Wrap all Garbage in paper.  
Keep your Garbage Can covered.  
Use plenty of Chloride of Lime which  
can be procured at the Town Hall free.  
Householders using well water must  
boil it for at least 20 minutes.  
All Outside Toilets must be made fly-  
proof.  
By Order of  
THE BOARD OF HEALTH

## RHEUMATIC PAINS are TORTURE!

Don't let rheumatic pains make your  
life miserable. Poisonous acids from  
faulty kidney action are probably  
the cause. GIN PILLS drive out these  
poisons by toning up the kidneys  
so they can filter the blood properly.  
"Prove their merit  
through their use!"

## GIN PILLS FOR THE KIDNEYS

slandered by some men than to be  
praised by others.

## Illuminating Address on European Conditions

Robt. F. Gray Gives Kiwanis Excellent Address Under the Title, "Europe as I Saw It." Fear and Uncertainty Creating Evil Situation in Europe. Even Switzerland Preparing to Defend Itself.

"Europe As I Saw It." was the title of the address given by Robert F. Gray at the regular meeting of the Kiwanis club on Monday in the Legion hall. Mr. Gray stated that he had been in Europe three times during the past thirty months, but even at that he had not had the opportunity to cover the entire continent. He said that a present conditions are not at all satisfactory in most European countries. The cause of this uneasy condition is attributed to the unsettled state of affairs in most of the countries. A greater part of the people are afraid of another war and because of this they are slow in making any move which might better their living conditions. Mr. Gray stated that in France there are two factions. The businessmen and the higher-paid class of employees are afraid of future development, while on the other hand the peasants and ordinary labourers do not feel that there is anything to fear. The trouble, Mr. Gray reported, comes from a friction among the high government officials. He then spoke of his visit to Switzerland and said that it was a lovely and most peaceful-minded country in his former visits, but now its countrymen are anxious and worried about present events. He stated that remarkable preparations have been made to protect the country from a possible invasion such as happened to Belgium in the last war. He said that plans have already been completed which will enable the Swiss people to destroy all bridges and tunnels leading into the country, if such a necessity should arise. At the Austrian border Mr. Gray ran into considerable difficulty in changing his money. He said that the Austrian law forbids any person from taking more money out of the country than they possessed on entering. This rule enforces a very careful survey of the visitor's finances. In Germany Hitler is very popular, stated Mr. Gray. Practically all in the country are behind his legislation. The speaker said that he spoke to a German citizen, who had been educated in England, and this person said he was all in favour of Hitler. In explaining this favouritism, the man said that previous to Hitler's rise to leadership, there were 48 factions striving for power and when Hitler came to the top, he eliminated all these other factions and in doing so prevented a great deal of trouble in the land. The informant stated that Germany was on the verge of a terrible revolution at the time of Hitler's rise to fame, and he credits the latter with saving his country from the strife which would be bound to follow such trouble. Mr. Gray also spoke on his visits to Great Britain and Ireland. In closing, the speaker said that he couldn't help but realize how thankful he should be in having the privilege of living in one of the best countries in the world and having the best of neighbours. He said that although we had our minor differences they were nothing to compare with what is going on in Europe.

Monty McLarny reported on the work being done by his committee in arranging for the Kiwanis "Welcome to Summer" dance which is being held at the Riverside Pavilion to-morrow night. A floor show has been arranged and invitations have been issued for the event. Mr. McLarny stated that in case any one was missed in the issuing of the invitations, they should get in touch with a member of the Kiwanis club at once. A. F. McDowell reported on the work being undertaken in connection with the Kiwanis Boys' Camp. He stated that over three hundred names have already been submitted to the committee. These are the names of young boys in Timmins who, in the belief of charitable organizations, warrant a stay at the camp. While the capacity of the camp is limited to the handling of only 132 boys for the entire summer, efforts are being made to take care of as many as possible of the boys whose names have been forwarded. W. W. Tanner reported to the club on the wonderful success of the Timmins boys at the athletic meet held in New Liskeard last Saturday. He told the members that 15 Timmins boys have earned the right to visit the camp at Lake Couchiching. He asked the club for assistance in arranging for the transportation of these boys to the camp. The music for the luncheon was led by Jack Walker, past-president of the club. David Rynner was a guest at the luncheon. Mr. Rynner was formerly associated with the Ingersoll Kiwanis club and is now affiliated with the local branch.

Many weeks have elapsed since Mrs. Frank Dolan disappeared from Elk Lake. Authorities have announced that as yet no solution to the problem presented by the missing woman can be offered. With no development in the case and no clues to work on, the whole affair is an absolute blank to the police.

