The Iroquois lodge banqueted their visitors at the Iroquois hotel, at 7.30, and then proceeded to their lodge room in the Orange hall, where the initiation took place. After the business of the evening was over a light lunch was served, concluding a very enjoyable and interesting evening.

Wedding of Popular Iroquois Falls Couple

The marriage took place in the United Church manse, on Wednesday, November 3rd, of Jean Annabelle Watt, daughter of Mr. and Mrs. Peter Watt, to Malcolm Robertson, the Rev. Dr. Laidlaw officiating.

The bride was given in marriage by her father, and she wore a gown of green satin, with accessories to match. She carried a bouquet of pink carnations.

The bride was attended by her sister, Julia Watt, as bridesmaid, who wore a frock of green crepe, with a hat to match. She carried a bouquet of carnations.

After the ceremony a reception was held at the home of the bride's parents, her mother receiving. About thirty-five guests gathered together to congratulate the newly-weds, and participate in the festivities.

Later, the bride and groom left for a trip to Southern points, and on their return they will reside in Iroquois Falls.

Court News

At the regular court session held on Thursday, November 4th, in the Iroquois Falls court house, the following cases were reported:

Walter Koski was charged with assaulting Antti Lindren, causing him bodily harm.

Trouble arose at Connaught, when Koski had gone to Lindren's home, and dispute arose over trespassing on his land, with a fight resulting, in which Lindren is said to have smashed a chair on Koski's head, and then Koski assaulted him, in view of which the charged was dismissed.

Four drunks were charged and found guilty, paying the usual \$10.00 and costs.

Three women arrested by police, failed to appear in court and their bail was exonerated, they having apparently departed to parts unknown.

Also reported were highway traffic cases, which were treated according to the nature of each individual violation.

Interesting Lecture Given

"The Truth About Spain"

More than 350 people gathered in the town hall on Tuesday evening, November 2nd, to hear Mr. John Sheehan Connolly give a most interesting and educational lecture on "The Truth About Spain."

Mr. Connolly, well known journalist, lecturer, and editor of The Social Forum, who has travelled widely throughout Europe this last year, spent a month in Nationalist Spain. The eyewitness description of conditions as he saw them was most interesting to all present.

The meeting held under the auspices of the Knights of Columbus, was to present all interested in Christian principles, a report, free from "Red Influence," of the true conditions in the unhappy land.

Rebekah Lodge Holds Initiation Night.

Investors' Syndicate Living Protection

Plan Successfully Operating in Forty States and Eight Canadian Provinces.

Elsewhere in this issue will be found an announcement by Investors Syndicate, Limited, Leo J. Charlebois, 112 Cedar street, north, Timmins, being the district representative. Were it not for the fact that the Investors Syndicate and its subsidiaries have been operating for over 43 years in forty different states of the U.S.A. and in eight Canadian provinces, the temptation would be to refer to the syndicate's plan as something new and original.

The success of the Syndicate for over forty years, however, indicates that though the principles on which the plan is founded are not new, they are certainly sound and serviceable and worthy of consideration. "A bank account in a good bank; life insurance with a good company; and a living protection reserve." These three the Syndicate assert are absolutely essential to a well-managed income and for the security that every man feels he owes to himself and his family and dependants. It is the "living protection" that the Syndicate's plan provides. In a word, the plan provides a form of insurance against depressions, hard times, old age, and the lack of earning power. This is provided through the investment of regular sums monthly, quarterly or semi-annually, with return of the money so invested in 10, 15, 20 or 25 years as desired or as needed. There is also provision for the return of the money at any time with 4 per cent. interest, should this withdrawal be necessary. On its part the Investors Syndicate uses the money invested for the purchase of gilt-edged securities returning good rates of interest. The Syndicate operates under strict governmental supervision, the New York insurance laws governing in the States, and the Ontario Securities Act regulating in the province of Ontario. In a case like this, the absolute security of the Syndicate is essential. The laws referred to guard the investors, while the history of the Syndicate is still better guarantee. Since its founding in 1894 the Syndicate has paid every obligation, promptly, when due. It has increased its resources every year in good and bad times alike, for over 43 years. In the ten years from 1927 the Investors' Syndicate has disbursed to contract-holders over sixty-four million dollars. The remarkable growth of the Syndicate is evidenced by the fact that in 1894 its total resources were \$2,600; in 1920 these had grown to \$2,551,644; while last year they were \$90,889,855.

