

## Four Double Weddings Here in Two Days

### Mail Delivery Pressed by Councillor Cousins

Followed up Council Resolution by Personal Touch with Member. Explained Need for Addition to Post Office Service. Some Citizens Have to Walk as Much as a Mile and a Half for Mail.

In last Thursday's Advance reference was made as to the possibility of the inauguration of mail delivery in Timmins at an early date. It was recalled that an amount had been included in the estimates at the last session of the Dominion parliament for mail delivery in Timmins, but no official announcement had been made as to when it was planned to inaugurate the service here. Recently mail delivery has been carried through in Kirkland Lake, but no particulars were available in regard to the date when Timmins might expect similar service. Several months ago the Timmins town council passed a resolution urging the inauguration of a mail delivery service for the town, but in the meantime nothing appeared to result from all this. Then last week notices were posted on the bulletin board at the post office calling for applications for men to do the mail delivering. This looked as if action were planned for the near future, particularly as applications were required to be in by July 31st.

The following correspondence throws (Continued on Page Eight)

### Happy Time Spent at the College Dance

Annual Event Proves Pleasing Success at Riverside Pavilion.

The Intercollegiate Dance—another night of merrymaking and whole-hearted fun at the popular Riverside Pavilion. Pleasing music for the dancing was supplied by Al Pierini and his band as the shaded lights played over the lovely array of new summer gowns worn by the ladies. Only those who had been lucky enough to procure invitation (of which there were merely 200) were allowed to enter the dance hall. The names of different colleges were hung up on the walls and many a time some dancer would stop and declare, "That's the place I went to," and dance on, some how looking happier after this outburst.

From 12.30 a.m. until 2 a.m. a delicious lunch of coffee, cake, sandwiches, and cookies was served, and not very long after, the happy crowd departed for their homes.

### Men Refusing to Work Proving Problem Here

Between Fifteen and Twenty Object to Work on Highway. Will Not Receive Further Consideration, Says Government Bureau Superintendent. Town Authorities Take Similar Stand.

One of the problems arising here last week is the fact that a number of men seem to be averse to accepting employment when offered it. Of course, there has always been the odd man who apparently didn't want to work, and found fault with any job provided him. Last week, however, the matter came to a head, as it were, when between fifteen and twenty men refused to accept jobs that seemed to pay well and have good conditions. These men were offered work on the highway construction at Pamour, but turned the offer down flat. Some of them gave reasons such as that the work was too hard for them, that they didn't believe in inoculation, that they had no way of living until they drew their first pay at the end of the month, and others that they did not want to live out-of-town and not be sure that their families were all right.

Unemployed men who won't work when work is offered them will receive scant sympathy at the Ontario Government Employment Bureau, said Superintendent D. F. Murphy, on Saturday. He referred to a number of men who have refused jobs with the Dominion Construction Company, working on the road between Pamour and South Porcupine.

The Dominion Construction Company has contracted to take fifty per cent. of the men it uses from Timmins relief rolls but this is becoming increasingly difficult.

"The company can hardly be expected to keep up that policy when men refuse to take jobs and when some of the men they have hired are no good," said Mr. Murphy. "Some of the men we have sent out, who are not in the very best of physical condition are doing a better day's work than some of the others much better able to handle the job. Some of them think all they have to do is sit under the trees."

Between fifteen and twenty men who need work refused jobs on the road for

### Weather Will Clear To-morrow

Probabilities are "Fine and Warmer." The Weather Should Begin to Clear To-night or To-morrow.

The weather should begin to clear tonight or tomorrow and the probabilities are "fine and warmer," the weatherman said this morning. Rain-fall from yesterday at two o'clock until eight o'clock this morning amounted to 2.15 inches, which is extremely heavy.

On Thursday of last week the maximum temperature was 87 degrees and the minimum 60. Maximum on Friday was 84 and minimum 65. 75 was the maximum on Saturday. The minimum was 54. Last night at eight o'clock the minimum temperature was 42 degrees. Today at eight o'clock it was 42.

