

T.P.A.A.A. to Stage Golden "T" Boxing Tournament

Two Straight Wins Yesterday Give Taylors Softball Title

Wipe Out One Game D. and S. Lead and Take Championship of Camp in Two Straight Wins. D. and S. were Strong in the Second Contest. End of Four-Game Play-off Series in League.

Winning two straight games yesterday afternoon, Taylor's Hardware carried off the softball championship of the Porcupine Camp. Yesterday's games were the concluding contests of a four-game play-off series with the D. and S. D. and S. won the first game of the series a week ago yesterday afternoon when Taylor's walked off the field when several of the officials' decisions were disputed. The game was awarded to D. and S. by default. The score was tied in the second game of the series last week.

Their first win yesterday tied the standing for Taylor's and the second win gave them the championship.

Taylor's won the first game handily yesterday by a score of thirteen to three. They got ten hits off McKim and covered a lot of bases on errors. Batteries for Taylor's were Rodney and Delmonte, and for D. and S., McKim and O'Connor.

The second game was closer. At the end of the seventh inning Taylor's were only two runs up on their opponents and D. and S. stood a good chance of pulling the fat out of the fire. However, the eighth inning, when the winners ran in three runners, cinched things and the final score was twelve runs to seven.

First Game

Lukon opened the fireworks for Taylor's with a double between first and second. Brandon hit out and Romauldi and Morin got hits. All three got home. Anderson was caught on McKim's peg to Block and Domenico got on base on an error and came home between a wild pitch and Buckham's hit.

Grant hit a home run for D. and S.'s only run in the first, and when Brandon and Romauldi, of Taylor's, were on base in the second Romauldi's double brought in two runs and Romauldi came home before the inning ended, to give Taylor's a substantial six-run lead at the end of the second.

Before the end of the seventh inning, Lukon, Brandon and Romauldi each circled the bases once to increase the Taylor lead to an even dozen runs. The winners did no more running but Grant and O'Connor each made the round trip for D. and S.

Second Game

D. and S. took the lead in the second encounter between the leagues two best teams, in the first inning, but the margin was swallowed by the heavy hitting Taylor batters before the end of the third inning and the losers did not again reach the Taylor score until the game and title were lost.

Campbell replaced Rodney in the pitcher's box for Taylor's and Delmonte continued to received. McKim stayed on in the plumpers' box with O'Connor catching. Taylor batters hit McKim ten times and the losers got seven hits from Campbell.

Heaviest hitters of the day were Lukon and Brandon, each of whom got six runs in the two games. Romauldi followed close with a total of five.

In the second game Giallonardo, Grant and Mayes scored in the first inning for D. and S. Giallonardo opened with a three-bagger and Grant got to first when Romauldi at short for Taylor's, erred. Block's double brought the triumvirate of runs home. Taylor's counted when Brandon got to first on Grant's error and was assisted around by Romauldi's sacrifice and a passed ball.

Wild pitches and passed balls helped Anderson, of Taylor's, around the circuit after he hit himself to first base. Delmonte also covered the four bases after walking to first base. In the third Taylor's continued to pile up a lead and Brandon, Romauldi and Morin scored.

Block's double assisted himself and Mayes around in the fifth to count two for D. and S. Two more runs were scored for the losers in the sixth and ninth innings by Ostrowski and Block.

Before the end of the game Lukon added two more runs for Taylor's and one each was counted by Brandon, Morin, Delmonte and Berardine.

BOY SCOUTS IN TIMMINS

Here's some news! Disappointing for some but a great chance for others. The Jamboree has been postponed for a month to give all groups a chance to be represented. And to let you all in on everything I'm having the memo I received Saturday evening printed.

"It has been found imperative that, due to certain centres being unable to get their boys prepared due to holidays and summer employment, we put the Jamboree date ahead to September 25th.

"To those groups who have been loyally practicing, the additional time will come in handy, and to other groups that have not been able to get their lads together, the extra time is needed so that every entry will be fully and keenly contested by lads who are well prepared.

"We can only put this thing over if we can get the co-operation from the different groups in our district, and we urge you to let the writer know at once if, under the present change, you will attend and the number of Scouts and Cubs that will represent your group.

