Beattie Mines Wins Both the Games in Week-end Softball

First Game Goes to Visitors With the Score of 9 to 4, While Second Game was a Lost to Timmins with the Score 10 to 7. Errors Proved Costly to Local Team.

The Timmins All-Stars dropped both games in a fast softball doubleheader played at the cyanide grounds yesterday afternoon with a team representing the Beattie Mines.

Second Game
The Timmins All-Stars put forth every effort to win the second game in yesterday's softball doubleheader with the team from the Beattie Mines, but the boys from the south proved to have too much reserve power for the newly-recruited local boys. The score at the end of the nine innings was 10-7 in favour of the visitors, but they had to fight all the way to retain their small lead.

The locals rallied strongly in the last of the eighth when Fax very nearly won his home game by bringing in three runs on his long triple, but Gullfoyle, the Beattie armster, retained his control and managed to win out by a small margin.

Binnie, the Beattie centre fielder, provided a little extra entertainment for the fans when he was thrown out of the game in the second inning. He was hit at bat and seemingly disapproved of a couple of Chambers' decisions and as a result of the loud argument which ensued, he was benched for the remainder of the game. Hancey took his place in the out field.

McGibbon continued his batting success in the second game by drawing three hits in four trips to the plate. Fennell and Norton were the other hickory treats for the visitors.

Block, Taylor, Mayes, and Grant were the heavy hitters for the Timmins team, each drawing two hits on five chances. The line-up of the local team was changed considerably for the second game. Fox took McKim's place on the mound, Block replaced Doyle at first, and Thomas took Giallonardo's position on the second bag.

McGibbon made the first tally for the visitors in the first of the second in-

ning. He singled, stole second and scored on a passed ball.

Norton homered in the first of the third inning, and Hancey scored in the next frame. The latter walked and made home when Grant fumbled Norton's long hit.

Beattie's big inning came in the first of the seventh when they made seven tallies. Hancey, Fennell, Norton, Christie, McGibbon, Allan and Gullfoyle all crossing the scoring pad.

Timmins made their first counts in the last of the second inning. Taylor made first on Gullfoyle's error and scored on Mayes' error. The latter also came in on a passed ball.

The locals rallied strongly in the last of the eighth when they scored four runs but just could not overcome the long lead which their opponents had established. Thomas singled and scored on Mayes' hit along the third base line. The latter along with Grant and Romauldi tallied on Fox's long triple. Block managed to score on Taylor's single in the last of the ninth but that completed the scoring of the game.

Golf Field Day Here on Thursday, July 1

The regular field day of the Timmins Golf Club will be held at the golf course on Thursday, July 1st. The event will include driving, approaching, and putting contests in the morning for ladies and gentlemen.

Lunch at the club house at noon, with a two-ball match in the afternoon. Further particulars on the bulletin boards at the club house.

To Box Here

RUSS MCCARTHY of Hamilton, southwestern Ontario 118-pounds champion, who will appear at the Timmins Arena on a boxing card with many other Quebec and Ontario amateur champions on Tuesday night June 29th at the Timmins Arena. Russ will box Billy Barry, the Quebec champion in his class.

BOY SCOUTS IN TIMMINS

Just sixty more days till the Jamboree in Iroquois Falls! The programmes were in the mail to the Scouters the other night. And now we're off! Having checked over the programme fairly carefully I find that one complete patrol from each troop can compete in all the events and bring the trophy back with them to Timmins. And it is the same with the Cub competitions, a complete six can take part in every event. Now here's our objective—one patrol from every troop in town! And one six from every pack in town! And with leaders, that will mean about 80 Cubs, Scouts and Scouters, a very good representation for Timmins I should say. One of the features of the Jamboree is the week-end camp. Think of the swell chance you will have to meet Scouts from other towns and exchange ideas. Each patrol (and in our case each patrol will represent a troop back here in Timmins) will have its own individual camp and the combination of these patrol camps will represent Scouting here in Northern Ontario.

But we aren't all going to the Jamboree. A lot of us will be camping with our Troop or Patrol soon. Things to do in camp? There are loads of them. There will be excitement, too—if you provide it, of you have a real programme of things to do.

First, naturally, camping is camping—believe it or not. Which means that you will want to turn your camp into the type that an old trained camper would be proud to call his own, by building fire places, camp oven, kitchen rack, cooling cellar, and constructing refuse pit, garbage incinerator, latrine, primitive tables and chairs.

