

Timmins Win 8-3 from Porcupine; McIntyre Play To-morrow

Timmins Baseball Team Wins Nice Ball Game with 8-3 Score

Brilliant Exhibition of Pitching by Joe Mason. Good Support Given Pitcher by Timmins Team. Porcupine Moundsman "Blasted" out of His Box.

A brilliant exhibition of pitching by Joe Mason and continued hard slugging by his team-mates was the combination which threw the Porcupine nine for an 8-3 fall at the ball park yesterday afternoon. Mason pitched a hard steady game and was twisting just as much "stuff" onto the ball when the last man was called out as when Umpire Chambers announced "Play Ball!" Cox, the Porcupine moundsman, was blasted from the box in the last of the fifth inning. Senese replaced him but only lasted one inning and Turner, third youthful south-paw, finished the game. Mason allowed only five hits in nine innings while the Timmins boys pounded the three opposing pitchers for a total of 12 hits in eight innings.

McCarthy played his usual stellar game at back-stop and deserves a lot of the credit in winning the game. Johnnie is a wonderful judge of a batter's weakness and the Timmins battery would be sadly off balance if he was not looking after the catcher's duties. Walt Coleman rates an orchid on his smart running catch of Dowling's long fly over the third base foul line. The local line-up was noticed to have undergone some major changes since the last game and the club officials now believe that they have struck a winning combination. Wilson took Romauldi's place on second and the latter moved to his former station between second and third. Frawley, who played short in the last game, was dropped from the active list for yesterday's session.

There was a good crowd in attendance for yesterday's game and the victory should prove even a better drawing card for the bleacherites. New dugouts have been built at the park and the convenience they provide for the players is a noted asset to the club.

Porcupine drew their first two runs in the first of the sixth inning. Moveau was the first batter but he struck out. Harrison also fanned but the Quills managed to tally twice before the side was retired. Schultz made first on Romauldi's error, and later crossed the plate on E-wilg's double into right field. Artie was the next batter and he drew a hit along the third base line, scoring Dowling. Lawton caught Murray's short fly to make the third out.

Dowling gathered the credit for scoring Porcupine's last tally of the game after he had made first when Mason became slightly erratic and hit him with the ball. Astle drew a beautiful three-bagger to allow the runner to make home. Porcupine issued two pinch-hitters in the eighth and ninth innings but it proved of no avail. Patterson punted a fly to Mason and Leonard struck out.

Timmins drew the first run of the game in the last of the first inning. Lawton, the first hitter, made a nice double and later stole home. The steal was rather a peculiar one, he left third base with Cox's throw and slid into the home plate before Schultz was able to put the tag on him.

In the last of the second, the local boys began their rampage and were successful in tallying their second and third runs. McCarthy was credited with a single on his hit through third; Berscht singled to centre field; Romauldi made first on Noveau's error, filling the bases. McCarthy was allowed home when Cox walked Mason and Berscht crossed the scoring pad on Lawton's sacrifice to second.

Berscht drew his second run and the fourth for the club in the last of the fourth inning. He singled and made the tally on Mason's double into centre field.

The Timmins boys drove Cox from the box in the last of the fifth inning when they ran in a total of four runs to make the final score of the game 8-3 in their favour.

Darragh drew a single through second to start the ball rolling. Murray caught Dorey's fly; Coleman made first on a grounder to Moveau, but the latter caught Darragh at second. McCarthy walked and Berscht hit into a single, scoring Coleman. Romauldi connected with a fast ball and wrangled a double out of the hit into left field, scoring McCarthy and Berscht. Mason walked and Romauldi made the final tally when the Porcupine infield pulled the prize boner of the game. Lawton hit a high ball which should have proved an easy catch for almost any one in the infield. Everybody ran for the ball but at the last moment each one backed away, thinking the other would take it. The result was that the ball dropped under the pitcher's nose and Lawton was safe on first. Wilson fanned to retire the side.

Line-ups:— Timmins—Lawton, Wilson, Darragh, Dorey, Coleman, McCarthy, Berscht, Romauldi, Mason.

Porcupine—Moveau, Harrison, Schultz, Dowling, Astle, Murray, Collins, Cattarello, Cox, Senese, Turner, Patterson and Leonard also took part in the game.

Umpires—Chambers, Monaghan.

Boxing

In the Maple Leaf Gardens, Toronto, Monday, Frank Martin, bantam-weight champion of Canada made Baby Jack go the whole ten rounds but lost his title. This is the first time Yack has had to go ten full rounds.

