Man Electrocuted Last Week at South Porcupine

Adam Loney Meets Death While Assisting in Moving a Barn. Apparently Came in Contact with Live Wire. Other News Items from South Porcupine and Dome.

South Porcupine, August 4th, 1937. Special to The Advance.

Death came with great suddenness on Thursday last to Adam Loney, a man employed by Mr. George Helmer on his farm.

The employees were moving a barn from one part of the farm to another with a team of horses. Loney was on the roof of the barn helping, and apparently came in contact with a high voltage transmission line belonging to the Hydro Electric Co. of Ontario.

26,000 volts of electricity passed through his body causing instant death

Everything was done that was possible but without avail. The coroner and police decided that there would be no need for an inquest, as witnesses proved that death was accidental, from misadventure.

Adam Loney—a young man of 36 years of age—had been in the camp about four years, two of which were spent at the Gold Ridge Farm, Golden City and the last two on the farm of George Helmer, South Porcupine.

He came originally from Scotland, having a mother and sister living in Glasgow, and had been in Canada

some years, coming north from the Ottawa Valley. He has two brothers on this side the Atlantic, one working with the Ottawa Dairies and another in New Jersey.

He was unmarried. While in camp he had made a number of friends being a conscientious, cheerful worker and an honest and good-looking young man. His death is sincerely mourned by Mr. and Mrs. Helmer and family, with whom he lived; and at his funeral which took place on Saturday from the United Church, a large number of citizens from Golden City as well as South Porcupine attended to show their respect for his memory and their sorrow at his untimely end.

The Rev. Murray Tait, of Schumacher—in the absence of Dr. Fraser—conducted the simple funeral, and spoke feelingly of the sudden passing of the young man, stressing the fact that "there is no death, what seems so is transition" and the necessity of preparation, and the appreciation of the nearness and certainty of an end to this mortal life.

The hymn, "Rock of Ages" was sung, before the body was borne from the church by his fellow-workers who acted as pall-bearers. Jimmy Thompson, Gilbert Fynan, Horace McLennan, Bob Rendwick, William Mairs, and Ivan Stutley acted in this capacity.

Interment was made in the South Porcupine cemetery. Some beautiful floral tributes were sent, including a wreath from the "the boys at the farm", a cross from the Helmer family and sprays from Mr. and Mrs. Spitz and

family, Mr. and Mrs. A. Marjotson, Miss Monica Kennedy, Grace and Nell Prie, Emerson Boves, and Mr. and Mrs. William Mairs.

Mr. and Mrs. Fred Mason, of the Dome, left this week on a motor tour to Toronto and points south.

Guests at the summer cottage of Mr. and Mrs. W. W. Wilson at Sese-kinika over the week-end included Mr. and Mrs. Maxwell Smith and Mrs. H. M. Martin.

Mrs. R. Cameron and Miss Margaret McLellan spent the week-end at Sese-kinika at Mrs. Purdon's summer home.

Mr. Herbert Franks, of Toronto, is visiting W. D. Moddie at the home of Mrs. Coffey.

Mr. and Mrs. F. C. Evans and two sons left on Sunday by motor for two or three weeks' holiday on the New England coast.

Born—On Friday, July 30th, to Mr. and Mrs. B. Mitchell (nee Lita Owens), of South Porcupine—a daughter.

Mr. and Mrs. Samuel Lloyd, of Dome Extension, announce the engagement of their younger daughter, Florence Antoinette Marie, to Mr. Albert Joseph Moreau, son of Mrs. and the late Mr. Moreau, of Niagara Falls, the marriage to take place on September 15th.

Mr. P. Lemmon and Mr. J. Crommiller have returned from a successful fishing trip to Watabeag lake.

Mr. and Mrs. Thomas and son, of Dome Extension, are camping for a few days at Golden City.

The drive for subscriptions toward the building fund for the new Porcupine general hospital is now on, and going strong. Pamphlets have been distributed to every person and it is hoped that each will do his share toward making this venture a reality that may be started in the fall on the Foley O'Brien Hill. Interest is needed as much as money as it is hoped that every wage-earner will put his name to the list, thereby proving that a hospital is desired.

Mr. and Mrs. Tom Kingston left on Saturday for a holiday trip up the Saguenay river.

Mrs. Suttu and Margaret, of Dome Extension, are holidaying at Brae-bridge.

Mrs. Cockburn and daughter, who have been visiting at the home of Mrs. T. Kelly, left on Tuesday for home.

