

A VOTE FOR GALLAGHER

IS A VOTE FOR THE NORTH

Charles V. Gallagher, the Liberal candidate in this riding of South Cochrane, is a pioneer of the North, and has been working for the past twenty - five years for the benefit of the North, both when in office, and when out of office,—as reeve of Tisdale, on the Associated Boards of Trade and in many other public, and semi-public capacities. He knows the needs of the North. His record of service for the North is full assurance that his interest to-day is not just assumed to catch votes. He served the North in the past. It is only fair to expect that when elected as Member for this riding in the Legislature, he will continue to work for the interests of the people—with his hands strengthened by his position as Member to accomplish even more. He will fairly represent all classes, and all may be sure of a square deal and courteous treatment and consideration from him as member, just as he served honestly and efficiently and genially as the reeve of Tisdale for many years.

The North Needs GALLAGHER

Just as the North needs Roads, Help for the Settlers, Adjustment of Taxation, Attention to the Progress of Mining, Full Consideration for the Workers in Mines, Forests, and other industries, so the North needs C. V. Gallagher as member to fully present the case for them to the Government at Toronto. He knows the needs from study of those needs, contact with the people and by working for many years to supply those needs.
