

WELCOME! LEGION DELEGATES!

Provincial Command of Legion in Convention

Many Distinguished Ex-Servicemen Attending Sessions. Practically Every Branch in Ontario Represented by President or Other Officer. Proceedings at This Morning's Session.

The convention of the Ontario Provincial Command of the Canadian Legion got off to a flying start this morning in the auditorium of the High School here.

Addresses were given by Archdeacon F. G. Scott, Canadian Corps Padre, Brigadier-General Alexander Ross, President of the Dominion Command of the Canadian Legion, Major Power, Minister of Pensions of the Dominion Government and Captain Jules Ferry, President of the Ontario Provincial Command of the Canadian Legion.

Rev. Father O'Gorman of Timmins opened the convention with devotional exercises; Mayor Bartleman welcomed the delegates to this city and Austin Neame, President of the Timmins branch of the Legion and representative of Zone 21, welcomed the legionnaires and presented General Ross and Captain Ferry with paperweights fashioned from gold ore mounted on a black stone base.

A testimonial was read in memory of the late William C. Scarth, former Provincial Secretary of the Ontario Command of the Canadian Legion.

Despite the fact that there were dissenters who said that the Legion had fallen in its many objectives and aims, said General Ross, its membership was larger, its financial resources stronger and prestige higher than ever before. The convention could, therefore, disregard the opinions of those who saw nothing but failure.

The address of Major Powers showed, said General Ross, that there was closer contact now between the government and the Legion.

Upper School Results at Timmins High School

Basil Howse Wins Halperin Medal With Ten First Class Honours. James Clarke Wins Simpson Scholarship With Eight First Honours and One Second. Either James Clarke or Basil Howse the Winner of I. O. D. E. Scholarship

The following are the Upper School results for Timmins High School.—

John M. Lee Killed In Accident

Was Son of Former Chairman of T. & N. O. Commission. Three Others Injured in Accident Today Near Toronto.

John M. Lee, 38, son of George W. Lee, of North Bay, formerly chairman of the T. & N. O. Commission, was killed instantly this morning in a motor accident which occurred near Scarborough Bluffs, Toronto. The deceased man is a member of a family well known in Timmins and throughout the North.

The fatality occurred when the car in which Lee was riding crashed into a parked truck. Driver of the automobile was Gordon McMichael, of Toronto. John M. Lee was killed, his wife suffered a broken arm, another passenger in the car, Margaret State, of Toronto, had her leg fractured and the driver of the car sustained cuts and bruises about the body.

The weather forecast for Northern Ontario at noon to-day, received through the courtesy of the T. & N. O. Railway, says:—South and southwest winds. Fair to-day and most of Tuesday and becoming a little warmer.

Canadian Pilot Completes First Lap on Arctic-Bound Flight

Travelling through a thunderstorm which was playing havoc with Toronto, the giant Guba clipper ship en route to search for six missing Soviet airmen in the Arctic, stopped off in Toronto harbor. Our picture shows the crew on the ship on its journey from New York; left to right: Raymond Booth, flight engineer; Sir Hubert Wilkins, famous Australian explorer, and Herbert Hollick-Kenyon, prominent Canadian flier, who acted as pilot. After refueling, the machine flew to Port Arthur and then on to Aklavik to start the search for the missing men.

Weather Will be Warmer

"Fine and Warmer" are Probabilities for Next Few Days. Rainfall Scant Throughout the Week. Some on Saturday and .03 on Friday.

Generally fine and warmer was the good word this morning from the weatherman. He believes that we are through with dull weather for a time and will once more bask in the sunshine.

Rainfall throughout the past four days has been scant. On Saturday dull, cloudy weather was punctuated with frequent sprinkles of rain. Only a few drops fell at a time. From 4:30 p.m. on Friday it rained to a depth of .03 inches.

Maximum and minimum temperatures on Thursday were 74 and 50 degrees; on Friday, 73 and 46 degrees; 62 and 43 on Saturday, and 66 and 37 on Sunday. The temperature at eight o'clock this morning was 64 and last night's minimum was 42.

Zone Rally Ladies' Auxiliary Tomorrow

Social in Evening to be Special Feature.

Tuesday of this week, Aug. 24, there is a zone rally of the Ladies' Auxiliary. All centres of the North will be represented at the event which will be held in the Hollinger Hall. Among the visitors will be:—Mrs. Morley, Provincial President Ladies' Auxiliary; Mrs. Pegg, secretary; Mrs. Greenway; Mrs. Ginn; and others.

Following the session of the zone rally at 7 p.m. there will be a social evening to which members of the Legion and visiting delegates are invited. The programme for the social will be an outstanding one and will include—solos by Lucien Pare, J.S. Jago, Mrs. T. Gay, Miss Ruth Koski, and dancing and other numbers by Mrs. Burt's pupils.

