

Harry Golds Drowned at Windsor

Noted Violinist to be at Concert Here Nov. 22

Miss Donnellan, Harpist, Unable to Appear on Programme of First Concert at Timmins This Season of the Porcupine Canadian Concert Association. Adolph Koldofsky Violinist, in Her Stead.

Adolph Koldofsky is to be the assisting artist at the opening concert of this season sponsored by the Porcupine Concert Association, instead of Muriel Donnellan, who finds it impossible to be here. A wire to this effect has just been received by the secretary here. It seems that the date conflicts with Sir Ernest MacMillan's first symphony concert in which Miss Donnellan is playing and she is completely booked up for the balance of the season, so her appearance here has to be deferred. The programme as announced recently was to include Miss Jean Chown, contralto, and Miss Donnellan, harpist, but now it will be Miss Jean Chown and Adolph Koldofsky, violinist.

Mr. Koldofsky is a violinist of rare charm and ability, and ordinarily would fill an entire evening's programme himself. His programme, in conjunction with that of Jean Chown, eminent contralto, will make a concert of outstanding interest.

The first concert for this season will be held on Monday evening next, Nov. 22nd, starting at 8:30 p.m. sharp, in the New Empire theatre. Members are asked to please be in their seats no later than 8:20. No one will be admitted during the playing of a number and latecomers will thus, unfortunately, miss the first part of the programme.

Weather Colder Tonight

An unexpected south-east wind has been responsible for the mild spell we have had in the last couple of days, said the weatherman this morning, it began to rain and drizzle at 11 a.m. on Saturday. Ordinarily the warm wind kept it in liquid form. It has rained to the depth of one quarter of an inch since it started.

Weather from to-night will be colder.

The rain, if it continues will turn to snow before reaching the ground.

Maximum and minimum temperatures on Thursday were 37 and 18, respectively. On Friday they were 45 and 19; Saturday 34 and 22 and Sunday 42 and 28. The minimum last night was 32 and at eight o'clock this morning the thermometer read 37 degrees.

Birch Street School to Hold Its First Concert

Birch street public school announce a concert to be held on Dec. 9th and 10th. This is the first December concert to be held by this new public school but it is likely to be the first of a series. Birch street public school is the latest addition to the public school of Timmins and it is rapidly gaining a reputation for doing well whatever it undertakes. This merited reputation is full assurance for expecting the concert on Dec. 9th and 10th to be something specially worth while. Accordingly all interested in the new school (Birch Street school) should make a special note of the dates.

Poppy Day Receipts at Kirkland Lake Over \$1600

There was a record response this year at Kirkland Lake to the annual Poppy Day appeal sponsored by the Canadian Legion. The total receipts from the sale of poppies and wreaths at Kirkland amounted to more than \$1600, which was a record for Kirkland Lake. The total receipts from the sale of poppies alone reached \$723.13, and the 13 cents was not a bit unlucky, because of the dollars that preceded it.

Len Cousins Announces He Will Run for Mayor

Le Cercle Canadien Francais Pledges Laporte Its Support for Mayor and Chooses Laprairie, Chateaufort, Belec, and Brunette as Council Candidates.

Councillor Len Cousins, Chairman of the Police Committee, announced last night to The Porcupine Advance that he will be a candidate for the office of mayor in the coming municipal election. The announcement makes three who have entered the lists. They are Phil H. Laporte, Albert Paquette and Mr. Cousins.

A meeting of the town's second French club, Le Cercle Canadien Francais, was held last night and it was unanimously decided to support Laporte for mayor. The decision of the Cercle Canadien Francais makes two French clubs who have pledged their support to Laporte.

Four men were chosen by the Cercle Francais to compete for the position of councillors. They were David Laprairie, J. E. H. Chateaufort, Alex Belec and Councillor Emile Brunette.

The choice of Councillor Brunette was the only one in common between the two French clubs. The St. John Baptiste Society chose Leon Potvin, Paul Piche and Councillor Brunette.

It is expected that one of the four men chosen at the meeting last night will resign in favour of the other three.

Discusses Matter of New Uniforms

New Committee Appointed by Band to Work with Finance Committee.

A meeting of the Timmins Citizens' band was held Sunday afternoon in the band room for the purpose of forming a committee within the band to co-operate with the financial committee. A committee of five members were chosen, along with Mr. R. Jackson who represents the band on the other body.

The question of new uniforms was discussed and the band as a whole made several suggestions that the committee will take up at their first meeting tonight.

The five members picked on the committee are: Mr. R. Jackson, chairman; Messrs A. Wilford, H. Thomas, S. Parsons, C. Johns and K. Cambridge. Mr. F. J. Hornby was chosen as secretary and publicity man without vote.

The meeting to-night is called after band practice which starts at 7:30 sharp.

RECOVERING FROM JAPANESE BULLET WOUND

The British Ambassador to China, Sir Hugh Knatchbull-Hugessen, on board a launch which was to take him to H.M.S. Falcmith for Hongkong, then by steamer to the Netherlands, East Indies to recuperate from a bullet wound inflicted by a Japanese military flyer several months ago.

Novel Presentation of Foreign Mission Work

Timmins Auxiliary of United Church Women's Missionary Society Learn in Most Interesting Way of Foreign Missionaries from Canadian Churches to the Foreign Field.