There were a few drops of rain on Thursday and on Friday it rained from 1.45 in the afternoon until 8.45 in the evening. At the time of going to press it has rained now consistently for twenty-one hours. However the weatherman believes it will soon clear. He prophesies cloudy weather with rain and showers until the weather does clear.

### Four Double Weddings in Two Days

Two Double Weddings on Saturday, Two Monday.

Double weddings have attained the standing of a new style in Timmins and district. There were no less than four different wedding in two days at the week-end, two double weddings on Saturday and two to-day—double, double, as it were. Timmins has evidently become "double wedding conscious."

One of the problems arising here last week is the fact that a number of men seem to be averse to accepting employment when offered it. Of course, there has always been the odd man who apparently didn't want to work, and found fault with any job provided him. Last week, however, the matter came to a head, as it were, when between fifteen and twenty men refused to accept jobs that seemed to pay well and have good conditions. These men were offered work on the highway construction at Pamour, but turned the offer down flat. Some of them gave reasons such as that the work was too hard for them, that they didn't believe in inoculation, that they had no way of living until they drew their first pay at the end of the month, and others that they did not want to live out-of-town and not be sure that their families were all right.

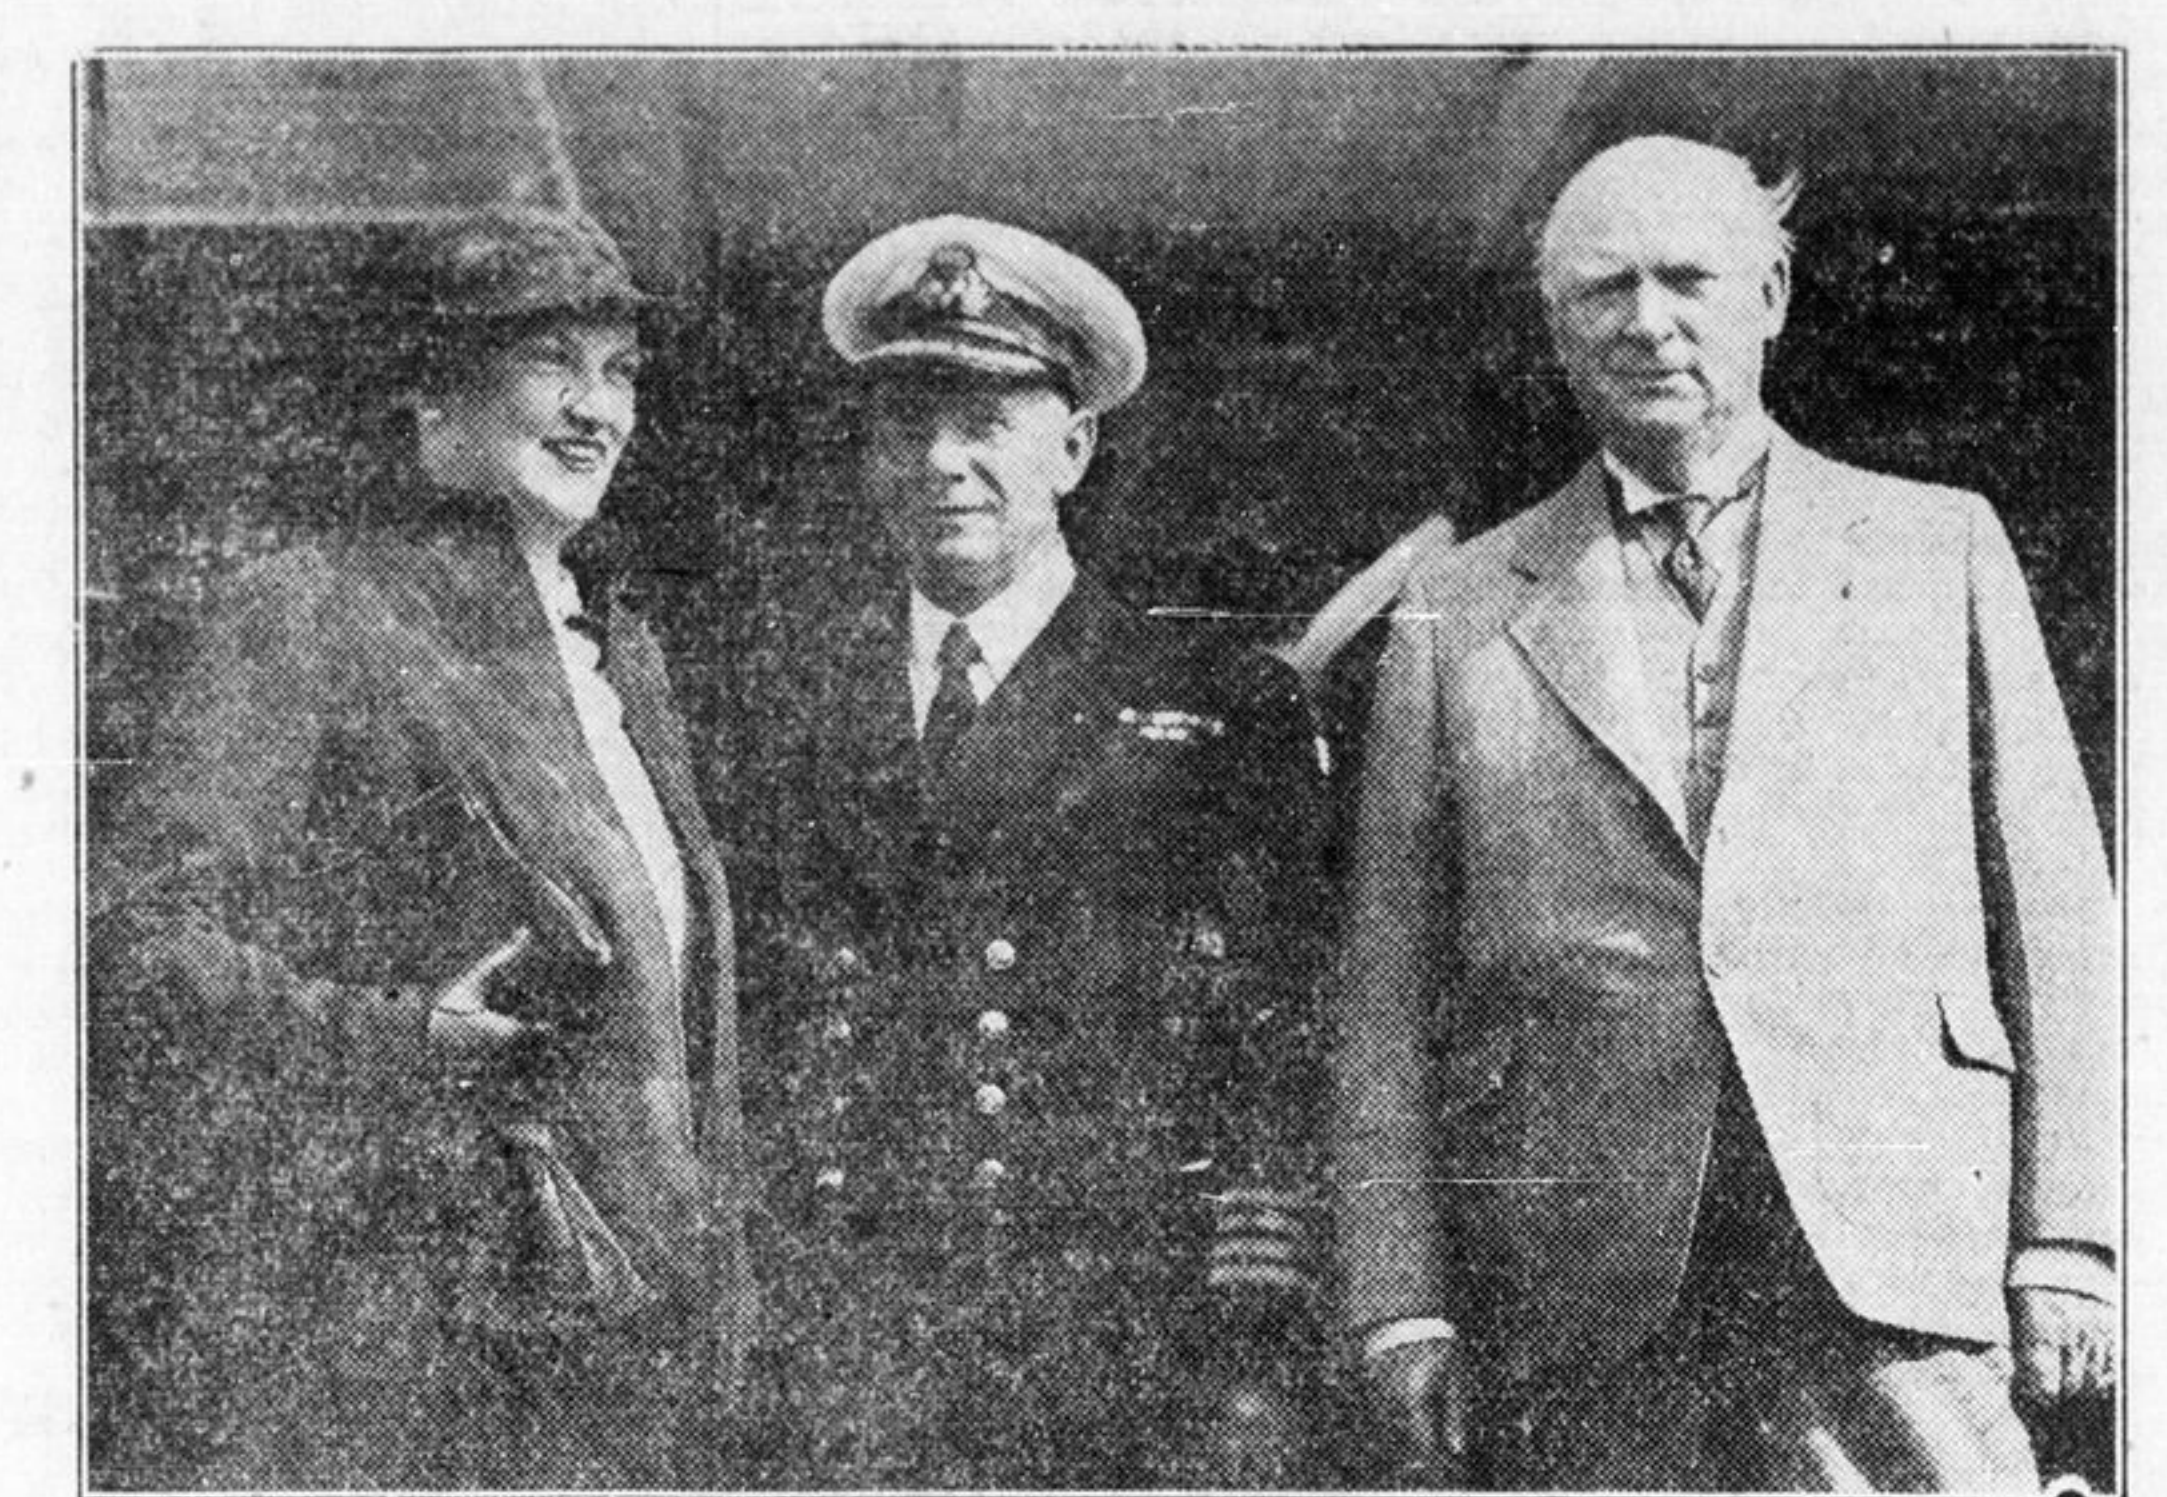

Unemployed men who won't work when work is offered them will receive scant sympathy at the Ontario Government Employment Bureau, said Superintendent D. F. Murphy, on Saturday. He referred to a number of men who have refused jobs with the Dominion Construction Company, working on the road between Pamour and South Porcupine.

The Dominion Construction Company has contracted to take fifty per cent. of the men it uses from Timmins relief rolls but this is becoming increasingly difficult.

"The company can hardly be expected to keep up that policy when men refuse to take jobs and when some of the men they have hired are no good," said Mr. Murphy. "Some of the men we have sent out, who are not in the very best of physical condition are doing a better day's work than some of the others much better able to handle the job. Some of them think all they have to do is sit under the trees."

