

# Frood and Dome Play Again To-Night at Dome

## Dome and Frood Play to 1-1 Tie in Brilliant Football Match

Dome Held the Skilled Frood Team Despite Repeated Assaults on Goal. Good Goal-Tending and Work of the Backs on Both Teams—Made Special Feature of Match.

Those who missed the football match at the Dome grounds on Saturday last, owing to threatening weather, should not miss the one to be played to-night at 8 o'clock.

The match to-night will be between the same two teams that fought it out to a 1-1 tie after a brilliant exhibition of football.

The match Saturday is worthy of the goals scored, through the excellent work of both goalkeepers and the full backs. Rayne, full back of the Frood Tigers, certainly came in for a lot of praise, for time and again he cleared what looked like sure goals.

Dome Mines—Baxter, goal; Foster, and Hampton, backs; Paynter, Urquhart and Cockburn, half-backs; White, Cooper, Chambers, Hodgert and Woodley, forwards. Munro and Galbraith, alternates.

Frood Mines—Hallam, goal; Meadows and Rayne, backs; Grasson, Murray and Hamilton, half-backs; Campbell, McDonald, Davis, Winning and Young, forwards. Early and Ramsay, alternates.

Referee, P. Larmer; Linesmen, T. Johnston and Wilf. Carroll.

The match got away right on time, and Frood went on the attack with a short passing game, and the ball was sent out to Campbell. After taking it well down the field, he sent over a neat pass, and Davis hit the upright.

Baxter came out to clear, which was not very good, and Murray missed a fine chance to score with no one in goal. His shot went wide.

This was followed up again and the Tigers missed with Baxter out.

The Dome took up the pressure and White was getting over some nice centres but Rayne cleared well. Munro forced a corner, and White placed the ball right in the goalmouth only to see it skied over the bar.

Another corner kick for the Dome was cleared after a scramble.

The Dome was getting in some good plays and Hallam made a fine save off Paynter's header.

The Tigers broke away again, and Young fooled them all with his fine dribbling, and Baxter was called on to save from Davis' shot on a pass from Young.

Winning forced a corner. Hampton cleared the flag kick.

The Dome made several fine plays but their long passes were intercepted by Rayne and the leather sent down the field again.

At the twenty-four minute mark, the Tigers broke through centre field and sent the ball out to Young, who in turn passed it back just high enough for Davis to head it in for the first score. Baxter didn't have a chance to save.

This spurred the Dome on for the equalizer, and there was quite a hot time in front of Hallam until Rayne kicked out for a corner. White took the kick and placed a nice centre which was cleared after a couple of

else calls.

Munro got away in a clear field and was about to send the leather into the net when Rayne came across and robbed him.

The Tigers got away on another rush and Davis just missed with a high shot over the bar.

The Dome broke away, and Chambers shot just too wide with only Hallam to beat. Paynter tried it but Meadows took care of this shot.

Chambers got his boot to Woodley's pass and again shot wide.

With five minutes to go in the first half the Tigers made another short passing rush, but were called back when McDonald ran in offside.

The Tigers came right back and Murray sent in a terrific drive that hit the upright and nearly took the goal-post out of the ground.

Dome pressed on in the dying moments and were awarded two corners, which Chambers sent over the crossbar from nice centres by White.

Half time: Frood Mines 1; Dome Mines 0.

At the start of the second half it looked as though the Tigers were going to have a walk-away, and forced a couple of corners. The place kicks were sent over the bar by Murray.

After some mid-field play the Dome got their long passes working again. Cooper scored on Munro's pass but he was yards off-side.

Baxter made two fine saves. The second one he took right off Winning's foot.

The finest shot of the evening came from the foot of Rayne who intercepted a long pass just over the centre field line and booted it back towards the Dome goal. It was a long high shot and Baxter caught it and rubbed off the label with "goal" on it.

The Dome took the play into enemy territory and kept it there for some time, and both Meadows and Rayne were kept busy but staved off every rush.

The leather was now up and down the field all the time with Frood being the most dangerous.

Young was going right in only to have Baxter fool him by fisting the ball past the post for a corner.

From a foul kick, Baxter pulled off another fine save and before the ball could be cleared, he again cleared McDonald's shot.

From this on the Dome seemed to have the tiring Tigers beaten, for their long passes were not clicking. White came close to scoring from close-in but Meadows cleared with a corner. White booted the ball wide from the flag.

Chambers got right in to receive a pass but shot it wide. On another centre the ball was shot wide again.

On another rush the leather went over for another corner and Paynter took the flag kick and placed a nice centre. The ball came in contact with several heads before it went over for another corner.

## Rally in the Sixth Inning Brings Win for Plumbers

Game Tied at the End of the Fifth Innings, with the Score 5-5. Then the D. & S. Team Ran in Five Runs, Winning with a Margin of Five Runs.

