

# Northern Ontario "B" Hockey Group Formed

## Power Turn Juice on the Advance Bowlers

Gambles Now Leading the Commercial League.

The Power turned on the juice against The Advance, and took them for a ride for four points.

The printers dropped the first by 117 pins, and the second was a heartbreaker when they lost by six pins with two of their men missing the four pin on the last frame. The last was a runaway for the electricians.

Gambles are still showing championship form by taking three points from the T. & N. O. after dropping the first game. They now lead the league by three points at the end of the first quarter.

## NORTHERN SPORT SHOTS

The Police Athletic Association will make another venture into the realms of fistiana a week from tonight. At a meeting held on Tuesday night it was decided to stage another fight night. Arrangements are being made to secure the arena for the bouts.

Local boys will participate in the bouts and several lads will be brought from Kapuskasing. A special effort will be made to get the boys from the paper town who were successful in getting decisions over Timmins boxers in the northern championships recently held there.

On November 25, T.P.A. boxers will go to Schumacher where they will stage several bouts at a charity chicken stag being held there.

Reports that the T.P.A. is trying to get a stranglehold on professional fight promotion in Timmins, which have been circulated, are emphatically denied.

To begin with the T.P.A. is more than a promoting organization. It has its roots deep in the juvenile delinquency problem and could, if given the proper co-operation, do more than it already has to clear up the situation.

In order to do this the T.P.A. was founded as an organization to promote amateur sport. It was felt that if the boys could be kept busy playing hockey, or baseball or any one of a dozen games they would have neither the time nor the inclination to get into trouble.

One of the main reasons why the association has opposed the staging of certain types of sporting ventures in Timmins is because of the example it might set to youngsters. The organization does not want the boys, at their most susceptible age, to adopt some of the so-called wrestlers and boxers that would be brought here as heroes for food to worship. If they patterned their lives and careers on them they would not get far.

The type of sport promotion that would bring circuit wrestlers and athletes has been opposed vigorously by the organization, which has the power and authority to make its opposition felt, for the betterment of the community.

T.P.A. officials are emphatic in their assertion that no action would be taken to prevent the right kind of shows from appearing. They have felt, so far, however, perfectly justified in spiking the wheels of several of the sport wagons that would have rolled into town.

Another angle to be considered is the fact that outside promoters staging shows here would drain the town of money that could well be spent on the fostering of clean amateur sport that would better the town as a whole and the participating boys in particular.

The juvenile delinquency problem in Timmins was, at one time, extremely dangerous. It could quite easily be again if some form of control was not adopted. There would be two ways of dealing with it; one by charging the delinquent youngsters and having them in court. That system has not proved out well in other centres. The method adopted by the T.P.A. is a preventative one. It seems the better.

### Contest Group Title Sudden-Death Game

Timmins High Meets Haileybury There Saturday for Central Group Title.

Within two steps of the championship of the N.O.S.S.A., Timmins High and Vocational senior gridlers play Haileybury on Saturday afternoon in a sudden-death final for the central group title. The game will be played in Haileybury.

The Timmins squad won the northern section by defeating Kirkland Lake there last Saturday afternoon. If they win on Saturday, and there is good reason to believe that they will, they go

## BELMONT FUTURITY RECORD BREAKER

Menow, winner of Saturday's Belmont Futurity worth \$56,825, is shown above with Jockey Charlie Kurtz, who piloted him to a new world's record of 1-15 with Fighting Fox taking third position after a long race with total earnings of \$85,825. Hal Price Headley, Menow beat Tiger by four length photo finish with Tiger. The Headley racer is the Kurtsinger's victory with Menow marked the first time that a jockey had won all four big American stakes in the same year. He was astride War Admiral in the Kentucky Derby the Preakness and Belmont Stakes.

on to play North Bay, southern group winners. North Bay vanquished, they will have repeated their 1936 performance of winning the N.O.S.S.A. There is no league for junior teams in the N.O.S.S.A. They are used as a training ground for senior squads. However, the juniors have played game for game with the senior team and lost only one, that to Kirkland Lake last Saturday by five points. The Kirkland junior victory marked the first time that team has beaten Timmins in three years.

On Saturday, along with the senior game, the fans will see the juniors in an exhibition game with Kapuskasing.

### World's Sport Events (By F.J.H.)

#### Rugby

It took an extra game to settle the central rugby group final, and Haileybury won out.

On Saturday they take the field again for the semi-finals against Timmins High and Vocational School, the winners of this game play North Bay in the final.

The local lads leave Friday noon for Haileybury in order to rest before the game Saturday.

The juniors have made arrangements to play at the local ball park on Saturday with a team from Kapuskasing.

#### Hockey

A meeting was held in Schumacher last night of the Juvenile Hockey league, and it was decided to go into N.O.H.A. Junior "B". The meeting is described in another column.

Five teams have showed their intentions of joining, with a possibility of Kapuskasing coming in, and South Porcupine will not let the old gang down if they have to form a new team.

The Redwings are far from the "A" class, so why not give them another year juvenile.

