BOY SCOUTS IN TIMMINS

Before we all get away to camp I want to give you chaps a bit of advice. Or perhaps I'd better call it a hint. In any case it is the Scout's attitude to what he gains at camp. Oh yes, he gets just as many fly bites, just as much sunburn, and just as sore muscles. But, too, he learns more about the boys in his troop in their one week's camp than he does in all the other meetings during the winter and other indoor meetings. Camp is the place where Scouters find out most about their Scout characters: it is the place where, perhaps, the leader can do the most to mould their characters. This is not only as concerns the outer aspects of Scouting—cooking, pioneering, games and so on—but also as regards its inner meaning—the strengthening of the boy in body, mind and spirit.

be one of the prominent features of our Scout Camp. "The Scout Law is the Law of this Camp." It is the golden thread which runs throughout the whole of our camp life. Good Turns to the landlady, to the neighbouring people—even if it is only to invite them to a Camp Fire—and more especially by demonstrating Scouting in its best form to strangers and brother Scouts who may be near will go far to carry out the second part of the Scout Promise.

It's just eight weeks and four more days to the Temiskaming-Cochrane Boy Scout and Wolf Cub Jamboree in Iroquois Falls. So if your troop or pack is planning to go it is about time that they were arranging to cover their expenses. Get your group committee squarely behind you and go to it.

Scouters who know George L. Whiting, of Iroquois Falls, Walter Lemmon of South Porcupine and O. E. Andrew, of Kirkland Lake, will be very pleased to learn that these Scout Leaders have been appointed as District Scoutmasters for their respective communities. Some of our older Scouts will remember them at our Jamboree in Timmins. All of them have years of Scouting experience behind them, and with this their Scouting communities should bring out many more happy faces. You will have a chance to meet these men again and their boys at the Falls in August.

Even though it was very hot on Saturday the 2nd Pack and two Den Chiefs and myself enjoyed a short hike. The Cubs themselves did a little collecting while I spent my time counting the collections and whistling whistles. The following Cubs—Ian Forrester, Richard Booker, Jack Lacy, Harry Hansen and

Clarence Noseworthy—were the most successful in the collection of twig letters.

The following are the Scouts who have elected to information and registration work at the booth during Old Home Week: Bruce Pritchard, Jack Thomas, Saul Ansara, Frank Burt, James Walsh and Bob Morin. Bob, I understand, has his Interpreter's Badge and should be able to talk to at least two people at once.

I am very sorry to announce that I have had word from Toronto that the Scout Leaders' Gilwell Camp which was planned for Davis Lake in July has been cancelled as too few applications were made to warrant running it.

Scouter Wright tells me that Kamiskosha Lake is a rather "swell" place for a Scout Camp and that it will be a real Scouting trip to get in to it. He says that he expects his troop will go to camp either the latter part of July or early August.

Scouter Lacy of the 6th Troop told me the other day that the 6th and the 7th Troops would join together to camp at Sesiknikia. He expects that both 7th Troop Scouters will be present—Walter Cowan and Fred Childs. So they will have ample leadership to conduct a real Scout camp.

Hoping that I can find more Scout news for you next week. Scoutingly yours, E. R., Dist. Scout Leader.

District W.M. S. Hold Important Meeting

(Continued from Page One) Mrs. Olliver gave a very helpful talk at the afternoon session. Throughout the sessions she was appealed to time and again for information on various points and questions. It was indeed a privilege to have so available her wide experience and knowledge in W. M. S. matters.

Mrs. Forbes and Mrs. Olliver spent the previous week-end in Hearst where they had a glimpse into the busy life of the W. M. S. hospital there and also assisted in the Sunday services of that town.

The worship service for the morning service was conducted by Hearst Auxiliary. The visitors were delightfully welcomed to Cochrane by Mrs. L. R. Anderson on behalf of the home Auxiliary.

In the unavoidable absence of Miss Jean Taylor, Miss Margaret Mustard, superintendent of the Hearst hospital, acted as secretary.

Following the business of nomination, Resolution, Registration and Courtesy Committees, reports of Secretaries were heard as follows: Recording, Miss Mustard; Christian Stewardship and Finance, Mrs. A. Jackson, Timmins; treasurer, Mrs. Wicks, for Mrs. Geo. Laidlaw, Cochrane, whose absence through illness was deeply regretted; Mission Band and Baby Band, Mrs. Bamford for Miss Smyth; Associate Helpers, Mrs. C. Holler, Hearst; Strangers, Mrs. J. P. Carter; Missionary Monthly and World Friends, Mrs. A. Lethian, Monteith; Press, Mrs. A. Gillies, Timmins.

Presidents' reports from the different auxiliaries were read as follows: Cochrane, Mrs. Wicks; Matheson, Miss Nancekivell, Supt. of Matheson Hospital; Timmins, Mrs. Coulson for Mrs. S. Monck; Hearst, Mrs. Wilson.

"In Memoriam," by Mrs. Coulson, of Timmins, with prayer by Mrs. Olliver closed the morning session.

The afternoon worship service was conducted by the Timmins Auxiliary.

Greetings from Presbytery were read from the Rev. Bruce Millar, of Timmins.

A solo by Mrs. B. Falby, of Cochrane, was much enjoyed.

The president's address was brief but helpful. She is reserving her report of the Dominion Board meeting to which she was a delegate, until the fall meeting of the executive in Cochrane.

A very excellent report of the Conference Branch meeting was given by W. F. Lundy, of Hearst.

Following the election of Officers Mrs. Olliver was asked to take charge of the installation. This impressive service was followed by communion administered by Rev. Mr. Tiffany, of the Cochrane Baptist church who very kindly officiated in the absence at Conference of the minister, Mr. Bamford.

