McIntyre Administers Second Cup Defeat to Noranda Team

Noranda Sustains Second Loss in Series to Macs in Listless Game. Game Played in Conjunction With McIntyre Annual Field Day

Noranda and McIntyre gave a very ordinary exhibition of baseball at McIntyre Field on Monday in the final scheduled game for the Ennis cup. The game was held as part of the festivities in connection with the annual McIntyre Civic Holiday Field Day.

McIntyre won a 2 to 0 decision, largely through the efforts of McShane, who struck out nine men and kept the number of the visitors' hits down to four. With their six hits the Macmen were only able to circle the bases twice.

Both runs came in the first inning. The visitors went to bat and McShane struck out two and allowed a third man to bump an easy fly to second. McIntyre came up and Price led off with a single to the pitcher. Trars was unable to handle the ball. Hann fled out and Cybulski hit a double to put Price on third base and himself on second. Both came home, when Angrignon hit a long hard one to left field for three bases. Prout's wallop was picked up by the third baseman and relayed to first for the second out and Quinn struck out.

Short ragged punches at the ball got both teams through the game without any more excitement. With two down Corry hit a double for Noranda in the ninth inning but was left high and dry on second base when Sullivan fanned.

The Noranda side of the score sheet was liberally sprinkled with strike-outs. McShane had ten of them to his credit as compared to four for Travis. In the fifth inning McShane retired three men one after the other, on strike-outs.

With their early lead the Macs seemed to lose their hitting power and a lot of their energy. The odd player would take a cut at the ball but the game was listless. Part of the listlessness was undoubtedly due to the heat. Even at the hour when the game started, late in the afternoon, the sun blazed down, causing streams of perspiration to course down the players' necks.

Macmen Win Right to Enter Cup Finals

Hollinger Loses to McIntyre in Foster Cup Event.

Hollinger Mine soccer team was not able to provide the opposition for the mighty Macs on Thursday evening at McIntyre Park that they did here in Timmins earlier in the week. In the first game of the Foster Cup series to determine which local team plays in Kirkland Lake in the cup finals Hollinger provided unexpected opposition for the Macmen, and although the Timmins aggregation lost the game, it held the powerful Macs to three goals. However, on top of their 3 to 1 win on that occasion the McIntyre squad piled a 6 to 1 victory on Thursday. They won the round 9 to 2.

Both teams opened up with a burst of speed that indicated a good game but the Hollinger men faded badly as the game wore on until, near the end of the match, they were not providing enough opposition to make the game worthwhile for the spectators.

The short passing Macmen have given more than enough proof of the fact that they are the outstanding footballers in this district. Their play on Thursday indicated their ability to take on Lake Shore or Wright Hargreaves, the two teams who are competing for the championship of the Kirkland district.

The Dunston brothers accounted for the first McIntyre goal with the able assistance of Stevenson, burly McIntyre centre forward Stevenson went in on the goal and tipped Lang, Hollinger net minder, when he came out to clear, passed the ball to Ed Dunston, who, in turn, passed to brother Reg, who had a clear kick on the goal.

Playing good soccer, Hollinger, retaliated when Longton managed to get one by Brockbank on an expert pass from Morley.

Rodgers, McIntyre back, who has been out of the game with an injured leg, was back on the Mac line-up giving his usual consistent display of defensive playing. He contributed to the second goal of the game when he kicked in from the corner to allow Stevenson to head the leather into the net.

Reg Dunston got his second goal of the day when he took a shot at the net after a McIntyre attack. Dunston's shot was travelling straight for Lang and he undoubtedly would have handled it had the ball not struck the ground in front of the net and bounced out of his reach.

Stevenson got one and Morrison added another before the end of the game. Hollinger weakened badly and the Mac efforts, increasing in strength, as the game developed, had them buffaloed.

The teams: McIntyre—Goal, Brockbank; backs, Wisheart, Mayer; half-backs, Charles Dawson, J. Morrison, Campbell; forwards, Ed Dunston, Reg. Dunston, Stevenson, Tommy Morrison, Rodgers; alternates, Bennett, Smith.

Hollinger—Goal, Lang; backs, Neel, Waddell; half-backs, Gallagher, Walsh, Morley; forwards, Longton, Littlewood, McWhinnie, Hancock, B. Morley; alternates, Gibb, Vennard.

In his freshman year in the National League in 1935, Blanton led the league's entire pitching array in the earned run averages. After a slump last year, he has bobbed up as the ace of the Pittsburgh Pirates' pitching staff this year.

