

## McINTYRE STAGES COMEBACK TO WIN CUP

### Registered Nurses Hold Convention in Timmins

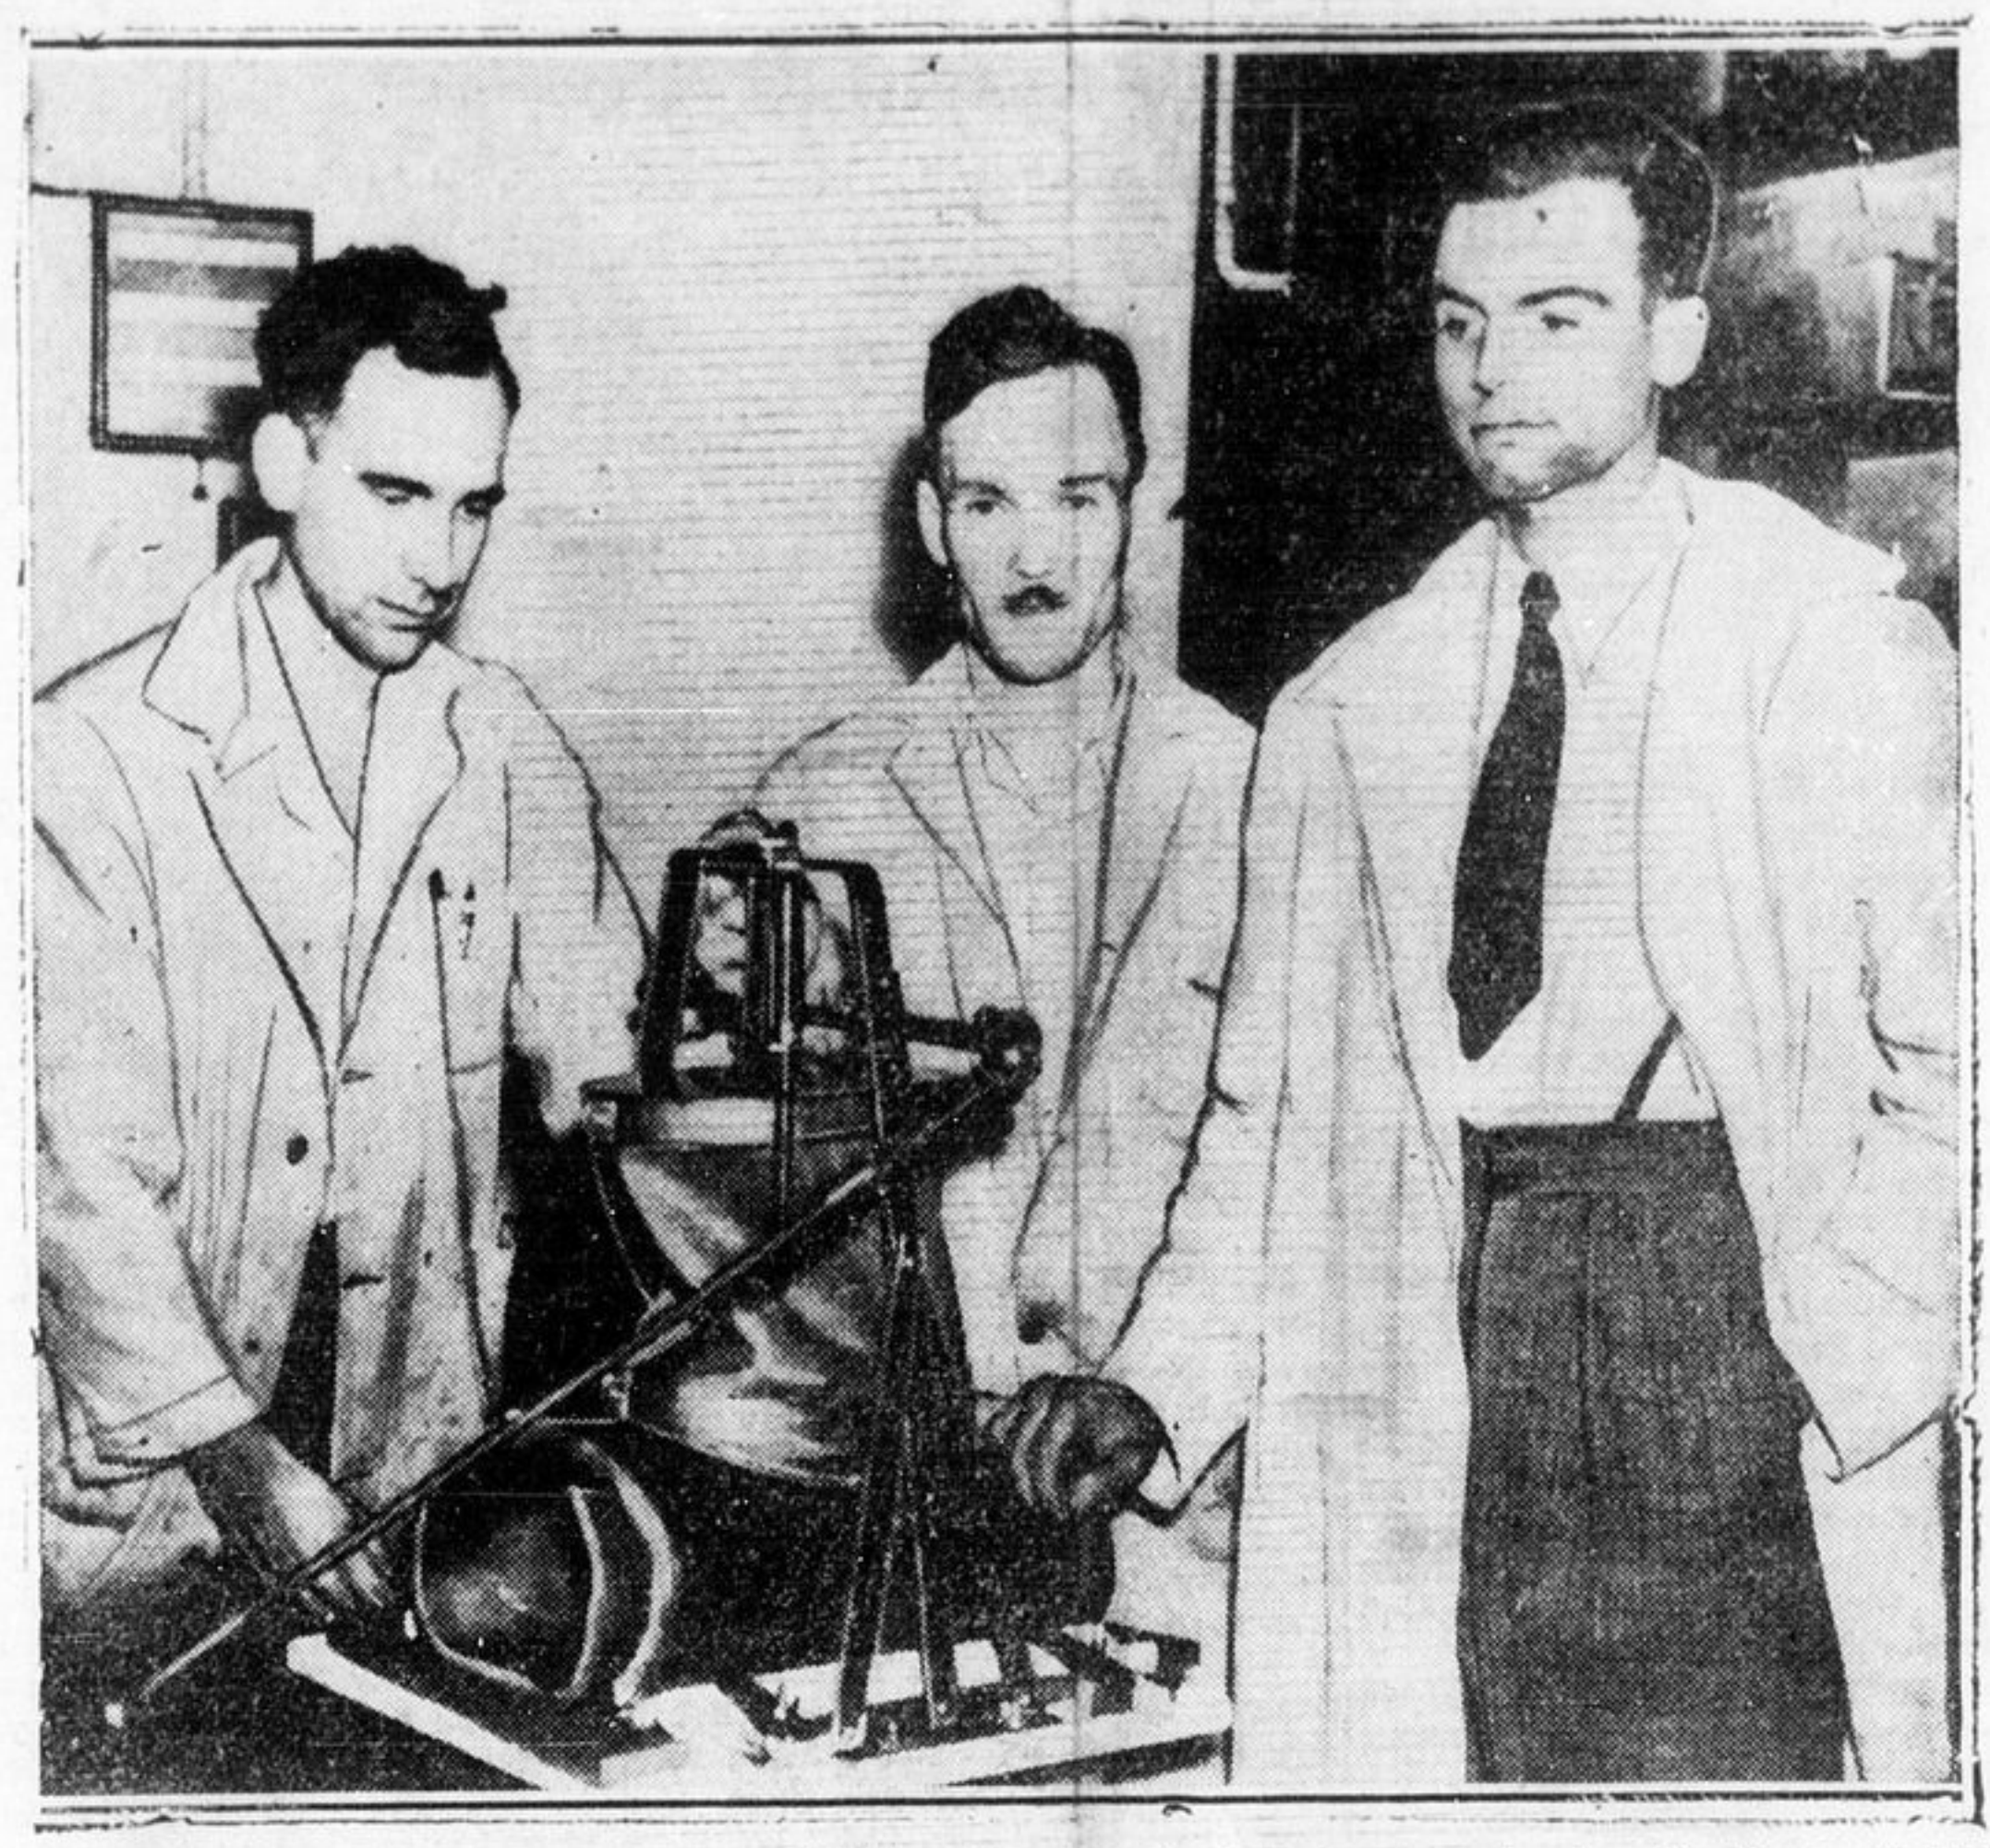

First Time Annual Meeting Held So Far North. Next Annual Meeting to be Held at Sudbury. Outstanding Addresses by Miss Johns, D. B. Lawley and Dr. Russell. Other Items of Interest.

On Saturday, Sept. 25, District No. 9 of the Registered Nurses' Association of Ontario held their thirteenth annual meeting in Timmins. This is the first occasion upon which this organization has held its annual meeting as far North. Under the convensership of Miss Viola Roy, of the Porcupine Chapter, the nurses were hostess to members and non-members from Algoma, Sudbury, Manitoulin, Parry Sound, Muskoka, Nipissing, Temiskaming and Cochrane areas. The opening session and registration took place at 9.30 and invocation was given by Rev. Fr. O'Gorman. Welcome was extended to the nurses for their convention by Councillor W. Wren in the absence of J. P. Bartleman. After this, the reports of the special and standing committees and Chapter reports were read and business arising from them transacted. Following a discussion on the raising and distribution of the district funds it was unanimously agreed that a contribution be made to the Florence Nightingale Memorial fund. The advisability of having a speaker on Dominion registration to visit the Chapters of the district to enlighten them upon this very important subject was considered and it was decided that Miss MacPherson Dickson, of Toronto, be requested to do this. It was decided to hold the next annual meeting in Sudbury on the last Saturday of September, 1938. Following the adjournment of the morning session, luncheon was served by the ladies of the Rebekah Lodge. (Continued on Page Eight)

