

South Porcupine Man Struck by Train Thursday

John Burns, Aged 79, Meets Tragic End. Tea and Concert at South Porcupine. Chief and Constable Injured in Arresting Drunken Man. Other News Notes from South Porcupine and the Dome.

South Porcupine, August 7.—(Special to The Advance)—Mr. Williams of the New York Porcupine Mines returned home today from Pembroke, being well enough to travel after the car accident in which his hand was hurt. Mr. and Mrs. Snelgrove of South Porcupine, who were also in the car are still in Pembroke. Mr. Snelgrove is still in hospital suffering from a broken arm and severe back injuries. This accident occurred while they were on holiday near Pembroke, last Saturday.

Mr. John Burns, aged 79, old-timer of the camp, having lived here for the last fifteen years, met with tragic death here on Thursday afternoon. The old man who was stone deaf lived in a little shack on Railroad street alone.

On Thursday at 3 o'clock he was walking on the railway tracks at the level crossing at the foot of Connaught Hill, when a freight train just pulled out of the station struck him in the back, death being almost instantaneous.

The usual whistles had been blown but the old man being deaf had not heard them. As the passenger train for Toronto had gone through undoubtedly he had not given thought to another coming toward Timmins.

Dr. Paul was sent for immediately and the man removed to the hospital, where Coroner Tucker, of Cochrane, later released the body for Mr. Hunkin, the undertaker, to prepare for burial.

An inquest will be held but the date is not yet set. The funeral took place on Saturday morning from the undertaking parlours to the Catholic Church where Father Gelinas conducted the funeral mass. Interment was made in Tisdale cemetery, the grave being previously blessed by the priest for burial.

The only living relatives of Mr. Burns are two sons one of which was present from North Bay at the funeral, and a brother.

One brother James died some years ago, Mrs. Burns and some of her family are still residing in South Porcupine.

A kindly thought prompted Mrs. S. Jay of Dome Extension to open her home on Wednesday afternoon for an impromptu concert given by the Dome Extension children for the benefit of the Toronto Star Fresh Air Fund. Mrs. Jay herself put on a little sale of home

baking—proceeds for the fund—and served tea to her guests after the concert and gave a little party to the girls who performed. A nice little sum was realized by the concert and has been sent to the fund.

The girls taking part in the concert—piano playing, singing, tap dancing, highland fling dancing and folk dancing—all accompanied on the piano by Mrs. Blair, were:—Eleanor Burke, Edith Uren, Myrtle McGinn, Mary Mitchell, Dorothy Mitchell, Esther Collins, Thora Webb, June Allen, Lynn Beard, and Evelyn Jay.

Our new policeman Paul Graber was hurt slightly in a scuffle on Thursday with some transients who were causing trouble in a local hotel. Both Chief McInnis and Constable Graber had trouble getting the men to jail, but they are there and they will have to give an account of themselves on Tuesday morning to Magistrate Atkinson.

We also learn that Chief Marshall, of Whitney, is in hospital in Timmins with a broken shoulder caused by being hit with a truck on the highway on Friday night.

Mrs. J. McCrae is home at the Dome from holiday in Toronto.

Mr. and Mrs. Walter Honer and son, Billy, with Jimmy Jamieson, left on Saturday by car for vacation in Fiesher-ton and Owen Sound.

Little Betty Hansen came home on Saturday from Tisdale hospital recuperating nicely from appendix operation.

Miss Lily Brown of the Telephone staff is on holiday in Montreal visiting an aunt.

Mr. and Mrs. R. Dye of the Dome returned on Friday from holiday in Florida.

Born—On Wednesday, Aug. 4th, in the Tisdale hospital, to Mr. and Mrs. David Thiessen, of Crawford street—a daughter.

Miss Maxwell-Smith, of Toronto, is spending a week at home with her parents.

The Fire Department gave a stag

party at their rooms above the fire hall last Friday night for one of their members whose marriage took place on Thursday.

A jolly time was enjoyed by the boys, and they gave their guest—Benny Tomchick—who has been a member of the brigade for some years—a lovely chest of silver as a wedding gift.

The next evening another stag party was given for the benedict-elect, by the staff of the South End Garage who were his fellow-workers, and another grand time was held, the staff presenting him with a beautiful elderdown comforter.

Mrs. J. Ostrom and family are spending the summer months at their new cottage at Powell's Point, Golden City.
