Two Courts in Use at the Ball Park at South End. House Party Proves Big Success at Dome Mines. Sol Sky Installed as District Deputy Grand Master I.O.O.F. Other News of South Porcupine and Dome.

South Porcupine, July 17th.—(Special to The Advance)—The garden party tea held on Thursday afternoon at the home of Mrs. W. H. Johns, Dome Mines, by the Women's Auxiliary of St. Paul's Church, turned out to be a house tea after all. The day was extremely wet, one of the most unpleasant that we have had lately, but that did not deter the ladies. A very gratifying number

turned out to the tea, and a very lovely tea was served to them. Mrs. Johns, assisted by Mrs. Woodall, Mrs. A. H. Cooke, Mrs. Jay and Mrs. Adamson served tea, assisted by Misses Mary and Clarice Curtis, Miss Hills, and Miss T. Miner. A special "Post Office" was in charge of Mrs. W. Lemmon on the sunporch. Letters and parcels from far and near had been sent (by request) to Mrs. Johns, and any person enquiring for mail could receive one of them for a small fee. Each contained an article valued at the sum charged. A most gratifying sum resulted from this novelty. With a number of delicious articles of baking on sale, the sum realized from the tea fully repaid the ladies for their time and work and the patrons spent a most enjoyable afternoon in a pleasant home with pleasant company.

town left this week for his home. During his stay here he was entertained extensively by the Jewish people in camp.

Mr. and Mrs. Elliott and family, of Town, have moved this week to reside in Lakeview.

Miss Peggy Edwards, of Dome Ex., is spending a holiday in Noranda.

Born—On Thursday, July 15th, at Commercial avenue, South Porcupine—a son—to Mr. and Mrs. Leo Allard (nee Edgarleen Owens).

Mrs. Russ Cameron is spending a few days at the summer cottage of Mrs. Purdon at Sesekinika.

Mr. Stevenson, of the Bank of Toronto, is holidaying in Toronto.

Mr. Bill Thompson, of the South End Garage, is on holiday in Strathroy.

Miss Jean Andrews is spending a week or two in Cochrane, visiting with her cousin, Miss Anne Marie Elliott.

Miss Dallas Woollings, of Englehart, is paying a visit at the home of Dr. and Mrs. R. P. Smith.

Miss Nadynne Smith returned from a visit to Englehart last week, in time to celebrate her ninth birthday at home.

With a number of her little friends she held a very lovely birthday party, taking them all first to the matinee at the theatre, then all coming back to be regaled with birthday cake and all party trimmings, and a nice time at her home on Main street.

Mr. and Mrs. Ray Anderson came back to camp from Sundridge on Friday.

Mrs. J. Ostrom entertained at tea on Friday and Saturday afternoon in honour of her sister-in-law, Mrs. Stitt, of Fort Coulonge who is visiting here.

Mrs. J. Andrews was joint hostess with Mrs. Ostrom.

Mrs. Matt Daley and daughter, of Detroit, who have been visiting at the home of the former's niece, Mrs. Payette, left for home on Thursday.

Mr. Bullen, from Texas, an elderly gentleman who has been visiting the camp, was taken by Air Pilot H. Smith on Thursday on a flight over the camp and the Abitibi plant at Iroquois Falls.

A son-in-law had helped to build the plant there, hence his interest.

Mr. H. C. Smith flew a fishing party with Mr. Wright of Sesekinika as host, to Lake Makobe for the week-end.

Visiting Mrs. Starling for a few days this week were Mrs. Smith of Manor

Park, England, and her daughter-in-law, Mrs. Smith, of Niagara Falls. The former lady has been visiting other relatives in this country, and is the mother of Mrs. Stanley Starling, of England, eldest son of Mrs. Starling of South Porcupine.

The new tennis court in the ball park is now being used. A week ago it was ready, a number of tennis enthusiasts having been working to prepare it. The council gave the space, if the tennis players put it in shape. Mr. Hal Smith is president of the new club formed—The Tisdale Tennis Club—and Mr. J. Bowen is secretary. A ladies' membership and a junior membership is permissible, and the fees are quite moderate. Twenty-five men have joined already, and we are hoping to see the club go ahead. Two courts with clay and sand foundation are open for use; and application may be made to the secretary for membership. Visitors to town will be allowed to use the courts accompanied by members.

