

short, allowing the batter to make second base, and scoring Prout. Stinson struck out to retire the side.

Dorey's fly in the last of the fourth was taken by Prout. Berscht received his second hit on two trips to the plate when he drove a hard ball through the second base territory. Darragh got a hit into centre field through short, advancing Berscht to second. McCarthy was the fourth hitter and he was also credited with a hit on his drive into centre field. This hit filled the bases and there was only one man down. Mason was the next hitter but he was fanned. Romualdi was then given the opportunity to carve his name in the hall of fame, but was put out when he grounded to short.

McShane was the first hitter in the first of the fifth, but he failed to beat the throw to first after he had grounded to Romualdi. Price maintained his 100 per cent. batting average when he made first on his third hit, this time through the short stop's territory. Hann's fly was caught by Dorey, who also took Cybulsky's punt to retire the side.

In the last of the fifth, the locals were downed in quick succession. Laflamme punted a short grounder to McShane who tossed it to Cybulsky for the out. Ruvinsky again struck out, and Prout took Lawton's short fly.

In the first of the sixth, Angrignon made first on Romualdi's error. Prout was the next batter and he drove a hard one to Romualdi who again errored, allowing the batter to make second, scoring Angrignon. Quinn struck out, and Gilbert's fly was caught by Dorey. Stinson grounded to short for the third out.

Dorey was the first hitter for the locals in the last of the sixth. His short fly was caught by Hann. Berscht slipped up on his batting average by striking out, and Darragh's grounder was taken by Hann. The score at the end of the sixth inning was 2-1 with the visitors holding the lead.

In the first of the seventh, Callory, who was taking McShane's place on the mound, drove a long fly into Darragh's waiting hands. Price and Hann both struck out.

In the last of the seventh, Timmins scored the tying, and final run of the game. McCarthy made second on Quinn's error; Mason also drew down a two-bagger on Callory's error, allowing McCarthy to cross the home plate for the equalizer. Romualdi made first on Quinn's second error. Mason tried to steal third but was caught between bases and finally put out. Hann took Laflamme's fly for the second out, and Ruvinsky struck out for the fourth time in succession.

In the first of the eighth, Cybulsky filled out Darragh. Angrignon was credited with his first hit when he drove the ball through second; Dorey took Prout's fly. Quinn received his first hit on a fast ball past Berscht at first, advancing Angrignon to third. Gilbert made first on Romualdi's error, forcing Quinn to second. Stinson was the next hitter. He knocked a grounder on the third pitch but Gilbert was put out on the force to second, retiring the side.

In the last of the eighth only three batters faced Callory. Wood, who had replaced Gilbert in right-field, took Lawton's long fly. Dorey was granted the only walk of the game, but he was put out trying to steal second. It was at this point that he was injured. Berscht again fanned to bring his batting average to the 50 per cent. level.

In the first of the ninth Callory was the first hitter. His grounder was taken by Romualdi, whose throw easily beat the runner to first. Price scored another hit on a drive through short making first base. Laflamme took Hann's fly, and Lawton handled Cybulsky's grounder.

In the last of the ninth, the locals were put down in one-two-three fashion. Macdonald, who had taken Stinson's place behind the batter, took a high foul tip off Darragh's bat. McCarthy grounded to second, and Mason struck out.

In the first of the tenth only three McIntyre men faced Mason. Angrignon punted a short fly to the pitcher. Prout's fly was taken by Ruvinsky in deep short, and Mason made a brilliant catch of Quinn's grounder to retire the side.

The Timmins team tried in vain to break the tie in the last of the tenth. McNulty was put in to pinch-hit for Romualdi. He connected with the fourth pitch and lined a hard drive just to the right of second-base. Quinn

made a beautiful flying catch for the first out. Wilson was sent in to bat for Laflamme but was fanned. Coleman went in for Ruvinsky. He knocked two high foul tips out of the grounds, but was finally put out when he groundered to Hann on third. The throw just managed to beat the runner to first. Umpires Lloyd Chambers and Johnny Monaghan went into conference at this time and decided to call the game on account of darkness.

Line-ups:—
McIntyre:—Price, Hann, Cybulski, Angrignon, Prout, Quinn, Gilbert, Stinson, McShane, Subs, Wood, Macdonald, Callory.