### CONSERVATIVE LEADER RETURNS FROM THE MOTHER COUNTRY

Right Hon. R. B. Bennett, P.C., Leader of the Conservative Opposition in the Dominion House of Commons, photographed with Captain H. J. Ferguson, commander of the Canadian Pacific liner "Montcalm" and Mr. Bennett's sister, Mrs. W. D. Herridge, upon his arrival in Canada from England. Mr. Bennett, who has been absent from the Dominion since April when he left to attend the Coronation, did not reveal any plans as to the Conservative Party leadership on his arrival.

### Kiwanis Karnival to be Held Wednesday, July 28

Annual Event to Include Bingo, Games, Amusements and Other Features, with a Big Street Dance as the Finale. Hoped to Make Event the Best Yet.

Remember the date—Wednesday of this week—July 28th—it is the date of the annual Kiwanis Karnival, with games, including bingo, and other interesting amusements and interests. The proceeds from the event will go to the Kiwanis fund for underprivileged children. This fund helps provide youngsters with milk, camping privileges, medical and hospital attention, and other advantages that would otherwise be lacking.

Last year the Kiwanis Karnival was a big success, both from the entertainment side and in the way of financial returns. Everybody who attended had a happy time and thoroughly enjoyed the occasion. Games of all kinds added to the interest. Music was featured, along with many of the novelties of a bazaar. This year plans have been made and carried along to excel the interest and pleasure of last year. For several weeks plans and preparations have been under way. It is expected on Wednesday evening that the street dance will be particularly successful. With favourable weather the crowds should be particularly large and the returns accordingly good.

The carnival and street dance will be staged this year, as last, on Cedar street between Third and Fourth avenues. The street will be roped off and reserved for the evening for the carnival features. Each booth will be in charge of members of the Kiwanis Club and all patronizing games or other booths may be sure of good value for their money and a good time for their patronage.

Another interesting feature for Wednesday night will be the announcement of the names of the winners of the car and other prizes in the annual Kiwanis draw held in connection with the Kiwanis Karnival.

### Memorial Service Under Auspices of Legion, Aug. 8

The annual memorial service and Decoration Day event under the auspices of the Timmins branch of the Canadian Legion is scheduled for Sunday, Aug. 8th.

At 2.30 p.m. there will be a drum-head service at the ball park and after this service the members of the Legion will proceed to the cemetery for the Decoration Day services. It is expected to have both the Timmins Citizens' Band and the Porcupine District Pipe Band in attendance. A large turnout of members of the Legion is expected, while the general public is also asked to join in this tribute to the returned soldiers who have passed away and who are buried in the Timmins cemetery.

"They leave their jobs and come back here and sit around out front," said Mr. Murphy. "They apparently think we are going to find other jobs for them or look after them in some way. Naturally we are not."

The town of Timmins refuses to accept responsibility for any men who turn down jobs on the road, officials said. When a man refuses a job at \$3.50 a day the town will not take care of him or provide work for him on municipal projects. Town officials regret the men's refusal to work as each man employed by the town, who leaves, makes room for another to take his place.

### CONTINUED RAINS DO MUCH DAMAGE IN THE DISTRICT

The heavy rains have done much damage in town and district, cellars being flooded, gardens being injured in low-lying land, and other damage done.

### Double Wedding at Church of Nativity

Miss Jennie Pogacnik and Joseph Gormik and Miss Veronica Banko and Joseph Suspar Wedded.

A very pretty double wedding was solemnized by Rev. Fr. Gabriel in the Church of Nativity on Saturday at 9.30 a.m., when Jennie daughter of Mr. and Mrs. Charles Pogacnik of Yugoslavia, became the bride of Mr. Joseph Gormik, son of Mr. and Mrs. J. Gormik, of Yugoslavia, and Veronica, daughter of Mr. and Mrs. F. Banko, of Yugoslavia, became the bride of Mr. Joseph Suspar, son of Mr. and Mrs. F. Suspar, of Yugoslavia.

Mr. and Mrs. Gormik were attended by Miss Annie Kolaski, as bridesmaid, and Mr. Joseph Sile, as best man, both of Timmins, while Miss Helen Gerovitz, of Schumacher, as bridesmaid, and Mr. John Znidorsic, of Kirkland Lake, as best man, attended Mr. and Mrs. Suspar.