Boy on Bicycle Hurt When Struck by Car

Roger Rumble Receives Minor Injuries.

Roger Rumble, aged 12, received minor injuries this morning when he was struck by an automobile in front of the office of The Porcupine Advance on Fourth avenue.

The lad was riding his wheel along the street when he lost balance and drove directly in front of an automobile driven by David Craig, of Schumacher. He was bruised and shaken up. His knee was lacerated and right hand scraped, otherwise he was not injured. Mr. Craig's promptness in applying his brakes prevented what might have been a serious accident.

Moose Asks Assistance of Lions Club in Turkey Stag

The Lions Club held an informal meeting on Thursday evening. There was no speaker and the meeting was taken up with discussion of Old Home Week and other subjects. In response to a request from the Loyal Order of Moose for assistance with the Turkey Stag, J. M. Belanger and Joseph Disley were appointed a delegation to confer with the Order of Moose.

Arrives by Aeroplane For Legion Convention

Major Power, Dominion Minister of Pensions and Public Health, arrived here this morning by aeroplane from Ottawa to attend the convention of the Ontario Provincial Command of the Canadian Legion being held in Timmins this week. Major Power was met by a committee from the convention. He addressed the opening session this morning.

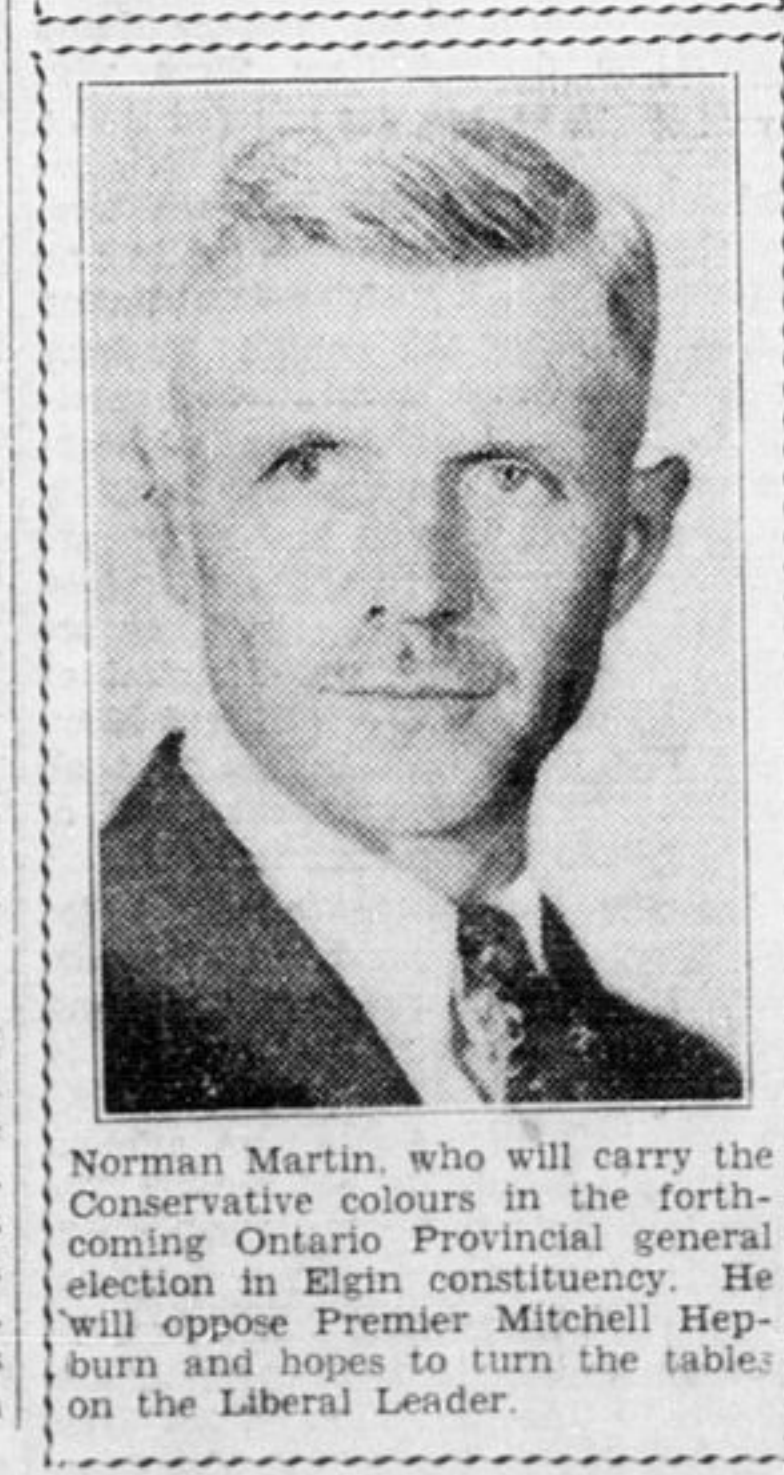

Paving Operations Progressing Fast

Gangs of Men all over Town, Where Paved Roads are to be Laid, Preparing Road for Gutters, etc.