Mr. and Mrs. Gordon Cross and two little daughters left on Tuesday for some weeks holiday at Rye beach, New Hampshire.

Mrs. R. Wallace and son, Bobby, who have been visiting at the home of Mr. and Mrs. Kerr, Dome Extension, left on Tuesday for home in North Bay.

Mr. and Mrs. Louis Slotnick announce the marriage of their daughter, Lillian, to Mr. Hyman Kaplan, son of Mr. and Mrs. A. Kaplan, of Regina, Sask. The wedding was solemnized in Montreal on Monday, July 27th, by Rabbi Colton, and was witnessed by Mr. Harry Slotnick and Mr. Jack Pinsky. Miss Dora Slotnick attended her sister. The young couple will reside for a time with the bride's parents on Golden avenue. We extend to them our best wishes for future happiness.

Mr. and Mrs. S. Pearce and children, who have been on holiday on the Atlantic coast, came back on Monday.

Mrs. Turner, of Timmins, is a guest at the home of Mrs. E. Anthony.

Miss Elva Wilkes, of the township office staff, is on holiday on a motor trip.

A marriage took place on Tuesday, August 3rd, at Frederick House, in the township of Clute, between Lennox Childs, son of Mr. and Mrs. P. Childs, of South Porcupine, and Helen Mary Pecore, of Timmins. The marriage was performed by Father Adelard Laurendeau.

Married—By the Rev. Murray Tait, of Schumacher, on August 2nd, Ray Forsyth, of South Porcupine, to Norma Brown, of Timmins. The marriage took place in Schumacher.

Mrs. W. Mosset and Mrs. Densmore, who have been visiting Mr. and Mrs. Helmer over the week-end left on Monday for Toronto.

Police Court

Tuesday's court here had once more a large number of offenders against the traffic laws. Those falling to stop at stop signs numbered sixteen, who each paid \$1 and costs excepting one who pleaded not guilty. Upon being asked to state his case he showed his license number, which did not correspond with that quoted by the police. The case was dismissed but as he was leaving, he asked the magistrate, "Who pays for my time coming here? I have had to lose a shift." "I don't know," said his Worship, "you'll have to have a fight with the township."

Two dog-owners paid \$1 and costs for allowing them to run at large.

A case of having beer in a place other than a private dwelling came up for hearing. A young woman testified that the beer was hers and that she had been granted the use of a sitting room jointly with the owner of the place—a boarding house. The magistrate decreed that she had no exclusive right to the sitting room, and that it was therefore illegal for the beer to be consumed there. Other facts of men being in the girl's private room colored his Worship's decision that the whole downstairs of this place be made pub-

Another case of unlawfully having beer resulted in the beer being seized and a \$25 fine paid.

Two speeders paid \$10 and costs.

Two reckless driving cases were adjourned.

For failing to report an accident in which only his own car was involved, a young man pleaded ignorance of the law. He turned his own car over and struck a railway fence causing about \$70 worth of damage to his car. His Worship read the act, and fined him the minimum—\$10 and costs.

For reckless driving on August 1st, a man under arrest for driving a car that was in a collision wherein a year-old baby was hurt, was adjourned one week for hearing. Bail was allowed, \$500 cash, or \$1,000 property.

Billets Required for Legion Convention

(Continued From Page One)

The march past in which over 600 veterans will take part will be reviewed by Brig. Gen. Alex Ross and Major G. C. Powers and other high officials of the Canadian Legion.

The three local bands will assist in martial music for the parade.

After the parade, the monster banquet will take place in the Timmins Jurling rink (kindly loaned by the rurlers for this event). This is expected to be the biggest and best of all similar banquets yet held. The "famous Ladies' Auxiliary 'Beef Steak and Kidney Pie'" will be the main item of the menu. "Famous" is the word to use, because after its initial appearance at the South African Vets reunion, its savory taste spread far and wide and it is understood that requests have been received for this tasteful but unusual banquet dish to be renewed for the convention dinner, hence the Ladies' Auxiliary have been asked to do the catering.

The final event for Monday, August 23rd, will be the big Legion dance at the Riverside Pavilion. Andy Cangiano's band will furnish the music, but Legionnaires will also have the favorite "Army Song Paul Jones", as played by some of the local members. The public are invited to this event and are assured of a really peppy night of fun and frolic.

Business will not be sacrificed for pleasure for there will be a night session during the convention period. The branches in Ontario have been carefully selecting the delegates to be sent and these will arrive intent upon doing all they can for their fellow members. Timmins branch will be represented by Comrades A. Neame, president; Tommy Parsons, first vice-president; H. C. Searth, member of executive committee; W. A. Devine, one of the oldest members and a fast member of the executive committee.

