

Macs May Yet Play Eastern Finals Here

Temiskaming Title Goes to Macs in Final Baseball Game

Take Advantage of Two Errors by Aluise in First and Last Innings of an Eleven Inning Game to Win 2 to 1. Game was Pitcher's Duel Between McShane and Goldsmith.

Capitalizing on Wright Hargreaves' errors, the McIntyre baseball team won the Temiskaming Baseball League championship on Monday afternoon at Kirkland Lake in an eleven inning game. The Macs wrestled a 2 to 1 victory away from Wright Hargreaves.

George McShane, backed to the limit by the Macs allowed the homeesters six hits. The McIntyre batters had plenty of trouble with "Lefty" Goldsmith, Kirkland hurler, who struck out ten men. The Macs won the game on their ability to take advantage of every opportunity offered.

Miss Opportunity beckoned twice during the game, in the first and last innings when Aluise, playing short for Wright Hargreaves muffed hits.

Was Pitcher's Duel
The game, throughout, was a pitcher's duel between Goldsmith and McShane. Both of the twirlers were in top form and gave the capacity crowd a performance that will not be forgotten in a short while.

The players were on their toes during the 11 innings and, as a result, some heady and sparkling plays were shown by both teams. One of the headiest plays was exhibited by "Schonny" Schonfeldt, Hargreaves catcher, in the fifth inning when he took Price's hit, which was meant for a sacrifice and cut McShane off at second to relieve the pressure.

Aluise tried to make up for his first inning blunder in the eighth when he went high in the air to pull down Hann's hard hit over short. Hann, on his behalf and in the same position, duplicated the feat in the last of the eighth inning when he went a little higher than Aluise to rob Goldsmith of a certain single and probably a double.

McIlroy Hit Farthest
McIlroy clouted the longest hit of the game in the same inning when he stepped into one of McShane's fast ones to whip it deep into center field for a perfect triple. He stopped at third by the base coach but many Hargreaves supporters were of the belief that the second sacker could have stretched it into a round circuit pass-
Coupled with his hit, McIlroy added a catch of the shoe-string variety when, in the eleventh inning he came in fast to pick Cybalski's grass cutter out of the hit class to whip it over to Milt Fries on first for one of the shining plays of the game.

The crowd was right behind the home town boys. This was shown in the final innings when they gave each Hargreaves batter a hand before he took his place at the plate.
The length of the game caused the score-board keeper a lot of worry when, in the tenth inning, he ran out of zeros. He finally remedied this by using the ciphers from the first few innings until the game was over.

Macs Take Trophy
So, after a year's stay, the Temiskaming Baseball League championship and Gold Belt Trophy go back to the McIntyre for another season. As many fans said after the game, "It was a hard game to win and a tough one to lose." And that just about sums the whole thing up.

In their loss the Wright-Hargreaves players congratulated a great team and will be pulling for it in its series with the Ottawa Valley winner to keep the Ottawa Journal Trophy in the North. It was held, until Monday night, by the Wright-Hargreaves squad.
The game was too lengthy to give the full play-by-play of each inning so we are listing the box score of each inning in which scoring was recorded.

First Inning
McIntyre: Don Price, first McIntyre man to face Goldsmith in the first inning, saw three balls go by and then made two weak offers at the next two pitches. On the following throw he got under the ball to lift a pop fly to

short. Aluise had plenty of time to cover it and did, but a little nervousness crept in to his try and he dropped the ball to give Price a life on first. Hann dropped a sacrifice single down first base line to send Price to second. Cybalski watched one go by and stepped into the next to drive it just over second into center field. Price was driven home on the play. McDonald hit a single into left field to send Cybalski to third but Wood and McShane cut the run-making short by both striking out. 1 run, 2 hits, 1 error.

Fourth Inning
Wright-Hargreaves: Schonfeldt, first up, drove a hard single to deep left field. Anderson hit a perfect bunt down first base line to sacrifice Schonfeldt to second. Lora struck out. McIlroy hit a grounded single through the box out to center field to score Schonfeldt with the tying run. Okky was out at second trying to steal. McDonald to Hann. 1 run, 2 hits, 0 errors.

Eleventh Inning
McIntyre: Cybalski hit the first pitched ball for an easy out, Aluise to Fries. McDonald hit a hard grounder down to second that McIlroy knocked down but was too late to catch the runner at first. Prout flied out to Reilly. Quinn singled into deep right field to send McDonald over to the hot spot. Angrignon hit a high fly over behind third that Aluise covered and dropped, allowing McDonald to cross home plate with the winning run. Angrignon was caught at second trying to stretch his life for two bases. 1 run, 2 hits, 1 error.

Brantford Expositor:—No one pretenses to deny to labour the right to organize for collective bargaining, and for the protection of its members against any injustice, but Canadians in general have been bitterly opposed to the use of intimidation and violence in conducting strikes. In fact, they believe that there is ample machinery in Canada for the investigation of industrial disputes and the settlement of them by an impartial arbitral board.