### Fair, Cool Weather Coming

Sees Cool and Fair Weather Despite Cloudy Skies This Morning. Possibly be Rain. Despite the gloomy appearance of the weather this morning the weatherman prophesied "mostly fair and moderately cool" weather for the next few days. He also added that it was possible that it would be cloudy for a period with an odd shower. Temperatures from last issue were: Thursday, maximum, 83, minimum, 52; Friday, 82 and 64; Saturday, 54 and 44; Sunday 48 and 36. Last night minimum was 32 and this morning at eight o'clock the thermometer read 35 degrees. There was a shower on Thursday evening at about nine o'clock. Rain fell to the depth of .03 inches. On Friday it rained intermittently from 4.30 p.m. until 1 a.m. on Saturday. Depth was .08 inches. There was a light shower yesterday to the depth of .07 inches. Mr. Scott Ernst, of Halifax who has been visiting at the home of his brother-in-law and sister, Mr. and Mrs. Karl Deyarmond, 77 Lakeshore Road, this summer, has returned to Halifax to resume his studies at Dalhousie University.

### TORONTO MAN INVENTS NEW "LUNG"

A new type respirator for treatment of infantile paralysis of the lungs has been developed by Bernard Leibel 22-year-old summer student at Banting Institute, Toronto. Unlike the Drinker respirator or "iron lung" in which the patient is almost completely enclosed, Leibel's machine consists of a copper unit fitting closely over the abdomen of the patient from the hips to the lower chest. In the top is an artificial diaphragm attached to the lower section about the abdomen by a rubber shirt. A cam shaft, reduction gear and motor make possible the movement of the diaphragm up and down at the regular respiratory rate, causing expansion and extraction of the chest, and resulting in natural breathing. Bernard Leibel is shown above right, examining his invention with his technicians, Leonard Brock, left, and Jack Conley, centre.

### Two Straight Victories Give Macs Ennis Trophy

McShane and Callery, Backed by Strong Fielding, Pitch Schumacher Squad to Two Consecutive Week-end Wins in Kirkland Lake. Two Double Plays in the Final Game.

### Yard Full of Four-Leaved Clovers

Emblems of Luck at the Macgregor Porcupine Property. Four-leaved clovers are supposed to be rare and lucky and if there is anything in this superstition, then the Macgregor Porcupine property has all sorts of luck ahead of it. Mrs. Belle Thomas last week sent The Advance a score or so of four-leaved clovers, and some five-leaved clover, also for more luck. Mrs. Thomas says the yard at their residence at the mine is full of four-leaved clover. Literally hundreds of them have been picked, and still the supply seems inexhaustible. It used to be the custom to go hunting for four-leaved clover. If you found one, then luck was supposed to be yours. Usually, however, it took much hunting to find the four-leaved specimens. But at the Macgregor Porcupine, you don't need any hunting. All you have to do is to pick them. There is little chance of missing one, no matter where you pick. About the only chance you stand of not getting a four-leaved clover, is that you will pick a five-leaved clover. In the bunch sent to The Advance there were several five-leaved clovers and even some six-leaved ones. But most of them were the lucky four-leaved specimens. Mrs. Thomas says that this season she has even picked a few seven-leaved clovers and these are certainly not considered as common by any means. All the specimens sent in to The Advance are perfect in every way and the quantity of them makes them remarkable for those interested in natural history.