An interesting ceremony took place at the Oddfellows' Lodge on Monday night, when Mr. Sol Sky was installed as District Deputy Grand Master of the Oddfellows by the District Deputy, J. Harris, and the District Committee:—J. McLeland, of Cochrane, acted as Grand Warden; H. Richmond, of Dome Ex., as Grand Recording Secretary; J. Brough, of Timmins, as Grand Financial Secretary; L. J. Rowland, of Timmins, as Grand Chaplain; Horace McEwen, of Iroquois Falls, as Grand Treasurer; W. J. Willis, of Timmins, as Grand Marshal, and a good attendance of Oddfellows was present. The District Committee have decided to have a monster picnic at Childs Beach on Sunday, August 1st. All members of all five lodges (Cochrane, Matheson, Iroquois Falls, Timmins, South Porcupine) and families are invited. Pledges will be issued to heads of families which will enable free participation in sports, ice cream, drinks, etc., and two cups (donated by S. Sky) will be put up as prizes in the sports competitions. They intend making this the biggest event yet held, and hope to have a big crowd there.

Mrs. L. D. Rayno, of Detroit, and Mrs. D. Swaisland, of Kitchener, are expected today to stay with the former's daughter, Mrs. Gus Knutson, of Connaught Hill.

Mr. Marshall, of Rouyn, has been appointed as Chief of Police for Whitney, taking the place of Mr. George Merritt.

Dr. Kinsman left on Saturday to spend a few weeks with his family, who are on vacation at Lake Simcoe.

Our new hospital may be soon a reality. A directors' meeting was recently held and Mr. J. H. Stovel was appointed president, the other members being Mr. R. P. Kinkel, of the Buffalo Ankerite, Mr. F. C. Evans, Mr. John Fell, Dr. McLaren and Dr. Kinsman. The name will be the Porcupine General Hospital and the site the Foley O'Brien hill or vicinity. A definite campaign is to be launched early in August for funds. Each person will be approached and if the people show by their interest and subscriptions that they want a hospital it will be an accomplished fact. The mines will do their share. Plans have been drawn up and have been for some time in the hands of the directors. A larger hospital at this end of the camp is a growing necessity for while we are grateful for the hospital we now have, all are cognisant of the fact that it is not big enough to fill the needs of our community. More definite and fuller details of this campaign will be given later.

Plan 25-Bed Hospital for East of Camp

(Continued from Page One)

that conditions were different now and under the new circumstances the hospital could scarcely come under the head of a Mission hospital. The building was in need of repair and extension and larger additions were needed to the accommodation than the Mission Board felt it could assume. Consequently the Presbyterian Mission Board would like to be relieved of the obligation. As a result of the negotiations the South Porcupine hospital was turned over to the Porcupine Hospital Association. After a careful study of the situation and the needs, the association finds that a new hospital, fully equipped, is required. The present hospital is a ten-bed hospital. It should be at least a twenty-five bed hospital, with provision made for extensions as the needs arise.

With the idea of having a community hospital for the east end of the camp, it is planned to start a campaign to raise the necessary funds. This campaign will commence within the next couple of weeks. It may be said that all the mines are behind the plan and will give it the fullest support. Indeed, it is understood that the mines concerned will give support fully equal to that shown by the people of the community. Accordingly, it is not too much to say that the extent and type of the hospital service will be restricted only by the extent of the support of the community.

Before the inauguration of the campaign for membership a detailed review of the purposes and plans of the Porcupine General Hospital Association will be given to the people of the communities to be served. In the South Porcupine column of The Advance there is a reference this week to the matter and further details will be given from time to time. Anyone interested may secure information in the matter from any of the members of the board of directors. It would be well for all to inform themselves of the plans and purposes of the association, the needs of the situation, and the way in which the proposed Porcupine General Hospital will meet the needs, so that when the planned campaign for memberships and other contributions is started all will understand fully the

Heavy Rain Floods Cellars on Maple St.