NO TRACE YET OF WOMAN MISSING FROM ELK LAKE

Stole School Lawnmower From Kirkland Lake School

Petty thieves around Kirkland Lake are respecters of persons. They even stole the Central school lawn mower in front of the school in broad daylight. When members of the school board ordered two new ones, they marvelled at the thief's daring daylight theft and opined that it was probably the best time to steal such an article because walking around in daylight with a lawn mower would not arouse the suspicion that it would after dark.

Officials wish to warn dog-owners that an extensive campaign is being carried on against those who have neglected to buy their dog licenses and in order to save themselves considerable trouble, they are advised to get in touch with the inspector immediately. These licenses were due on the first of the year and there are still a great many who have not secured the necessary tags.

Humane Society Warns Against This Form of Crime. Notify Society if Dogs Annoy.

Six dogs were poisoned in the district surrounding Elm street north, on Monday afternoon and evening. Austin Neame, president of the Humane Society, reports. This is the time of the year when dogs prove very annoying to gardeners and land-owners in general, but if they are reported to the officials in charge of the pound, they will be taken care of, and if it is necessary to destroy them, it will be done quickly and without any suffering on the part of the animal. In using an ordinary poison, such as it is alleged was used in destroying the dogs on Monday, the resulting death is of a very slow and painful nature. Anyone found using these tactics is liable to very severe penalties. The new location of the pound will be near the town incinerator. The council has given this ground to the Humane Society on which they will build housing quarters and a suitable run for the dogs. The pound was formerly on Spruce street, south, but due to the many complaints received from people in that district, the society decided to move their quarters when the lease ran out June 11th, last.

## Odd Habit

DIANA BATZKE  
Twenty-one-year-old London, England, Society beauty, whose reported disappearances are becoming a habit. At least twice recently she has been reported "missing" and "found" again. People are losing interest, except to wonder whether the lady is a little "queer", or it is all a publicity stunt, as there is talk about her going into pictures.

## Many Real Champions to Feature Boxing Here

Boxing Card for June 29th to Be Outstanding. Notable Visitors to Be Here. Event Being Run by T.P.A.A. for the Committee of the Silver Jubilee Week

Champions galore will take part in a card of boxing bouts here on Tuesday evening, June 29th, according to an announcement made to-day by the Sports Committee of Timmins Silver Jubilee and Porcupine Old Home Week celebration. Jean Paul Lachapelle, Canadian amateur lightweight champion, is just one of five well-known Montreal boxers, four Toronto men and a Hamilton lad who will take part in the bouts that have the complete sanction of the Amateur Athletic Union of Canada. According to those who have followed boxing in the Porcupine for many years, the show on the 29th will top anything ever seen here. Timmins arena will be used for the event. Ben Stockley, well known Toronto boxing mentor, will be with the Toronto team, and the popular Charles E. Ring of Toronto has agreed to help with the refereeing and judging. The best local amateur boxers will be chosen by officials of the Timmins Police Amateur Athletic Association to take part in the same card. The association is also co-operating with the Lions Club in staging the event.

## About 500 Expected for Legion Convention Here

Major Powers, Brig.-Gen. A. Ross and Other Distinguished Soldier to be Among Those Present for Provincial Convention, to be Held in the H. S. Auditorium, Timmins.

In co-operation with the Ontario Provincial Command of the Canadian Legion, the Timmins Branch is working hard to ensure the success of the Ontario convention to be held here commencing Monday, August 23rd, and holding sessions until August 26th or 27th. From present indications it appears as if the Provincial convention this year will be the biggest and best yet held. Fully 350 accredited delegates will be present and this number is expected to reach close to the 550 mark by the addition of fraternal delegates and wives and families of the delegates proper. Already enquiries are coming in with regard to accommodation proving that the holding of the convention so far north is an attraction for those from other parts of Ontario. In order to accommodate the large influx of visitors of which about 200 can be housed in the hotels and homes of Timmins and district, the T. & N. O. will be asked to place a sleeping-car city near the station, and in this way it is hoped that all attending will be comfortably billeted for their visit. The convention will have an extra special appeal to all branches because of the fact that there is two years' business to be transacted and all will want to know first-hand what has been accomplished in that period. Another drawing card for the delegates will be the presence of Major Powers, minister of pensions in the Dominion government. His address on matters re pension work by the government and the new legislation will be one of the high lights of the event. Brig.-Gen. Alex Ross will have a message of much importance to all ex-servicemen. Returning from the Goodwill Tour of Germany, he no doubt will throw a new light upon the problems of ex-servicemen in European countries. The parade and service at the Cenotaph will be one of the largest gatherings of its kind ever to be held in the North Country. The banquet (plans for which are going ahead) will also be one of the biggest and best in Ontario Legion circles. It is expected this will be held in the curling rink. Through the generosity of the High School Board all convention sessions will be held in the High School auditorium. Special firemen will be detailed to guard the building and all safety precautions have been assured by the Legion. The beautiful grounds and the setting on the high ground makes the Timmins High School an ideal one for this big attraction for the town. The local branch has been instructed by the Ontario Provincial Command to curtail the entertainment of delegates to a minimum on account of the large amount of business to be completed. But a dance is being planned at the Riverside pavilion and there will be side trips to the mines and the Abitibi Pulp and Paper Mill at Iroquois Falls. It is also expected that convention sessions will be held in the night. The Timmins branch of the Canadian Legion are to be highly congratulated for their efforts in securing this convention for Timmins. The support received from the merchants and business men, also the general public, in the past was given full consideration and it is hoped that the delegates will by their presence repay a portion of the gratitude the local branch feels it owes its generous supporters.