Kirkland Lake, Ont., Sept. 27, 1937. Special to The Advance) McIntyre's great baseball team, which already this year has won the Temiskaming Baseball League title and been awarded the Eastern Ontario championship, came from behind a one-game handicap to add the Ennis cup, the most beautiful trophy in Northern competition, to its laurels. Backed by great fielding McShane and Callery pitched the Macs to two consecutive victories in Kirkland Lake over the week-end. The Macs lost the first game of the series here to Wright-Hargreaves and won the two final matches on a strange field. The score of the Friday game was 6-2 and the Saturday night game ended up 4-1 for the Porcupiners. The Friday game was a close and even affair until the eighth innings when the local forces got a little erratic and allowed the McIntyre squad to score a majority of runs which could not be equalled by the Hargreaves players in their final batting. Bill Roach, for the Wright Hargreaves squad, matched everything that Callery had until the eighth, then he weakened and let the winning runs pass; Callery on the visitors mound played steady ball and supported by the strong fielding of his teammates, kept it there in the final frames when the local boys were hunting desperately for runs. Throughout the game, Callery kept the Hargreaves hits scattered and did not allow more than one hit to each man. Cybulski, with two for three, and Hann, with three for five, were the heavy hitters who showed no mercy for the little Hargreaves twirler. Only two errors were chalked up against the visitors, Price and Callery making them, but neither were of a serious nature. The Wright Hargreaves errors, however, went to the cause of the Macs were a deciding feature in the Timmins win. In the second game, the visiting batters stepped into eight of Lefty Goldsmith's pitches to record four runs, as against the lone tally chalked up by the Hargreaves nine. The Macs went on the hunt early, in the first round, when they hit Goldsmith three times for a duet of runs. They collected one more hit in the third by MacDonald, who made it and was deserted on second base. In the fifth, on two hits and an (Continued on Page Eight)

### Application Forms Here For Housework School

May be Had by Eligible Girls Between Ages of 18 and 30 Years. Will be Three Months Course Between September and March. Must Conform to Certain Rules.

Application forms have been received by the Government Employment Bureau for girls wishing to enroll in the housework course being instituted for girls from this district by the Ontario government in co-operation with the Dominion. Details of where the training school will be held and the specific date it will begin are not yet available but young women who wish to take the course are asked to enroll early. Applicants will be accepted from among young women between the ages of 18 and 30 "who are in need of training before placement can be made in employment and who are in need of circumstances and unable to pay for tuition." Applicants will be given vocational guidance and will be personally interviewed by the School Directress and a member of the local committee before the application is considered. All those selected must be certified by a physician to be free from contagious diseases and physically fit. Selection will be made without discrimination against racial origin, religious order or politics, with preference given those who have been longest unemployed and are in the greatest need of work. Classes will be held between September, 1937, and March, 1938. Trainees will live in residence during the course of training. The length of the course will be approximately three months. Room and board and uniforms for use while on duty and a small amount of "pocket money" will be given all accepted applicants. Assistance with transportation to the training centre will also be given consideration to those who are in need of it. A probation period of at least one week will be served in the school before final acceptance is granted. A temporary certificate of competence will be replaced by a permanent certificate to those successfully completing the course. Instruction will be provided in the school in household arts and homemaking; provision will be made for instruction in health, hygiene, physical education and opportunity given for recreational and group activities. Those who complete the course will be assisted to find a place of employment and care will be taken to ensure suitable places with fair working conditions and wages. The school will follow the course of those placed in employment.

### District Governor Pays Official Visit

District Governor Lions, L. W. Petersen, Visits Timmins, Schumacher Clubs. L. W. Petersen, of Windsor, District Governor, paid an official visit to a joint meeting of the Timmins and Schumacher Lions Clubs held at the Legion Hall last week. There was a large turn-out of members and the Boys' band was in attendance. Mr. Petersen spoke on Lionism. He gave an inspiring account of the aims and objects of Lionism and the value of a Lions Club in the community. He renewed the members in their ideals and told them how to make a success of the social work they were doing. Mr. Petersen presented membership buttons to four new members of the club and was himself presented by President, Dr. Hughes, with a polished piece of gold ore appropriately set on a base. The Schumacher Lions Club presented Mr. Petersen with a desk pen set. Wendell Brewer and Maurice Belanger presented President of the Club, Dr. Ray Hughes, who was leaving to be married, with several small presents from the club. Mr. Rochon, of the Windsor club, accompanied Mr. Petersen. The District Governor had already visited North Bay and Kirkland Lake clubs before coming here. He planned to spend the rest of the week visiting Sudbury and other clubs in that vicinity.