Leo Mascioli's steam shovel is still gouging away the surface of two blocks on Pine street between First avenue and Kirby street preparatory to laying concrete pavement.

Gangs of men were busy leveling and smoothing the surface to receive the fill on which the concrete is poured. Meanwhile, in different sections of the town, wherever pavement is going to be laid, gangs are doing the preliminary work of preparing the sides of the road for gutters and digging manholes and culverts.

Opposes Premier

Norman Martin, who will carry the Conservative colours in the forthcoming Ontario Provincial general election in Elgin constituency. He will oppose Premier Mitchell Hepburn and hopes to turn the tables on the Liberal Leader.

Cat Caught in Motor and Fire Starts

Family Driven from Home by Smoke. No Time to Don Clothes.

Clad only in night attire N. Barrette and his wife and family were driven out of their home on Saturday morning by fire which started in the basement of the building they occupied. The blaze, which did damage which will amount to several hundreds of dollars began when a cat got caught in an electric motor.

A passer-by saw clouds of smoke billowing out of the basement window below the store, at 120 Mountjoy street, which Barrette owns, and turned in an alarm. Before the fire truck got to the scene of the fire Barrette and his family were forced to vacate the third floor of the building where they were sleeping. The fire started at about five-thirty o'clock.

Apparently the cat, with well known feline curiosity, was closely inspecting the electric motor which operates in connection with the store's refrigerating plant. It got caught in the fly wheel and the friction which resulted caused fire which caught some cases of stock piled nearby. Before long other cases of stock took fire and the cellar was in flames. The animal was dead when firemen extricated it from the motor.

The smoke which rolled up through the store above and seeped into the third storey, where Barrette lives, forced the family out of the house.

Damage was mainly confined to the basement and the stock which was burned and damaged by the flames. Some damage was caused in the store above by smoke.

On Friday a call was received from 38 Fifth avenue, where a chimney fire was quickly brought under control. A new element in an electric range was the cause of a small fire at 49 Tuke street on Saturday but no damage was done.

Kiwans and Ladies the Guests at the Ankerite

This afternoon and evening the members of the Timmins Kiwans Club and their ladies are to be the guests of Mr. and Mrs. R. P. Kinkel at the Buffalo-Ankerite. The event is taking the place of the regular weekly luncheon today, and it is also a Ladies' Night. Vice-president Kinkel has given cordial invitation to all to come as early as they like. Supper will be served at 6:30 p.m. but any able to be there any time in the afternoon will be welcome. The event at the Ankerite is sure to be a very happy one. It is to include a barbecue supper and other features. Those who visited the Buffalo-Ankerite last year found the occasion a most enjoyable one.

The weather today is ideal for the event.

Conservative Convention at Iroquois Falls, Sept. 11

Meeting of District Executive Set Date and Place of Meeting at Matheson on Friday. Convention to Select Candidate for Provincial Election. Several Names Mentioned.

Tragedy Saddens Holiday Trip

Mr. and Mrs. Guy Reddin, Timmins, on Their Way Home from Maritime Tour, Lose One Son, Guy Jr., in Motor Accident. Other Three in Serious Condition.

The concluding trip of a months holiday tour through the Maritime Provinces was darkened for Mr. and Mrs. Guy Reddin, of Timmins, when they were involved in a fatal motor accident fifteen miles west of Moncton, New Brunswick, which cost them the life of their son, Guy, Jr.

Mr. and Mrs. Reddin with their four children left Timmins a month ago for their holiday. They visited relatives and friends in Nova Scotia and were on their way home when their automobile was involved in a head-on collision.

Mr. and Mrs. Reddin escaped serious injury but all four children were critically injured. Guy, Jr. suffered head injuries and lacerations. He died after being admitted to the hospital. Another son, Vernon, aged five, is reported to be in a critical condition from head injuries.

The other two children, Earl, 10 and Ralph, 12, both of whom are popular, well-liked newboys of The Advance, are in the hospital in a serious condition.

No definite word of the condition of the family has been received by relatives of the family living in Timmins.

Croatian Orchestra Not Able to be at Garden Party

The Ladies' Auxiliary regret very much that the Croatian orchestra will not be able to play at the garden party at the residence of R. J. Ennis, Schumacher, for the visitors to the Legion convention here on Tuesday (tomorrow). It was intended to have this notable orchestra provide music at the party and in their striking native costumes they would have proved an unusually attractive feature. On account of shift work, however, the orchestra could not carry out the plan. However, the Ladies' Auxiliary is filling out the programme with other features and all attending may be sure of a delightful time.