Citizens will be asked to decorate their homes in welcome to the delegates and the town will be suitably decorated for the occasion. Business will boom for a few days and all are asked to co-operate with the Legion in making this, the 10th annual convention of the Ontario Command of the Canadian Legion, the best yet held.

Correspondence School Doing Excellent Work

Many Pupils of Ontario Correspondence Courses Pass High School Entrance and Lower School Examinations, Some Taking Honours. Correspondence Courses Proving Continued Success.

Ever since the Ontario Department of Education Correspondence Courses started—indeed, before they were formally adopted—The Advance has been particularly interested in this branch of educational facility. The Correspondence Courses are resigned to provide opportunity for education for the children of settlers and others in sparsely settled areas where there are no schools and where schools can not be maintained. The courses have more than justified themselves. They have meant that literally thousands of children have received the benefit of education who without these courses would have had no opportunity for schooling. In practise, indeed the courses have proved even more valuable than the most enthusiastic supporters hoped when they were started. In addition to the children of those in sparsely-settled areas too far from schools, the correspondence courses have provided for children who cannot attend regular schools because of being crippled, ill or otherwise handicapped. In paying merited tribute to the value and success of the correspondence courses it should be said that their benefit and progress is largely due to the heart interest and regular devotion to the plan shown by Dr. Neil McDougall, who has been the director of the courses since their establishment.

Numbers of children in this district have received the greater part of their education from the correspondence courses and The Advance has followed the success of these youngsters with particular pleasure. For instance, one graduate of the courses, was well equipped to take a special business course afterwards, and today is recognized as one of the most competent and able accountants in Timmins. While these and other incidents to friends of the courses proved the value of the education thus given, there were such courses could take the place in an noteworthy measure of the regular day schools. The success of correspondence school pupils in passing High School Entrance, Lower School and departmental examinations disproves the contention that the correspondence schools are inadequate for educational purposes. Each year The Advance has pleasure in presenting the list of successful correspondence course pupils at the departmental examinations. Here is the very creditable list for this year:

- Make Good Showing**
- Pupils in the Correspondence Course conducted by the Department of Education made good showing at the High School Entrance and the Lower School Examinations. It might be pointed out that a few of these were physically unable to attend school but completed their work at home under physical difficulties. The majority however wrote the departmental examinations at the nearest examination centre and obtained the standing indicated. The following have been successful:
- High School Entrance**
- To pass requires a minimum of 40 per cent. in each subject with a total of 60 per cent. Honor standing requires at least 75 per cent. The names are arranged in alphabetical order with the standing indicated. Where no other standing is indicated, it is understood that the candidate obtained pass standing:
- Brown, Marion B.; Bruton, Frances J.; Buchanan, Robert C. (hon.); Bull, Margaret (hon.); Cameron, Clara N.; Cotten, George E. (hon.); Hamilton, John T.; Heather, Myrtle (hon.); Holstead, Robert; Kenyon, Edward C.; Kidd, George R. (hon.); McDonnell, Hugh A.; Mitchell, Margaret J.; Selo, Sylvia; Wilson, Dorothy I.; York, Verna B.
- Lower School Examinations**
- To pass in a Lower School subject requires at least 50 per cent. Class III honors requires at least 60 per cent. Class II requires at least 66 per cent. Class I at least 75 per cent. The names are in alphabetical order with standing indicated. Where no other standing is indicated it is understood that the candidate obtained pass standing in the subject mentioned:—

MOTHER HELPED BY KELLOGG'S ALL-BRAN

"I have suffered from terrible constipation since the birth of my first child. I tried everything. Very reluctantly, I tried your ALL-BRAN with no faith in it at all.

"Much to my surprise, I have not had to take any medicine since starting to use ALL-BRAN."—Mrs. Doris Eyre King (address on request).

Common constipation is usually due to meals low in "bulk." Kellogg's ALL-BRAN supplies this needed "bulk."

Within the body, this cereal absorbs twice its weight in water, forms a soft mass, gently sponges out the system. ALL-BRAN also furnishes vitamin B to tone up the intestines, and iron for the blood.

Enjoy this food instead of taking weakening pills and drugs. Serve as a cereal, with milk or fruits, or cook into recipes.

ALL-BRAN is sold by your grocer. Made and guaranteed by Kellogg in London.