A much-needed sixth inning rally spelled victory for the D. & S. Plumbers and defeat for the Coniaurum Mine in a scheduled softball game at the cyanide grounds Thursday night. The game was tied 5-5 at the end of the fifth inning but the Plumbers came to at that time and ran in five runs in the next stanza to establish a lead, which stood for the balance of the game.

McNulty went to the mound for the Miners but the Plumbers managed to derive 15 safeties from his offerings. McKinn's opposing moundsman, allowed only four hits and five runs in seven.

Buchnam was the power behind the bat for the Plumbers, getting three hits in four times at the plate. Grant, Mayes, Ough, Gorman and McKim each drew two hits.

For Coniaurum, Calverly and McNulty proved the most formidable swingmen, drawing a triple and a double respectively. Walsh and Birkett made the other two hits tallied by the Miners.

Coniaurum scored the first run of the game when Walsh crossed the plate in first of the second inning. He singled to right field, went to second on a passed ball, made third on the catcher's error and came home in the same way.

Birkett scored the Miners' second run in the first of the third inning. He was granted a walk, made second on a passed ball, third on Ough's error and came in when the short stop again fumbled the ball.

The Miners pulled ahead of the Plumbers in the last of the fifth inning when three of their players crossed the pad. McNulty doubled to third and came in on Birkett's single. Calverly tripled to centre-field, scoring Birkett, and coming in himself on a passed ball.

The Plumbers scored their first runs in the last of the third inning when the score board had to be changed three times. Price made second on Walsh's error. Buchnam and Grant both singled. Mayes drew a one-bagger scoring

Price and Buchnam and Grant tallied on Ough's single.

Block and Ough scored in the fifth frame; Block got on base on a fielder's choice and scored on Ough's double. The latter got caught between second and third but when he was tagged by Walsh, the ball was dropped to the ground and, in the melee which followed, he scored.

The last of the sixth was the big inning, Plumbers making five tallies to put the game in the "bag." McKim drew a double to centre-field and scored when Calverly made a wild pitch. Buchnam singled and scored on Grant's double. Mayes homered, pushing Grant home ahead of him. Ough made the remaining run. He got on base on a fielder's choice and tallied on singles by O'Connor and Gorman.

D. & S. Plumbers		AB R H PO A E

Summary—Two-base hits McKim, Ough, McNulty, Grant; three-base hit, Calverly; home run, Mayes; first on balls off McNulty 3, off McKim 3; struck out by McNulty 1, by McKim 13; left on bases, Plumbers 8, Coniaurum 3.

### CANADIAN BOYS PREPARE FOR ANNUAL BISLEY SHOOT

Some of the members of the Canadian Bisley Rifle Team going out to the ranges for the annual rifle shooting meetings which attract the best shots in the British Empire.

Again Paynter placed a nice centre which was fruitless.

Dome kept banging right in. Chambers got an opening and was just about to shoot when Rayne came over and tripped him. This was Frood's downfall for a penalty was given and Paynter scored.

Frood did all they could to break away but the Dome lads just tied them up in their own half. But the Dome could not beat Hallam who was stopping shot after shot.

The Tigers did finally get away and Young almost scored when he raced in to finish off a shot that was labelled for the lower left hand corner, but Baxter was on it and got Qoung's boot as well as the ball.

The match to-night will be anybody's and it will be worth seeing and whichever team goes down it will go down fighting hard as they are both evenly matched.

A feature of the match that should be specially mentioned is the fact that the Porcupine District Pipe Band was in attendance. The pipers played before the match and between halves and their stirring music and their fine appearance added much to the interest of the occasion.

#### Boxing

There seems to be a lot of ill feeling over the bout at the Toronto Maple Leaf stadium between Genovese and Wallace last Monday night and the officials certainly came in for a lot of criticism. It has been suggested that another bout take place, but Wallace's manager won't hear of it, and who blames him if the reports are true?

Petey Sarron, the featherweight champ, is all up in arms over the decision handed down in his fight with Harry Mizler in Johannesburg, South Africa, when he lost in the first round by being disqualified on an alleged foul. Sarron claims he did not hit low and is willing to fight Harry at any time—at any place—good old American cartwheel.

It has been discovered that Walter Neusel had a knee injury when he fought Farr and Walter says it let him down. He went to the canvas and that's all Farr wanted him to do.

Speaking of Farr, who is very much in the limelight these days, he is likely to get himself into trouble like Braddock did, and will find the British boxing committee not so easy as Braddock found the U.S.A. outfit.

It has been reported that Tommy has signed articles to fight Schmeling in Berlin, Germany, in September so he had better hurry home after his fight with Louis, and not fall for any tempting offers made—win or lose.