Timmins:—Laflamme, Ruvinsky, Lawton, Dorey, Berscht, Darragh, McCarthy, Mason, Romualdi, Subs, Wilson, Coleman, McNulty.

World's Sport Events (By F.J.H.)

Boxing

Len Harvey, former British heavyweight who said he was not retiring and is prepared to fight any of the three best men in England, has been challenged by Larry Gains, also a former British and Empire heavy.

Gains, the coloured boy, staged a comeback last Thursday when he fought Gunnar Baerlund, the Finlander. Peter Kane, of Golborne, is going to do some fast travelling this month. On June 24th he meets Jim Warnock, of Belfast, in the final eliminating contest for the world's flyweight championships at Liverpool. June 28th he meets Petit Biquet, Belgium bantamweight champion, in a charity tournament.

Tommy Farr will meet Walter Neusel at Harrington on June 15th. Farr will receive a purse of over £2,250.

After a boxing exhibition bout at Stratford-on-Avon, Max Baer was presented with a cigarette case by an admirer with the inscription "To Max Baer, the perfect sportsman."

This is June 3rd with Max Schmeling at Madison Square Gardens but no Jim Braddock, so what are you going to do about it?

The advance selling of the 58,000 tickets for the Braddock-Schmeling fight found forty-four buyers. Evidently they don't read the papers.

Tennis

Senorita Anita Lizana added new laurels to her many won in England this year. The latest are the British hard court championship, and the Hurlingham Club's open tournament. The cup for this tournament becomes her own property by winning it three years in a row. She beat Miss Jean Saunders of Canada in the finals.

It looks as though the "Little Mouse" from Chile, as they call Miss Lizana, is going to make a clean sweep of all the championships this year.

Kay Stammers is not recovering as quickly as was expected from an attack of jaundice and it looks as though she will not play at Wimbledon.

Cricket

Lancashire C.C. beat the touring New Zealanders on Tuesday.

The English women's cricket team is getting into shape for their first test match against the Australian girls to take place at Northampton on June 12th. Miss M. J. Haddesley has been chosen as one of the English bowlers.

The local cricket team were out over the week-end but the high wind made play very bad with the dust blowing over the pitch.

Baseball

The T.B.L. opened their season yesterday between McIntyre and Timmins. The leagues in the old country are in full swing and are drawing big crowds. The London Major Baseball League, pulled off a smart win in the ninth inning, with two out and one run behind. Red Stapleford, the Streatham ice hockey star, went to bat and clouted out a two-bagger with the bases loaded and brought in two runs to win 5-4.

At Romford the Catford Saints went down to defeat before the Romford Wasps 15-2.

Dizzy Dean was suspended yesterday by the higher-ups, and now it's up to his wife to patch things up as she has done before. It's a good thing she has the brains.

Golf

On Monday next starts the women's golf championships at Turnberry, Scotland.

Miss Pam Barton came into her own at last and won the Coronation Trophy at Burhill, Surrey, with a round of 74. Miss Wanda Morgan, the English titleholder, came third with a 75.

Otway Hayes, the eighteen-year-old member of the South African touring team, still maintains his unbeaten record in the singles for the tour.

Football

The officials of the O.F.A. are having a hard time to pick a team to play against Charlton Athletics. They had a team almost picked, when they thought of making a trip North, and after the trip, they seem to find better footballers here. It is to be hoped they will remember this when the play-offs come and give the North a square deal which they have never had before in football.

Charlton played their first match in the U.S.A. which was a draw 1-1. Leamington, semi-pro, football club, has quit football after forty-six years and sold out all the property to Coventry City F.C.

With the Ponies

Traditions run true to form as far as the Derby goes. That is for a favourite to win.

Last Thursday, this column made a statement that my best bet was Le Ksar and Mid-Day Sun second best, since then Le Ksar jumped from 22-1 to a

Bob Feller

of the Cleveland Indians, is the seventeen-year-old boy who created such a sensation late in 1936 by establishing an American League record by striking out seventeen batters. A sore arm put Bob out of the game for a few weeks, but he is expected to be back in form early in June.

favourite and Mid-Day Sun won with Sandsprite 109-1, and Le Grand Duc second and third place, all three horses were outsiders in the betting.

The first two horses were owned by women and the only two owned by women, Mrs. Millar owning the winner. It is the first time a woman has won in the Derby. The third horse was owned by Aga Khan.

The King and Queen drank the health of the winner, in honour of Mrs. Millar being the first woman to win the Derby.

