Fatal Motor Accident Near South Porcupine

Man Walking on Road Struck by Car and Dies Later in St. Mary's Hospital. Damage and Injury Resulted From Another Road Accident Near South Porcupine. Other South Porcupine and Dome News

South Porcupine, Sept. 11.—(Special to The Advance)—The death occurred on Friday (10th) of the baby daughter of Mr. and Mrs. George Kaufman, aged exactly nine months. Little Patricia had been very sick with summer complaint and dysentery for some days, and in spite of every effort to save her life, including a blood transfusion, the little mite passed on Friday at the home of her grandparents, Mr. and Mrs. Henry Kaufman, Crawford street. Sincere sympathy is extended to the young parents, who are left with one older child (Raymond, aged 2½ years) to console them. The funeral will take place on Sunday afternoon at 2 o'clock from the house, the Lutheran minister officiating.

The school tennis tournament to decide the winners and champions for the High School took place this morning on the courts at the Dome. The resulting doubles champions are: Arthur Moyle and Bill Murphy, boys' champions, and Marjorie Costain and Louise Kellow, girls' champions.

Mr. and Mrs. Ralph Wood are on vacation in Toronto and points south.

The A.Y.F.A. seems to have started the fall session with a good deal of enthusiasm. On Wednesday evening about twenty-five of the young people held a corn roast at Sandy Point and a good time was had by all.

Don't forget the Eastern Star bridge party at the Masonic hall next Wednesday night.

Mrs. C. McInnis left on Monday for Perth, Toronto and other points. She was accompanied by Billy who will attend school in Toronto this winter.

Mr. Harold Smith flew to Toronto this week-end to meet Mrs. Lanning and daughter of Cochrane, who are returning from a two months' vacation in Europe. They will fly direct to Cochrane from Montreal.

Mr. R. Langdon is building a very nice home at the west end of Powell avenue. He intends occupation at the

W.M.S. Hear Reports of Unusual Interest

Reports on Presbyterian Meeting, Summer Camps, Schools, etc., at Women's Missionary Society

Thursday was the opening meeting of the Timmins Auxiliary of the United Church Women's Missionary Society, after the summer vacation. There was a good attendance of members and visitors. The president, Mrs. Monck, introduced and specially welcomed Mrs. Mustard as new mistress of the manse.

Following the opening worship period, Mrs. Coulson gave a most interesting and comprehensive report of the Presbyterian meeting in Hearst in June to which she had been the Timmins delegate. Mrs. Coulson's account of proceedings there made that meeting very real to those who were not privileged to attend.

Miss Susie Smyth, W.M.S. worker and missionary-at-large for the North, told something of her summer's work in girls' camps and vacation schools, which play such a vital part in the life of the community throughout the North and which Miss Smyth with a helper conducts each summer in Hanna Township near Cochrane, at Staver and Ryland near Hearst, and at Fauquier, five miles from the ferry on the way to Kapuskasing. They serve all alike, Catholic, Latter Day Saint, United Church, any who care to come—and apparently they all care.

Many worth while projects are planned by the school and introduced. In one place the boys all made milk stools. In another they formed a boys' mouth organ band. Not the least looked forward to part of the school is the visiting in the homes—homes in many cases such examples of courage and enthusiasm. The splendid hospitality which enriched both the giver and receiver and forcibly brings home the thought, "We'd love each other better if only we understood."

In Hanna Township this year they have marvellous gardens and there is road work which means ready cash. At Fauquier where there are many back-to-the-land settlers from Oshawa district, they have a well-kept school-house.

Miss Smyth brought along with her to the meeting mounted snapshots of the various camps which proved most interesting. It was her privilege to attend the leaders' camp with such a splendid staff, held at Vail's Point on Georgian Bay, a delightful spot owned by the Kiwanis Club of Owen Sound.

Camp council at Normandale on Lake Erie for prospective leaders for C.G.I.T. was attended by 74 of the very brightest Canadian Girls in Training.

One of the Senior provincial camps, Tillicum, at North Bay, was attended by Miss Jean Macdonald, president of the Timmins groups C.G.I.T., while at Camp Lorraine, on Lake Temiskaming, were three girls from Timmins, Misses Jean Gordon, Kathleen McInnis and Ethel Bateman.

At Waskesiu on Nighthawk Lake near Cochrane, thirty-two Timmins girls spent an enjoyable and profitable ten days with Mrs. McCurdy of Toronto as director.

Mrs. Arthur Jackson, Presbyterian secretary of Christian Stewardship and Finance, gave a most impressive talk on our stewardship of the time, talent and money which has been given to each one in trust; of our realization of God's ownership and of keeping faith. Just before the meeting closed, Mrs. Charbonneau on behalf of the Auxiliary presented Mrs. H. L. Travers with a Life Membership in the W.M.S. Mrs. Travers has given outstanding service as secretary for many years. The members chose this way of expressing their deep appreciation. Mrs. Travers was completely taken unawares but replied feelingly and most fittingly.