On Tuesday in England, Farr proved his wares beyond all doubt as a boxer when he put Walter Neusel away before the latter knew what it was all about.

At the bell Farr went after his man and had him groggy. In the second Neusel tried to back away but Farr was too quick. At the start of the third, Farr let both fists go to the jaw. Neusel jumped in the air and Farr met him coming down with both fists to the jaw and the German sat down in his corner and that was the finish.

The Royal Hunt cup was captured by Fair Play at the Ascot yesterday. Thousands of pounds were laid on Omaha, the American horse, for to-day's race in the Gold Cup. The horse has been withdrawn owing to injuries.

There is a change in the fashion also this year as far as hats go. As well as the familiar large picture hats, which one could only see, will be pill-box effect, and its opposite—a bowler without a brim. Both have veils. A "sailor" in coarse straw trimmed with silk ribbon is also prominent.

Want Trout Trophy to Come to the North

Porcupine Fish and Game Protective Association Would Like to See Mary Pickford Trophy in North.

Several recent references have been made to the awarding of a trophy for speckled trout competition by Miss Mary Pickford, famous Canadian screen star.

Official notice of the contest has been received by the Porcupine Fish and Game Protective Association and its members intend to put forth every effort to bring the award to the North.

The following is a tabulation of the rules and conditions governing the award of the trophy, as adopted by the board of judges, April 30th, 1937.

1. The Mary Pickford Trophy will be awarded for the largest and most perfect specimen of speckled trout taken in Ontario waters during the current legal season, and entered in this competition in accordance with the published rules.

2. The contest will be held annually and it is open to any person who is a permanent resident of Ontario.

3. The fish must be taken on regular trout tackle, on a fly, and entered in this competition by the angler taking it.

4. Each entry shall be in the form of a letter containing the following facts:—place, date and time of capture, details of tackle employed; name and size of trout fly used; weight, length and girth of trout entered. Weight must be taken on standard government inspected scales.

5. The measurements are to be made in the following manner:—length to be taken along the lateral line, or side of fish, from snout to centre of tail; girth to be measured immediately in front of dorsal fin.

6. Two witnesses, signing their names and addresses, must declare that they know the fish to have been caught as required in Clause 3; two witnesses, (the same two if desired) must sign their names and addresses to a declaration that they were present and saw the trout weighed, and measured, and know the facts to be correctly stated in the entry, as required in Clauses 4 and 5.

7. A snapshot or photograph of the catch must accompany each entry.

8. The contest is to run concurrently with the legalized trout season in each year; its term will open and close with the authorized season, in the event of zone or district variations in dates.

9. Entries shall be received for a period of ten days after the closing of the contest.

10. Entries in the contest shall be submitted to the Mary Pickford Contest Editor, The Globe and Mail.

11. The Board of Judges whose decision shall be final, shall be three in number, and shall consist of William Lang, permanent representative of Miss Pickford, during his lifetime; the president of the Toronto Anglers' Association; and the Fishing Editor of The Globe and Mail.

12. The Mary Pickford trophy shall remain the permanent possession of The Globe and Mail, and in the permanent custody of The Globe and Mail, and shall be permitted to the care of the winner for a period of six months, beginning the 1st of October on the year of the award, and concluding April 1st of the following year.

For further information regarding this interesting contest, enquiry should be made to the Porcupine Fish and Game Protective Association, or to the Fishing Editor of The Globe and Mail. The latter paper is sponsoring the competition.

Coniaurum Lose to the MacDowell Softball Team

Fox Proved a Good Moundsman for the Fordmen, While Sair, the Mine Pitcher Also Played Good Game but Did Not Have the Same Support. Score 9 to 4.

The McDowell's continued their winning streak when they defeated Coniaurum mine to the tune of 9-4 in a fast baseball game at the cyanide grounds Tuesday night. Fox, McDowell's moundsman, proved to have too much on the ball for the men from the mine. He struck out twelve of the Miners and allowed only eight hits. Sair, the opposing pitcher, also played a nice game but he lacked support from his team-mates. He fanned eight out of the 31 batters who opposed him and allowed 12 hits.

Coniaurum scored their first run in the first of the fourth inning when McDowell crossed the home plate after he had got on base on a hit through second.

Dunnigan, Young and Stewart scored the remaining three runs for the Miners in the first of the sixth inning. Dunnigan made first on a single into right field; Sair and Morgan struck out; Young singled to short, advancing Dunnigan and Young to cross the scoring pad, and then scored himself on an overthrow to second.

