

Baseball Play-Offs Start Next Wednesday

Macs Take Three Goal Margin for Second Dickson Cup Game

Play Second Game, Goals to Count, on Saturday Night at McIntyre Field. Dome Weakened by Loss of Three of Strongest Men on Team. McIntyre Seems on Way to Further Honours.

Winner of two trophies already this season, the Boxer and Foster cups, McIntyre went a long way toward adding a third to his collection of silverware on Tuesday evening at Dome field when he fell by a score of 4 to 1 in the first of a two game series for the Dickson trophy. The second game will be played on Saturday evening at McIntyre field, goals to count.

Team strength decided the issue in Tuesday evening's game. The Macs put a full team on the field and three of Dome's best men were laid up with injuries that did not have the fire and precision that they ordinarily have. Chambers, with a sprained ankle, was out of the game. Baxter, the goal tender, was not at his usual post but was laid up with influenza, and Whyte was on the sidelines with a strained back.

The Macs played aggressively and took advantage of all the breaks. They scored one goal in the first period and one a half minute after the whistle went for the second half. Dome rapped one home, but the Macs piled two more in before the game ended to give themselves a three-goal edge for the end of the week match.

The game was fast throughout the full ninety minutes and the play shuttled up and down the field fast enough to keep the fans excited. There were the usual complaints from players and spectators about handling the ball and other infractions of the rules but at no time did the feeling get nasty. Referee Cliff Thompson impressively made his decisions and paid no attention to the gesticulating players or the shouting fans.

Searle headed the ball into the lower corner of the Dome net about eleven minutes after play started. He got a beautiful assist on the counter from Reg. Dunton who looped the ball in from a corner kick.

Second goal of the game, also a McIntyre mark on the tally sheet, came fifteen seconds after the whistle went for the second half. There was just one play up to the time of the goal and that was a scoring maneuver. Tommy Searle passed and Ernie Dunton shot a low one toward the net. The ball was coming directly at Rowe, in the Dome net, and he would probably have got it had it not struck the ground in front of him and happened to hit a cinder that was in that particular spot on the grassy field. The ball bounded out of his reach and into the twine.

Fernie scored for Dome on a pass from Cooper after about eighteen minutes of play. The play was a nice one and the shot was beautifully timed and placed. The Dome goal came after a series of attacks on the visiting goal when the ball was cleared by the backs or by Brockbank who played a stand-out game in goal.

Tommy Morrison got the third McIntyre goal on a rebound. Eddie Dunston shot from well out and the ball hit the post and bounded out. Tommy Morrison got the rebound on his toe and a short, sharp drive put it past Rowe.

Final counter came when Searle got the ball from Rodgers and passed it to Eddie Dunston. When Searle was in position after the pass, Dunston gave it right back to him and he found an unprotected part of the goal.

Dome Goal, Rowe; backs, Foster and

Hampton; half-backs, Crawford, Paynter, Cockburn; forwards, Lone, Fernie, Cooper, Munro, Galbraith; subs, Gilroy, Woodley.

McIntyre: Goal, Brockbank; backs, McAdams, Mair; half-backs, J. Dawson, J. Morrison, Smith; forwards, E. Dunston, R. Dunston, Searle, Rodgers, T. Morrison; subs, Wisheart, Stevenson.

Referee, Cliff Thompson.

E.O.B.A. Playoffs Under Conditions

All Representatives of T.B.L. Favour Series with East.

(From Northern News)

The Temiskaming Baseball League, after providing itself with five loopholes, decided at a special executive meeting here Saturday night, to affiliate with the Eastern Ontario Baseball Association—a league that is not recognized by the Canadian Amateur Union.

The decision came following a three and one-half hour meeting between representatives of the McIntyre, Toburn and Wright-Hargreaves clubs, and executives of the league.

There was no one present to represent Lake Shore, while Ike Solomon, vice president of the T.B.L. and manager of the McIntyre club, gave his decision by telephone from Timmins.

The Five Provisions

At the present time, the Temiskaming Baseball League will affiliate with the Ottawa Valley loop, providing the following conditions are fulfilled:

1—That the E.O.B.A. will agree to take part in a playoff series after the T.B.L. champions have been decided.

Future Timmins Ball Stars Met Yesterday in Tourney

T.P.A.A.A. Junior Baseball Day Brought Together all the Potential Great Players of the Porcupine District. Three Lively Ball Games. How the Games Resulted.

The future ball stars of the Porcupine district met yesterday afternoon in the three games which constituted the widely heralded junior baseball day staged by the Timmins Police Amateur Association. In the first game the T.P.A.A.A.'s team of boys fifteen and under, won a 10 to 7 victory over the All-Stars. The Canadians trimmed the Tuxis 2 to 1 in the second game, and the T.P.A.A.A. junior team shellacked South End by a score of 15 to 5.