THE PREMIER OF MADRAS SETS EXAMPLE

The Hon. C. Rajagopalachari, Prime Minister of Madras, believes in practising what he preaches. He does not hold any task too menial and to prove that his faith is justified by his works, he rises early every morning and washes his own clothes before taking his morning bath. Our picture shows the Prime Minister at his dhoby's stone.

Macs Earn the Right to Meet Lake Shore for Byrne Cup

Dome Outscores McIntyre in Last Game of Local Series but Loses on Round by Four Goals to Three. Last Game on Tuesday, Played in Pouring Rain.

Although outplayed by Dome yesterday in the second game of the series to determine which of the Porcupine mine teams would meet Kirkland Lake's Lake Shore team in the finals for the Byrne Cup, McIntyre won the semi-final series with Dome by a score on the round of four to three.

McIntyre won the first game played at Dome field on Saturday night by a score of 3 to 1 and lost the second game, played in the pouring rain at McIntyre field on Tuesday night, by a 2 to 1 score.

The Domesters deserved their victory on the play on Tuesday. They outplayed the Macs from the opening whistle, and were still dangerous at the end of the game. Their attacks got their forwards close in on the McIntyre net and again it was only poor shooting and the good work of Hughie Bannerman, in the Macs nets, that saved the Schumacher team from losing the series as well as the game.

The visiting team was canny enough to adapt its style of play to the weather. The rain poured steadily down throughout the whole match and the turf was greasy and the ball heavy and soggy with water. Dome played an open, bustling game and took as many shots at the goal as was possible. Their passes were long and powerful. McIntyre, on the other hand, tried to play its usual short passing game with disastrous results. A play would just get under way and one of the players would slip on the grass and fall throwing the whole play out of kilter.

During the two games of this series Baxter, in the Dome nets, distinguished himself by his work in goal. His work fully equalled the best goal tending seen in the camp this season.

Dome threw a scare into the Macs after three minutes of play when Munro got both Dome goals, took a short, fast pass from Woods to put the ball by Bannerman. Bannerman's effort to stop the sphere was not made easier by the condition of the ball which was wet and slippery. The work of both goal-tenders was made difficult.

After the Dome goal the Macs made a valiant effort to score but Dome was soon again on top of the play. Reg Dunstan and Searle got shots, both of which ended in Baxter's arms. The Dome goalie made another beautiful save when Rodgers passed to Eddie Dunstan who angle kicked the ball to the goal.

Whyte missed a good opportunity to score for Dome when he received the ball as end man on a concerted attack. He set himself to kick for the goal and the weak, short drive went badly awry. However, despite the missed opportunity, Whyte played a stellar game for Dome.

The McIntyre goal came in the second half when Rodgers crossed to Reg Dunstan who zoomed it into the lower corner of the net.

Near the end of the game play was concentrated at the McIntyre end of the field with the Domesters making a desperate effort to get goals enough to tie the series. Finally their hard work was rewarded with one. Munro was responsible for the counter.

Sunshine in the early part of the day gave McIntyre officials reason to hope for a good game on Tuesday. Their hopes were dashed, however, when rain began to fall steadily in the afternoon just before game time. There was only a small crowd of loyal soccer fans huddled on the sidelines, wet through to the skin, cheering their favourites on.

Dome: goal, Baxter; backs, Foster, Hampton; half-backs, Crawford, Cockburn, Lone; forwards, Woods, Whyte, Munro, Paynter, Cooper; alternates, Galbraith, Murphy.

McIntyre: goal, Bannerman; backs, McAdam, Mair; half-backs, J. Dawson, Urquhart, Smith; forwards, E. Dunstan, R. Dunstan, Earle, T. Morrison, Rod-

gers; alternates, C. Dawson, Boyd. Official, Cliff Thompson.

World's Sport Events (By F.J.H.)

Athletics
There is one consolation—the Japanese-Chinese war will be over in 1940. At least the Japanese Athletic Commission think so, as they are going ahead preparing for the Olympic Games to be held in that country in 1940.

At the rate they are killing each other off they will have a hard job to find men to compete.

Trials are being held daily all over the British Empire for the Empire games to be held in Australia in February.

Britain has most of her athletes picked out. Canada is rounding out her contestants. All that remains now is for the selection committee of Quebec and Ontario to select the athletes to compete.

Hockey
Timmins is to lose another of its home products of the ice lanes, for a cable reached here on Monday afternoon for the services of Rene Lortie to join the Wembley Lions in England and Rene packed his bags for Rouyn right away and will sail tomorrow for "Blighty."

The sender of the cable was none other than Len Godin, our home town boy. Rene may pair up with Len for the coming season.

Jimmy Foster will guard the nets for Harringay Greyhounds. Other players of the team will be Dick Adolf, Dunc Cheyne, Joe Shach, Jack Brunning, Duke Burrage, Bob Whitlaw, W. Monson, Bert Geer, Fan Heximer, Archie Creighton and Steve Latoski. Percy Nicklin, who is looking after the Greyhounds, will also have Jack Keating of Richmond and Geo. Pearson on the line-up.

In addition to these players Nicklin will have six new stars from crack amateur teams from this side of the water.