Now the Derby is over and some people are rich and some are two-fifty short, it's all roads lead to the Ascot, where you can see gowns that are seen anywhere else, and if you want to get to any town between London and Ascot after 7.30 a.m. you have to walk, for the fifteen-minute train service goes right through.

Tit-Bit

It has been said that a Scotchman will walk from Scotland to Wembley to see a football match. Two Polish sportsmen intend to go one better—something like 9,500 miles better—for Franciszek Mazany and Pawel Bradtyke, of Rydzoszow, are now on their way on a 10,000-mile walk to see the Olympic Games at Tokio in 1940.

Last November a twenty-seven-year-old German, Ronald Bas, set out on a similar tour.

The "Endeavour II" while on a trial run last Tuesday broke her main boom and had to go back to port to be fixed up with a spare one.

Bill Brydgie is now manager of the Lake Shore baseball team. Here's hoping he will have better luck than he had during the winter.

Bill has often been seen on the local diamond, in the uniform of Iroquois Falls before he took up big-time hockey. The Frood Mines hockey scouts are busy and have signed Dillon Brady and Len Loree, star forwards of Toronto Dominion last season.

Ron Hudson, former Timmins hockey star, is back in town for the summer holidays.

In the America's Cup a trial was held yesterday between the two American boats and the Ranger won.

Police at Sudbury Make Big Fur Haul

Thirty-seven Beaver Pelts are Seized from Buyer.

Stepping forward as the shipment was being placed in the car after it had been claimed at the C.P.R. express office at Sudbury, Saturday morning, Constable Jack Truatsch, of the Sudbury division of the provincial police, placed David Valensky, son of a Sudbury fur dealer, under arrest and effected one of the biggest hauls of beaver pelts seized in Sudbury district for some years.

Examination at the Sudbury city police station, where Valensky was lodged in the cells, showed the shipment to contain 37 beaver pelts and one otter pelt.

In city police court Saturday morning Valensky was remanded until Friday, June 4, when he was charged with having beaver pelts in his possession contrary to the provisions of the Game and Fisheries Act. He was released from custody on bail of \$1,000.

The seizure followed investigation of reports that beaver were being caught and shipped to Sudbury. Constable Truatsch noticed the shipment being placed aboard the train at Gomaga and followed it down to its destination. He waited at the Sudbury station for the claimant. When the pelts were placed in the car the vehicle was also seized.

The pelts were all tanned and it is reported that from their appearance were all caught during the past winter.

Waterloo Chronicle:—The grasshoppers in the Canadian West are reported to be keeping an army of men busy trying to combat them. At this writing the hoppers are a jump or two ahead of them.

McIntyre Team Wins Soccer Game, 5 to 1

Return of Jimmy Bennett to Centre Forward on McIntyre Line-up.

The Hollinger soccer team were defeated by a 5-1 score by the inspired McIntyre squad at the Timmins park Tuesday night. A fair crowd watched with interest the return of Jimmy Bennett to the position of centre forward for the Schumacher team. Jimmy accounted for two of his team's goals.

The first goal of the evening was credited to the Hollinger team. Jackson drove a long punt in the direction of the McIntyre goal. Campbell, one of the McIntyre backs, tried to kick the ball out of the danger zone, but it deflected off his foot into the twine.

However Hollinger's lead was short-lived. The McIntyre squad made several brilliant rushes up the field and their efforts were finally rewarded. Reg Dunstan brought the ball up from his own territory and passed it across the field to Bennett, who drew the Hollinger backs out and then made a neat pass to Eddie Dunston. The latter was in an open scoring position and had very little trouble in bulging the twine.

Alex Mair drew the next counter for the Schumacher team. He had been working in close with Hancock but up until the dying moments of the first half he had been unable to bulge the twine. Hancock had been booting away at the net without success, when Mair managed to get in possession of one of Hancock's rebounds and drove the ball into the outside corner of the net.

With only a few minutes left to play Jimmy Bennett came into his own and aided by his smooth-working wings, was able to come through with his two goals, running the score up to 4-1.

The last and most spectacular goal of the evening came late in the second half. Eddie Dunston made a brilliant rush up the field and drove the ball at Lang in the Hollinger nets. The shot went wide of the net but alighted right in Tommy Morrison's territory. Morrison had the ball in the upper left corner of the cage before Lang had a chance to cover the fast kick.