Games began at two o'clock. The first match was over before four, and the second by seven. The third game was called at six innings because of darkness.

Main contest of the day was the final game. However, the Timmins lads proved much too powerful for their South End opponents and hit Pirie, in the visitors' box, all over the lot.

Turcotte and Churchill were the heaviest Timmins hitters with three

First Play-off Ball Game on Wednesday

Play-off Series Between Macmen and Timmins Should Produce Best Games of the Season. Second Game a Week from Wednesday.

The first play-off game of the Timmins-McIntyre and South Porcupine baseball league will be held at the McIntyre field on Wednesday of next week, when the Macmen will meet stern opposition from the Timmins nine.

The second game of the best two-out-of-three final series will be played in Timmins on Wednesday, September 1st, and, if a third game is necessary, it will be played at McIntyre on the following Friday.

The play-off series should produce some of the best ball seen here this year. If any conclusion can be drawn from the postponed league games between Timmins and the Macmen, which was played at McIntyre field yesterday afternoon, the series will undoubtedly produce some thrilling games. In yesterday's game it took a home-run in the last of the tenth inning to break a deadlocked score.

2—That a play-off series with an E.O.B.A. representative will not affect the amateur standing of any player in the Temiskaming Baseball League.

3—That the champions of the Ottawa Valley league play the entire series in Kirkland Lake.

4—That the play-off between the E.O.B.A. and the T.B.L. will receive written sanction by the Canadian Amateur Union.

5—That Canadian amateur cards must be presented by the E.O.B.A. representative prior to the series in Kirkland Lake.

The league secretary—Clarence Hill—was instructed to inform the E.O.B.A. of the clauses that the T.B.L. insists must be agreed upon before there will be any affiliation between the two baseball groups.

M. W. Hutchins in discussing the affiliation prior to the vote being taken declared that "there certainly will not

Lew Riggs

Cincinnati's third baseman who was O.B.A.'s representative in the 1936 All-Star Game. Lew first distinguished himself with the University of North Carolina.

be any play-offs with the E.O.B.A. if it is going to effect the amateur standing of any hockey player."

It was pointed out by the various representatives that at the present time each baseball club in the T.B.L. is carrying at least one hockey player—with the Lake Shore club having the greatest number on its ball roster.

Delegates Are Cautious

The various representatives were very cautious in making the step which would sever relationship between the Canadian Amateur Union and the Temiskaming Baseball League.

"I think we should look into this E.O.B.A. set-up much closer before taking the affiliation step," said Frank McDonald, president of the Twin City baseball club. "Mac" McCormick, also representing the Noranda team, echoed the statement.

Ike Solomon, unable to attend the meeting in person, telephoned that "he was in favor of continuing a play-off with the E.O.B.A."; in other words that his vote was for affiliation with the Ottawa loop.

WON'T AFFECT PLAYERS

His vote was given, it is understood, after he received assurance that the amateur standing of any T.B.L. player would not be affected by a series with the E.O.B.A. champions.

A proposal from Tom Birney, Nickel Belt Baseball League chief, that in place of the E.O.B.A. series, the Temiskaming League should play-off with the Nickel Belt champions, was not even discussed by the executives present.

When one person present raised the question, the only answer was "that's entirely out of the question." The subject was dropped and the delegates proceeded with their discussion in regards to E.O.B.A. affiliation.

Series in September

If the affiliation with the Ottawa baseball group should go through, it is not expected that the play-offs would get under way before about the fifth of September, due to the large number of games yet to be played in the North.

It is expected that further plans for the E.O.B.A. affiliation will be discussed at another meeting of the T.B.L. which will be called some time towards the latter part of this week or the first of next week.

In the event that the proposed E.O.B.A. affiliation should collapse, it is unlikely that there will be any other baseball series in the North, other than the play-offs to decide the T.B.L. champions.

Officials present were: M. W. Hutchins, T.B.L. president; Clarence Hill, T.B.L. secretary; Eric Holt, Toburn baseball secretary; Starr Mason, manager of Toburn baseball club; Sam Currie, manager of the Wright-Hargreaves baseball team; Frank McDonald, president of Noranda baseball club, and "Mac" McCormick, Noranda representative.

Irish Johnson, the Tuxis coach, went into the field to make up the team.

The Grads owe their defeat to the poor playing of the outfielders. In one play Dunn rounded the bases for a run on fumbles at first and an overthrow to second.

There was only one home run of the game and that was a clean hit to centre field by N. Ansara in the third.

Tuxis Grads 2 0 3 0 0 2 1—6
Tuxis 0 3 2 0 2 4 x—11
Tuxis Grads—Hass 2b; Carrignini c; Wallingford p; Thur 3b; Grant 1b; Smith lf; Walsh ss; Robertson rf; Larivee cf.

