

McIntyre Hands Dome 3-1 Setback in Byrne Cup

Winning Fourth Game W.-H. Ties T.B.L. Baseball Series

Homers by Aluise and Anderson in Third and Fifth Innings Contributing Factors to Wright Hargreaves Win. Two Errors Did Not Help McIntyre's Cause Any. Callery, Salsberg, Pitchers

Two home runs and two errors were responsible for McIntyre losing the fourth game of the Temiskaming Baseball League in Kirkland Lake on Thursday afternoon.

McIntyre won the first two games of the series here and then went to Kirkland and lost the first game 5 to 0 and the second 7 to 4.

In the fourth game of the series Aluise, first Wright Hargreaves man up in the third inning, whaled out a homer with a circuit hit in the fifth.

Both Timmins errors were made at bases when Prout and Cybulski dropped the ball. They were contributing factors to the McIntyre loss.

A play-by-play account of the fourth game is as follows:

First Inning
McIntyre: Price went out as Reilly sent his roller over to first. Hann looked at three swing up from Roach's por. side. Cybulski sent a fly to Anderson. No runs, no hits, no errors.

Second Inning
McIntyre: Angrignon knocked the ball to Roach who tossed to first. Prout went out, McIlroy to Fries. Quinn got the first hit of the game, a slow roller which Roach let go to McIlroy at second. His throw was late at the sack. Wood grounded out to Fries at first. No runs, one hit, no errors.

Third Inning
McIntyre: After pooling a long foul down the first base line, McDonald popped out to the catcher. Callery grounded to the pitcher, Fries making the out at first. Price walked. Hann sent him to second, hitting a hard one between short and third. Reilly stopped it while stretched full length on the ground. Cybulski flied out to Lora. No runs, one hit, no errors.

Fourth Inning
McIntyre: Angrignon sent to McIlroy who threw him out at first. Prout took a single, hitting it to short right field but he was out on the next play when McIlroy made a nice try for a double on Quinn's grounder. The throw from second to first was too late to get Quinn. Wood flied out to Rodney. No runs, one hit, one error.

Fifth Inning
McIntyre: McDonald was safe when Roach, after picking up his bunt, threw wildly to Fries. He went to second on the throw. Roach redeemed himself by a lovely stab of Callery's low drive to the pitchers box. Roach struck out Price. Hann finished the inning, rolling the ball to Aluise. The throw just caught him at first. No runs, no hits, one error.

Sixth Inning
McIntyre: Cybulski singled to right. He went to third when Roach picked up Angrignon's attempt to sacrifice and then hit the runner on the throw to first. Cybulski brought in Mac's first run when Prout knocked the ball between first and second. Quinn went out, Roach to Fries. McIlroy covered Roach on Wood's grounder in time to get it first for the out. Roach pulled himself out of a hole by striking out McDonald. One run, two hits, one error.

Seventh Inning
McIntyre: Callery went down. McIlroy to Fries. Price walked. Hann got a hit near the foul line in right field. Price going to second. Cybulski brought Price in with a single to Rodney in left. Rodney's throw to home nearly caught him at the plate. Prout finished by rolling down to the pitcher, Fries making the put-out. One run, two hits, no errors.

Eighth Inning
McIntyre: First man up, Quinn walked. Wood sent him to second as he grounded down to first base. Wood out at first. McDonald came through with a long triple to centre field, scoring Quinn. Callery got a scratch hit over first which went for a double, bringing in McDonald. That was all for Roach. Currie sending in Sam Salsberg for relief duties. Salsberg struck out the first man to face him, Price. But he walked the next one, Hann. A fly by Cybulski to Aluise at short ended the inning. Aluise had to go behind second to get it. Two runs, two hits, no errors.

Ninth Inning
McIntyre: Angrignon sent a slow roller down the first base line to Fries. Salsberg set Prout down with three strikes. Quinn finished the game, grounding to the pitcher who tossed to Fries. No runs, no hits, no errors.

going to second. It was Prout's turn to do the same thing next when he dropped the ball while trying to get Aluise at third. Callery took plenty of time to make the throw after picking up Rodney's grounder. Reilly struck out. Fries did the trick, smashing out a triple down the third base foul line, scoring all three runners. Schonfeldt brought Fries home with a single through short. Not satisfied with that, Anderson poled out one of the longest hits seen in the 'Hargreaves' park, sending it into deep centre field. He brought Schonfeldt across on the homer. Lora grounded out, Prout to Cybulski. McIlroy rolled to the pitcher to end the inning. Six runs, four hits, two errors.