Bill Boucher, of the famous Boucher, Morenz and Joliat line of the Canadiens, will this season coach the Brighton Tigers.

Boxing
Len Harvey, who is making a comeback in the pugilist game of which he was once British champion, recorded a technical knockout last night in the 14th round of a 15-round bout with a much heavier negro opponent.

The fly-weight world's title bout to take place in England between Benny Lynch and Peter Kane has the promoters of the different cities fighting.

Kane says he doesn't care whether it takes place in Liverpool, Glasgow or London but will accept the highest purse offered and the £7,000 offered by the Liverpool stadium has increased interest on Mersey side.

Mr. G. Dingley, the Glasgow promoter (who previously offered £6,000) says that Lynch will turn it down for he will receive 75 per cent of the purse.

Baseball
The latest development in war-torn China is that she is not going to let the fighting interfere with her sports for she has just become co-member with Japan of the International Baseball Congress, central organization of amateur baseball, with headquarters in Miami.

There are ten countries now in the organization—U.S.A., France, Spain, England, Canada, Hawaii, Mexico, Cuba, China and Japan. Plans are being fostered for an international series of baseball games at the 1940 Olympics in Tokyo.

Tennis
Timmins was put right on the sports

map when Glyne James brought home the Dominion singles title to the North when he won the final of the Dominion of Canada Table Tennis. He lost in the first round in the U.S.A. journey to Brad Harrison, Cleveland.

Cricket
The New Zealand cricket team is now touring Ireland, and won their first match against the gentlemen of Ireland, played in Dublin on Monday and Tuesday of this week by an inning and 152 runs; the scores New Zealand 286, Ireland 1st inning 160 runs; 2nd inning 74 runs.

Hammond, the famous batsman, led all batsmen in county cricket in England which closed Tuesday.

Football
Leicester City, promoted to the first division at a great cost last year and intend to spend a lot more money this year to stay in first-class football dropped their first match of this season yesterday to Birmingham 4-1.

Wigan won their first round replay yesterday of the Lancashire Rugby cup.

Speed
Before this is printed, news may come that the land speed record has been broken, for Capt. George Eyston, the well known British motorist, is now at Salt Lake City, Utah, with his giant thirty-six-foot streamlined 3,225 h.p. racing machine in attempt to break Sir Malcolm Campbell's world's record of 301.1 m.p.h.

Ottawa Default Will Mean Macs Take the Eastern Title

Green Valley Club Wanted \$800 Guarantee Before Playing Final Ball Series Here. Macs Not Yet Notified Games Will be Defaulted. May Make Financial Arrangements.

There is still a chance that the Eastern Ontario ball championships may be played in the camp. The Ottawa City League champions, the Green Valley Club, has not yet advised the Solomon, McIntyre manager, that they will not make an appearance and default the series.

Meanwhile, the president of the Eastern Ontario Baseball Association, Eddie Sutherland, of Smith's Falls, has announced that McIntyre will be awarded the championship if the Green Valley Club does not make the trip here for the series.

The Ottawa team, in negotiation with McIntyre, first asked for a guarantee of \$800 for his club before it would make the trip. Frank Boucher, President of the Ottawa City League, made the request. When manager Ike Solomon did not agree to the proposal Boucher said that he would try and make other financial arrangements and let the Macs know. So far they have received no word.

It Ottawa can make the trip President Sutherland will recall his decision awarding the title to the Macs. The club does not have to guarantee the Ottawa club anything to come here. Under the E.O.B.A. constitution the Green Valley club has to come here and take chances on the gates.

The loss of the series will be a keen disappointment to ball fans in the park. Although the Macs will gain a championship if it is not played, both the players and the fans would rather take the title by competition rather than default.

The Macs won the Temiskaming title last Monday, winning 2 to 1 over Wright-Hargreaves in the fifth game of the final series.

After their win at Kirkland the Macs are in fine fettle and ready to meet all comers. The series at McIntyre with

Ottawa would have everything in its favour. The fans would turn out to see good ball games and even the weatherman is optimistic about the elements in the next few days.

Elect G. W. Cushnie Head of N.O.S.S.A.

Iroquois Falls' High School Principal Head of Northern Ontario Secondary Schools Association.

G. W. Cushnie, principal of the Iroquois Falls High School, was elected President of the north section of the Northern Ontario Secondary School Association at a meeting in Timmins. He replaced W. W. Tanner, principal of the Timmins High and Vocational School.

More than twenty delegates from secondary schools in Northern Ontario were present at the meeting which was held in the auditorium of the high school here.

C. H. Danard, principal of the Kirkland Lake High School, was elected vice-president, and J. Palmer, of Iroquois Falls High School, secretary-treasurer. Honorary presidents were M. B. Scott, of Timmins; G. D. Adams, Iroquois Falls; R. E. Dye, South Porcupine.

W. W. Tanner, 1936-37 president of the northern section of the N.O.S.S.A., was president of the whole northern organization. Following the usual custom of rotation this year the president of the central district of the organization is president of the whole association.

No schedules were drawn up at the meeting but it is expected that they soon will be compiled and released.