Mrs. V. M. Bowie and family left on Saturday morning by car for the South for a holiday visit to Forest, Ont., and other points south.

### Only One Fire at Week-end

Only a Chimney and Pipe Fire. No Damage to the House.

The only fire of the week-end occurred at 9.05 o'clock this morning. The department was called to extinguish a pipe and chimney fire in the home of James Holland, of 4 Borden avenue in the Hollinger townsite. Firemen quickly brought the flames under control with chemicals. No damage was done to the house.

### Predicts Provincial Election by October

Conservative Organizer and Party Visit Timmins. Explain Attitude of Hon. Earle Rowe and Conservative Party on Labour Question. Banquet at Empire Hotel on Thursday.

Cecil Frost, newly-appointed organizer of the Conservative party in Ontario in succession to Col. Geo. A. Drew, W. H. Ireland, president of the Conservative Association of Ontario, Tom Maglady, former deputy minister of immigration, and now organizer for the North Land for the Conservative party, and Mr. Beal, of Lindsay, were in the party visiting Timmins on Thursday last. On Thursday they were tendered a banquet at the Empire hotel, the menu and service being up to

### Famous Editor Dies

JOSEPH T. CLARK  
chief editorial writer of The Toronto Star, who died suddenly at his summer home at the age of 71. He had been a newspaperman for fifty-seven years and was widely known for his human views of men and events.

### District Picnic I.O.O.F. at Child's Beach, Aug. 1st

Over \$100 Worth of Prizes and Two Cups Presented by D.D.G.M. Bro. Sol. Sky for Competition. Unusually Attractive Programme Being Prepared for Occasion by Oddfellows of District.

### Two Motor Accidents at Week-end

Three People Injured in Crashes. Two Drivers to Face Court Charges.

There were two motor accidents outside of Timmins over the week-end. Three people were injured with cuts and lacerations on their faces and heads from broken glass.

Two miles west of Connaught, William Chichine, of Schumacher, was going around a hair pin curve when his automobile crashed into one driven by William Bonney, 30 Rowan avenue, Kirkland Lake. The Kirkland car was wrecked and Mrs. Bonney, who was driving with her husband, received lacerations on the face and head from flying broken glass. Her knee was split open. She is in the Timmins hospital.

Chicoine will be charged with reckless driving. Provincial Constables Johnston and Strickland investigated. Kaibo Maki, of Timmins, who was driving a light truck in Mountjoy township, went off the road and crashed into the ditch. Both he and a passenger with him Charles Tanner, aged 12, of Timmins, were injured. They both received bad lacerations on the face from broken glass. Maki will face a charge of reckless driving in police court.

### Induction Services at United Church

Rev. W. M. Mustard, B.A., B.D., to be Inducted into Charge Here on Wednesday Evening.

Next Wednesday evening, July 28th, at eight o'clock a meeting of the United Church congregation will be held for the rites of induction of the Rev. W. M. Mustard into this pastoral charge. At this meeting all members are expected to attend and all adherents and friends of the congregation are heartily invited and very welcome indeed in being present.

The officiating clergymen delegated by the Presbytery of Cochrane to conduct these services are:—the Rev. Dr. R. S. Laidlaw, President of the Toronto Conference, who will address the congregation on the "Function of the Church," the Rev. Dr. J. R. Fraser, who will induct the new minister; and the Rev. M. C. Tait, who will speak to the people and give them counsel.

### Conservatives at Connaught to Hold Meeting Friday

A meeting of the Conservatives at Connaught is called for Friday evening of this week, the event to be concluded by a dance and social time. A number of members of the party from Timmins are planning to attend the gathering, Connaught being well known for its hospitality.

