### Mail Delivery as Soon as Letter Slots Ready

Department Asks Co-operation of Patrons in Preparing Residences for Service. Will Not be an Overnight Change but Will be Gradual. Will Not Take Letters Further Than Front Door.

The Post Office Department has notified the office here that it is prepared to proceed with the installation of mail street delivery at Timmins as soon as the letter slots are provided in doors for receipt of the mail.

The department points out that if street delivery service is inaugurated before such slots or letter boxes are provided very little effort would be made on the part of patrons to make the improvement, so that the sooner such boxes or slots are provided the sooner will the department be in a position to put the service into operation.

In a letter which the department instructed the Timmins Postmaster, E. H. King, to write, it is pointed out that the inauguration of mail delivery is not an overnight service. It was a gradual change that was brought about by the co-operation of the people who were going to benefit and the Post Office Department. Many persons might give up their post office boxes immediately, others might wish to retain them for a time after the service was begun.

Those who will be permitted to retain boxes after mail delivery is in operation are business firms, professional men, persons without a fixed address, such as business men who work in Timmins part of the time and outside part of the time, and persons living outside the area of free service.

As the letter carriers will have many calls to make each day, the Department instructs that they will deliver to front doors on the front of a lot but will not deliver down in a basement nor upstairs nor to a rear door, nor to houses nor shacks on the rear of a lot, except to places of business, or unless there is an elevator in the building.

Patrons living in upstairs apartment or using a rear entrance should have provided a proper letter box bearing their own names, placed as near as possible to the front entrance so that mail for these patrons may be delivered at the same time as the carrier calls at the front door of the house.

Patrons who are in doubt as to whether or not they should provide boxes or where they should be placed are invited to consult with the Postmaster, E. H. King, who will be glad to assist with information and advice.

The Department has not yet returned a list of postmen selected for Timmins.

### Impressive New Flagpole

Donated to the Legion by  
Dominion Bridge Co., and  
Being Erected by the Hollinger.

Thanks to the kindness and generosity of the Dominion Bridge Co. and the Hollinger Mine, there will be a new and impressive steel flagpole at the cenotaph on Thursday, Nov. 11th, Remembrance Day. The work of erection of the fine new flagpole is now under way. The pole which is of steel will be 70 feet in height. The work of erection is being done by the Hollinger. A tablet on the pole will bear the following inscription:—

### Remembrance Day at United Church

Inspiring Address by Rev. W. M. Mustard, Veteran of the Great War.

A special Remembrance Day service was held in the United Church on Sunday at 11:00 a.m. Rev. W. M. Mustard, himself a Canadian veteran of the Great War, delivered a most inspiring sermon to the large congregation present.

The members of the Canadian Legion were also present and during the service President A. Neame placed a wreath on the Communion table of the church.

During the two minutes' silence, Bugler A. Pearce sounded the "Last Post" and "Reveille."

The music by the choir was in keeping with the day and the selection of hymns was very appropriate.

The Legion and Ladies' Auxiliary, with a fair turnout of members, were led to and from the church by the Porcupine District Pipe band.

### Fire Damages Roller Rink Only Slightly

Old Roller Rink Takes Fire From a Defective Stove Too Near the Wall.

Firemen were called yesterday to a blaze in the old roller rink near the T and N. O. station. The fire was caused by a defective stove too close to the walls of the building, which started to burn. It was quickly brought under control by use of chemicals.

On Thursday at 6:25 p.m. a chimney fire brought the department to 81 First avenue and on Friday a call was received from 209 Hemlock street where stove pipes caused a smudge. Fourth call of the week came yesterday evening when the department was called to Box 42 on what proved to be a false alarm.

### Child's Health Conference at Schumacher School

The Child's Health Conference will be held in the basement of the Public School, Schumacher, on Friday afternoon, November 12th, from 3 to 5. All mothers and their babies are invited to attend.

Mr. Donald McAuley is visiting at his home in Charlton.

### P. H. Laporte Endorsed as Mayoralty Candidate

Clubs Met Last Night at St. Anthony's Hall and Hall of Notre Dame de Lourdes and Decide to Support Councillor Laporte for Mayor and Three Candidates for the Town Council Here.

### Stores to Close 10.30 to 1

Mayor Issues Proclamation to Close Stores in Remembrance of Those Who Fell in Great War.

Timmins stores are asked to close on Thursday, Remembrance Day, from 10:30 o'clock in the morning until one in the afternoon.

By virtue of his authority as Mayor, J. P. Bartleman has issued a proclamation asking stores to observe this request in memory of those who died in the Great War.

### Programme Here for Remembrance Day

Parade and Special Services at Cenotaph on Armistice Day, Nov. 11th.

Armistice Day, known now as Remembrance Day, will, as usual, be specially observed here, under the direction of the Canadian Legion.

The parade will form at 10:30 a.m. at the Legion hall, the march starting at 10:45.