Matheson Auxiliary took charge of the worship service at the evening session. Mrs. P. H. Caron, of Timmins sang delightfully and Mrs. Crummie, of Cochrane gave two much appreciated readings—"Absalom" and one in lighter vein. Two little girls from the Cochrane C. G. I. T. group gave a skit in Japanese costume, excellently presented and much to the Missionary point.

Miss Susie Smyth, missionary, whose work means so much to this district, was unable to be present but her report read by Mrs. Horton, of Cochrane, was one of the highlights of the meetings.

The Cochrane ladies proved themselves delightful hostesses. Dinner and supper were served in the church basement.

Altogether the meeting was inspirational and enjoyable, which must be gratifying to the indefatigable president, Mrs. McNece, of Hearst.

The display of missionary literature was one of the interesting features of the meeting. The Study Book for the coming year is "A New Church Faces a New World" by Rev. Jesse H. Arnup. In this book Dr. Arnup, who is secretary of the Board of Foreign Missions of Canada, has given, in an amazing way "the length and breadth" of the missionary heritage and missionary outreach of the United Church of Canada. Beginning his story with a storm-tossed sailing ship bearing an heroic band of Presbyterian settlers to Nova Scotia in 1773, he closes with a masterly statement of his faith in the power of Christ and his church to meet the needs of the storm-tossed modern world of 1937. As in "Men and Women of Far Horizons"

Helped in Survey of Town 26 Years Ago

P. J. Conway, of Ansonville, to be Among the Visitors Here in Old Home Week.

A large number of people are coming to the Porcupine district from Iroquois Falls and Ansonville for Timmins Silver Jubilee and Porcupine Old Home Week next Monday, Tuesday, Wednesday and Thursday, according to information given the Lions Club committee in charge of the celebration.

"I know a lot of people over there who are bringing their families here for at least one or two days of Old Home Week," P. J. Conway of Ansonville, said on Friday. "Many of the people there used to live in Timmins, Schumacher or South Porcupine years ago."

Mr. Conway himself was a member of the party that surveyed the first lots in Timmins. He left here in the fall of 1911 and has not been a resident since that time. But he'll be on hand for the celebration!

Good Results at the Dayton Porcupine

Prominent Directors of the Mine Pay Visit to the Property

Prominent directors of the Dayton Porcupine Mine, southern Deloro township, visited the property at the weekend, and were accompanied by Dayton Ostrasser. Three diamond drills at work there have disclosed favourable formation, according to a director of the mining company.

Graduation of the St. Mary's Hospital

(Continued from Page One) Other musical numbers included solos by Mrs. L. Worthington, R.N., and by Mr. Robert Jones, both these soloists being insistently encored and their singing much appreciated.

The opening address by His Worship the Mayor, J. P. Bartleman, congratulated the hospital and extended best wishes to the young ladies who had graduated. The mayor suggested that St. Mary's hospital was not receiving all the support its good work deserved and he thought some plan of campaign should be inaugurated to assure further support of the hospital.

Outstanding on the programme were: "The Valedictory," by Miss O. Shaw; and "Class Prophecy," by Miss M. Olaveson, Second Year Student.

Both the "Valedictory" and the "Class Prophecy" were unusually clever and well presented. The Advance hopes to give each of these in full in Thursday's issue.

Mr. J. A. Bradette, M.P., was unfortunately unable to be present, but otherwise the programme of addresses was presented in accordance with programmes printed for the occasion. The address to the graduates was given by Dr. E. A. F. Day, while there were greetings from Dr. H. H. Moore, representing the Medical Profession, from Rev. Fr. Martindale, from Rev. Fr. Theriault and from Rev. Fr. O'Gorman.

In his very interesting address Dr. H. H. Moore gave a number of very important facts and figures in regard to the work of St. Mary's hospital. He compared the work of the hospital in 1929 with the extended scope of the work at present. In 1929 the number of patients admitted was 968; in 1936 there were 2,578 patients admitted. In 1929 the number of days' stay was 13,800; in 1936 it was 26,841. In 1929 the number of births was 57; in 1936 it was 128. In 1929 the number of operations was 510; while in 1936 there were 1,489 operations.

During 1936 there were 269 free patients, with a total of 2,750 days' stay free of charge. The number of meals given to outdoor persons in 1936 was 1,260. The number of employees (not counting the Sisters) was 80. Salaries paid during the year totalled \$22,830.00.

St. Mary's hospital has been a general hospital since 1925. The total number of patients admitted since 1925 was given by Dr. Moore as 17,270. The number of student nurses admitted since 1926 (the date of the opening of the school for nurses) was 125. The number of graduates from St. Mary's School of Nursing is 74.

Dr. E. A. F. Day congratulated the graduates on the earnestness, industry and skill that had made them successful in their tests and training, and he wished them well in the arduous but valuable life work they had chosen. Dr. Day also complimented the Sisters and the hospital on the excellent service being given.

Rev. Fr. Theriault in his usual genial and witty way added his greetings and good wishes.

The Nurses' Creed was earnestly given by the class.

Rev. Fr. O'Gorman gave the "Night-Ingale Pledge" to the graduates, this being one of the impressive features of the evening.

The presentation of medals and diplomas was made by Rev. Fr. O'Gorman, the pinning of the medals being by Rev. Sister Superior and Miss Mae Bugera, R.N. It is interesting to note that three of the Bugera sisters figured on the programme, one as a graduate, another as a flower girl, Miss Mae Bugera having graduated previously.

The presence of charming little flower-girls as usual added to the attractiveness of the presentation of diplomas and medals. The following were the graduates with the pretty little flower girl attending each one:—Miss Bessie R. Bugera of Timmins,