"September 25th in the Northland is not exactly camping weather, and it might be wise for your group to arrange that the conveyance that brings you here will await you for the return trip immediately after the programme has been completed. But should you desire to stay overnight, a camping ground will be provided."

This memo was from A. F. Righton secretary-treasurer, First Iroquois Falls Boy Scout Group, to whom all correspondence should be addressed.

But that wasn't the only announcement I received in last week's paper. The other is an invitation to the annual parade in the Canadian National Exhibition's Boy Scout Day. I don't expect that any local group could have enough of its members present to take part in it but in connection with the same I have a few notes of interest to the individual. They read: "The Toronto District says that the former 'free admission to Scouts in uniform' no longer applies at the Exhibition and that every boy, whether in uniform or not, must therefore pay the regular admission fee. On Boy Scout Day, Saturday, September 11th, however, a boy's FULL Cub, Scout or Rover uniform is his pass and no other admission fee will be asked of him whether he goes to the Exhibition early or late. As in former years, the District of Toronto will operate an accommodation camp on the Exhibition Grounds for a limited number of visiting Scouts. Campers must provide their own blankets. Further particulars and reservation forms will be sent to Scouters applying to The Boy Scouts Association, 57 Bloor street west, Toronto 5, Ont., for them.

Timmins two French Troops (4 and 8) have caught the camping bug I'm sure. Scouter Bouchard of St. Anthony's Troop asked me the other day if I wanted to know something. I did. "Well," said he, "every boy in our troop gained weight while he was in camp. I wouldn't believe that not me. So off I went to their meeting on Friday last and took weights. The eleven boys who had weighed themselves totalled 881 pounds before and an even 900 after camp, and all those who hadn't weighed themselves knew they had gained 'cause their belts wouldn't fit." And then Scouter Gullbault of the Notre Dame de Lourdes troop tells me after they had completed their camp that the enthusiasm was so high they are going out for another week. Scouters here might take pride from

It isn't often that a horse race finishes as close as this and it is even more rare when two of the jockeys lose their caps. Our picture shows "Angel Bread" with bareheaded Gordon Richards up, finishing first during the Lewes race meet, bareheaded Redfern next to "Cloton."

Macs Add the Dickson Cup to Their Silverware Collection

Win From Dome on Round by Three Goal Lead Acquired in the First Game of Final Series. In the Second Game on Saturday Night the Dome Holds the McIntyres to a 2-All Tie

McIntyre's soccer team added a third trophy to its collection of silverware on Saturday night when it won the Dickson Cup by a score on the round of 6 to 3 from Dome. The Macs started the game with a three-goal lead acquired in the first game of the series played for the trophy. On Saturday night, in a close, fast game, Dome held the Macs to a two-all tie.

McIntyre scored a goal in the first half and pushed the Domesters back against the wall in several desperate attacks. In the second half the Dome team displayed surprising strength considering that the team was handicapped by the loss of several players, out of the game with injuries, and outscored the Macs two to one. After scoring the tying goal the South End squad added another to cut the lead on the round to two. However, in the closing moments of the game Stevenson came through with an open goal for the home team.

Eddie Dunston opened the shooting with a long hard drive that hit the upright. First goal came when Tommy Morrison, who, despite his size or lack of it, played an outstanding game, headed the leather into the net when Eddie Dunston gave him a long, looping assist.

Jack Morrison was taken out of the game when the ball struck him on the mouth, cutting his lip badly and breaking off a couple of teeth. He was replaced by Stevenson.

Tommy Morrison made another attempt and came close to scoring soon after brother Jock was injured. His shot on the Dome goal just skimmed the top of the bar.

Dome backs very efficiently cleared when Willie Rodgers got a penalty kick on the goal, and Brockbank, in the Mac net, was kept busy a minute later scrambling for a powerful boot from Hampton's foot.

The Dome goal which deadlocked the score at one goal each was got by George Munro, who headed the ball into the twine from Galbraith's good assist.