McDowell's scored three runs in the last of the first inning. McKay tipped a foul to short; Marshall and Mitchell both drew singles and crossed the home plate when Fox erred on Dunlop's long fly. McCann walked; Huggins banded a hit to short allowing Dunlop to score. Preston fanned; McArthur walked; and then Fox struck out to retire the side.

The Fordmen came right back in the last of the next inning and repeated their first scoring. McKay singled and Marshall hit into a double. Mitchell fanned but McKay managed to get home on an overthrow. Dunlop singled along the third baseline; McCann fanned; Huggins drew a single, scoring Marshall and Dunlop. Preston struck out to end the inning.

Dunlop scored in the last of the fourth for McDowell's after he had managed to get to first on McArthur's error. Huggins drew a nice double to allow Dunlop to make the home plate. In the last of the fifth, Fox and McKay scored another two runs to make the final score 9-4.

Over 70 Players in First Fogg Match

Town Won from the Mines at Golf Course Last Night

The first match for the John W. Fogg trophy between the Mines and the Town took place at the Timmins golf course last evening (Wednesday), commencing at 4.42 p.m. Over seventy players participated and all consider the event as one of the most pleasing yet held by the Timmins Golf Club. The town came out victorious by a score of 40½ strokes per man, against 45½ strokes for the Mines. The following players made the event a most enjoyable one. This trophy will be played for at least once a month.

After refreshments, the golfers enjoyed a delightful dinner at the club house. After the usual sing-song, led by N. Adams, Dr. H. H. Moore, chairman for the evening, called upon Mr. John W. Fogg, donor of the trophy, for a few words. Mr. Fogg said he was very glad indeed to present the trophy for competition between the Mines and the Town.

The chairman then called upon the captain, who in turn thanked the members of the committee in charge of the event for making the occasion such a successful one.

The vice-captain, A. W. Pickering was then called upon to announce the first winner of the trophy.

The captain also announced that Iroquois Falls would pay their official visit here this week-end, and asked as many as possible to turn out and make the visit an outstanding success. All wishing to take part were asked to sign up on the bulletin board. He also thanked all the new golfers for coming out and helping make the evening so fine a success.

W. A. Devine very generously played the piano for the occasion and this was very much appreciated.

Don't Carry Guns in Bush Without Permit

Heavy Penalties and Guns Confiscated, Says Game Warden.

Phil Boudreau, game warden, wishes to advise all hunters that the season for any game animal or bird, which is protected by the Game and Fisheries department, is closed from June 1st until September 1st. In conjunction with this warning, Mr. Boudreau warns all persons that it is unlawful to carry a firearm of any description during the period mentioned above unless by the authority of a special permit, which may be issued for purposes of protection. If any one is found carrying a firearm during this period he is liable to a heavy prosecution and the gun will be seized.

Mr. Boudreau also wishes to warn sportsmen that Craft Creek is still closed to fishing. Any one found fishing in this creek or any branch of its waters, will be prosecuted to the full extent of the law. All fishing equipment will be seized in any event.

Suggests Separate North Land Football Association

(Sudbury Star Sport Page)

The decision at the S.D.F.A. meeting on Friday to sound North Bay, Kirkland Lake and the Porcupine district on the possibility of forming a separate branch of the Dominion Football Association and severing all connections with the Ontario association is a forward move.

With seven teams in the three districts definitely entered for the Dominion Cup this year, there should be a strong vote from each of the associations in favour of the move. McIntyre, Hollinger and Dome are the Porcupine entrants in the D.F.A. race. Wright-Hargreaves and Lake Shore are entered from Kirkland Lake and Falcons and Frood are after the honours in Nickel Belt circles.

The chief reason for the switch from Ontario to Dominion Cup play is that the Dominion Cup is a reward worth going after while the other trophy, the Ontario silverware, means little if Falconbridges three-year record is to be considered. On the statement of the management of the Red Bird team, prize medals were provided for their win the first year and nothing has come up as reward in the other two seasons they took the cup. On one winning year the committee asked for the measurements of Falcon players, for wind-breakers it was understood at The Bridge, and they're still wearing sweater coats.

Another angle to be listed as motivating the desire for a change is to make more of this cornering of football talent which has come to be the condition in the nickel and gold belts. As it is now the only chance for competition between the districts is in the Dominion Cup. If a strong Northern Ontario Football Association was formed, play for a Northern Ontario championship could be a regular feature of the season.

There is a worthwhile trophy for such play. The Sudbury Star trophy, which has come of late to be purely S.D.F.A. silverware but was donated as a prize for play through all Northern Ontario.