Boxing
Petey Sarron is no longer the fly-weight champion of the world. On Saturday last he ran up against Freddie Miller in a twelve-round title fight in Johannesburg, South Africa, and Freddie won the title on points.

Things seem to be all quiet on the southern front from both Farr's camp and Louis'. It's a case of "A calm before the storm".

The British Board of Boxing has finally decided to recognize the Farr-Louis fight as an elimination bout, the winner to meet Schmelling in the fall for the title.

Jimmy Wilde who was knocked out by Jack London, said the morning after the fight that all he could remember was the one punch in the first round. Wilde was counted out in the third.

Wilde will meet Larry Gains at Swansea on the 22nd of this month.

Tennis
If the Canadian tennis tournament

is anything to go by, the British Wightman cup team have an excellent chance when they play in the States for the cup.

There seems to be only one weak spot and that is Miss Kay Stammers, Britain No. 1 player. In her last set in Toronto she was very weak and showed signs of her recent illness, and it will be doubtful if she will be well enough to take part in the Wightman cup series.

Senorita Lizana has just won the Scottish championship for the third time in succession. She beat Mrs. Angus Robertson; later she paired Mrs. Robertson in the doubles and they won.

Kho Sin Kie, the Chinese Davis cup player, is making a come-back. He won the singles final at Cheltenham and the mixed doubles.

Football
The English football touring team lost their third and deciding game in the test in Australia by three goals to one. There are no ashes attached to these matches.

After a hard struggle Ulster United finally had to give way to Vancouver Johnston Nationals in the third and deciding match in the Dominion Soccer Football Championship on Monday last by a score of three goals to one.

Ulster had a hard road to travel in the cup matches and did well. Things might have been different if Bill Davidson had been taken out of the game when he was injured.

Yachting
Well, the Old Mug will still rest in its old resting place for some time to come unless there is someone who knows how to man a sailing boat in my opinion, for the Endeavor has shown she is faster by taking the lead and holding it for an hour on Tuesday, but Vanderbilt out-guessed him and stole a march and won handily. Yesterday's race was the closest when the Ranger won by four minutes and twenty-seven seconds.

Ti-Bits
The English channel was conquered again yesterday by Tom Blower. He tried to break the record when he found the sea calm but didn't count on the strong currents and made the trip in 13 hours and 29 minutes.

The M.C.C. touring team drew yesterday with the United Colleges of Canada. The close of play scores were M.C.C. 238 for six wickets declared. The match could not be finished in time so it was called a draw.

CADDIES ENJOY FEATURE ADDED TO GOLF IN TIMMINS

Caddies at the Timmins golf course have been delighted at a new feature added to golf for them, when Mr. John Knox, president of the Timmins Golf Club provided the lads with milk and sandwiches. Needless to say the lads appreciate the kindly thoughtfulness that prompted this addition to their day's work.

Special Golf Dance at River on Friday

General Public and Visiting Golfers Expect Good Time on Friday Night

One of the best dances of the season is anticipated for Friday night, when, Mr. Wilson, of the Riverside Pavilion, is staging a special evening for the visiting golfers competing in the Northern Ontario Golf Tournament.

The dance will be open to the general public as well as the golfers. Music will be provided by Andy Cangiano's orchestra and a good programme will be included in the entertainment.

Counter in Dying Moments Nets Dome Hard Fought Win

Win League Tilt at McIntyre Field on Tuesday Evening After One of the Best Matches of the Season. Chambers Gets Three.

A goal scored in the dying moments of the game gave Dome a hard-fought victory over McIntyre in a league game on Tuesday evening at McIntyre park. Final score after a see-saw game that belonged to either team until the last whistle, was 4 to 3.

The game was one of the best league matches played this season. McIntyre was a tired team after its victory over Lakeshore at Kirkland Lake on Saturday and the Dome squad realized that and kept pushing the play. The Macmen were in good form, but naturally enough, were not displaying the pep that they have shown in former games.

However, the fact that McIntyre fielded a tired team should not detract from the Dome win as the visitors displayed plenty of power and scoring punch. They were dangerous at all times around the net and their passing and play-making was excellent.

To Tuesday night's game the McIntyre team had scored forty-nine goals. With the score standing at 3 to 3 they needed one more counter to make an even fifty goals and to possibly win the game.

The work of both goal tenders was spectacular, both from the point of form and for their ability to keep the leather out of the net. They both were taxed many times throughout the evening. Brockbank, in the McIntyre goal, stopped many seemingly sure goals by diverting the ball just enough with his fist or some part of anatomy to send it sailing over the cross bar or to one side of the uprights.

