## Flower and Vegetable Show Here Aug. 30-31

Thirteenth Annual Exhibition of the Timmins Horticultural Society to Be Held in the Curling Rink. Event Promises to Exceed the Successes Won Previous Years

Visiting officials of the Ontario Horticultural Association and other experts in matters horticultural have described previous shows of the Timmins Horticultural Society as among the best in Ontario. There is reason to believe that the praise is well deserved. In the number and the quality of the flowers and vegetables shown here, the Society has certainly taken a leading place in the province. The attendance and interest of the public have also been noteworthy and this has had its part in contributing to the leadership of the local Society. The public will be interested to know that the officers and directors of the Society expect the 1937 show to be the best yet. Given favourable weather, special success this year appears to be assured. The Society has been busy preparing and planning for the biggest and best show in the history of the organization.

Again this year the garden competitions will be carried on in connection with the Society. Particulars of these competitions are given elsewhere in this issue.

Prize lists for 1937 were issued some weeks ago and include first, second and third prizes for the following:—

Cut flowers—annuals—open to all members—50 classes.

Cut flowers—perennials—open to all members—17 classes.

Fancy baskets and bouquets of cut flowers—open to all members—4 classes.

Cross plants—flowering—open to all members—9 classes.

House plants—foliage—open to all members.

Vegetables—open to all members—45 classes.

In addition there are a large number of special prizes, including trophies, cash and other prizes.

There are several classes for special exhibits in vegetables.

**Novice Class**

The Novice Class—open to all members not having won a first prize at a previous show—with two prizes, first and second—is worthy of note.

In this department there are prizes for cut flowers, house plants in bloom, house plants with foliage, and for vegetables.

**School Plot Competition**

Another special item in the prize list is the "School Plot Competition." In this competition, prizes are offered for the best plot in school grounds. This is a department that will likely grow in importance with the development of the town, and in coming years it may well be expected that there will be much keen competition in this class.

**School Competition**

In the "School Competition" section there will be prizes, first, second and third, for display of cut flowers of annuals grown from seeds donated by the Society. Some months ago the Society gave seeds to each of the schools in town, the pupils to plant the seeds and care for the plants, and the flowers to be eligible for entry in the "School Competition."

**Secure a Prize List**

Those interested in the matter of exhibiting at the show should secure a copy of the prize list recently issued. These prize lists may be secured from the secretary, Geo. Hogg or from any of the officers or executive of the Society.

**Officers and Directors**

The following are the officers and directors of the Timmins Horticultural Society for 1937:—Honorary members—Mayor J. P. Bartleman, John Knox, R. J. Ennis, R. P. Kinkeel, Dr. Lee Honey, R. Elston, A. H. Wohlhab, W. Ecclestone, S. Wheeler, Mrs. W. H. Pritchard, Mrs. John Knox.

President—A. Proulx.

First vice-president—H. S. Bayne.

Second vice-president—W. F. Lawry.

Secretary-treasurer—Geo. Hogg.

Directors—W. Rigg, Mrs. R. P. Kinkeel, A. E. Rigg, Mrs. Ruir, Wm. Spencer, Mrs. Car Briggs, J. Knell, Mrs. Stirrat, Mrs. A. James, Mrs. J. Simpson.

Auditors—A. R. Harkness and R. Elston.

**Best Collection of Wild Flowers**

Special reference was made in Monday's Advance to the fact that the Timmins Horticultural Society this year was offering prizes for the best collection of wild flowers for the show here by boy or girl. This is a particularly worthy enterprise of the Society. Most people will be surprised at the number of beautiful flowers native to the North Land. On Monday The Advance named some that may be in the collection: Wild roses, red clover, daisies, buttercups, trillium. But The Advance omitted one flower family that has some unusual specimens in some parts of the North—the orchids. It is true that these are usually in more or less inaccessible places—swampy bushes, for example—but some beautiful samples of the orchid have been brought into town in some past years.

**JULY JOKE**

Waterloo Chronicle:—Children born in March are more likely to be famous than those born in June or July, says a College professor, just to take the proud parents down a peg or two at this season of the year.