Globe and Mail Sporting Editor Lauds T.P.A.A.A.

"Youth of Timmins now Look on the Policemen Not as Monitors But as Friends" Juvenile Delinquency Less Here Than in any Other Place of the Same Size in the Dominion.

In his sports column in The Globe and Mail, Tommy Munns, sports editor, lauds the efforts of the Timmins Police Amateur Athletic Association. Pleading praise is forthcoming for its efforts to use athletics and friendliness in dealing with the serious juvenile delinquency situation that was arising.

The commentary on the T.P.A.A.A. is prefaced by an account of the New York Police Athletic League, which follows the same principles the T.P.A.A.A. is trying to put in force here, in a much bigger way. The account of the New York League was given The Globe and Mail's sports editor by Arthur Donovan, famous fight referee, who was one of the celebrities who attended the New York Police Games, annual climax to the efforts of the league, and helped make it a success.

Mr. Munns' column regarding the T.P.A.A.A. is as follows:
Police in Timmins Doing Good Work
"Donovan's account of what the police are doing for the youngsters in New York reminds me of the story of Charlie Ring, local sportsman, after a visit to Timmins, Ont., last winter. About two years ago, Ring says, Timmins had one of the worst juvenile problems of any community in Ontario. A melting pot of nationalities had developed a situation among the 'teen-aged boys such as is seldom found in any community, evidence of which was provided most strikingly by the number of juvenile delinquents in the police courts."

"Then the police stepped in with a friendly attitude. The customary resistance of the small boy toward the policeman and his constituted authority was broken down when the cops instituted an Athletic Association. They started by sponsoring a Hockey League, and if Ring's memory is correct, had fourteen teams in competition with who knows how many lads competing for positions on those teams.
"The police also established and equipped a gymnasium where they taught boxing and wrestling. The arms of the law themselves found the funds to carry on this work.
"They become Athletes Instead of Hoodlums
"As a result the entire picture is changed. The youth of Timmins now look upon the policemen not as monitors but as friends, and as a result the amount of juvenile delinquency in Timmins probably is less than in any other place of the same size in the Dominion.
"While giving the Timmins bluecoats the credit, it would be wrong to overlook one of the prime movers in the youth movement there—Jim Jackson. Remember him? He competed in Intercollegiate boxing for University of Toronto not so many years ago, and also entered a number of open tournaments with successful results. His father, Judge Jackson of Lethbridge, is a former president of the Amateur Athletic Union of Canada. Jim now is a member of the legal profession and as interested in sport as ever."

Rain Holds Off Playing of the Final Game Until To-day

Wright-Hargreaves and McIntyre Meet Today in Final Game for T.B.L. Title. Will Climax Thrilling Championship Series Between Two Good Teams. Won Two Each.

The fifth and final ball game that was to have been played on Friday afternoon at Kirkland Lake to decide the Temiskaming Baseball League championship, was postponed on account of rain and will be played today. This afternoon Wright-Hargreaves and McIntyre will meet in Kirkland in the game which will decide the long delayed issue.

McIntyre won the first two games of the series played at McIntyre by scores of 9 to 8 and 5 to 1. They were defeated by the Hargreaves team 5 to 0 in the third game, the first to be played in Kirkland Lake. Hargreaves also won the fourth game by a score of 7 to 4. The fifth and final game will be played today.

Tennis
Once again the American National tennis championship leaves for foreign shores. The last time it was taken away was in 1930 when Miss Betty Nuthall took it to England.
On Saturday, Senorita Anita Lizana, of Chile, won the coveted trophy by beating Jadwiga Jedrzejska, of Poland, in two straight sets 6-4, 6-2, in the finals.
"Don Budge, U.S.A., and Von Cramm, of Germany, had a hard battle on their hands in the men's single finals and it took five sets to decide a winner and Budge won it, 6-1, 7-9, 6-1, 3-6, 6-1.
In the south of England finals played Saturday, Butler won the men's singles and Miss Scriven took the ladies' singles by defeating Miss Jean Saunders of Calgary, 6-1, 6-0.

