

McSHANE HURLS FIVE-HITTER AGAINST TOBURN MINES

Ninth Inning Gives Macs Decisive Win Over Porcupine

South Enders Hold McIntyre Until Final Inning when They Break Away and Score Five Runs. Leonard Hits the Only Home Run of the Game.

A strong ninth inning rally, during which five runs were scored, gave Ike Solomon's McIntyre squad an 11 to 6 decision over Porcupine in a close game in the latter team's home town on Monday evening. The South Enders held the powerful Macs until the final inning, when Price, Hann, Cybulski, Angrignon and Quinn clouted the ball and came home. Gilbert's double brought Quinn home.

Porcupine had only one strong inning. In the second, Harrison, Collins, Leonard, Horne and Turner made the round trip. The only other run was a homer hit by Leonard in the sixth inning. He hit a high line one over right field to make the circuit.

In retaliation for Porcupine's good inning McIntyre walloped four runs home in the third. Scorers were Price, Hann, Cybulski and Angrignon. With Price's run in the first which was brought home by Cybulski's hit the Macs were on equal terms with Porcupine at the end of the third inning. Each team had five runs.

However, the hard hitting miners drew away in the fifth when Cybulski got to a base by an error on first and came home on Quinn's hit after Angrignon was caught at fifth and Prout fanned. At the end of the sixth inning, after Leonard made his homer for Porcupine, both teams were again on even terms with a half dozen runs each. The big ninth inning for McIntyre told the story.

Callery, pitching for McIntyre, allowed six hits. McIntyre batters got fourteen hits off of Turner for their eleven runs. Callery struck out seven Porcupine batters and Turner, in the box for the home team, had three strike-outs to his credit.

Price opened the game with a sharp drive through the pitcher's box. Hann sacrificed to put him on second and he came in on Cybulski's hit to right field. In the second inning Porcupine came to the fore. Harrison led off with a single through centre infield and successive hits by Horne, Leonard, Collins and Turner were responsible for five runs. McIntyre retaliated. After Callery fled out to Harrison, Porcupine short stop, Price, hit a smart one, Hann walked, Cybulski's hit through Harrison brought Price home, Angrignon's two-base hit brought Hann and Cybulski home and Angrignon crossed the plate on Quinn's wallop over second. In the fifth Quinn hit over the same spot to bring Cybulski home for his second.

Leonard hit a clean homer in the sixth to hearten the Porcupine team and tie the score until the ninth inning. In the ninth Price, McIntyre left fielders, hit through second base to start the parade. Hann got to first on Leonard's error and Cybulski, who hit four times throughout the game, smashed the sphere between second and short stop in a high lob. Angrignon's wallop over first brought Price home and Hann and Cybulski walked over the pan when Quinn hit a long one into centre field. Porcupine replaced Turner, in the pitcher's box, with Cox, but Gilbert managed to hit him for a double to bring Angrignon and Quinn home.

Porcupine put in two pinch hitters, Chambers and Cox for Collins and Turner but Callery was too much for them.

Porcupine	AB	R	H	P	O	A

Second Foster Cup Game at Dome Saturday Evening

McIntyre and Dome meet in the second Foster Cup game at Dome field on Saturday evening. The first game of the series for the trophy was played at McIntyre on Tuesday evening and the Macs head and toe squad outplayed and outscored the Domesters 7 to 1. On their own field the Dome team will likely put up a better exhibition.

Lady Golfers to Go to Iroquois Falls Friday

Many of the ladies of the Timmins Golf Club have planned to take in the trip to Iroquois Falls to-morrow. The Iroquois Falls lady golfers extended an invitation to the lady golfers of Timmins to visit the Falls on Friday of this week (to-morrow) for luncheon and play. The visit to Iroquois Falls is always considered by the lady golfers here as one of the most outstanding of the popular and pleasant events of the season.

Intercollegiate Dance at Riverside, Friday Night

All are looking forward to the Intercollegiate dance, to be held this year on Friday (to-morrow) evening, July 23rd, at the Riverside pavilion. The young people in charge of the event have completed arrangements to assure the complete success of the event. If you have not yet secured your ticket you should do so at once by getting in touch with any of the following:—W. D. Kealey, McIntyre Mine; George Richards, Dome Mines; Miss Marion Ostroff, 11 Hemlock street; H. F. Benigrie; Bob Wilson; Jack Maw. It is well to remember that the number of tickets is limited to two hundred, while at the same time positively no tickets are to be sold at the door. This means that all attending are required to have a ticket and that the number of tickets being limited it is necessary for those wishing to enjoy this happy event to get in touch with one of those listed above in this item and secure a ticket. Those who secured their tickets early have assured themselves against disappointment.