The line-ups were as follows:—
Hollinger:—Lang, Nee, Walsh, Waddell, Gallagher, Morley, Hume, Callaghan, Jackson, Hancock, Morley.

McIntyre:—Brookbank, McAdam, Campbell, Mair, J. Dawson, Morrison, R. Dunstan, J. Bennett, T. Searle, E. Dunston.

Referee: T. Johnston.

Meeting for Junior and Intermediate Baseball

The T.P.A.A. announces that there will be a meeting for all those interested in junior and intermediate baseball, held at the association headquarters tonight at 7.30 p.m.

The association plans to start a town league in the near future so it is hoped that as many as possible will turn out to the meeting this evening.

First Mayor of Cobalt to Come North Next Week

Cobalt, June 3—(Special to The Advance)—H. H. Lang, of Toronto, who was the first mayor of Cobalt and who presented the municipality with the chain of native silver pieces which form the town's unique badge of office for its chief magistrate, is coming back North next Monday with a board of trade party and he wants the present mayor, T. H. Wainwright, to tender the visitors an official reception and wear his chain for the occasion. The town council, meeting Tuesday night, heard the clerk read a letter from Mr. Lang, in which he outlined his idea, to which Mayor Wainwright agreed and said he would go "on exhibition" at that time. The chain has been worn only on such occasions as the coronation celebration and the visit of a governor-general. It reverts to the Lang family when Cobalt ceases to be according to the deed of gift. Mr. Lang formerly was connected with the City of Cobalt property, from which came the silver pieces of the chain.

Verdict of Accidental Death in North Bay Case

The jury sitting in the enquiry at North Bay under Coroner Dr. Ranney on Tuesday of this week in connection with the death of Earl E. Tindall returned a verdict of accidental death with no blame attached to anyone for the tragedy. The coroner, however, found considerable fault because the body had been moved before its arrival. He believed that this did not allow him a fair chance to carry out his duties as he felt they should be done.

Earl E. Tindall, an employee of the T. & N. O., single and a resident of North Bay, met death in the T. & N. O. yards at North Bay on Friday last.

The verdict found that the switchman met death "when he suddenly slipped as he attempted to pull the pin between two box cars." His body was severed in two as one of the cars passed over it.

Dr. Ranney criticized the moving of the body before his arrival. The coroner said he left his bed as soon as he was informed of the accident and arrived as quickly as possible. He said he had to walk about three miles.

"I don't see why the body was moved," said Dr. Ranney. "Another time that happens I won't have anything to do with it. I want to do the job right. There will be no moving of the body, after this as far as I am concerned."

D. S. Plumbers Won First Game of the Local Softball Season

Crowded Grandstand Followed Game With Much Interest. Only the Narrow Margin of Two Runs Between the Winners and Losers. Bucknam Pitched a Great Game.

The local softball season got away to a good start Tuesday night when a crowded grandstand watched the smooth-working Dinelle and Sullivan plumbers defeat the Co-operatives by the narrow margin of two runs. The game was called at the end of the seventh inning when the score read 7 to 5.

Bucknam, on the mound for the Plumbers, pitched a swell game up until the first of the sixth inning when he blew up and walked four men. The Co-operatives took full advantage of the situation and five of their men crossed the home-plate before the side was finally retired.

Horne, who was tossing the mushball for the Co-ops, pitched a steady game but was hit plenty. He was relieved in the sixth by Anderson, who had been playing first base. He had only one inning to show his wares but proved a hit with the crowd. He pitched to five men, walked the first two, and fanned the last three.

The Plumbers scored two runs in the first inning, two in the second, and the last three in the fifth. The other team got all their tallies in one inning, when Bucknam's twisters failed to do their stuff in the sixth.

The Workers went to bat first to start the game but were put down in short order. McKay flied out to Hinchcliffe in centre field; Anderson grounded to Giallonardo at short, and couldn't beat the throw to first; Taylor walked and Thomas drove a long fly into Cops's waiting hands.

The Plumbers drew two runs in the last half of the first inning. White was the first to bat and he drew a walk; Giallonardo's fly was caught by Woon; Taylor errored on Block's long punt into centre field scoring White; Woon caught Mayers' fly; Grant made second on a drive into midfield and Block scored; Peacock drove the ball past second and made first; Cops was struck out.