Norman Hurdman, 147 lb. class, Maple Leaf Boxing Club, Toronto, Ontario and Central Ontario champion. Will meet Harry Baitin here. Jack Stockley, 135 lb. class, Premier Athletic Club, Toronto. Son of Ben Stockley who accompanies the Toronto team. Meets Rene Thibault here. Rene Thibault, 135 lb. class, Champepetre Boxing Club, Montreal. Started to fight last October in the Novice Tournament and won. Lost out in the final of the Junior Tournament the following month. Had six fights last winter, winning four and losing two. Entered the Montreal tourney and won that. Lost out on a doubtful decision in the Quebec Provincial tournament to a lad he had beaten twice before. Harry Hurst, 126 lb. class. Iverly Community Club, Montreal. Has been boxing for more than four years, but won his first title in 1936 when he beat Maxie Robin in the Montreal City Tournament at 118 pounds. The following month he won the Quebec Provincial title and was chosen to represent that province at the Olympic trials where he eliminated Herve Laccelles and so earned the right to represent Canada at the Berlin Olympic Games. This year he has won both Montreal and Quebec Provincial titles at 126 pounds. Steve Curley, 126 lb. class, Maple Leaf Boxing Club, Toronto. Toronto City and Central Ontario Champion, meets Harry Hurst here. Billy Barry, 118 lb. class, Iverly Community Club, Montreal. Has been boxing three years. Won the last Quebec Provincial title from Joe Debrosky who in turn beat him in the Dominion final. Can take care of himself against anybody. Russ McCarthy, 118 lb. class, St. Ann's Athletic Club, Toronto. Southwestern Ontario Champion. Will box Billy Barry here. Those are the matches arranged so far for Tuesday night, June 29th. Others will be announced soon.

Mexican Bill Passed as Canadian Five-Dollar Bill

A warning to storekeepers to guard against a Mexican bill which is being passed in Kirkland Lake as a five-dollar bill, has been issued by Chief of Police W. Shane. One merchant has already been caught by the change artist. The bill is a Mexican five pesos note and has the appearance of a five-dollar bill except that it is slightly smaller, printed in Spanish and has a noticeable red seal on the back.

North Bay Nugget—So impressed was one member of Toronto's goodwill mission to the T. & N. O. region that he was moved to remark: "We should give the west to Henry Ford for an old car and concentrate everything in Northern Ontario."

## Woodchuck Causes the Derailment of Speeder

(From Kapuskasing Northern Tribune)  
Henry Swanson, C.N.R. section foreman in charge of a section near Callstock met with an unfortunate accident while at work on Monday, last. As Mr. Swanson was moving over his section in the course of his duties, using his light track motor car as woodchuck (or ground hog) attempted to cross the track, but the car struck him, the impact causing the car to turn turtle and throw Mr. Swanson a considerable distance. His arm was badly twisted and dislocated at the elbow. He was brought in to St. Paul's hospital where he had his injuries attended to. It will be some time before he can resume duty.

## Those Wild Yarns in the Wild Daily Newspapers

(Sudbury Star)  
The 12 miners "starving to death in the wilds of the New Liskeard district" (so quote a Toronto newspaper) were just three miles from the highway in the Matachewan area, it turns out. Assurance given by the Department of Mines that no investigation is necessary and that the men are able to take care of themselves suggests that the incident scarcely justified the prominence given it by the newspaper in question.