Marconi, Wireless Genius Dies from Heart Attack

Guglielmo Marconi, who invented wireless telegraphy when he was only 21 years of age, died from a heart attack on Monday night at the ancient palace in down-town Rome where he lived and worked. He was only 62 years of age. While acting as signaller in the Italian Army Marconi constructed an apparatus for sending and receiving electric waves. His first invention of this kind would only carry a mile. He kept experimenting, however, and increasing the distance until at last 128 miles was practical for the "dots and dashes." He then tried to enlist the help of the Italian government but could not arouse interest there. He went to England where he received both encouragement and financial support. His wireless invention eventually was installed on all ships, and countless lives have been saved by this fact. The survivors of the Titanic presented Marconi with a gold medal, because they recognized that his invention had saved their lives by bringing them speedy help. Recently Marconi was working on the use of short radio waves for surgery, his experiments being halted by death. Only a few days before his death, Marconi told George Lansbury, veteran British labour leader, that he was deeply worried because "the world's scientific genius is being used too much to create weapons of destruction, rather than aids to life and better living."

Will Britain's "Money" Player Come Through?

Next Tuesday will be the finals for the international competition for the Davis Cup will have been completed for 1937 and experts are not quite sure that Great Britain will lose the lawn tennis trophy. H. W. "Bunny" Austin is almost unbeatable in Davis Cup play and although Fred Perry will no longer be on hand to capture two sure points for Great Britain, Austin may step into his shoes and confound the critics.

McIntyre Scores High on the Dome in First for Foster Cup

Macs. Outscore and Outplay the Dome Soccer Team in the First Match in Foster Cup Series. Score was 7 to 1. Tommy Searle With Five Goals is Hero of Game.

The team that trims McIntyre for the Foster Cup is going to have to be good. At McIntyre field on Tuesday evening the home team gave an indication of the manner in which they are going after the trophy, wiping up the field with Dome by a 7 to 1 score.

McIntyre just couldn't do anything wrong. Their goals were all fairly earned and they were more aggressive throughout the whole game than Dome.

Tommy Searle, with five goals and one assist was the hero of the evening. He booted them from all sides and angles and they usually managed to find their way through the uprisings.

The one goal Dome was scored on a penalty kick given when Smith fouled, touching the ball with his hand in the penalty kick. Urquhart booted the ball squarely between the sticks.

McIntyre scored two goals in the first half. After twenty-seven minutes of play, during which time McIntyre had had about seven kicks on the Dome goal as compared to Dome's one or two at the most on McIntyre, Rodgers took Searle's pass and kicked a nice angle shot from about five yards out. The ball caught Baxter on the wrong side of the goal.

Soon after Rodgers kicked again from the same spot. The ball sped towards the goal but it was a little high and struck the cross bar. After thirty-eight minutes of play Reg. Dunston's kick was responsible for the second McIntyre goal in the first half. Dunston's kick was deflected on Searle's foot and if Baxter, in goal, had any chance of getting it before, he was tricked by the new angle taken by the ball when it was within a yard of the goal.

In the second half McIntyre played down the field, with the wind. First goal of the period was the penalty shot awarded Urquhart, on which he scored Dome's only goal.

Less than a minute after the penalty shot resulted in a goal, Tommy Searle retaliated for the Macs. He was key man on a nice play that put him right in front of the net. He added his first goal of the game. The second came soon after.

Rodgers came in on the Dome goal with the ball, from the corner. He was bodied and knocked down. The ball went back into the corner and this time Reg. Dunston brought it out. His low, fast pass to Searle, who was in front of the net, was perfectly placed. Searle simply booted it in.

By this time McIntyre was just playing with Dome. They added another in a short time; the sixth when Tommy Searle's shot hit the inside of the upright and deflected into the net and the seventh when Searle was end man on a three-man play.

The game, near the end was not at all interesting. The McIntyre team, at full strength for one of the first times this season, with every man playing his proper position, was so much better than Dome that the fans started to leave before the game was over, and that is a rare thing to see at a soccer game.

McIntyre: Goal, Bannerman; backs, McAdams, Mayer; halfbacks, Jim Dawson, Morrison, Smith; forwards, E. Dunston, R. Dunston, Sarrow, C. Dawson, Rodgers; subs, Morrison, Jackson.