Second Game for the Byrne Cup Tuesday

Dome and Macs Meet Tomorrow at Mac Field in Second Contest. Winners Play Lake Shore in Kirkland Saturday

The second game of the semi-final series for the Byrne Cup between Dome and McIntyre, will be played at McIntyre field to-morrow evening. Because it is growing so dark early in the evening at this season of the year and because the teams are required to play regulation forty-five-minute periods in the series for this trophy.

The team winning this series will meet Lake Shore on Saturday in the first game of the final series for the trophy. The first game will be played at Kirkland. A week from Saturday the second game will be played either at McIntyre or at Dome. When Kirkland comes here for the second game a meeting of the Northern Ontario Football Association will be held here.

Hill, N.Y., Don Budge put Frankie Parker away 6-2, 6-1, 6-3. Von Cramm won from Riggs 6-6, 6-3, 6-3.
In the ladies semi-finals the American women were eliminated when Jadwiga Jedrzejska won from Helen Jacobs 6-4, 6-4. Senorita Lizana put Miss Bundy out by 6-2, 6-3.
Miss Jacobs was responsible in Miss Kay Stammers' defeat 7-5, 6-3, while Miss Bundy stopped Miss Hardwick 6-4, 6-2.

Miss Dorothy Round spelt "finish" to her tennis career by winning a handsome trophy that went with the Pwellsell, Wales, championship.
Miss Round (now Mrs. Little) has taken up golf with her husband and likes it very much, and goes the links in 84.

Baseball
The Romford Wasps who held the wooden spoon last year in the National League, London, Eng., camped on the top of the ladder this year by defeating the Pirates, the runners-up, in the last and deciding game 10-6.

The players from this side of the pond embarked last week-end for home.
Hockey
Baseball players come home, and hockey players leave. Although there is not much to say about players going over to the Old Land for the coming season, which opens the second week in October.

A couple of weeks ago, there were only two teams that had signified their intentions of playing this year, owing to the new ruling that professionals could participate in the league.
The latest dope is that the National league will have six and probably seven teams: Earl's Court Rangers, Wembley Lions, Wembley Monarchs, Harringay Racers, Harringay Greyhounds, Brighton Tigers, and Streatham may come in.

Sudbury and Kirkland Lake are rounding out their teams and by all accounts have good players on hand for the coming season.
Motor Racing
Mr. Youle, of England, won the hundred mile race from the Prince of Siam by 43 seconds in Dublin on Saturday. The Manz trophy race, held in the Isle of Man Friday over a course of 226 miles was won by England, Italy second, and England third. The time was 2 hours and 46 seconds. All three riders used Norton motor cars.

Macs Take Two Goal Lead Over the Dome for Byrne Cup

Game One of the Best of the Season. Baxter in the Dome Goal, Plays an Outstanding Game. Reg. Dunstan Had Seven Shots on. All Cleared by Dome Goalie. Dome Half Line Weak

Scoring two goals in the first period, the McIntyre soccer squad which recently eliminated Hollinger from competition for the Byrne Cup, on Saturday evening took a two-goal lead over Dome in the semi-finals for the trophy. Final score of a thrilling game played on the Dome field was 3 to 1.

Dome put up a stiff battle and only relinquished the game decision after one of the best games seen here this season. The match got started at 5:30 o'clock but it proved to be too late a starting hour as the field was in semi-darkness during the latter part of the game.

Feature of the contest was the outstanding work of Baxter, in the Dome goal. He was on his toes all evening and went through all kinds of acrobatic contortions trying to keep the sphere out of the net.

The game opened fast and Charlie Dawson, who, despite the fact that he is one of the McIntyre's best and most consistent players, has not scored a goal this season, got a lovely shot on the net which was capably handled by Baxter.

Reg. Dunstan played one of the best games of his season and had the worst luck he has experienced. He got the first goal of the game when he followed his own shot in and took the rebound after five minutes of play and then throughout the rest of the game had seven shots on the net, each one of which looked like a sure goal. They were all handled by Baxter.