### Best Collection of Wild Flowers for Show Here

Horticultural Society Offering Prizes to Boy or Girl for Best Collection of Wild Flowers to be Shown at the Timmins Horticultural Show at Timmins, Aug. 30 and 31

One of the special features at the thirteenth annual exhibition of flowers and vegetables to be held under the auspices of the Timmins Horticultural Society in the curling rink, Timmins, on Monday and Tuesday, Aug. 30th and 31st, is the class for the best collection of wild flowers of the North. This is of special interest for boys and girls, as the prizes are offered to them to show how complete a collection they can make of the wild flowers of the North. Although it may not be generally known as it should be—there are many wild flowers native to this part of the North, some of them especially beautiful and others remarkable because of their oddity. Wild roses grow in beautiful profusion in this part of the North. Most years the summer sees the banks of the Mattagami in spots at least beautiful with wild roses. Then in the line of odd flowers and plants there is the pitcher plant, several varieties of which have been picked in this part of the North. This flower closes up when insects light

The district committee of the I.O.O.F. with all lodges of the district represented, have decided to hold the annual picnic for district 59 at Child's Beach on Sunday, August 1st. A sports programme will be worked out to suit everyone attending. Over \$100 worth of prizes will be given out, as well as two valuable cups, to be competed for by the lodges, these cups being given by D.D.G.M. Bro. Sol. Sky.

In a letter to members of the lodges in the district, the committee in charge says:—"In order to make this picnic a success, both financially as a good time, we are issuing buttons which are 50 cents each and give the holder free ribbon badges for the family. Just ask for them at the grounds! They will entitle the holders to the grounds, and free sandwiches, coffee, ice cream for the kids, and participation in the sports events. Help make this picnic a success, and lets get together for a good time!"

For many years the Oddfellows' Picnic of the Porcupine lodges was a big event and one enjoyed not only by life members of the lodges but by their friends as well. Now this happy picnic idea has been extended to all the district and Oddfellows from all over this part of the North are going to enjoy the event. Timmins, South Porcupine, Dome Mines, Schumacher, Iroquois Falls, Ansonville, Cochrane, are among the places that will contribute large representation at the picnic on Aug. 1st. Child's Beach is an ideal spot for such an event and with the sports and other programme arranged, Oddfellows and their friends should enjoy a big time on August 1st.

The following are the members of the committee in charge:—Sol. Sky, South Porcupine; J. G. Harris, Schumacher; J. McLeenan, Cochrane; L. J. Rowland, Timmins; Hugh Richmond, Dome Mines; J. Brough, Timmins; Horace McEwan, Ansonville.

### Installation of K. of C. Officers Here on Sunday

Installation of officers of Timmins Council of the K. of C. took place on Sunday at the K. of C. Council Chambers, Timmins, the installation being carried through by District Deputy M. J. Smith, of Iroquois Falls and staff.

The officers installed were as follows: G.K.—M. J. Tait. D.G.K.—Chas. W. Yates. Chan.—Dr. J. Martin. Rec.—Sec.—H. P. Andrews. Pin.—Sec.—A. Andrews. Lec.—Dr. M. J. Kelly. Adv.—Fr. T. J. McManus. Ward.—P. J. McDonagh. I.G.—Leo Waters. O.G.—E. Klatt. Trustees—J. Walsh, E. Banning, J. Burgoyne.

Chap.—Rev. Fr. J. R. O'Gorman. Rev. Fr. Mellon from Scollard Hall, North Bay, was a visitor to Timmins for the occasion.

### THANKSGIVING DAY THIS YEAR ON MONDAY, OCT. 11TH

Monday, October 11th, has been proclaimed Thanksgiving Day. An announcement appeared in the Canada Gazette to that effect.

on it, the insects being held prisoner until death ensues. The daisy, buttercup, red clover and other familiar flowers are quite common and no boy or girl should find any difficulty in making up quite an impressive and pleasing collection of wild flowers. The Trillium, adopted as the flower of Ontario by legislative enactment after the Ontario Horticultural Societies had endorsed its choice, grows also in this part of the North. Some of the flowers have been picked not far from Timmins, but the general opinion of those who are in position to know is that this flower is comparatively rare in the North. Because of its rarity, its presence in any collection of wild flowers submitted by girl or boy in the Timmins Horticultural Society's competition will mean special marks in the grading of the exhibit.

While the prizes for the best collection of wild flowers is one of the special features of the coming showing of flowers and vegetables, it is only one of a large number of regular and special prizes offered for the event.