Nature lore opens up a number of possibilities. Bird study in the early morning hours... explorations... expeditions to find rare plants or unique rock formations... identification of trees in the days... and stars by night.

Water activities... swimming and diving under competent leadership and using the buddy system... fun and games in the water, undressing race, egg-in-spoon-in-mouth race, relays, water polo, canoeing... learning to handle one, canoe races with and—funnier—without paddle... canoe tilting.

Games in the daytime from Treasure Hunts to Capture the Flag... and games by night... sending the boys out in pairs to the surrounding hills-tops to light signal fires. The first pair to send back a complete message in dots and dashes to become the signal champions... finding your way through by the help of written compass directions, a handful of matches and the stars... night raid on the stockade.

Don't forget to do a Camp Good Turn.

Godfrey Jelbert, Timmins' second Coronation King Scout, received his King Scout Badge from Scouter Wright and his Coronation King Scout Certificate from me last Friday evening, at the 1st Troop's regular meeting. Godfrey will soon be leaving town for camp at Couchiching where he will continue training in athletics after having made a splendid showing at New Liskeard recently.

The St. Matthew's Wolf Cub Pack has discontinued meetings until the middle of August at which time the selection of the six to represent the Pack at the Jamboree will be made. The first meeting will be announced in this column later.

Camps being planned and run soon are the 3rd Troop at "Questionmark" Lake (the leader has been unable so far to learn the name of it, but hopes to before leaving for camp; it is located some fifteen miles south of town) July 5-15th. The 6th and 7th Troops com-

Boxing
In the heavyweight division of the world there is a new champion and between his sleepy eyes he says he wants lots of work.

There is only one place where he will get lots of that (of course, speaking in boxing terms) and that is not in the U.S.A. but in Europe.

There is talk of matching him with Len Harvey or Jim Doyle. Why, is a big question mark, unless it's a good old U.S. stalling game—which they are noted for.

Harvey is a "has-been" trying to come back and Doyle was a "never-was," even if he did beat Kingfish Levinsky.

The situation now is: Schmeling will meet Farr in the European title which is recognized as a world's championship. This is supposed to take place in August. Louis is supposed to fight in London in July against Farr, but now he is world's champion, things are different, and he may stay in U.S.A. As for Schmeling it will be doubtful if he will ever cross the pond for a fight.

In regards to Doyle there is an injunction against him for running out from his fight against Gunnar Baerlund, the Finland champion, which was to take place to-night in London. Doyle is in the States, but another opponent has been found for Gunnar. Len Harvey will be the man.

The latest dope now is, that Jacobs the big shot says Schmeling will have to beat Braddock before he can meet Louis. The best thing he can do if he doesn't want to go into the sidelines with Madison Square Gardens, to match Louis and Farr and forget about Braddock and the other two men that can't fight their own shadows.

Tennis
At Wimbledon after a grand and glorious week the All-England tennis tournament is at the half-way mark with United States doing remarkably well and it looks like a real battle for the finals between Budge, Austin, Crawford and Henkel. The last named is the best bet for the title, for the German seemed to do as he pleased with Mako the seeded U.S. player Saturday.

In the women's singles there is also going to be a big fight. England still has her best three players left in Misses Kay Stammers, Dorothy Round and M. C. Scriven. Miss Marble and Miss Jacobs of U.S. Mile, Jedzejowska, Poland, and Senorita Lizana of Chile will be the others to do battle, with the best bet on the Polish lady to lift the crown.

Golf
To-morrow and Wednesday will be the centre of attraction at Southport where the American golfers will try and lift the Ryder Cup from Britain where it has rested for the past three years.

Cricket
The first test match between New Zealand and England started Saturday. England won the toss and went to bat. At the close of the first day's play England had 370 runs for 7 wickets.

We welcome Mr. G. Bouchard as Scoutmaster of the 4th Troop and Mr. L. Barrett as Cubmaster of the 4th Pack. These Scouters are taking the place of Mr. H. Gorman who recently left for Ottawa.

Next week I want to tell you something about camp fires so I must take a rest and think.