All patriotic societies and groups, and especially the New Canadian organizations, are asked to be ready at Cedar street and Second avenue at the above times.

The usual Remembrance Day services will be held at the cenotaph. It is expected to have loud speakers so placed that all may hear the addresses.

The Timmins Citizens Band and the Porcupine District Pipe Band will take part in the event.

The placing of wreaths will take place immediately after the service.

The St. Jean Baptiste Society of St. Anthony's Church and of Notre Dame de Lourdes met in the two parish halls last night, with very large attendance at each, together with the members of the Circle Canadian. A number of names were brought before the meeting for endorsement as candidates in the coming municipal election. It was agreed that those of the candidates not selected by the meeting should withdraw in favour of those endorsed. The Circle Canadian and the members of the two St. Jean Baptiste Society branches present considered two for mayor—Councillor P. H. Laporte and Councillor A. DesRoches. Councillor DesRoches withdrawing in favour of Councillor Laporte, full support was promised to the latter as mayoralty candidate.

For councillors there were five names proposed—Emile Brunette, Paul Piche, Mr. Potvin, Edward Cyr and Homer Gauthier. By vote, it was decided to support Messrs Brunette, Piche and Potvin for the council.

### Snow or Rain Seen for To-day

Weather Will be Unsettled, is Prediction. Rain, if any Will be Light. Only Trace Rain Last Week.

"Generally unsettled with light snow or rain," was the prediction of the weathermen this morning.

On Thursday, maximum and minimum temperatures were 41 and 18; Friday, 31 and 28, and Saturday 31 and 11. Minimum on Saturday night was 11 degrees.

There was a trace, .01 degrees, of rain on Thursday, and on Friday, one-quarter of an inch of snow fell.

The Porcupine Business Girls' Club is holding a meeting in the Harmony Hall on Tuesday night. Members and others interested are urged to attend.

### Concert Association Again Explains Plan

### Northern Boards Meeting

Annual Meeting of Northern Ontario Associated Board of Trade on Wednesday at Kirkland Lake.

Wednesday of this week, Nov. 10th, the Northern Ontario Associated Boards of Trade will meet at Kirkland Lake for their annual meeting. W. O. Langdon, president of the Northern Ontario Associated Boards of Trade for several years past, and president of Timmins Board of Trade, will be one of the representatives for Timmins at the annual meeting of the Northern Ontario Associated Board. Many questions of importance are expected to be dealt with at the annual meeting on Wednesday, as well as the election of officers for the ensuing year. Delegates to the Ontario Associated Boards of Trade annual meeting at Toronto, commencing Nov. 12th will also be named at the Kirkland Lake meeting. The Kirkland Lake Board of Trade will honour the visiting delegates Wednesday night at a banquet.

### To Broadcast War-Time Songs to Help Sell Poppies

In its efforts to create more interest and to have the citizen "Pay just a little more for their poppies this year," the Timmins branch has arranged to broadcast a programme of war-time songs, sung by members of the Legion and the Ladies Auxiliary from the Legion hall.

All members of the Legion and the Ladies' Auxiliary who would like to join in this half-hour sing-song are asked to be in the Legion hall not later than 8:30 to-morrow evening.

A short address will be given by President A. Neame on the Poppy Day campaign in the district. The listeners will also be treated to such songs as "Tipperary," "Long, Long, Trail" and many others, by those who really know just how they should be sung.

The broadcast is scheduled to commence at around 8:30 p.m. and will last for half an hour. Roll up Legionnaires and ladies, bring your voices with you, Tuesday evening at 8:30 p.m.

### Impressive Remembrance Service by Ukrainians

Requiem Mass for Honoured Dead. Concert Follows Service at Canadian Ukrainian Prosvita Hall Last Night. Event Brilliant and Inspiring in Its Symbolism.

Those who had the privilege of being present at the Ukrainian Prosvita hall on Sunday evening were treated to a most unusual observance of Remembrance Day and also to a concert of outstanding vocal and instrumental music.

A Requiem Mass was conducted by the Rev. A. Lazar, of the Ukrainian Church. Upon the stage had been prepared a replica of a Ukrainian soldier's grave, topped with a cross of birch wood. Its solemnity and simplicity made a very touching tribute to those who fell in the Ukraine during the Great War.

Immediately after the service, the Ukrainian Prosvita Association choir opened the concert with the singing of the "Funeral March." All items on the evening's programme were in keeping with the spirit of Remembrance, and included readings by the younger members of the Ukraine, born in Canada, and being educated to Canadian ideals and customs, along with those of their parents' homeland.

Miss Mary Ruchynsky, sang a very beautiful ballad, the prolonged applause showing the pleasure of the crowded hall.

Miss Ayrchuk, also received the plaudits of the gathering with her very sweet voice in another Ukrainian folk song.