## Timmins Man Remanded at Sudbury for Sentence

(From Monday's Sudbury Star)  
Jerry McNulty, Timmins, was further remanded Saturday on charges of theft of a car, the property of the Standard Cab, and robbing Donald Brunelle of a sum of money. Pleading guilty to the two offences, alleged to have been committed on May 14, when two Sudbury taxicabs were stolen, and their drivers abducted, McNulty will appear before the court on July 31 for sentence.

The remand was requested by Crown Attorney E. D. Wilkins, K.C. The crown attorney explained that the third member of the trio wanted for the abduction of the two taxi drivers was still in Hamilton jail awaiting transfer to Burwash for theft committed in Hamilton. The third man, William McNabb, will be transferred to Burwash early next week, Mr. Wilkins said, and will be brought to Sudbury for trial for his participation in the taxicab theft and robbery count, on July 31.

The other member of the trio, Eugene "Canon-Ball" Donald, Windsor, the first caught, is in Kingston Penitentiary serving a term of two years for his participation in the theft of the cab and robbing the driver of his cash.

## Multi Millionaire Ill

ANDREW W. MELLON  
The multi-millionaire of Pittsburgh, has been seriously ill for some weeks at his Washington apartment with a cardiac condition. Mr. Mellon, who is 82 years of age, is a former secretary of the United States Treasury.

## Jail for Wife-beater-- With Lashes Next Time

Magistrate Scores Husband for Brutal Attack on Wife. "Next Time Will be Lashes as Well." Assault Cases and Liquor Charges at Police Court on Tuesday.

## Given Jail Term for Reckless Driving

Man Who Ran Into Sleighing Party and Injured Several, Given Three Months.

Sentence of three months' imprisonment, a hard labour was imposed at Halleyoury on Monday afternoon on Earl Kelly, shift boss at the Shawkey Gold Mines, and who was convicted by Judge Hartman on a charge of reckless driving laid following an accident on Feb. 1, when a coupe driven by accused ran into members of a sleighing party on the highway two miles east of Kirkland Lake.

Frank Bowman, hockey player with the Teck-Hughes team, and Wiley Millard were seriously injured, and several other persons received hurts in lesser degree, the evidence disclosed. Millard is still under treatment in Toronto.

Kelly, at the time of the accident, employed at the Biggood Mines, contended that he came upon the sleighing party unexpectedly as he topped a slight grade, and that he had no chance to avoid striking three men, including Millard and Bowman, who were walking behind the sleigh. He applied his brakes, he said, but could not get out of the ruts in which he was driving, but slid into the sleigh so easily that one of his companions asleep at the time did not awaken. Accused contended visibility was poor and that he was driving "as best as I knew how."

Crown witness testified Kelly had approached the party driving fast, and one of them, Ota Bucknall, walking 125 feet behind the sleigh, said she had to hurry to one side to avoid being struck as the car passed her at a good rate of speed. Provincial Constables Tregenza and Young both testified driving conditions were not bad, although there was some wind blowing and snow drifting across the road. Kelly declared he did not see Miss Bucknall and that when he first saw the three men twenty-five feet away his speed was not greater than twenty miles an hour.

## Fifth Rioter Sentenced to Term of Three Months

Magistrate Concludes He Was a Ringleader from Evidence. Constable Says he saw St. Jean Motionsing Crowd on Jail. Accused also Threw Stones Toward the Hall, According to the Evidence.

Harvey St. Jean, arrested in Ansonville on Monday afternoon by Provincial Police, appeared before Magistrate Atkinson here on Tuesday afternoon charged with inciting to riot. From the evidence the magistrate concluded that St. Jean was one of the ringleaders of the riot which occurred before the town hall on July 1 and sentenced him to three months hard labour.

When no witnesses appeared to testify, a similar charge against Charles Kellow was dismissed.

Constable Archambault said that he saw St. Jean barricading the road with four-foot lengths of cordwood.

Later during the melee he saw him standing by the post office throwing stones in the direction of the town hall.

Evidence that St. Jean was a ringleader was given by Constable Guolla, who said that he saw the accused standing in the front row motionsing the crowd forward to the jail with his arm. He corroborated the former officer's evidence that St. Jean was throwing stones and placing logs across the street.

Constable O'Gorman saw St. Jean on Third avenue earlier in the evening. "He was not very drunk but he was staggering," he said. Detective Sergeant Gagnon said that he particularly spoke to St. Jean when he went out among the mob to warn it to disperse and go home.