The Co-ops were put down in one-two-three fashion by Bucknam's brilliant pitching. Woon grounded to Giallonardo, Jemmette and Denisavitch struck out.

Hinchcliffe banged a hit which was good for two bases in the last of the second inning. Bucknam punted a short one to Horne and was easily downed by first. Taylor caught; White's fly; Giallonardo was the next hitter and he connected with one which would have cleared the fence if there was such a thing. He burned the bases for the first home-run of the game and pushed Hinchcliffe in ahead of him. Block was the latter hitter, his fly was easily caught by McKay.

In the first of the third, Horne drove a long fly out to Hinchcliffe; Horne made first and McKay walked. Anderson tipped a high foul to Peacock and Taylor punted a short fly to White.

Horne turned in a much better pitching display in the last of the third when he struck out Grant and Peacock. Thomas snapped up Mayers' grounder and beat the runner to first.

Bucknam was not for letting his rival get ahead of him and he went one better in the first of the fourth. He fanned the first three batters who opposed him, Thomas, Woon and Jemmette.

Horne allowed only one hit in the last of the fourth, when Hinchcliffe bounded a low drive through second. Cops punted a short fly to the pitcher; Bucknam's punt was taken by Horne; and Whit's grounder to Jemmette retired the side.

Heino was the first batter for the Co-ops in the fifth. He was granted a hit on his drive into centre field and

was credited with a two-bagger. Horne walked and McKay struck out. Anderson grounded to Giallonardo and Taylor fanned.

Giallonardo's fly into Taylor's territory was the last out for the Plumbers in the last of the fifth. Block drove a nice homer over McKay's head in left field. Mayers made second on Thomas' error; Grant drove Mayers home on his hit into centre field. Taylor caught Peacock's fly; Cops scored a hit into centre field, allowing Grant to tally. Thomas made a brilliant catch of Hinchcliffe's hard drive into short.

In the first of the sixth Bucknam blew up and allowed the Workers to register five runs. Thomas got a hit into right field and made second base; Woon made first on Bucknam's error; Jemmette hit a two-bagger, scoring Thomas and advancing Woon to third base. Denisavitch walked, and Heino sacrificed, scoring Woon and advancing Jemmette to third; Horne fanned, and McKay got a three-bagger on his hit into right field, scoring Denisavitch and Jemmette. Anderson and Taylor walked; McKay stole home; Thomas walked, filling the bases, but Woon fanned.

Anderson replaced Horne in the last of the sixth. He walked Bucknam and White, and fanned Giallonardo, Block and Mayers.

In the first of the seventh Jemmette and Denisavitch struck out. Peacock caught Heino's foul tip to retire the side and wind up the old ball game.

Line-ups:—
Plumbers: White, Giallonardo, Block, Mayers, Grant, Peacock, Cops, Hinchcliffe, Bucknam.

Co-ops: McKay, Anderson, Taylor, Thomas, Woon, Jemmette, Denisavitch, Heino, Horne, Hean.

Umpires: George Williams, McMahon.

Annual Re-union of South African Vets.

Gen. A. E. Swift, D.S.O., and Others from the North to be Present.

The annual re-union of the South African Veterans of the North will be held in Timmins this week. The event takes place in the Legion hall, on Saturday evening. After a brief meeting the South African veterans will form up at 6.15 p.m. with the Legion and march to the Cenotaph, where it is expected, Gen. A. E. Swift, D.S.O., will place a wreath on the memorial, and address the gathering. Bugler T. J. C. Smith, will sound the "Last Post" and "Reveille."

Upon returning to the hall the South African veterans will sit down to their annual banquet at which a limited number of other ex-servicemen will be present. This banquet will be an unusual one in Timmins circles due to the fact that the main course will consist of "Beef Steak and Kidney Pie", the menu in full being Soup, Mashed Potatoes, Peas, Mixed Pickles, Celery, Cheese and Biscuits, Rolls and Butter and Coffee. The Ladies' Auxiliary of the Canadian Legion will be the caterers.

After the banquet a programme of music and vocal entertainment will be held. It promises to be a real big night and as there are a few tickets still available, any ex-serviceman interested should get in touch with the president of the South African Veterans of the North, A. C. Brown.

All members of the Legion are asked to parade along with the South African Veterans to the Cenotaph ceremony. Parade at Legion hall, 6.15 p.m. on Saturday, June 5th.