### Strikes Mother With Car

Albert Labelle Horrified to Find Has Run Down Own Mother. Has Internal Injuries. Although his mother is recovering Albert Labelle still is shaken by an unusual motor accident which occurred on Commercial avenue on Thursday evening. Labelle struck a woman "jay walking" on the street. When he got out of his car he discovered that it was his own mother, Mrs. Rachel Labelle, 43 Middleton avenue. Mrs. Labelle crossed Commercial avenue not at the intersection but near Preston avenue. One car passed and she stepped out from behind it right into the path of her son's machine which was going east on Commercial. Earlier in the evening there had been a heavy rainstorm and the night was still very dark. Labelle did not see his mother because of the pitchy darkness and glaring headlights of the automobile which just passed. Luckily he was going very slowly. The first intimation Labelle had that something was wrong was when he heard the woman groaning beneath his car. He was horror stricken when he got out of the car to find his own mother beneath the wheels of his auto. Mrs. Labelle was given prompt medical attention. No bones were broken by the impact but she was found to be injured internally. Her condition was described as serious shortly after the accident, but improved, and by Saturday the report was that she was making good progress to recovery. Police found that the incident was purely accidental. Labelle did not see his mother who stepped out from behind another car. No charges will be laid.

### Fire Routs Smoker from Downy Couch

Insomnia Plus Smoking in Bed Causes Fire. Damage Amounts to About \$50. Insomnia plus smoking in bed at six o'clock in the morning was responsible for a fire yesterday morning at the home of J. Petersen, 8 Cedar street, north. The house was owned by J. Perrault. Damage to the day bed on which the non-sleeper was smoking and to the other furnishing of the rooms amounted to about \$50. There were two fires on Thursday. At 12:07 p.m. there was a chimney fire at 11 McLeod street and at 12:27 in the afternoon firemen were called to 12 Kirby avenue to extinguish a fire which occurred in the upholstery of an automobile. Damage amounted to \$15.

### Cochrane Assizes Adjourned

Lawyers, Jurors, Witnesses, Etc., Not to be Deprived of Vote. The Cochrane Assizes were adjourned some time ago as to start on October 5th, and if this date had been allowed to remain, it would have meant that a large number of people from Timmins and other parts of the district, those concerned in cases to come before the court—lawyers, jurors, witnesses, police and court officials and others—would have been deprived of their vote. In 1935 there were a number unable to vote at the municipal election in Timmins because court was in session at Cochrane on election day. Fearing a similar loss of franchise in connection with the conflict of the election date and the court sittings effort was made here as soon as the election date was known to have a postponement of the court date. The same procedure was followed at Haileybury and last week The Advance was able to announce that the Assizes at Haileybury had been adjourned, so that no one need unnecessarily miss their vote. In both cases, the initiative was taken by the law societies of the districts. There was some delay in having the matter arranged as the Chief Justice of the High Court was on a vacation in England and as the matter was in his hands it was necessary to wait until his return before anything could be done. Jurors, witnesses, lawyers, etc., will be pleased to know that he acted promptly and adjusted the matter just as soon as he was in this country to give it his attention. The Assizes at Cochrane have been adjourned to Oct. 7th. They will commence at 1 p.m. on Thursday, Oct. 7th, so that practically all concerned will thus be enabled to vote before leaving home, and most will be able to spend election day at home or even in another part of the riding, and still be able to be in Cochrane for the opening of court. Those from Timmins who have to be at the Assizes will be able to leave here on the morning of Thursday, Oct. 7th, and still be at Cochrane, either by train or car, in ample time to attend court. Notices have been sent to all jurors to the above effect. Some of them have already received the notice, and those who have not already been notified will receive due notice in the course of the next day or so.

### Mrs. Andre Dorfman Passes on Suddenly

Died After Only Few Hours of Illness. Mrs. Andre Dorfman, wife of the president of the Anglo-Huronian Ltd., died here at 12.30 a.m. Friday. Mrs. Dorfman was suddenly taken ill at 4.30 p.m. on Thursday and the death came as a great shock to her family and friends. She was fifty-two years of age and is survived by her husband, Mr. Andre Dorfman, two sons, Leo A. Dorfman, Toronto, Edward Dorfman, Johannesburg, South Africa; and two daughters, Helen and Irma of Toronto. Mrs. Dorfman was one of the early settlers in the Porcupine Camp coming here in 1911, and making large circles of friends. She resided here until 1924 when she moved to Toronto. She was spending a vacation here this summer, having been here for six weeks. Services were held at the mine lodge Vipond, on Sunday afternoon at 4.15 Rev. Tait, of Schumacher, conducting the services. Helen and Irma, who were spending the summer here with their mother accompanied the body to Toronto where services were held this morning from the chapel of A. W. Miles, 30 St. Clair Ave., interment being in the Necropolis cemetery.