Two Feet of Water Under Subway. Roads Washed Out in Some Parts of the Town

Heavy rains which fell last week did not do a great deal of harm in Timmins aside from flooding a few cellars and inconveniencing several people who have their homes on Maple street north.

Five or six basements on Maple street north were flooded to a depth of several inches. One home on Pay street was flooded. This flooding was caused largely by the fact that surface water and sewage were too much for the drains, which blocked and backed up.

There were two feet of water in the subway on Fourth avenue in the early part of the day. This did not do any damage aside from splashing the automobiles of a few motorists who did not go through it slowly. It was caused, not by a blocked sewer but by the fact that the sewer was just not big enough to accommodate the water it was required to carry.

Road surfaces were washed away or partly so in several parts of the town. Streets where that happened were Eighth avenue near Ray street, North Cameron street and Main street.

J. D. MacLean, town engineer, said that the town could not accept any liability for damage done by water. Rain is an act of God. The sewers are big enough to accommodate ordinary sanitary sewage and the town cannot be held responsible for any extra burden they are called upon to carry.

The overloading of the sewers is caused mainly by surface water draining into cellars, from there into cellar drains, and from there into sewers. Mr. MacLean said that steps would be taken to enlarge the drain which handles the water from the subway.

Pretty Wedding Thursday at St. Matthew's Church

A pretty wedding took place in the St. Matthew's Anglican Church, on Thursday when Helen Mary, daughter of Mr. and Mrs. Robert Morton, of Toronto, became the bride of Charles Sullie, son of Mr. and Mrs. J. Sullie, of Timmins. Rev. Canon Cushing officiated at the wedding.

The witnesses were Miss Annie Borowski and Mr. Charles Hinchcliffe, both of Timmins.

Timmins A. Y. P. A. Wins Fowler Cup at Sports Day

Interesting and Amusing Event Held on Wednesday at Barber's Bay and Bayside Beach When Local Council of Anglican Young People's Association Held Annual Day of Sports, and Picnic.

On Wednesday afternoon and evening the local Council of the Cochrane District Anglican Young People's Association met at Barber's Bay and Bayside Beach for its annual sports day and picnic. About seventy-five representatives of Iroquois Falls, South Porcupine and Timmins were present.

The sports programme is rather novel in that it provides plenty of spills and thrills for spectators and contestants. All events are of a variety which is amusing rather than athletic.

The programme started with a wheelbarrow race wherein several pushers attempted to get ahead of their barrows and ended disastrously for the team. This event was won by the South Porcupine team of Ruby Naish and Ivan Lang; second, Ann Jopson and Reg. Fisher of Timmins; and third, the Timmins team of Madge Webb and Johnny Lonsdale.

The shoe race proved that practice makes perfect when it comes to lacing shoes. Lettie Habib and Reg Fisher of Timmins romped home first; Rhona and Vince Deacock of Timmins second; Ethel Jones and Grover Gillespie of South Porcupine, third.

It is surprising how many legs three people have in a four-legged race. But the Timmins team of Geraldine Turcotte, Clem Leaman and Reg Fisher kept theirs untangled until they finished the course; second, Lettie Habib, Elmer Wheeler and Ted Thomas, Timmins; and third, Ethel Jones, Grover Gillespie and Lyman Smith.

The relay was closely contested and the Timmins team of Geraldine Turcotte, Lettie Habib, Ted Thomas and Merton Lake just edged out the South Porcupine team of Ruby Naish, Beulah Clemons, Ivan Lang and Grover Gillespie; third place went to the Timmins team of Rhona Deacock, Madge Webb, Vince Deacock and Reg Fisher.

The sack race was a clean sweep for Timmins as their three teams finished first, Rhona Deacock and Merton Lake; second, Geraldine Turcotte and Ted Thomas; third, Ann Jopson and Elmer Wheeler.

During the course of the afternoon the members enjoyed swimming, boating, softball and other picnic pleasures, not forgetting a delicious picnic lunch. Afterwards the members retired to the pavilion and after a pianist was found, many enjoyed dancing for a short time. The day's programme was topped off with a light lunch of hot dogs and coffee. As the members left for their respective destinations the general opinion was that all present had had an enjoyable time.

The next Local Council meeting will be held in the form of a social evening at South Porcupine on August 18th.