A dome push came in the latter part of the last half and the visitors made the going extremely dangerous for the McIntyre backs and goal tender. Their strenuous efforts were rewarded however when Fernie picked up the ball in centre field and took it in on a lovely solo effort to score. The Dome offensive continued but it was punctuated by a fast goal for the McIntyre when Stevenson drove a powerful shot past Baxter.

Baxter, who recently recovered from an illness to again take his place on the Dome team, played a good game in goal and had no chance whatsoever on the goals scored against him. Brockbank, in the home goal, played his usual consistent, steady game.

McIntyre: Goal, Brockbank; backs, McAdam, Mair; half-backs, J. Dawson.

the preference shown by one of the larger local business concerns who have asked for Scouts to do their extra jobs "as they are more efficient than most boys from off the street."

Did you ever hear about a certain patrol in a certain local troop that did patrol cooking for three days in one small lard pail? That reminds me of a rambler I took this summer during the Rover Leaders' Training Course. I'll let Dr. H. M. East, of Toronto, and my partner for the day, tell you of the incident. "We open our tin of beans, at least Bert does, and we have his portion in his plate—while we have my portion in his cup. Tea being nicely brewed we divide up with plenty of milk. He having a nice dish of tea in his cup, while I have a nice cup of tea in his dish. He stirs with his spoon while I do the same with his fork."

And so for another week while you think over this: "Mud thrown is ground lost."

Ebr., District Leader.

Golden "T" Boxing Tourney

Auspices of the T. P. A. A. A. First Annual Tournament Under Timmins Police Amateur Athletic Association to Be Held on Ball Grounds On Friday, Sept. 3rd. Significance of the Golden "T"

Sports Day Held at Golden City Sunday

Timmins Athletes Well Represented in Winners of Various Swimming Races, Motor Boat Racing and Dancing Concluded the Day.

The annual sports day of Edgewater Pavilion was held at Golden City on Sunday afternoon and evening. Swimming races started the sports which were concluded with motor boat racing and dancing. Results were as follows:

First race, Red McNulty, Timmins; Johnston, Cochrane; Munroe, Timmins; time, one hour, 4 minutes, 55 seconds.

Second race, three-quarters of a mile: Jean Turner, Irene McNulty.

Third race, boys and girls under fifteen, 100 yards: won by three Timmins girls.

Fourth race, handicap relay, 100 yards: Pete Ostrosser, J. Dewar, Red McNulty and George Theriault.

In addition there were outboard motor boat races for motors of different powers. Events began at 12.45 in the afternoon and the day's sports were topped with midnight dancing.

Winners at Ladies Golf At Timmins Last Friday

The first round of the Robinson trophy in the Ladies' Golf was played on Friday, and other plays will be on each Friday for the following three weeks.

Winners of the balls were: 1st flight, Mrs. Harrison; 2nd flight, Mrs. Dupuis; and nine-hole, Mrs. Cook, of Pamour. There was a splendid turn-out on Friday, afternoon tea being served at the clubhouse as usual.

Lions Club Summer Frolic Enjoyed on Friday Evening

A very nice time was had by all who attended the Lions' Club Summer Frolic on Friday night, at the Riverside Pavilion. The crowd was not over large, but "just the right size," and everyone of the crowd took advantage of this third annual dance of the Lions' Club to enjoy themselves in the full sense of the word. The music was supplied by Gordon Archibald and his orchestra, the proceeds of the dance going to the Lions' Club Boys' Band.

"Our golf course has had such heavy patronage this year that word has been spread around of its excellent condition. A large number of the reservations this year come from those who have participated in previous tournaments, but it is pleasing to note that many of the reservations come from players who have not yet competed for our Totem Pole trophy," he said.

O. Atkins Golf Sweep Winner on Saturday

Has Low Score of Seventy-one in Saturday Afternoon's Play. A. G. Irving Second with a Seventy-three.

Sweepstakes winners at the Timmins Golf Club on Saturday afternoon and their scores were as follows:

C. Atkins	63-27-71
A. G. Irving	65-22-73
W. M. Widdifield	67-22-75
J. H. Sandwith	91-16-75
Dr. Dawson	105-30-75
J. E. Ashton	90-14-76
J. Knox	97-20-77
S. Wooky	91-12-79