Dome: Goal, Baxter; backs, Pryor, Hampton; halfbacks, Crawford, Paynter, Urquhart; forwards, Stanley, Cooper, Jones, Chambers, Galbraith; subs, Searle, Lone, Cockburn.

Referee—Cliff Thompson.

British title, saw the Louis-Braddock fight, and says Farr will win. He would like to have a go at Louis himself.

Sizing the whole racket up, what's it all about—who is Louis and what has he been up against? Never-wasers and an old man, he took the title from Schmeling was his first good man to bump up against and he got bumped, as for Farr it remains to be seen what he can do with him.

Jim Warnock, the Irish flyweight champion, meets Peter Kane tonight if the doctor passes Kane for his optic and hand injury.

Tennis
It is United States and Great Britain in the finals to start Saturday.

On Monday Budge and Make won the doubles from Henkel and Cramm of Germany. After dropping the first set 4-6, they won the other three 7-5, 8-6, 6-4.

Tuesday saw the last of the interzone plays when Henkel of Germany won from Grant in four sets, 7-5, 2-6, 6-3 and 6-4.

Budge and the German ace Gottfried von Cramm had hard games and had to go five sets, 6-8, 5-7, 6-4, 6-2 and 8-6.

T. Bts
Hardy R. Ballington, the 24-year-old Durban long distance runner, lowered two records set up by Arthur Newton.

The South African ran 1000 miles in 13 hours, 21 minutes and 19 seconds. Newton's record time in 1934 was 14 hours, 11 minutes, 30 seconds.

For the 100 miles he ran it in 13 hours, 19 minutes. Newton's record time was 14 hours, 6 minutes.

Football
Ulster United won their second football match against C.P.R. Glen Yards of Montreal, Monday by a score of 2-1 in the Dominion Cup series.

It was a hard fought battle and Glen Yards looked good for a win and to force a third match.

Glen Yards scored first after twenty minutes of play. Ulster tied it up two minutes later.

In the second half the Irish scored the last goal to win and will meet Frood Mines on Saturday if other arrangements are not made.

T. Bts
The New Zealanders won their cricket match against Scotland Monday by three wickets. Incidentally this match was not played at St. Andrew's.

The Oxford - Cambridge athletes visited Hamilton on Tuesday, and Mr. Loring showed Mr. G. K. Brown, the English crack runner, his dust in winning the 440 in record time. He also won the 220 low hurdle.

Porcupine to Play Ball Here Tomorrow

McIntyre Well Out in Front in League Standing, but Other Teams Fighting Hard.

After Porcupine's decisive defeat by Timmins on Monday night the South Enders will seek whom they may devour when they meet Timmins here to-morrow night at the ball park.

Timmins has won every home game played against Porcupine but there is always a first time and the local players will have to be on their toes to handle a tough assignment.

On Monday evening Porcupine will get a chance to revenge themselves on the Macs Miners. The two teams met at McIntyre field. On Wednesday, July 28, Timmins will play at Porcupine and on the same day McIntyre meets Lake Shore in an outside game.

Their win over Porcupine on Monday evening put McIntyre well in the lead in the standing. It is doubtful if they could be beaten out now for first place in the schedule.

Standing up to Monday is as follows:

	Won	Lost	Tied	Points
McIntyre	5	5	0	11
Timmins	3	2	1	7
Porcupine	2	5	0	4

Timmins Anglers Assured of Fish for Future Pickford Cups

Eight Thousand Fingerlings, One Year Old, to be Placed in Nearby Lakes and Streams. Volunteers with Trucks Asked to Help in Transportation of the Fish for Distribution.

In case a Porcupine district fisherman does not catch a trout that is large and beautiful enough to win the coveted Mary Pickford Trophy this year, steps are being taken to have plenty of fish available for future years. Eight thousand trout fingerlings will be brought here next week for disposition in the various lakes and streams around this city.

The fingerlings will be one year old. They will be brought here in tanks and volunteers are asked to have them conveyed to the waters in the district. Truck owners who would like to volunteer for the job are asked to apply to Jack Brady, London Life office, or to Game Warden Phil Boudreau.

A number of Timmins fishermen have been out with their trout tackle and flies after a "big un" but no reports of fish of extraordinary size or beauty have been turned in yet.

The Mary Pickford Trophy was presented, as one would imagine, by Mary Pickford for the largest and most beautiful trout caught on trout tackle and fly in Ontario waters. It is open to all Ontario fishermen.