Joseph Bramford, of Stockport, who is better known as Jock McAvoy, has got himself into more trouble, this time for doing his punching outside the ring. He will have to tell it to the judge this time.

Bootle, England, was the scene of a tragic boxing bout when Joseph Kehoe died of injuries received at the hands of Gerard Fook.

It appears that at the outset of the match Kehoe was not fit to enter the ring for it is stated that he drank four pints of mild beer and nine half-pint bottles of beer before the contest.

Fook is charged with manslaughter. My opinion is, the officials should have had the summons.

#### Golf

Henry Cotton wears the British open crown for the second time by shooting a par for the course in a driving rain at Carnoustie, Scotland. Reg. Whitcombe, who was going strong, failed badly in the last round play and could only make a 76 and lost out by two strokes. Cotton's total score was 290, and Whitcombe's 292.

Horton Smith, the American who was the sensation at the opening preliminaries by going the rounds under par could only make it 299.

The score for the first ten players was Great Britain 6; U.S.A. 4.

Alf Padgham, the defending champion, could only muster a 298 score. Walter Hagen was far behind with 309.

Tennis  
Senorita Lizana lost her final match

Saturday in the Midland tourney to Miss Healey.

Oxford won over Cambridge handily. And in the Davis Cup, European zone, Germany took the singles and the doubles to meet the United States in the inter-zone matches, by defeating Czechoslovakia.

Henrich Henkel beat L. Hecht in the singles by straight sets, 6-1, 7-5, 7-5. Von Cramm and Henkel paired in the double and won from the Czechoslovak pair.

Cricket  
After the big score set up by Leicester, who declared wickets, thinking they could beat New Zealand, they were fooled as the match was drawn, for rain stopped the final day before the men from down-under were out.

The New Zealanders are now playing Yorkshire, and the men from the Penine Range have a score of 314 runs for 5 wickets. Play will resume Monday.

In the third test match between the Australian girls and England started Saturday with Australia batting first, it looks like a walk-away for them as they piled up a score of 201 runs for eight wickets.

Tit-Bits  
Leicester football club won promotion to the First Division last season, but it cost them a lot of money to do it, but the directors say the financial loss will be compensated for by honour achieved. They are in the red by £7,776.

The Endeavour II got its first setback on Thursday last when Donald McPhee, navigator of the challenger for Americas Cup, died in hospital at Newport, R. I.

In the college sports between Oxford-Cambridge and Harvard-Yale the English schools had a fine day Saturday by taking seven events to four.

### Winners in Ladies' Golf on Friday Last

Next Friday to be Regular C.L.G.U. Competition.

Mrs. Geo. Lake won the Knox Cup in the ladies' competition at the Timmins Golf Club. Mrs. J. Sullivan was the winner of the spoon competition for 9-hole players.

The qualifying medal round for the club championship was played on Friday Mrs. Porter being the low qualifier. Matches are now being played off in this and the 9-hole competition.

Friday's play was also a C.L.G.U. round the winners of the balls being: 1st, Mrs. Sandwith; 2nd, flight, Miss Ann Scott; 9 holes, Mrs. W. A. Jones.

Next Friday afternoon will be regular C.L.G.U. round with afternoon tea as usual.

Bowmanville Statesman—Life is a riddle—in the end we must all give it up.

### Holds Down on Second

LEE HANDLEY  
Pittsburgh second-baseman, who is developing into a keen keystone keeper. Pie Traynor has had a good deal of difficulty finding a good second-baseman during recent years, and Lee has solved the problem.

### Timmins Golfers at Cochrane at Weekend

Pleasant Visit to Lee Golf Club at Cochrane.

Some twenty members of the Timmins Golf Club journeyed to Cochrane at the week-end to play an inter-club visit to that course. The weather was ideal for the day and all had a very pleasant day of golf and entertainment.

Nine holes were played in the morning and at one o'clock the members of both clubs were taken to the King George hotel and had dinner, after which another nine holes of golf were played.

At the dinner the president of the Lee Golf Club welcomed the members of the Timmins club for coming in such a large number and hoped that this would just be a start in more frequent visits to Cochrane.

Mr. L. Warrell, captain of the Lee Golf Club, congratulated the Timmins club for bringing such a good representation and announced that Messrs. Barnett and Lake of the Timmins club won the low score for the day and that they would have to settle the tie by driving competition after lunch, Lake being the winner of this.

J. H. Sandwith of the Timmins club won the driving competition.

The following members of the Timmins club made the trip to Cochrane: J. H. Sandwith, P. H. Carson, D. Cutchell, J. Greer, W. Rinn, M. J. Splane, S. R. McCoy, R. Eddy, Geo. Adams, A. F. McDowell, G. Thomas, Thos. Blackman, L. Barnett, J. Jack, Geo. Ross, Karl Eyre, Geo. Lake, Simard, Lingham, Barney Morris, J. Poupore.