First goal came soon after the opening whistle when big Jock Stevenson took Jimmy Morrisens pass to shove one by on a good play. The score was tied when Chambers did a nice job of bringing Whyte's hard pass under control and then lacing the sphere into the twine.

Dome took the lead when he scored on a penalty shot given Urquhart when Mayer handed the ball in the penalty area. McIntyre went out to again deadlock the count and did so when Stevenson

added his second goal of the game on Reg Dunston's relay.

After missing the goal narrowly on a kick from one side Chambers added the second of his trio of Dome counters on a beautiful kick that just skimmed under the cross bar. The score was deadlocked for the third time when Reg Dunston tallied on a pass from Tommy Morrison.

The winning goal came with only a few minutes to go. It was third for Chambers who worked his way by the two McIntyre backs to get close enough to let one go. Baxter, in the goal did not have a chance.

The teams: McIntyre—Goal, Brockbank; backs, Wisheart, Mayer; half-backs, Charles Dawson, J. Morrison, J. Dawson; forwards, Eddie Dunston, Reg. Dunston, J. Stevenson, Tom Morrison, Willie Rodgers; alternates, Campbell, Jackson.

Dome—Goal, Baxter; backs, Foster, Hampton; half-backs, Crawford, Urquhart, Cockburn; forwards, Whyte, Fernie, Chambers, Paynter, Cooper; alternates, Lone, Munro.

Referee, Clifford Thompson.

Hollinger and Dome in Scoreless Game

Neither Team up to Usual Form on Saturday.

Dome and Hollinger played to a scoreless conclusion in a league soccer game at the ball park on Saturday evening. Both teams were off form and the game was not one to be remembered in a football fan's diary.

The Dome team played better combination and should have had goals in the first half had it not been for the poor shooting on the net and the good work of Lang in the home net. The Hollinger squad did not have the "moethness and power that the Dome team displayed but what it lacked in that respect it made up in aggressiveness.

In the second half Hollinger players swarmed in on the Dome net time and again and gave Baxter, in goal, plenty to worry about. However, he managed to get what leather came his way. On several plays the Hollinger end man kicked the ball over the goal or narrowly missed the side.

A veteran Hollinger back, Stanlick, who has not been making his appearance very often in games recently, was on the line-up. The Dome team was switched around and two of their players were out of the game with leg injuries.

In the last few minutes of play Dome made a desperate effort to score but to no avail Hampton distinguished himself with three kicks on goal. With but a minute to go he got a clear chance to score and the fans held their breath and relaxed when they saw the ball go sailing over the cross bar.

The teams: Dome — Goal, Baxter; backs, Foster, Hampton; half-backs, Lone, Paynter, J. Crawford; forwards, Gilroy, Fernie, Cooper, Galbraith, Cockburn; alternates, Jones, Wood.

Hollinger — Goal, Lang; backs, Stanlick, McGuire; half-backs, Gallagher, Ney, Waddell; forwards, Longton, Littlewood, Grant, Hancock, Gibb; alternates, L. Morley, Campbell.

Referee, Pat Larimer.

Freak Ending Gives Timmins Thrilling Win Over Macmen

With Two Men Out, Tied Score and Bases Loaded in Last of Ninth Inning, Wild Pitch Gives Timmins a Much Needed "in."

With two men out, the score tied and the bases loaded in the last half of the ninth inning, a wild pitch gave Timmins a hard-won victory over McIntyre in one of the most thrilling ball games seen here this season, at the Timmins ball park yesterday afternoon.

The game was a heartbreaking one for the Macmen to lose and a great one for Timmins to win. It seemed to build itself to a climax which was released at the proper time. No one of the Timmins pair or the single McIntyre run was earned.

Callery, pitching for McIntyre, was in one of the toughest spots in his career in the last inning. Ahead of him were four of the Timmins' heavy hitters, Darrach, Berscht, Coleman and Romauldi. Darrach hit a liner to third base and got to first on Prout's bad peg to Cybulski; Coleman made a sacrifice bunt that put Darrach on second; Berscht fled out to centre field and Romauldi went to first when hit with the ball. Callery deliberately loaded the bases when he walked Dorey and then faced the test with McCarthy to bat.

The first ball across saw McCarthy swing wide and the crowd waited tensely for the next pitch. It was low and wide. McDonald made a grab for it but it went under his outstretched hand and Darrach, on third, romped home to win the ball game.

Timmins made an early try for a run. First man up was Lawton. He was hit by a pitched ball, got to second on Smith's sacrifice and to third on a wild pitch. He made his mistake there. Trying to steal home he was caught when Prout relayed to McDonald who caught him cold.