Was Attendant at Pretty Wedding at Kirkland Lake

(From Northern News)

A very pretty wedding was solemnized in St. Peter's Anglican Church, on Sunday afternoon at 1 o'clock, October 31, when Miss Sadie Puhalski became the bride of Mr. Gregory Hluschak, of 49 Kirkpatrick street, Rev. H. A. Sims officiated.

The bride, who was given in marriage by Mr. Dan Sorochan, was charming in a gown of white bridal satin, made on princess lines, with stand-up collar of lace, and wore a veil of white embroidered net caught with orange blossoms and ending in a train of long graceful folds. Her lovely bouquet was fashioned of pink roses.

Miss Mary Rutchynski of Timmins and Miss Dominica Radul of Kirkland Lake attended the bride, wearing frocks of taffeta and carrying American Beauty roses. Miss Rutchynski's gown of maize colour was modelled on long lines with jacket, while Miss Radul's gown in rose shade had short sleeves with huge puffs at the shoulders and tight bands just above the elbows.

The groom was attended by William Sorochan and George Jacko.

After the ceremony, a reception was held at the Ukrainian hall, 54 McCamus avenue, where a large number of friends gathered to honour the young couple and shower them with gifts.

Mr. and Mrs. Hluschak will reside at 49 Kirkpatrick street.

Sailor Netted One Live Mosquito Last Week-end

During the sub-zero weather last week Harry Nichols netted one large mosquito—captured it alive and on the wing when it tried to drink his blood. The old sailor of the famous old Dover Patrol thought that a mosquito in Timmins in November was far from reasonable or reasonable, so he captured the skelter and was exhibiting him in a bottle last weekend to any who cared to see what a live mosquito looked like in dark, cold November.

Charges of White Slave Ring at Rouyn, Quebec

The arrest of four men at Rouyn Que. during the past week or two, is said to be concerned in a definite attempt by the new chief of police at Rouyn, Chief Tissot, to break up a regular white slave ring operating in the Rouyn district. Chief Tissot is quoted as saying that he believes that there is a ring that supplies women for disorderly houses in Rouyn and other towns in the district and that the arrests will have the effect of breaking up this ring and making such operations impractical. Some of the men accused are out on bail. They will appear for trial at the next magistrate's court at Rouyn on Nov. 18th.

Cochrane Winner of Dramatic Contest

Iroquois Falls and Timmins Other Contenders in Annual A.Y.P.A. Contest.

Iroquois Falls, Nov. 8.—(Special to The Advance)—The seventh annual dramatic contest was held in the town hall on Friday night, November 5th, under the auspices of the Anglican Young People's Association, Cochrane District Local Council.

The preparations for this contest must have taken hours of toil to put on such a successful showing, and the characters demonstrated their talent to a point where it may be classed as professional acting.

Three interesting, and humorous plays were acclaimed by a large attendance as being excellent.

The first play put on, a one-act comedy, "Who's Crazy Now?" was presented by St. Mark's A.Y.P.A. of Iroquois Falls, and directed by Mr. D. St. James. The cast of this play was made up as follows:

Professor Twitters Richard Angelo
Snowdrop Olive Cameron
Abigail Striffens Phillis Smith
Smooth Jim Brewer
Policeman — Expressman, Roderick Hyde.

This play was one of many laughs, and Jim Brewer in mentioning various local points, along with notorious personalities, drew hilarious laughter from the crowd.

The second play put on, a one-act comedy, "His Wife's First Husband," was presented by Holy Trinity A.Y.P.A. of Cochrane, and was directed by Mr. Hal Carter. The cast for this play was made up of the following:

Percival Pennington, the husband—H. Smiley.
Violet Pennington, his wife—Miss M. Peel.

Mrs. Pettigrew, his mother-in-law—Miss K. Ivy.

John Harmon, Violet's first husband—Mr. Nash.

This play was very successful; the time being the present in which many complications arose, the outcome of each entanglement being very humorous.

The third play put on, also a one-act comedy, presented by St. Matthew's A.Y.P.A. of Timmins, and directed by Mrs. Ethel Fisher was titled "Me and Betty". The characters that made up this cast are:

Betty Atkins, the resourceful wife—Verna Lacy.
Mrs. White, a neighbour—Rosamond McCulloch.
Mrs. Sawyer, another neighbour—Ann Jopson.

Miss Perkins, the country dressmaker—Madge Webb.
Mrs. Larkin, the new neighbour—Geraldine Turcotte.

Sam Atkins, the "sensible" husband—Jack Birkett.
Frank Arnold, the "burglar"—Walter Cowan.

This act was very well demonstrated and one of humour. It represented the many complications of married life and gossip, ending with a humorous outcome.