When Mary Pickford was last in Toronto she was entertained by William Lang, one of Canada's most ardent

Ike Solomon's Mining Squad Wins Close Game from Toburn

Nine Innings of Hard-Fought Ball Results in Final Two to One Win for McIntyre in Ennis Cup Game Yesterday Afternoon. Fielding of Both Teams Excellent.

Ike Solomon's McIntyre squad which has proved to be almost unbeatable in this district had a tough time yesterday afternoon with a tight fielding team from Toburn, playing here in an Ennis Cup game. The Macs worked out a 2 to 1 victory after nine innings of hard-fought, close ball.

McShane, lanky McIntyre moundsman, held the visitors down to five hits and struck out two of the walloping Toburn hitters. In the box for the visitors Zalbo allowed nine hits and struck one man out.

Cybulski, who led the McIntyre batters with a triple, a double and a single, got one of the Mac runs. The other was scored by McShane, who came home on Price's two-bag hit. Hillman was the Toburn hitter. He came in on Rudell's triple.

Cybulski and Quinn had a merry time during the afternoon with two double plays to their credit. On the first, Cybulski got Savoies liner on first and heaved to Quinn who caught Speck on his way to second. The other double play ended the game. The order was reversed, Quinn heaved to Cybulski to catch Hillman and Savoie.

Most of the McIntyre outs came on long high flies that were capably handled by the Toburn outfielders. One of the best catches of the game, however, was made by Angrignon. McIntyre centre fielder. He ran about thirty yards at break-neck speed to get Alexander's high fly and speared it nicely.

Apparently thinking of the weather or the music of a grind organ that was playing outside the fence Cybulski was caught cold off third base in the sixth inning. The Toburn receiver, Elliott, merely threw the ball to Rudell, third baseman, Cybulski made no move to get back to the base. He was thinking of something else. The crowd laughed and "Cy" ambled off the field smiling sheepishly.

McIntyre runs came in the fourth inning and during the fifth. After Hann

Schumacher and the Tuxis Tie, 18 to 18

Game Called at End of the Seventh on Account of Darkness.

The Tuxis went over to Schumacher for a return softball game on Monday night against Schumacher.

At the end of the seventh the score was tied 18-18, but it was too dark to carry on.

In the first innings the Tuxis were at bat thirteen times and scored eight runs.

Schumacher scored five in their half of the first, and both teams scored five more in the second.

The game settled down from then on with the exception of Schumacher's half of the fourth when they scored five more runs.

Schumacher scored one in each of the fifth and sixth frames, and the Tuxis two in the sixth.

Tuxis: 8 5 0 2 1 2 0—18
Schumacher: 5 5 1 5 1 0—18

Tuxis:—A. Black 1b; McLaren cf; R. Lake 3b; Hornby ss; Schroeder p; C. Black c; McLeilan 2b; Dunn rf; Easton lf; Munroe replaced Easton in the fifth.

Schumacher:—Small, c; Tait 1b; Craig ss; B. Harris p; Culverson lf; Calverly 3b; Stewart cf; H. Harris 2b; Thompson rf; Laughran rf.

Tait and the two Harris were the heavy hitters for Schumacher. The two Placks, Dunn and McLaren, did the walloping for the Tuxis.

Kirkland Lacrosse Fans Wait Word from Timmins

The following is reproduced just as it appeared in Tuesday's Northern News of Kirkland Lake:

"The Kirkland Lake lacrosse team after weeks of practice, is apparently at top form and waiting for arrangements with Timmins to be completed for an exhibition series with an "All-Star" group from the Timmins league.

"The local unit appears in the pink of condition and ready for a game at any time, "Dutch" Felvus, manager of the team said this week. During the last few days several more boys have turned out for the team and one of the most promising candidates in the late practices is Gordon Millett, who played hockey for Toburn in the Gold Belt Hockey League last season. Millett has shown up well in the practices he has attended.

"The team lost a valuable player last week when "Red" Brown, who has had considerable experience with Orangeville and Hamilton Tigers in the O.A.L.A., vacated for Timmins. He will play for the Porcupine against the local team when the series opens.

"Local officials are still waiting for word from the Timmins heads regarding dates and transportation and gate arrangements."

The T.P.A.A.A. won last night's baseball encounter against the Canadians by a score of 19-3.

The cops were strengthened by the addition of four players from the Tuxis squad to fill the vacant holes in their team.