Frawley got on base in the third when he hit a double with one man out. He was left on second when Lawton fled to short stop and Smith struck out. The McIntyre run came in the first of the fourth inning. First man up, Price, got a three-base hit to centre field. Hann and Cybulski were both caught at first base and Angrignon brought Price home when his wallop to short was missed.

In their half of the fourth inning the Mac players gave a neat demonstration of double playing. Berscht laced one when Coleman was on first. Quinn, McIntyre's second baseman, picked up the ball and relayed it to Hann, who caught Coleman on his way to second. In turn Hann pegged to Cybulski in time to get Berscht at first.

Retaliating, the Timmins team pulled a double play in the next inning. McDonald walked to first and went to second when Gilbert connected. Shortstop Romauldi picked up the grass-cutter and pegged to Coleman who got McDonald and Coleman pegged to Berscht on first in time to get Gilbert.

In the last of the fifth Romauldi, Timmins, at bat got a single over second base. Dorey fled out and McCarthy, hit with a pitch, went to first. When Frawley hit one Quinn, on second picked up the ball and tagged McCarthy on his way to second and pegged to Cybulski in plenty of time to get Frawley at first.

The first Timmins run came in the sixth. Lawton got a hit to right field, got to second on the right fielder's error and came home on a passed ball to McDonald, McIntyre catcher.

Both Games Taken by Beattie Mines

Timmins' Gold Belt League softball entry played two games with Beattie Mines in Kirkland Lake on Sunday afternoon. They held the strong Beattie team to a 5 to 4 score in the first match and lost the second by the lighominous score of 17 runs to 0.

The first game was lost to Timmins by a passed ball and a walked man. The combination gave two Beattie miners the chance to circle the bases for winning runs. Timmins got four runs out of eight hits and committed only two errors. Beattie, on the other hand, got five runs out of two hits. One error was made.

The less said about the second game the better. The period between the two apparently was too much for the Timmins men and they allowed run after run to be scored on errors.

McKim pitched the first game for Timmins and McKim, Delmonte, Fox and Buchan all took a hand in the hurling during the second. Gilfoyle and Doyle handled the pitching assignments for Beattie.

Heavy Timmins hitters in the first match were Romauldi, who got three hits, a single, a double and a home run. McKim hit twice and Joe Block got one.

Heather Triumphs over Rose In International Football

Scotland Outscores England 4 to 1 in International Game in Connection With the McIntyre Field Day. Interesting Football on Civic Holiday.

The Scottish lion clawed and bit its way to a 4 to 1 soccer victory over the English unicorn at McIntyre field on Monday morning in the annual international match held in connection with the McIntyre Field Day.

Strongest man on either team was Wee Willie Rodgers, who was responsible not for one or two of the Scots' goals but for all four. The burr on Willie's speech on Monday was no more pronounced than the accuracy of his shooting.

Two of the game's five goals were scored by McIntyre in the first half. Both were scored on similar concerted forward attacks by the Macmen with Rodgers taking the ball for the final kick.

First English goal came soon after half time. Jimmy Jackson took the ball when Tommy Searle headed it to him and kicked a short one that found its way into the net without any trouble. Rodgers' third goal came on a nice assist from Galbraith. The fourth one was near the end of the game. McAdams, an English back, tried to clear the ball from in front of his own net. He kicked and the ball went off the wrong side of his foot directly to Rodgers, who was standing in front of the English net. Rodgers returned it with power and direction into the goal.

The English team was no match for their Caledonian opponents in combination, speed and power. Although they tried hard and gave Bannerman, in the Scottish goal, plenty of trouble more of the better players in the district were affiliated with the Scots aggregation.

Rodgers almost added a fifth goal to the Scots list shortly after Jackson

scored for the English. He took Morrison's pass and angled the ball into the net but the goal was called by the referee for an offside.

Although the game was played in the morning the sun blazed down and kept the players in a welter of their own perspiration. It was hot enough to slow the game down at times and wear the players down. A large crowd was on hand to see the match and frequent calls of "Come on Scots" vied with others of "Come on England."

His transfer through from Calgary where he has been playing soccer, Boyd, considered one of the best backs in the country, was able to play for the Scots. He did some good work protecting the net and clearing in front of his own goal.

The teams: Scots: Goal, Bannerman; backs Foster, Hampton; half-backs, Boyd Morrison, J. Dawson; forwards, A. Muir, C. Dawson, J. Stevenson, Galbraith and Rodgers.

England: Goal, Vennard; backs, McAdams, Neel; half-backs, Hancock Urquhart, Paynter; forwards, E. Dunston, R. Dunston, Naggi, Searle, Jackson.

Referee: Pat Larimer.