"You seem to have been one of the leaders. You should have gone home when you were told to. Three months hard labour," said Magistrate Atkinson.

Milverton Sun:—Frequent kissing leads to loss of teeth, says a scientist. But this can be avoided if men will kiss their own wives.

## Conservative Convention for North Cochrane, Aug. 14

Following the visit of Cecil Frost, organizer for the Ontario Conservative party, W. H. Ireland, president of the Ontario Conservative Association, Capt. Tom Magalery, chief organizer for the North, and others, to Kapuskasing last week, it was decided to hold a convention at Kapuskasing on Saturday, August 14th, to nominate a member to contest the riding of North Cochrane in the Conservative party interests in the approaching election. A luncheon was held at the Kapuskasing Inn, with some 37 executive representatives present from all parts of the riding. One matter that received special attention at the luncheon was the question of a bonus for settlers for land-clearing. G. Vincent, of Kapuskasing, Tom Moore, of Smooth Rock Falls, and Dr. L. A. Gagnon, of Cochrane, spoke on the bonus question in able way and showed its vital necessity for the progress of the North.

## Westinghouse Radio Convention in North

J. P. Lynch and Six of Staff of Timmins, and Frank Adamo, South Porcupine, in Attendance

J. P. Lynch, manager, E. J. Lynch, sales manager, six salesmen and one service man from the Lynch Electrical Appliances Company of Timmins, and Frank Adamo, of the Porcupine Hardware, South Porcupine, are attending the Westinghouse Radio Convention for Northern Ontario which began yesterday at Swastika, the district headquarters. The convention will last for three and possibly for four days.

Salesmen from the Timmins company are H. J. Thompson, R. J. Brooks, Albert Houle, Robert Lacey, Oscar Chault, Robert Handley. The service man is Fred Trumble.

