CONTEST RULES

Simply guess the total weight of the ore (rock, minerals, etc.) in all the TWENTY-ONE BOWLS combined, in the contest store windows.

Anyone may enter—man, woman or child—no matter where you live, providing you are not employed by The Porcupine Advance or any of the contest stores.

With every cash purchase of 25c of merchandise at any of these stores ask for contest slips. \$1.00 purchase entitles you to 4 slips, \$2.65 to 10 slips and so on. Slips must be obtained only at the time of purchase.

Write your guess in pounds and ounces (and fractions of an ounce if you wish) as well as your name and address on each slip and deposit them in the "POTS OF GOLD" contest boxes in any of the stores. You may fill in the slips at the time or take them home and deposit them in any of the boxes later.

Get as many slips as your buying entitles you to and deposit as many different guesses as you wish (just one guess to each slip, of course). Naturally the more different guesses you make the better chance you have to win.

At the close of the contest the ore will be weighed. The person guessing the correct or nearest correct weight will be awarded First Prize. The person guessing next closest will be awarded Second Prize. In the event of a tie, the tie contestant who has entered the most guessing slips in the contest will be awarded the prize in question and the other person will be awarded the next prize.

The prizes as set forth at the left side of this page will be presented to the winners immediately following the contest.

Contest slips are issued only on retail purchases. The contest closes Saturday, September 18th at 12 o'clock midnight. No guesses may be deposited after that time.

Employees of The Porcupine Advance or of the contest stores are not eligible.

All contestants must observe the rules of the contest and accept the judges decision as final.

In any circumstances or case not covered by the above rules, the decision of the judges will be final.

ANYONE CAN WIN!