As the contest was very well put on by each association, the judges, Mrs. J. Blackburn and Mr. T. H. Wilson, of Monteith, Miss Kidd, of Ansonville, and Miss Atkinson, of Timmins, experienced difficulty in choosing the best, and only after great deliberation, they chose the play, "His Wife's First Husband," put on by Cochrane A.Y.P.A. as being the winner.

During the time that the judges were making their decision, Deanery President, A. R. Fisher, of Timmins, who opened the contest, presented a silver cup to Miss K. Ivy, of Cochrane, who with the aid of another lady won the oratorical contest held during September, this contest taking in Timmins, South Porcupine, Cochrane and Iroquois Falls.

Archdeacon Woodall made this presentation of the silver shield to the winners of the dramatic contest, thus taking it away from Iroquois Falls who had previously won it.

Mr. A. Dealean and his symphony orchestra delighted the audience with music during intermissions.

After the contest was over, the different associations adjourned to the Parish hall, where the Women's Auxiliary served a delightful lunch, this being enjoyed by all.

Later the Timmins players returned in the bus in which they had come, and Cochrane returning by cars.

Arrangements are being made to repeat these plays in both Cochrane and Timmins, and as a hint to the public who love to laugh, it will be well worth your while to keep the dates open when these plays will be in your town.

No Dominion Election Till 1940, Says Premier King

Recently there have been rumours and reports in regard to the probability of a Dominion election next year, early—or later. These reports will be set at rest by an announcement made last week by Premier King at Ottawa. Or will they? In any event Premier King stated definitely that there will be no Dominion election until 1940, unless unusual and unforeseen circumstances arise.

Pretty Wedding at the United Church

After the ceremony a reception was held in the Hollinger Recreation hall, by Mr. and Mrs. J. E. Towell, sister of the groom, of 6 Tamarack street, in honour of the bride and groom. Mrs. Towell was tastefully attired in a black broadened crepe afternoon dress, with green accessories. The groom's mother, Mrs. Parnell, had chosen for the occasion a street-length dress of dark red broadened satin, trimmed in lace, and she wore a corsage of pink roses. Mrs. Carl Briggs wore an attractive afternoon dress of black satin with a corsage of yellow roses. The music for the dancing was supplied by Gordon Archibald and a few members of his band.

Rebekah President At South Porcupine

Official Visit of Assembly Head. Other South Porcupine and Dome News

South Porcupine, Nov. 6th, 1937. — (Special to The Advance)—The official visit of the president of the Rebekah Assembly—Mrs. Christina Doherty of Welland—took place on Friday in the Rebekah hall with a good number of members attending. Mrs. Doherty is making her official visits to the different lodges in the North and was accompanied by the District Deputy President, Mrs. Pawson, of Cochrane, and Past Assembly President, Mrs. J. Keene, of Timmins.

She gave a most interesting and instructive address on Rebekah work which was listened to attentively by her hearers. A presentation of a piece of silverware was made to the president and a similar gift was received by the District Deputy before the banquet prepared by the lodge ladies was enjoyed.

Mrs. Doherty is the guest of Mrs. Anderson in Timmins.

It will be of general interest to learn that Miss Winifred DePenciler, daughter of the late Mr. H. P. DePenciler, of the Dome Mines, is to be married on December 6th.

Accompanied by her uncle and her sister, Miss Mary DePenciler, she sailed last week for Ceylon where her marriage to Mr. James Peek Philpott, tea planter, of Ceylon, is to take place.

Mrs. James A. Wright and his bride

(Miss Emily Julia Dale) of Haley's Station, near Renfrew, came into town on Thursday to reside in Shaw township.

The A.Y.P.A. issued an invitation to the Young People's Society of the United Church for a joint social evening on Wednesday in the parish hall. Before going over, the Y.P.S. held a debate in their church, "Should dancing and cards be taught in school?" The affirmative side was taken by Mr. Bill Brand and Miss Newsham Haneberry and the negative by Miss Esther Dean and Mr. Crawford Smythe. The negative side won most points. Seventy young people had a delightful evening—games, dancing and a nice lunch, with both ministers present.

President of Rebekahs Guest at Bridge and Tea

Mrs. Christie Doherty, President of the Rebekah Assembly of Ontario, was guest of honour at a bridge and tea held at the home of Mrs. Harry Leng, of Lakeside Drive, Schumacher, on Saturday evening. Many members of the lodge were present at this pleasing event, and they all wished Mrs. Doherty a pleasant trip, when she was to leave on Sunday for Halleybury, to visit the lodges of the Rebekah's in that district.