### Athletic Executive of Schumacher H.S.

Last week the election of officers for the executive of the Schumacher High School Athletic Association was completed. Bill Flowers led the race for president. His average all-round knowledge of sports should give the boys a real leader. The rest of the executive consists of Mr. Argus, as treasurer; Eric Arnott, as secretary; form representatives: Hamilton, V.; Zadorozny, IV.; Waites, III.; Montgomery, II.; Duffy, I. Intra-mural activities began Friday afternoon, two first form teams battled out a five-inning game of softball. A real game is promised when the hard-hitting second form team takes on the winners of the first form group. A rugby ball has been introduced to the boys of the school, and are they having a tough time trying to kick and catch that elusive ball!

### Eighty Timmins Scouts Attend Big Jamboree

About 80 Scouts and Cubs of Timmins' troops attended the Scout Jamboree held on Saturday at Iroquois Falls. Several of the Timmins' troops won points in events and one Timmins group won a special award. There were more than 300 Scouts at the Jamboree. They came from as far south as New Liskeard and as far north as Kapuskasing. Kirkland Lake troops won both the Scout and Cub trophies. Fuller details of the Jamboree will be found in the Scout column in this issue.

### Porcupine Business Girls' Club Resuming Meetings

The Porcupine Business Girls' Club commence their season with an open meeting at Apartment 12, Jarvis Block, 67 Fourth avenue, Timmins, at 7 p.m. sharp, on Tuesday, Sept. 28th. All business girls of stores and offices in the Porcupine Camp are welcome.

### Class C3 Wins at Field Day of H. and V. School

Event Under Direction of Miss Ann Scott Proved of Unusual Interest. Winners in Various Events, Together With the Classes Represented by Each Participant.

### Sunday Schools to Meet on Wednesday

Under the auspices of the Porcupine Sunday School Association, a S.S. convention will be held in Timmins United Church on Wednesday, Sept. 29th. All teachers, prospective teachers, leaders of mid-week groups, superintendents and ministers are invited to the three sessions, afternoon, supper and evening. A team of qualified leaders from the various denominations will be present. Rev. H. E. Bridge, secretary of the Baptist Board of Religious Education for Ontario and Quebec; Dr. C. A. Myers, associate secretary of the United Church Board of Christian Education. Miss Nellie Lewis (Anglican) Ontario Religious Education Council. Miss Violet Tennant, Presbyterian Girls' Work secretary. The programme planned for the sessions is one of unusual interest and value to Sunday School workers.

The girls' field day at the High and Vocational Schools was held on Thursday, the weather being favourable and all the students eager to prove that their class would win most of the points. The event was under the direction of Miss A. Scott, who was given the fine co-operation of the girls' athletic executive. On Friday morning, at the Senior Assembly, the Shield was presented to Miss Elma Nykanen, on behalf of the class of C3. The following are the results of the field day:

### Wedding on Saturday at St. Matthew's Church

A quiet but pretty wedding took place in St. Matthew's Anglican Church on Saturday at 7 p.m. when Rev. Canon R. S. Cushing united in marriage, Mimi Newby Gould, daughter of Mr. and Mrs. Joseph Gould, of Toronto, and Dr. Wm. Harvey Cruickshank, son of Mr. and Mrs. Edgar B. Cruickshank, of Toronto. The bride was very lovely in a suit of wine wool tweed, with brown accessories. The bride and groom were attended by Mrs. Edgar Cruickshank, mother of the groom, and Mr. Joseph Gould, father of the bride. Dr. and Mrs. Cruickshank will reside in Timmins.

- 75 Yard Dash  
1 Jacqueline Mortson, class of IIIA-IVB
- 2 Evelyn Rymer, class of IVA-V
- 3 Laura Canie, class of C2B
- Running Broad Jump  
1 Colleen Colbourne 13 ft. 11 in. IIA-B
- 2 Louise Walter, 13 ft. C2A
- 3 Evelyn Durkin, 12 ft. 6 in. S3
- Baseball Distance Throw  
1 Sophie Kucheran, C3
