

Porcupine General Hospital

South Porcupine, Ontario

● Every resident of the East End of the Porcupine Camp must recognize the pressing necessity of a well equipped modern hospital to serve this section.

● In order to afford you an opportunity to contribute a thorough canvass is now being made.

● In helping the Hospital Board with contributions you are really helping yourself. We hope you will give as generously as you can.

● Timmins, naturally will not be canvassed but contributions from interested friends in Timmins will be thankfully received.