Judging by the number of telephone calls received by the executive of the Porcupine Canadian Concert Association during the past week, there is still some misunderstanding regarding the tickets for the concerts. Once more the committee wishes to explain that the subscriptions are sold for the three concerts only. No tickets are sold for single concerts. The only way in which a non-member may attend any one concert is by using the ticket of some member who is not going to attend himself or herself.

The response to the letters sent out by the committee to last year's members has been excellent. Unfortunately, however, through errors in the records, a number of the letters were incorrectly addressed and were returned to the committee. These have been, for the most part, re-addressed correctly. A few, about which the membership committee were unable to get accurate information, still remain. Therefore all those members who have not yet received their letters are asked to kindly telephone either Mrs. Darling, 889-W, or Mrs. Pierce, 542, as the committee wish to know as soon as possible how many of the new applicants for subscriptions they will be able to admit this year.

The Canadian Concert Association, Porcupine branch, has arranged for three outstanding concerts this season.

The date of the first concert in the series is Nov. 22nd. The artists for the occasion will be: Jean Chown, contralto; Muriel Sonnellan, harpist; Gwendolyn Williams, pianist. Further information on this concert and the artists concerned will be available later for publication in these columns.

### Boys' Parliament December 27 to 31

Seventeenth Annual Older Boys' Parliament Next Month at Toronto.

"The Ontario Older Boys' Parliament is to meet for the seventeenth time, December 27 to 31. About 100 boys from all parts of Ontario will meet and using Parliamentary forms and rules of procedure, will discuss not such questions as tariff and highways, but matters concerning boys' work."

The Parliament is fostered by six denominations and the Y.M.C.A. working through the Boys' Work Board of the Ontario Religious Education Council.

Boys who have passed their sixteenth but not their twenty-first birthday by December 1st are eligible as candidates, provided they meet other character qualifications. Nominations close November 8th. The voters list closes November 22nd and election day is November 27th. The returning officer for this constituency is Mr. Moisley who will be glad to supply further information.

### McIntyre's New Rink to Accommodate 3000

Building Will be 258 Feet by 110 Feet. Ice Surface 190 by 80. To be Equipped Next Year with Artificial Ice and Heating Arrangements. Accommodation for Four Hockey Ice Sheets for the Boys Each Saturday.

Work is starting this week on the new rink to be built at Schumacher by the McIntyre. The new rink will be one of the most modern in the province. The ice surface will be 190 by 80 feet, which is only 10 feet by 5 feet narrower than the Maple Leaf arena. The building will be over 258 feet long by 110 feet wide. It will have a hall 36 by 80 feet, over the dressing rooms at the front, and this will be large enough for all general purposes in Schumacher and will meet a long-felt need.

The seating capacity of the new rink is given as 2100, with standing room for 500 more. It is expected, however, that the rink will accommodate fully 3,000 people.

One of the main ideas of the new rink is to provide accommodation for the youngsters and this feature has been well looked after. By the use of three rows of planks on end, four rinks (each 80 by 48½ feet) will be provided for Saturdays for the younger generation for hockey practice.

While the building will be rushed to completion this season and used as an ice rink, an artificial ice equipment will be installed after the season is over and will be in use next season. The rink will also be heated then and hockey fans will be able to watch games in comfort in every way. In fact, next year the new McIntyre rink at Schumacher will be fully up to the best in the modern rinks. The dressing rooms and other arrangements are along the most modern lines, and everything about the rink is up to regular McIntyre standards—the best.

Steel for the building is on order to be delivered not later than Dec. 1st. In the meantime plans are being completed and perfected, while actual construction work will be under way this week on the foundation for the building. It is expected that the building will be ready for use with natural ice by the end of January or the beginning of February. The artificial ice equipment will be installed next summer.

### Accident Last Night on Hollinger Road

Damage to Two Automobiles Amounted to About \$375. No One Was Injured.

Damage to two automobiles amounted to about \$375 but no one was injured last night in an accident which occurred on the Hollinger road at about 10:30 o'clock at night.

Fong Light was driving west on the road and Edward Chearsievo was coming in the opposite direction. Chearsievo was too far off his own side of the road and it is alleged that he crashed his automobile into Light's machine.

The two cars were damaged. Light's to the extent of about \$200 and Chearsievo's to the amount of about \$175. Chearsievo will face a charge of reckless driving.

At that point the road is thirty-three feet wide. There is plenty of room for two cars to pass.

### Begins Construction of Basement on Balsam Street

A building permit for a basement has been taken out by Leo Mascioli. The foundation is on Balsam street between Second and Third avenue, immediately north of the skating rink. Estimated cost of the basement, which is being constructed with a fourteen-inch concrete wall, is \$1,700.

It is reported that Mr. Mascioli is erecting an apartment house on top of the basement but it has been impossible to verify that rumour. If he wishes to place another storey on the foundation he will take out another building permit. Dimensions of the basement are thirty-eight by a hundred and eight feet.