Timmins Team Breaks Record by Defeating McIntyre Nine

First Time in Five Years for Timmins to Win From McIntyre Stars in Baseball. Timmins Players Put Up Notable Game on Friday. Joe Mason in Pitcher's Box Gives Stellar Performance

And the long string of victories was broken; for the first time in approximately five years the baseball team representing Timmins managed to defeat the boys playing under Ike Solomon's colours to the tune of 7-3. Joe Mason, local star moundsman, turned in a beautiful performance in allowing the McIntyre men only nine hits and three runs. The Timmins infield worked perfectly. Only one error was chalked up against the local team; Wilson, the second baseman made a bad throw to third, allowing McIntyre to score but he made good his mistake in securing nine assists.

Quinn was the stand-out on the McIntyre team, securing three hits in four trips to the plate. Price was not on his usual game and had to be pulled in the second inning. Harrigan replaced him in left field. Woods allowed eight hits in five innings and was replaced by Callory in the sixth inning. McDonald was also taken out of the game at this point and "Sparky" Vall took the position back of the plate to form the new battery. For the remainder of the game, Callory held the Timmins team without a score and allowed only two hits.

Berscht was missing from the Timmins line-up but Reg. Dorey took his position at first and turned in an errorless game. He was responsible for 14 put-outs and secured one hit in three times at bat.

Mason and Angrignon were the big guns of the day, each drawing triples into the far corners of the park. McIntyre secured their three runs in the last of the first inning, and things looked sort of bleak for the Belangerites at this point. Hann singled and Cybulski was granted first when touched by a pitched ball. Angrignon singled to centre field and Hann scored when Wilson made a bad throw in an attempt to catch him at third. Quinn hit into a nice triple to score Cybulski and Angrignon. This was the McIntyre's only scoring rampage and after the remaining eight innings they were not considered at all dangerous by the Timmins team.

Lawton made Timmins' first tally in the first of the first inning. He drew a walk and was advanced to second on Wilson's sacrifice. From second, he tallied on Coleman's single into right field.

Romauldi drew up at first base on Prout's error in the first of the second, and was allowed to cross the scoring pad on Mason's triple. The latter came home on Lawton's double and Wilson and Darragh scored on Dorey's single.

The next and last run of the game was scored by McNulty in the last of the third inning. He drew a single and came in when Gilbert fumbled Mason's long hit into right field.

Taylor Hardware Team Wins Another Game in the Series

Knights of Columbus Find the Hardware Men Too Hard for Them. The Score was 12 to 3. Knights Score All Their Runs in One Inning

The hard-hitting Taylor Hardware entrants defeated the Knights of Columbus in a fast softball game at the cyanide grounds Thursday night. The Knights team had enlisted the services of "Lefty" Goulet, youthful southpaw, but even with this reinforcement, the Taylormen succeeded in scoring 12 runs while their opponents struggled to make three tallies.

The Knights scored their three runs in the first of the second inning. Leddy singled to right field, Keon walked and Smiley made first on Anderson's error, scoring Leddy. Goulet, pitcher, was the next batter and he hit into a nice double, hitting Keon and Smiley.

The Hardwaremen scored six runs in the last of the second inning. Delmonte homered to make the first tally, and Rodney, McMahon, Berardine, Barbary came in on earned runs. Linton scored after making first on Keon's error.

Berardine and Brandon scored in the last of the fourth inning. Both players made home on Anderson's triple.

Delmonte, Rodney and Berardine tallied in the last of the fifth. Delmonte and Rodney drew singles and Berardine hit into a double.

Anderson made second on Donovan's error in the last of the sixth, and scored on Delmonte's single.

Tuxis Double Score on South Porcupine
In T.P.A.A. League Game Timmins Tuxis Win 6 to 3

On Saturday in a T.P.A.A.A. league game the Tuxis won from South Porcupine by a score of 6-3.

C. Block on the mound for the Tuxis allowed ten scattered hits and Drysart only gave six.

The first innings was the down fall of the Porcupine lads when three Tuxis came home with three runs after two boys were out.

A. Black popped; Lake died on a third strike; Stonehouse hit a single; Hornby walked; Johnson was safe at first on an error; McLaren then doubled to bring in the three runs. Schroeder fanned.

In the fourth the Tuxis got two more, and one in the eighth.

South Porcupine got one run in the second when Drysart reached first on an error; Pirie and Burke both hit safeties and Drysart came home.

In the eighth they got two more. South Porcupine: Andrews, 2b; Howe, ss; Robertson, cf; Drysart, p; Pecore, 3b; Pirie, c; Burke, rf; Smith, 1b; and Capayck, lf.