Boxing

It's a funny business this boxing game. Before Farr reached these shores, it was said he was just another boxer. When he landed all the newspaper scribes said he talked too much. Now he has been in action they say that he is going to put up a great fight. A good majority think that this is just box office talk. This may be so, but those who say this have it coming and going both ways, for if Farr loses they can say it was box office talk, but if he wins they will be saying "I told you so." My bet is, if Farr can take a few of Louis' lefts he will win, and I think he can. Anyway, there will be no fainting Phil about him.

There was a small youngster watching Farr spar the other day and he turned to a newspaper man and said "Is that the best he can fight? What a sucker for a left."

Here is a little more encouragement for the Farr supporters. Mr. John Harding, manager of the National Sporting Club of London, arrived in New York last week with a three-foot case holding a gold belt to be presented to the winner of the fight as a prize.

Having seen the picture of this belt, it sure is worth while winning it alone. On the gold band there are four small gold frames with different poses of boxers, and the buckle is quite large with two boxers standing toe to toe.

Don't get me wrong. The N.S.C. have made no suggestions as to who is going to get it. The club is just giving it to show the British Boxing Board of Control that they are like the rest of the world, that the bout is recognized as far as world championship even if B.B.C. don't.

Golf

Henry Cotton, of Great Britain, won the German open golf championship on Sunday by seventeen strokes better than the runner-up. His strokes were 63 on Saturday, this being a record for the course. Sunday he did a 70, 69, 72, a total of 274.

Rowing

In the European title rowing events held in Amsterdam, Holland, on Tuesday of this week, Germany won four out of the seven events. Italy won two and Switzerland one. Great Britain for the first time had no entries.

Yachting

Off Newport, R.I., the Ranger, winner of the Mug, and T. O. M. Sopwith's Endeavour II had lots of company on Tuesday for a race. There was the Rainbow, Yankee and Endeavour I, and for the first time the Ranger was beaten. Yankee won the race by five minutes. The other boats finished in the following order: Rainbow, Endeavour I, and Endeavour II last.

Cricket

After full time play between New Zealand and England in the third and last test match it was called drawn. The scores were New Zealand 249 and 187; England 245 for seven declared and 31 for one.

Yorkshire and Middlesex are having a great battle for the leadership in the county matches. Middlesex dethroned the lads from the north last week-end but the northerners climbed right back again on Tuesday.

Tennis

In an American match play yesterday two Davis Cup tennis stars, J. Mako, U.S.A. and C. Hare of Britain, fought it out. Mako won the three sets 6-4, 6-4 and 9-7.

To-morrow, (Friday) the Wightman cup matches will get under way with Miss Hardwick of England vs Miss Marble of U.S.A. and Miss Kay Stammers, England vs Miss Helen Jacobs of U.S.A. in the women's singles. The doubles will also be played the same day.

On Saturday in the singles the players will change opponents.

Miss Jadwiga Jedzejowska, the 24-year-old Polish girl, has started her winning streak on American soil for the first time by winning the final of the women's singles eastern grass court championship at Westchester County Club, Aye, N.Y., by defeating Miss Marble 7-5, 6-4. The Polish girl was beaten in the All-England tournament at Wimbledon in the finals by Miss Dorothy Round a few weeks ago.

Senorita Lizana of Chile who is about to leave England after a successful tennis year, added another championship to her long list when she beat Miss Heeley in two remarkable sets at Newcastle to retain the women's singles in

Cybulski's Extra Inning Homer Wins Ball Game for McIntyre

Clouts the Ball in the Last of the Tenth Inning to Win Exciting Game for Macs. Players Did Not Take the Game Seriously at First, but Warmed up as the Match Progressed.

A home run by Cybulski in the last of the tenth inning gave McIntyre a six to five victory over Timmins in a postponed game played at the McIntyre field yesterday afternoon. As the game affected the standing of neither McIntyre nor Timmins, both of whom are in the league play-offs, the players were not inclined to take it seriously in the first few innings. However, as the contest progressed competition got so keen that league standing or no league standing each team was determined to win.

McIntyre used three pitchers: Callery for the first four innings, Woods for four more and McShane for the last two. The veteran Coleman, who has been playing in the outfield most of the season, very capably handled the pitching assignment for Timmins.

The Macs ran in two runs in the first inning to Timmins' one, to take an early lead. Price opened the ball game for the home team with a double to left field. Hann walked and Price came home on Cybulski's sacrifice. Hann stole home on fly ball. The Timmins run came when Darrach opened with a double to right field and crossed the pan on Dorey's single.

In the first of the second inning the visiting nine deadlocked the score. Berscht walked to first, took second on a wild pitch and came home on McCarthy's grass cutting hit to short.

Macs shuffled to the fore again in the third when Hann hit a double over third and Angrignon got on base when Smith erred on second. McDonald got to first base on an error and Gilbert's single brought Hann and Angrignon home to make the score four to two.