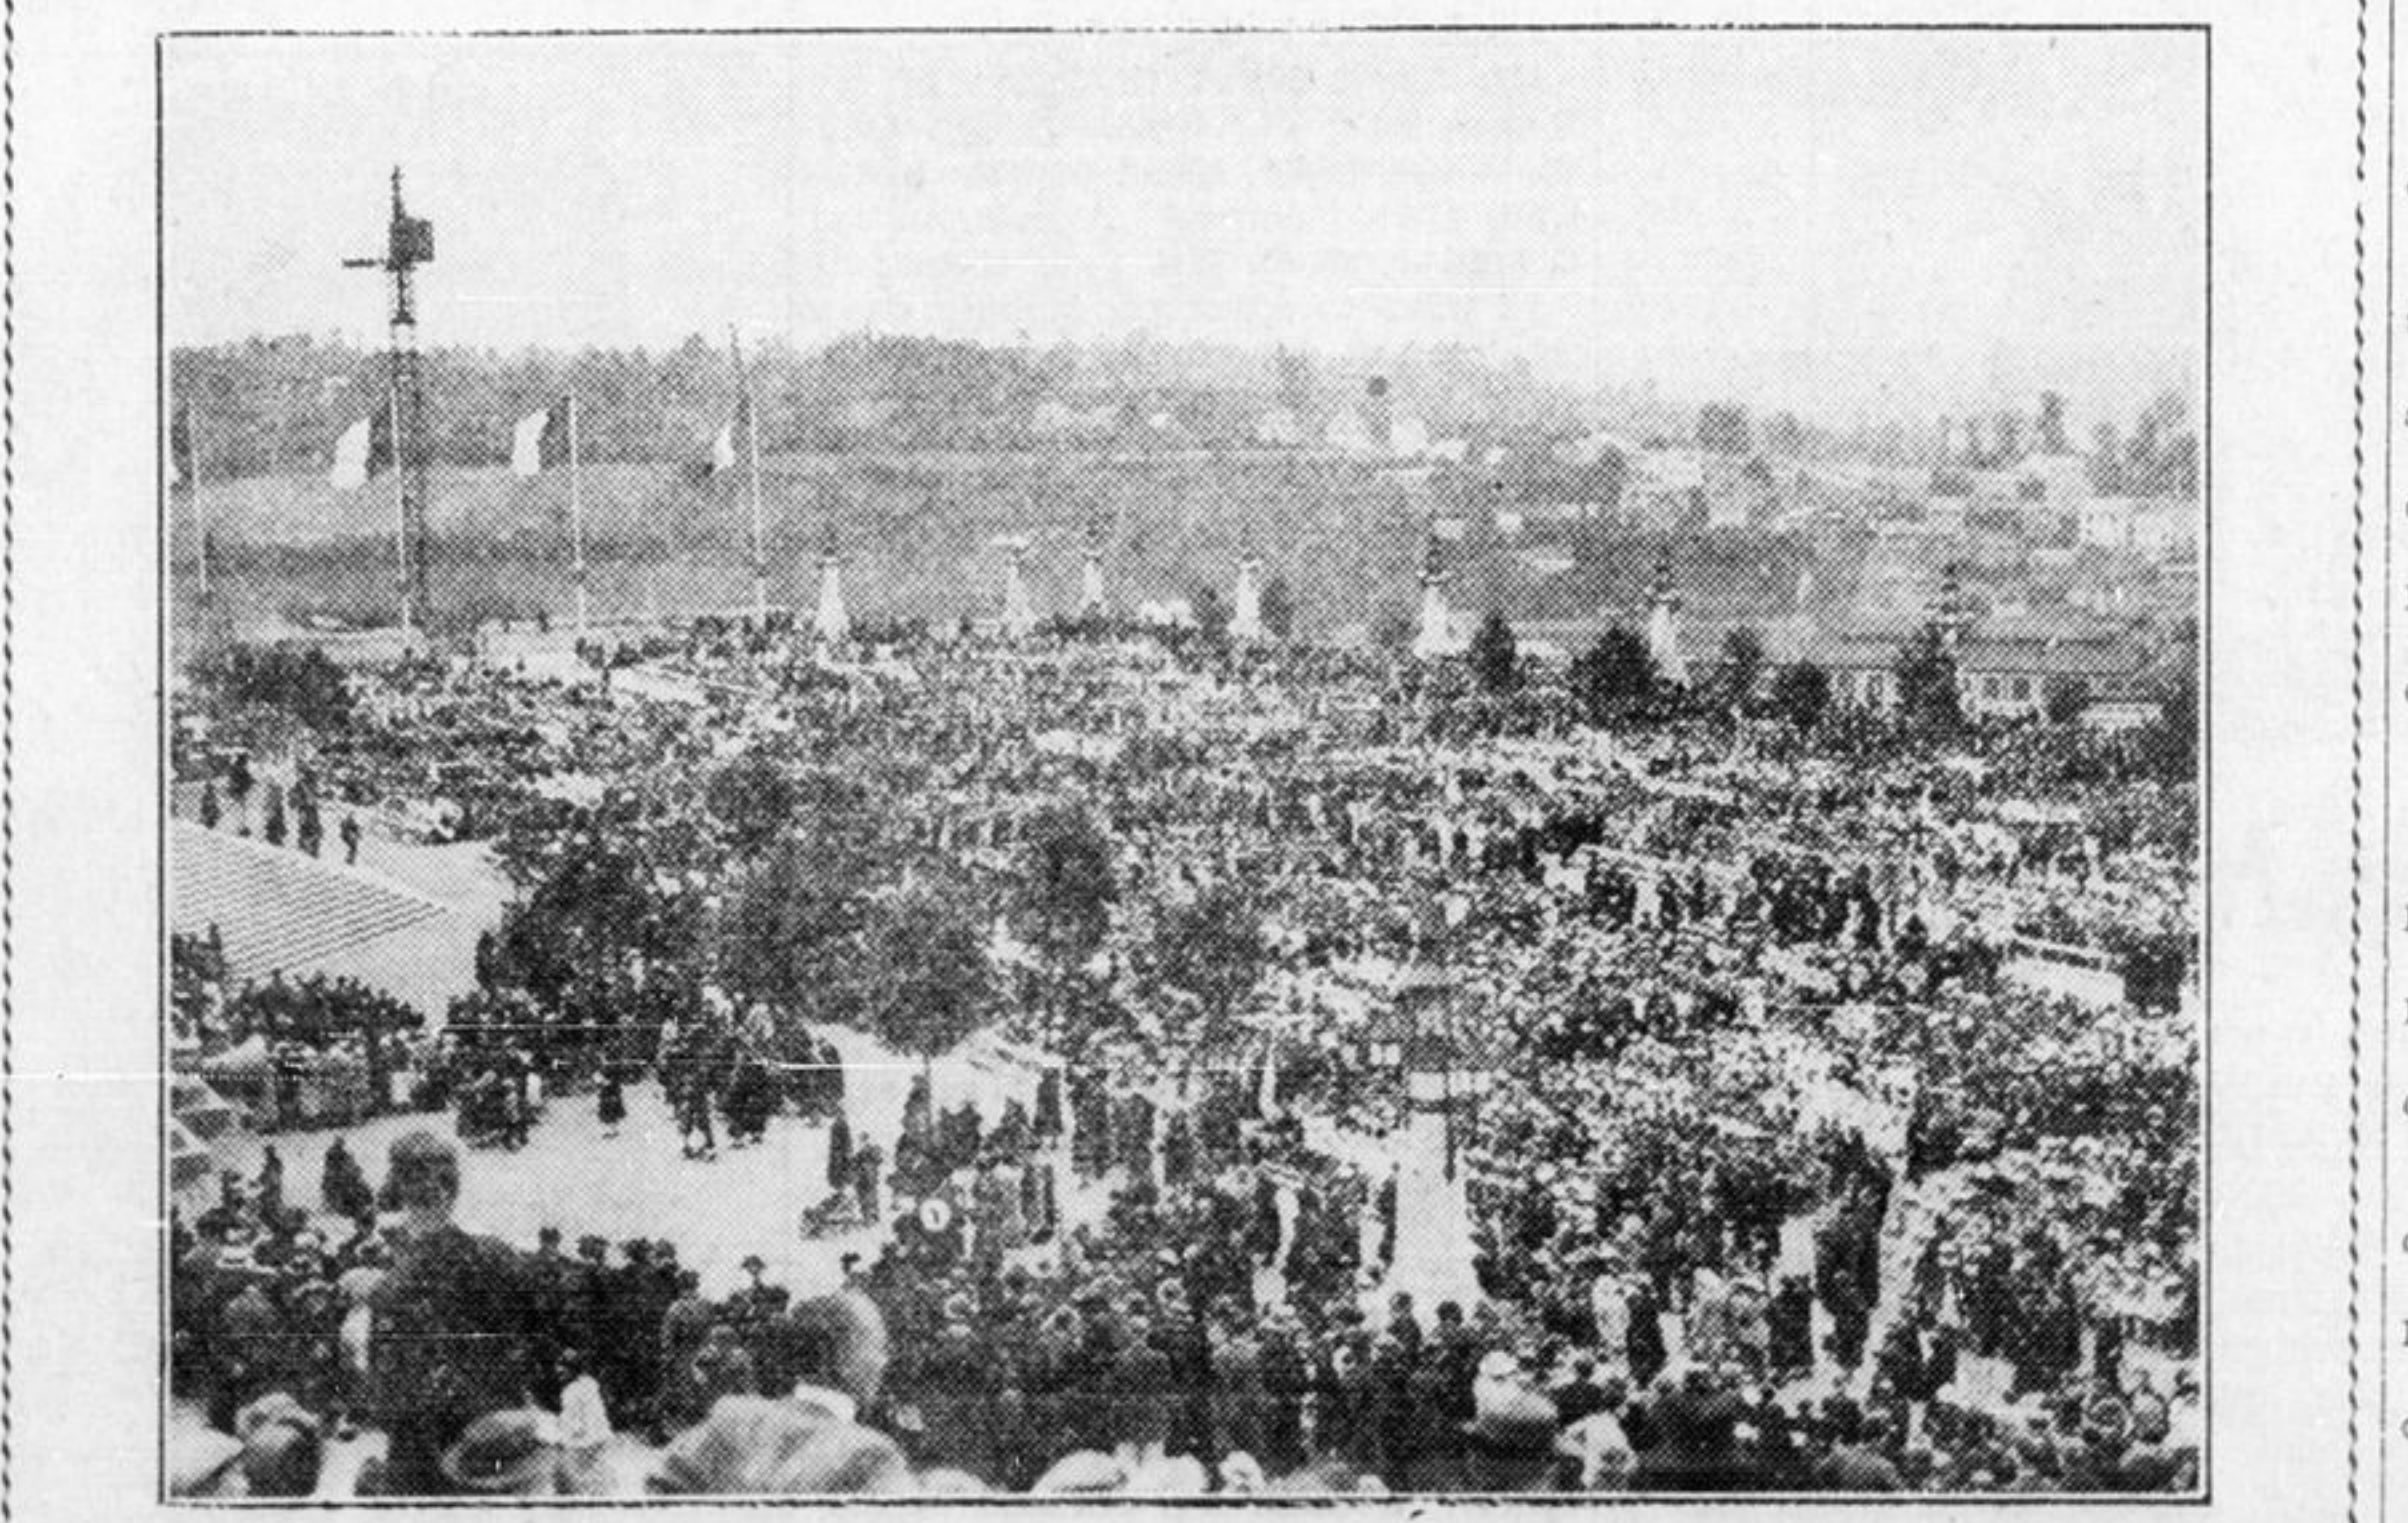

Westinghouse radio engineers, sales managers and other company officials from Hamilton will attend the convention which will include dealers and salesmen from all over the North.

## Donkey Baseball Epidemic in the North at Present

Donkey baseball seems to be epidemic in the North at present. Some of the places that have had it, are having it, or will have it, are: Kirkland Lake, New Liskeard, Kapuskasing, Rouyn, Cochrane, Timmins, South Porcupine.

## THE EUCHARISTIC CONGRESS AT LISIEUX

Tens of thousands of pilgrims assembled at the Basilica of Lisieux, when France's new shrine was inaugurated by Cardinal Pacelli. Forty thousand children took part in the rites on the opening day, and our photograph shows a crowd assembled outside the Basilica.

## Should be Many Entries in Garden Competition

Timmins Horticultural Society has Annual Competition for Best Gardens in Town and District. Town Gardens, Hollinger Townsite, Buffalo-Ankerite and Schumacher, Golden Centre Gardens Cover This Year.