Attractive Posters by High School Students

Many Pleasing Designs in Poster Competition Sponsored by Timmins Horticultural Society. Some of the Art Work Worthy of Special Mention. Colour Work Equally Good.

Timmins Horticultural Society this year offered prizes for the best posters to advertise the annual show, to encourage the beautifying of Timmins and to increase the protection of trees in town and district. The response to the call for posters has been gratifying indeed, and the quality of the posters unusually high. Last week The Advance inspected a number of these posters done by pupils of the Timmins High School.

A number of the posters bear the words:—

Beautify Timmins With Flowers

Designs with this wording have been entered by Grace Lawrence, Slava Majnariich, Eileen Beaumont.

The design by Grace Lawrence is an outstanding one, floral design and lettering being done in very talented way. The other two artists have also given artistic designs.

Protect Our Trees With Forests

Wording similar to the above is on posters submitted by:—Grace Lawrence, Elaine McChesney, Doris Shaheen, Slava Majnariich, Augustine Kader. Each of them shows a tree in leaf. All are well done. Again, the design by Grace Lawrence is outstanding.

Beautify Timmins With Trees

The above wording is used in a clever poster design by Teuvo Tenhunen, while "Beautify Our Town With Trees" is used by Elsie McPadden in a small poster design.

The riding convention to select a candidate to carry the Conservative standard of South Cochrane in the next Provincial election will be held in Iroquois Falls on Saturday, September 11th, at three o'clock.

The time and place of the convention were chosen last Friday when the Presidents and Secretaries of all Conservative Associations in the riding met at Matheson. Chairman was President of the riding association, Dr. J. B. McClintock, of Timmins. In the absence of the regular secretary, J. T. Jackson, Maurice Belanger looked after the secretarial duties.

Among the Timmins delegates who attended the meeting were Dan Cameron, Gordon Gauthier, K.C., A. Desroches, Ray O'Neil.

W. Skinner, Archdeacon Woodall and Mr. Wilson were there from South Porcupine, and F. Richardson, of Porcupine Junction.

A committee was selected to arrange the details of the convention. Chairman is A. C. White, of Hoyle. Members are A. Desroches, Timmins, William Skinner, South Porcupine, R. Crumb, of Ansonville, Bob Potter, of Matheson and J. B. McBain, of Kirkland Lake.

The meeting was harmonious and confidence was expressed that the convention would bring forth the selection of a suitable candidate who could carry the riding for his party.

Among the names mentioned as likely to be before the convention for choice of a candidate are:—Gerald Omeara, barrister and solicitor, Kirkland Lake, reeve of Teck township for several terms; L. E. Hornick, of Kirkland Lake; V. Evans, of South Porcupine; R. Potter, Matheson; J. P. Bartleman, former president of the C.C.F.; and others.

Charles Henry Smith Passed Away Tuesday

The death occurred on Tuesday, Aug. 17th, of Charles Henry Smith, of 38 Vimy Road. The deceased was 52 years of age, and is survived by his wife, Mrs. Smith, and two sons.

The funeral took place on Thursday, Aug. 19th, the service being conducted by Rev. W. M. Mustard at the United church, with Legion honours. Interment was at the Timmins cemetery.

J. W. Reid and two sons, from Los Angeles, California, came to the Camp last week for one of his regular visits here. Mr. Reid, who was one of the pioneer business men of Timmins, still owns valuable property in the town and district and makes regular visits here in connection with these interests.

TIMMINS HORTICULTURAL SOCIETY AUGUST 30-31

The above words decorate a highly coloured poster by Elaine McChesney, with pines as the main floral motif. Large posters, 22x28, on white card, show much careful work in design and execution. They bear the words, artistically arranged in the case of each poster:—

ENTER FLOWER EXHIBIT Make a TABLE CENTREPIECE From Your GARDEN

Curling Rink, Aug. 30 - 31. Timmins Horticultural Society

Among the posters in this class were attractive designs by Marie Galbraith, Elaine McChesney, and Elsie McPadden—all pupils of Timmins High School. Marie Galbraith uses a floral design (suitable for a centre-piece) that is particularly well done. There are floral designs on the other two entries that are pleasing and appropriate, artistic lettering by Elaine McChesney, and the use of white space to give better display being a feature of the poster by Elsie McPadden.

Smaller posters, with similar wording are submitted by Elsie McPadden and Elaine McChesney. Both these designs are brilliant in colouring and attractive in design.

The prizes in the poster competition have been kindly donated by Mrs. R. P. Kinkel and will be awarded after school opens.