Cochrane players—H. A. Ballard, L. R. Anderson, B. R. Jones, D. J. Wallace, N. G. Pugh, J. Greer, D. Greer, L. Warrell, D. Warrell, H. Warrell, W. Warrell, J. Leech, F. Kemp, F. Stopps, S. Thicknor, R. Fasano, W. Avery, E. M. Hobson, B. C. Faib, G. Kerr.

Members of the Timmins Golf Club who made the trip to Cochrane speak in highest terms of the pleasant hospitality shown them by the Cochrane club and the happy time enjoyed at golf. The friendliness of the Cochrane people will be long remembered.

### Big Plans for Race Meet at London, Ont.

With something like a couple of weeks to go yet, preparations are proceeding apace at Queen's Park, London's half-mile track, for the eleven-day running race meeting starting there on Wednesday, July 21 and ending Monday, August 2.

Every one of the four hundred stalls has been allotted and a number of horses will have to be stabled outside the grounds so many applications having been received for stall space. Incidentally every racing establishment, of note will be represented at the forthcoming meeting of the racing association sponsored by the Orpen-Hare interests and henceforth to be known as the Ascot Jockey Club, Limited. This name was chosen by Fred Orpen who always had a great admiration for the famous and exclusive English racing resort.

The forthcoming meeting will truly be a major one, inasmuch as the Saliva Test and moving picture camera for deciding close finishes are to be used for the first time at the London track. The Saliva Test will be given all winners and any horse suggested by the stewards or recommended by the veterinarian, and is for the purpose of discovering if any stimulants have been given the equines. The moving picture camera is a costly affair, first used in Canada at Dufferin Park and Long Branch in Toronto. The Orpen-Hare interests first introduced photo finishes with a still camera last year. The moving picture machine is a step forward for it decides not only the winning position but the other two placements.

Many other innovations will be adopted at the forthcoming session which bids fair to be the best since the fair grounds were leased by the Orpen-Hare folks two years ago. The eleven days chosen this year take in two Saturdays, two Wednesdays half-holidays and the Civic Holiday, which incidentally will be the closing day.

## Timmins Wins 5 to 3 from Porcupine in Good Game

Mason Pitched Nice Game and Strong at Finish. Cattarello Got Two of the Porcupine Runs. Senese's Curves Puzzled Timmins for First Few Innings, but They Made Each Swing Count Later.

Timmins continued their battle for the post of supremacy in the local baseball league when they defeated the improving Porcupine nine by the score of 5-3 at the McIntyre grounds on Friday night. Originally the game was to have been played at the ball park in Timmins but because the grounds were occupied by Sims' Shows the game had to be played on a foreign field.

Senese, the South End moundsman, was pulled in the last of the fourth in favour of Turner, who pitched the remaining five innings. Mason was going just as strong at the last stanza as he was when he opened the game.

Mason hit a double for the Timmins team and Romauldi dug into a triple. The Porcupine team secured 8 hits off Mason but they were all single. Cattarello, Schultz and Murray each drew two hits for the visitors and Dowling and Lenard were credited for the other safeties.

Cattarello, Porcupine's second baseman, scored the first run of the game in the first half of the first inning, and he happened to be the first batter to face Mason. He singled to the pitcher, was advanced to second on Harrison's single and scored on a single by Schultz.

The same player scored the second run for the South End team in the first of the third inning. He singled to left field, stole second, made third on a passed ball and scored after Darragh had caught Harrison's long fly into centre field.

Porcupine's final tally was made in the first of the ninth inning. Schultz singled to centre field, was advanced to second on Dowling's sacrifice and crossed the plate on Murray's single.

Wilson scored the first run for Timmins in the last of the first inning. He was granted a walk, made third on Darragh's single and scored on a long single by Coleman.

It took the boys from Timmins until the fourth inning to get wise to Senese's curves but when they did, they made every swing count. Coleman was the first man up and he singled to left field. He was advanced to second when Schultz errored on McCarthy's bunt and both players scored on Mason's double. Following Mason came Romauldi who hit the first pitched ball and it developed into a triple scoring Mason.

Romauldi crossed the score sheet on Darragh's single. Turner replaced Senese on the Porcupine mound at this time but the batters had already piled up a lead of three runs.

Porcupine tried extremely hard to overcome this lead in the remaining innings but were successful in making only one tally to leave the final score at 5-3 in favour of the Timmins team.

Timmins		AB R H PO A E				
Lawton 3b		3	0	0	2	2
Wilson, 2b		2	1	0	7	6