For several years the Timmins Horticultural Society has featured its garden competition. This year the plan is continued with an attractive list of prizes. The following are the particulars of the garden competition, as given in the prize list issued recently:—

Note:—Owing to larger membership, and to encourage new members, the Hollinger Townsite has been placed under separate heading. This eliminates the possibility of two prizes being awarded to one garden and so extends the prize list, but it does not alter the possibility of a Townsite garden being the best garden of its size in town.

**Hollinger Townsite Gardens Only**

1st Prize—Donated by Hollinger Mine

2nd Prize—Donated by Hollinger Mine

3rd Prize—Donated by Hollinger Mine

4th Prize—Donated by Bertrand Bros.

5th Prize—Donated by H. Downing.

6th Prize—Donated by Canadian Industries Limited.

**Still Seeking to Divert Flow of Ogoki River**  
(From Kapuskasing Tribune)  
The Ontario Hydro-Electric Power Commission persists in its plans to divert a considerable volume of the flow of the Ogoki river into the Albany, so that it would be turned southward instead of wed into Lake Superior and thus (the commission calculates) raise the level of the great lakes and so benefit industries of older Ontario.  
The city of Chicago has been able to defy not only the federal authority of the United States in stealing water from Lake Michigan for its drainage canal, but the international joint waterways commission set up between this country and the States. A channel was cut through to the southward flowing Mississippi river, in the name of imperative sanitation needs of the windy city; but once the project was completed, we began to hear of Chicago's ambition to develop waterborne traffic down the Mississippi.

4th Prize—Donated by Canadian Industries Limited.  
**Schumacher, Golden Centre Gardens**  
—30 Feet and Under  
1st Prize—Donated by National Grocers.  
2nd Prize—Donated by United Cigar Stores.  
3rd Prize—Donated by Canadian Industries Limited.  
**Gardens 30 Feet and Over**  
1st Prize—Donated by Gamble-Robinson.  
2nd Prize—Donated by Mrs. D. Cameron, Agent Watkins Products.  
3rd Prize—Donated by Timmins Flower Shop.  
Silver Cup—Donated by Mayor J. P. Bartleman for best garden to be won two years in succession before becoming the property of the winner. Won by W. Irving, 1936.
