

A VOTE FOR GALLAGHER

IS A VOTE FOR THE NORTH

Charles V. Gallagher, Liberal candidate for South Cochrane, never makes many promises. He just goes ahead and does things, without boast or ballyhoo. As Reeve of Tisdale Township, Member of the Associated Boards, T. & N. O. Railway Commissioner, and many other public capacities, he has given notable service to the people. Just as a private citizen he has worked with equal interest to help the North. He has been a real friend of the North—a pioneer of the North—a typical man of the North, with a kind word for everybody. He did not sit back and watch the North grow. He took off his coat and worked to assure the development of the North.

THE NORTH NEEDS GALLAGHER

AS MEMBER FOR THIS RIDING

Charlie Gallagher knows the needs of the North—Roads, Help for the Settlers, Adjustment of Taxation, Further Aid to Mining Development, Full Consideration for the Workers and Business Interests Here. He has promised to work for these things—he has been working for them right along. Elect Charles V. Gallagher by a big majority and place him thus in position to serve the interests of the North on a wider scale.