Arrangements were made for the Presbyterian Executive which meets here early in October when officers are expected from Hearst, Matheson, Monteth, Cochrane, and representatives from South Porcupine and Schumacher.

The next regular meeting of the W.M.S. Auxiliary will be held on the second Thursday in October at three o'clock. Visitors and interested friends are most cordially invited.

Infantile Paralysis Patient in Cochrane

Serum Rushed by Airplane to Connaught and from There to Cochrane by Motor Car.

Cochrane, Ont., Sept. 11th.—In response to an urgent call to Toronto when an infantile paralysis case developed in Cochrane Wednesday, a quantity of serum was rushed from the Southern Ontario city by airplane. Only four hours elapsed from the time the telephone call was made until the serum arrived via plane to Connaught and special motor car to Cochrane.

Authorities have been unable to trace source of contact in the case of infantile paralysis. The victim, an eight-year-old girl, named Savard, and her family were unable to give any light on how the disease was contracted. A sample of spinal fluid has been forwarded to Toronto for analysis.

Diagnosed as paralysis late Wednesday afternoon, a rush order was sent to Toronto for serum to combat the disease and late Wednesday evening a plane landed with a supply at Connaught. The serum was brought to Cochrane by special motor car and the serum was administered immediately.

Stringent regulations were enforced by the local Board of Health in precautionary quarantine and the house in which the young girl lies is guarded day and night in an effort to halt the spread of the disease.

The District Forestry Department have everything in readiness to speedily move the young patient to Toronto Sick Children's Hospital, should treatment at that institution become necessary.

Further measures taken by the local Board of Health include the antiseptic spraying of all pupils of the convent school attended by the patient and the investigation by the medical officer of health of all non-attending pupils at all schools.

Wedded at Kirkland Lake, to Reside in Timmins

(From Northern News)

Ruth Yuella Davis, second daughter of Mr. and Mrs. Gilbert Davis, and Lawrence Davis, son of Mr. and Mrs. George Davis, Kirkland Lake, were united in marriage at a very pretty wedding at the home of the bride's parents, Government Road West, at 4 o'clock Saturday afternoon, September 4. Rev. W. R. Clements of Swastika United Church was the officiating clergyman. Gladoli, asters, roses, carnations and other late-summer flowers were used to decorate the home and made an attractive setting for the ceremony.

The bride, given in marriage by her father, was charming in a gown of midnight blue velvet with halo hat to match, and carried a bouquet of American Beauty roses. She was attended by her sister, Miss Edna Davis, who wore a lovely frock of rose romance velvet and matching turban, and carried Talisman roses. Little Miss Kathleen Kelly, gowned in pink organdie, made a charming flower girl and carried a basket of sweet peas.

The groom was attended by his brother, Mr. Gordon Davis, and Mr. Geo. Kelly acted as usher.

The bride's mother was attractively attired in navy sheer with corsage of sweet peas, and was assisted in receiving by the groom's mother, who wore a becoming gown of green crepe with corsage of yellow roses.

Among the guests was Miss Jarie R. Tucker, of Detroit, cousin of the groom's mother.

Following the ceremony, a reception was held at the bride's home and a delicious buffet lunch enjoyed. Mr. and Mrs. Davis left later for a short honeymoon trip and on their return will reside in Timmins. The bride chose a trim navy suit for travelling, with black turban hat and accessories.

Ladies Day at the Golf Club Friday

Winners of Events. Next Friday Afternoon C. L. G. U. and Final Rounds Robinson Trophy.

There was an excellent turnout of players for ladies day on Friday in spite of the threatening rain. Most of the ladies finished although there were several slight showers. Afternoon tea was enjoyed. The winners of the balls were: 1st flight, Mrs. Sippell; 2nd, flight, Mrs. R. Langdon, South Porcupine; 9 holes, Mrs. Harkness.

Last week's winners were: 1st flight, Mrs. (Dr.) Harrison; 2nd flight, Mrs. Pickering; 9 holes, Mrs. Weir.

Next Friday afternoon is C. L. G. U. and final rounds for the Robinson trophy and 9-hole spoon competition.

Dome and McIntyre Play League Title

Dome Leads Standing With Thirteen Points, McIntyre Next With Nine. Dome Scored Nineteen Goals

The final league soccer standing, which was released yesterday, put Dome at the top of the list with 13 points. Second is McIntyre. This means that Dome and McIntyre will play off for the league title. McIntyre, in second place, garnered eight points and Hollinger got three.

Dome scored nineteen goals during the season and was scored against nine times. The McIntyre team scored 16 goals and had 10 scored against it. Hollinger scored six and had 21 scored against.

Following is the standing showing games played, won, lost and tied.