Timmins came within one run of the Macs in the sixth when Frawley got on base, being hit by a pitched ball, and galloped home on Berscht's homer. The Macs scored when McDonald hit a single and came home on Gilbert's sacrifice and Karahan's hit.

Timmins scored the run which tied the score in the ninth inning. McDonald hit over short stop and came in on Coleman's rap, Coleman fanned one McIntyre man in the last half of the ninth and pegs to first got the other two. The score was tied at five runs.

Great Interest in Long Branch Event

Although nominations for the three \$5,000 added handicaps do not close until September 15th, it is interesting to note the reaction of the breeders throughout the Dominion regarding the recent announcement of the Long Branch Jockey Club, Limited, of Toronto.

This association operated by Messrs Orpen and Hare after inaugurating a \$5,000 race last spring followed up the good work by not only putting on a \$5,000 added stake at their autumn meeting in October, but also for the next two years, thus giving an added incentive to breeding in Canada.

Naturally the perpetuating of this race depends upon the support of the horsemen and therefore not until the nominations close on September 15th for the three handicaps, namely 1937, 1938 and 1939, will it be known how well the breeders have responded to a race, which in time will develop into a Futurity and possibly the richest purse in Canada, an addition to the much prized Mrs. Orpen's Cup and Sauer valued at another \$500, and which will be redeemed for the association for that amount from the winning

the Northumberland championship.

Tit-Bits
Sir Malcolm Campbell arrived in Locarno, Switzerland on Tuesday with his speedboat Bluebird where he will try out for the world's record. He is going to make the runs on Lake Maggiore.

Romford Wasps look like taking the major baseball honours. They are now in a strong position at the head of the league by defeating the Pirates 12 to 10 before a crowd of 1500 in London. In a previous game they beat the Pirates 11 to 6.

each. Berscht, first Timmins man to bat in the tenth was caught on a peg to first from the pitcher. McCarthy fled out and McShane struck McDonald out. First Macman up over centre field. Angrignon leg from the bilabachers was a little out and the passed ball went into the dugout. Cybulski completed his circle of the bases to win the game.

| McIntyre | | Timmins | |

Summary: Two base hits, Price, Hann, Callery, Darrach. Home runs, Berscht, Cybulski. Walked, by Callery 1; Wood, 1; McShane, 1. Struck out, by Coleman 6; by Callery 2; by Woods 1; by McShane 2. Hit by pitcher, McNulty, Frawley. Double plays, Coleman to Smith to Berscht. First base on errors, Berscht, Darrach, Angrignon, McDonald and Cybulski. Sacrifice hits, Dorey, Cybulski, Gilbert, McDonald.

Umpires: Plate, Lloyd Chambers; base, Bill Burnes. Scorer, Ed Copps.

owner, if the latter so desires. The handicap this year will be run on Wednesday, October 13th, the closing day of the meeting.

But if you do not think the breeders are more than interested in the Long Branch autumn feature and the richest purse for two-year-olds in Canada, consider these excerpts of letters received by the association regarding the handicaps. Here they are:—

H. R. Bain, Toronto: "I wish to take this opportunity of congratulating you upon your plans for the two-year-old futurity. It is only through moves of this description that racing of the right type will survive in Canada. It is needless to say that unless there is an inducement to breed, the calibre of older horses will be very poor."

R. J. Speers, Winnipeg: "I was very glad to receive your entry blanks for 'Mrs. Orpen's Cup and Sauer Handicap,' with \$5,000 added. I am pleased to see that you put on this stake, as stakes of this kind are the greatest contribution that Jockey Clubs can possibly make to the breeding industry. Our clerk of the course, Mr. F. L. Smith, is out in Alberta at the present time, but before going I gave him a letter I received from your Mr. G. Hay and asked him to canvas the situation thoroughly out there and we will try and get you as many nominations as possible. I have five two-year-olds in training and will nominate them all."

E. F. Taylor of the Cosgrove Stable, Toronto:—"I must congratulate you on your new stakes, which I feel will in itself do a great deal to improve racing and breeding in Canada. I am sure you will be amply repaid by increased interest on the part of the public at your fall meeting. As we have two or three two-year-olds, which we would like to enter in this year's stake and have some yearlings for next year's stake, will you be so kind as to send me a supply of entry forms as soon as they are ready."

Tuxis Win from the Tuxis Grads 11 to 8
At that the Tuxis were Without Their Regular Pitcher.

The Tuxis Grads and the Tuxis battled it out again on Monday night last in the Church League and the Tuxis turned the tables on their seniors this time by coming out on top by a score of 11 to 8.

The Tuxis were without the service of their regular pitcher, F. Schroeder, who is out of the sport for the rest of the season. Hutton took his place on the mound and turned in a good game.