Give the boys a chance to make good, it takes time!

Hockey is now on its way in league matches in England and there have been many changes in players of the teams.

The Wembley Lions and Monarchs lines have changed since the teams were printed in these columns, and an important change as far as Timmins is concerned is, that Lortie and Godin are now with the Monarchs instead of the Lions.

The Harringay Racers and Greyhounds have also changed their teams' personnel.

The Earl's Court Rangers who lost fifteen men at the close of last season have now formed a team of new arrivals from Canada.

The team at present is: Teno, of Sudbury, goal; Alex Archer, R. Lee, F. Currie, Joe Brown, A. Forest, Cliff and Doug Maundell, Cheppell and Peterson. The last four named are ex-Oshawa players.

Lou Bates who piloted the Lions from its formation has retired.

The controversy between Ab Welsh and Alex Archer has been settled and Welsh goes back to the Lions and Alex stays with the Earl's Court Rangers.

The penalty shot in the N.H.L. has been changed by a line being drawn across the rink and closer to the goalie and the shot can be taken from this line. It is said that this is going to be hard on the goalkeepers.

N.H.L. goalies are going to have picnic in stopping a score in comparison with the Old Country goalies, from the change of the penalty over there is, that when a player is fouled, the said player shall take the puck from where he was fouled, and shoot at the goal from where he pleases, even to charging into the goalie, but no provisions are made if the player is so injured that he can't carry on.

**Tennis**

In the U.S.A. open championships

semi-finals played on Monday. B. Barnes won from G. Lott, in the men's singles. Barnes went on to win the finals from K. Kuzeluh, of Czechoslovakia.

In the men's doubles Richards and Lott won in a long drawn out match of 1-6, 6-8, 8-3, 7-5, 9-7, from Barnes and Kuzeluh.

The ten-round bout between Al Delaney of Canada and Stahl of Holland had to be stopped in the seventh round after Delaney severely punished his opponent. The bout took place in London, last Monday.

The big fight between Walter Neussel, of Germany, and Maurice Strickland, of New Zealand, at Wembley, went the full twelve rounds with the German getting the decision, with loud protests from the crowded hall.

Neussel applied powerful body blows while Strickland retaliated with blows to the head. The decision was close.

Larry Gains is certainly right on top of the boxing world these days, and is not wasting any time saying what he can do, but goes right out and does it. His latest victim was Charlie Rutz of France, the famous French champion, who took Tommy Farr all the way less than a year ago. Gains flattened Rutz in the second round.

Better take on Len Wadsworth and forget about Gains.

To-day's sudden death contest was agreed upon late Saturday after Haileybury had tied up the group standing by beating Cobalt nine points to five on the Miners' own grounds Saturday afternoon. Besides checking the run of successes which Cobalt seniors had enjoyed in 1935 and again last year, Haileybury's win to-day prevented the Miners from making a double sweep with both senior and junior entries, a feat they accomplished a year ago. Cobalt juniors already have repeated their last year's triumph, leading both Haileybury and New Liskeard, third entry in both sections, to the wire again. Haileybury seniors will now meet Timmins, who earlier this season defeated them 28 points to 0, in an exhibition contest in Porcupine.

The Kiwanis and Lions clubs meet to-morrow evening at the bowling alley in friendly rivalry. They will bowl the first of a series of five games which will determine the better of the two organizations on the alleys. Games will be held every second Friday night at seven o'clock until the series is completed.

## Northern Ontario Juveniles Form "Junior B." Group Here

After Considerable Discussion at Annual Meeting at Schumacher Last Night, Northern Ontario Juvenile Hockey League Decide to Take Advantage of Junior B. Group for Benefit of Hockey.

### Billiard Tourney Here on Saturday

Six of Kirkland's Best to Hold Tourney Here With Local Masters of the Cue

Something new in the way of sporting tournaments will be held here on Saturday night. Six of Kirkland Lake's best billiard players will come to Timmins for a friendly competition with a half dozen of the best local cue masters. The tourney will be held in Stevens' Billiard Parlour.

### Winners of the Ladies' "Ringer" Competition

The winners of the Ringer Competition for the 1937 season in the Ladies section of the Timmins Golf Club are 1st Flight Mrs. A. S. Porter; 2nd Flight, Mrs. D. E. Keeley; 9 holes, Mrs. I. K. Pierce.

### Band Concert by Lions' Boys' Band on October 31

Sunday evening Oct. 31st, after the church services there will be a band concert presented by the Lions' Boys' Band at the Empire theatre. The concert will commence at 8.30 p.m. In addition to selections by the Boys' Band, the programme will include other numbers and a community sing-song. If the concert a week from Sunday proves as popular as expected, it is likely that these band concerts by the Boys' Band will become a regular feature during the winter months.

Globe and Mail:—It is estimated that over the week-end 700,000 people attended college football matches all over the United States. No matter what may be general conditions, there always is plenty of money for sports—especially football, baseball and boxing. Community drives find funds harder to get; and that doesn't seem right.