NORTHERN SPORT SHOTS

On Saturday, September 26th, the Northern Ontario Football Association will meet in Timmins. That would be the time to suggest a plan which might have the effect of retrieving the public interest in soccer, which, if one may judge by the attendance at games in the camp this season, has been practically lost.

The plan, which has received the careful consideration and favourable comment of a good many ardent devotees of the game, would be to unite the Porcupine and the Kirkland District League in one.

There have been some good games in the camp this season but attendance

has, to say the least, been very poor. Discounting the official passes and Annie Oakleys, which do not make a jingle in the cash box, there have been not more than twenty fans at some of the best games of the season.

It is felt by a good many fans that the uniting of the two leagues would revive interest in the game. It is a well known fact that the fans will turn out to see an outside team play when they will stay at home when two local teams are competing, despite the fact that the local teams often give the best exhibitions.

If the two leagues combined there would be eight teams playing. The Kirkland league includes the Sons of England, the Sons of Scotland, Wright-Hargreaves, Lake Shore and Noranda. In the Porcupine camp there are the three mines, Dome, McIntyre and Hollinger.

Before the plan could be put into effect there are a great many details that would have to be worked out. However, if it meant a revival of interest in the game, it would be worth the association's while to get busy and find ways to overcome the difficulties.

McIntyre and Wright-Hargreaves meet to-day in what should be a rip-roaring ball game. The contest is quite likely to be a pitcher's battle between Goldsmith and McShane. Goldsmith, who was chased from the box by the heavy hitting Mac batters in the first game of the series at McIntyre park, has provided plenty of reason for Ike Solomon and his team to have headaches and there is no reason to believe that he won't be in good form to-day. Goldsmith lost only one game in thirteen starts and that was the first game here. When he pitched again, in the third game of the series, he allowed the Macs only two hits. They may have better luck against him today. Here's hoping.

Five-Year-Old Lad Falls From Auto But Not Hurt

Falling from the open door of a moving automobile, five-year-old Paul Zabalan, Cochrane, narrowly escaped serious injury at Cochrane Wednesday.

The boy and his young sister were with a friend in her coupe and while she made a call at the post office she had evidently opened the car door and failed to properly close it. When the driver backed out from the parking place the door apparently swung open and in an attempt to close it the young boy fell to the ground under the car. The driver by placing brakes in emergency was just able to stop the wheel as it touched the boy and the car had to be moved to extricate his jacket before he could be lifted.

He was removed to Lady Minto hospital for observation but was allowed home later when an examination showed that he had suffered no internal injury.

Opening of Normal School at North Bay Postponed

H. E. Ricker, principal of the North Bay Normal School, received word last week that the North Bay Normal will not open on Sept. 14th, as previously announced and expected. The postponement of the date for opening was contained in an announcement made by Dr. J. L. Simpson, Minister of Education, to the effect that Ontario Normal Schools will remain closed until the epidemic of infantile paralysis in the province is definitely checked. The letter says in part:—"On the advice of the provincial Board of Health, the Minister of Education has decided to postpone the date of the opening of Normal Schools, as well as of medical examinations, until further notice."

The announcement will have special interest for those in Timmins and district who have planned to attend Normal School this year. Most of the students from here who attend Normal go to North Bay for the course. It may be some days yet before any definite or even approximate date may be set for the opening of Normal this year.

Mrs. Lillian Moncton, 277 Cedar street north, left Sunday afternoon for a two weeks' holiday to visit her sister, Mrs. G. Gauthier, in Cornwall, and also to visit in Montreal. She will return home with Mr. Moncton's mother, from England.

Funeral J. Rohrich at South Porcupine

Burial of Man who Met Death at Paymaster Last Week.

South Porcupine, Sept. 12.—(Special to The Advance)—The funeral of Joseph Rohrich, who met his death at the Paymaster Mine last week, took place on Friday at 10 a.m. from Hunkin's Funeral Parlours to the Catholic Church where a requiem mass was said by Father Gelinas. His sister, Miss Eva Rohrich, of Chicago, was present at the funeral, and a cousin, John Kessler, of South Porcupine, his only other relative in this country, and the widow were the mourners.

Six of his co-workers, employees of the Paymaster Mine, acted as pallbearers.

The floral tributes sent by sympathizing friends were very beautiful including a pillow of roses from his wife; Anna, Sister Eva and Cousin Jack; Mr. and Mrs. C. Cook, Paymaster Mine; Paymaster Employees; the Rapsey family; Mr. and Mrs. C. LaMothe; Mr. and Mrs. Hans Freund; the Chastan family and Mr. Leo Belland and Mr. and Mrs. Jim Fell.

Spiritual offerings were sent by Mrs. S. Pearce, Mrs. E. J. Rapsey, Mr. and Mrs. M. Bessette and Valerie.

Interment was made in Tisdale cemetery.