Dome pressed to recover the goal scored by Reg Dunstan and Whyte climaxed the attack with a good shot from a narrow angle. The ball just skimmed one of the goal posts.

During the Dome attacks the McIntyre half line did some good work. They cleared time and again. One of the weak spots on the Dome team was

the half line which let too many McIntyre attacks seep through.

After 22 minutes of play, Cooper got the retaliating goal for Dome. The kick was very hard and Bannerman was not able to handle it. Cooper played a good game for the home team and his goal rewarded him for several good tries.

Reg Dunstan got two on the net. One was a powerful shot from well out which was fisted over the bar by Baxter and the other was a low drive that Baxter was able to scoop up.

Munro replaced McGinn on the Dome line-up at the beginning of the second half and for McIntyre Searle replaced Wishart and Smith went on for Morrison.

Reg Dunstan got two good shots on the net but Baxter saved both times. On another try his shot hit the post. Charlie Dawson got three chances at the goal during the game but two of his shots went wide and the other went over the bar.

Tommy Searle, who played his first game on Saturday after returning from his holidays, got the second McIntyre goal on a high, hard shot that went in just under the bar. Reg Dunstan was jinxed again when he took a perfect pass from Charlie Dawson.

The last goal came when Rodgers took the ball from Eddie Dunstan's corner kick and booted it into the net with only one minute to play.

McIntyre: Goal, Bannerman; backs, McAdam, Mair; half-backs, J. Dawson, Urquhart, J. Morrison; forwards, E. Dunstan, R. Dunstan, Wishart, C. Dawson, Rodgers; alternates, Searle, Smith.

Dome: Goal, Baxter; backs, Foster, Hampton; half-backs, Woods, Cockburn, Lone; forwards, Galbraith, M. Whyte, Cooper, Paynter, McGinn; alternates, Munro, J. White. Official: Fat Larmer.

Holly Ends Winless Season With Loss to Dome Eleven

Exhibit Same Courage However That Has Enabled Team to Play Every Game and Never Win. Have Not Won a Game in Two Seasons. Play Stephenson. Score 6 to 2

Finishing off the season with the same pluck that has enabled them to keep every game engagement and chalk up no wins, Hollinger's soccer eleven lost the final game to Dome on Thursday night by a score of six to two. The Hollinger outfit went out in a cloud of smoke, however. After a loose first half they tightened up and played good football in the last period, registering twice.

Dome gave four junior players selected from Dome junior teams an opportunity to gain some experience. They were McGinn, Mitchell, Woods and Murphy. All four, given plenty of backing by the more experienced Dome regulars, stood up well and distinguished themselves. On occasions when they were in scoring position they got excited and missed opportunities but that fault will be overcome through playing.

Cooper got the first counter on a low shot that eluded Lang, in the visiting nets. Murphy kicked from the corner and McGinn took the ball and gave a short pass to Cooper, who was in position to score.

First junior to distinguish himself was Murphy. He took a fast pass from Cooper and drove a high, hard shot toward the net. It got by Lang, which was not surprising considering the force of the kick and the little opportunity the Hollinger goal-tender had to snare the sphere.

McGinn and Cooper worked in with the ball to preface the third goal.

They passed to Paynter, on the forward line, and he let fly. The shot would have been handled by Lang but the ball struck Boyd's toe and was deflected out of his reach.

Cooper, who played a good game for the winners, passed to Whyte for the fourth goal for the Dome and just before half time McGinn laced one at Lang that was going too fast for him to keep out.

A hard shot into the corner of the net from Longton's toe was the first goal for Hollinger in a second half that featured Hollinger's playing strength. The second counter was scored by the burly Stephenson who recently left McIntyre and was picked up by Hollinger.

Final goal of the game was scored for the Dome by Galbraith who came in on the net weaving. He drew Lang to one side and sent the sixth Dome goal into the net on a low shot.

Dome: Goal, Baxter; backs, Foster, Hampton; half-backs, Woods, Cockburn, Lone; forwards, Murphy, Whyte, Cooper, Paynter, McGinn; alternates, Galbraith, Mitchell.

Hollinger: Goal, Lang; backs, McGinn, Waddell; half-backs, Callahan, Boyd, Gallagher; forwards, Longton, Littlewood, Morley, Stephenson; alternate, King.