The ladies who attended the November meeting of the Timmins Auxiliary of the United Church Women's Missionary Society on Thursday afternoon will not soon forget "Little Johnnie Geddie" of Nova Scotia who in the year 1845 was appointed as the first foreign missionary to represent a colonial church. Scenes from the life of Rev. John and Mrs. Geddie were enacted by members of the Auxiliary under the direction of Mrs. E. J. Weir who is presenting this year's Study Book, "A New Church Faces a New World," by Dr. J. H. Aramp. Those taking part included:—Mesdames Leck, Thomson, Livermore, P. Charbonneau, Conlon and Mustard.

The first scene represented the Synod of the Presbyterian Church in Nova Scotia, the Moderator, presiding. The chairman of the Board of Foreign Missions reports and recommends John Geddie as their first foreign missionary and the New Hebrides as their first foreign field.

The second scene showed the new apprentice telling his mother of his decision, and of the steps which led up to it. His wife and he plan for further preparation and outline the journey and work that he had to do.

Again Mr. and Mrs. Geddie nearly two years later after their voyage of nineteen thousand miles are depicted with friends on the island of Annetum, most southerly of the New Hebrides group.

Appeal Made for Prompt Return of Lost Money

A young lady who reached Timmins on Saturday night had the serious misfortune to lose her purse while hunting up some friends with whom she intended to stay. The purse contained \$27.50 and her baggage check, and the loss is a regular calamity for the young lady. The money represents all her savings since she has been working for herself, her father having died some months ago in Rouyn. The young lady who is only in her teens, came here to secure work. She is being helped at present by friends in town, but if anyone finding the purse will call 1158 they will be doing a real kindness, as well as being honest with the young lady who can not afford to lose the money.

HIGH SCHOOL COMMENCEMENT FRIDAY EVENING, NOVEMBER 26

The annual commencement exercises of the Timmins High and Vocational School will be held this year on Friday evening, Nov. 26th. As usual, there will be many features of very special interest to all interested in the pupils of the town. The guest speaker for this year will be Miss Agnes Macphail, M.P., the first woman to occupy a seat in the Canadian House of Commons. Miss Macphail is a talented speaker and her address should prove of much interest.

First Armistice Day Banquet by Legion

Excellent Menu. Inspiring Addresses and Pleasing Musical Numbers. And Remembrances.

There were about 75 present at the first Armistice Day banquet held by the Timmins branch of the Canadian Legion, B.E.S.L., last Thursday evening in the Legion hall. Mrs. Sheppard had charge of the catering and a very tasty and appetizing menu was provided.

Several of the comrades assisted by waiting at table. After the dinner, "O Canada" was sung and the toast to the King given. Community singing followed.

Mayor J. P. Bartleman addressed the gathering and stated that he thought the Legion was the best bunch of fellows he had met. He enjoyed coming to their events and that was straight from the heart. He wished to leave a thought with the members, and this was: "That the Legion take the lead in educating the younger generation to a better understanding of what the Great War was all about and also in practising loyalty and patriotism."

Dr. McClinton told some very humorous stories and then in serious vein endorsed the mayor's wish. He had addressed the school children of Schumacher that week upon practically the same subject. He thought the Legion was the only body in position to serve this need. Peace and all it stands for should be instilled into every young body.

Austin Neame touched upon comradeship and drew illustration to the events of the day. Two instances of real comradeship had been shown that day. The first was the willingness of those who served to lose time, to join at the cenotaph to pay reverence to those gone before, and the second was the spontaneous tribute paid to Comrade P. Curtis and Mrs. Curtis, at the station. The Legion and Auxiliary members had paraded to the station and shown their comradeship to the couple leaving for Wales on a holiday. Mr. Neame then struck another chord, this being the element of discontent that was creeping into the branch. He scored these members in a straight speech, making it remarks that the officers were elected by the members, who by so doing had put their trust in them. Then there were insinuations cast upon them. He hoped that this kind of talk would cease and that the club be used to its fullest extent by members and ex-servicemen.

W. A. Devine, called for the honouring of those present in Mons on the day the Armistice was signed. In a brief speech he told of the devotion of the liberated Belgian citizens, their loyalty to their flag and country. "They must have worn these flags around their bodies, knowing that one day victory would be on hand." Seven present stood to be honoured by the gathering.

Tommy Parsons acted as chairman for the evening.

Comrade Art Jenkins rendered one of his fine tenor solos, W. A. Devine pianist for the occasion.

Tribute was paid to two recent departed members. All were remembered on Remembrance Day, Nov. 11th.

Little Boy Run Over by Truck

Little Sonny Desaulniers, of Connaught, Victim of Accident on Saturday.

South Porcupine, Ont., Nov. 15.—(Special to The Advance)—The little town of Connaught is feeling badly today, because one of its nicest and brightest little boys, little Sonny Desaulniers, is in St. Mary's hospital, Timmins, in grave condition.

Sonny was run over by a truck on Saturday afternoon on the road between O'Connor's store and the R.C. Church by a truck driver, who did not even know he had hurt the child. At any rate he did not stop. What happened is not definitely known but the boy was seen to try to rise after having been struck and could not do so.

The plucky child was quite conscious when picked up and did not cry even though the wheel of the truck had passed over the lower part of his abdomen.

A doctor (Dr. Anderson) was sent for and as soon as possible Mr. J. Reed with the lad's parents brought him into Timmins.

The mother gave a blood transfusion on Sunday, when his condition was reported as unchanged.

The boy's father is an engineer in charge at Woodling's, Connaught, and Mr. Claude Desaulniers, of Timmins, is an uncle.

It has been ascertained by police that a man named Bergeron of Barber's Bay, was driving the truck which was putting sand and gravel on the road on which the accident occurred. The latest report from St. Mary's hospital on Sonny Desaulniers, young Connaught boy who was injured in a car accident last Saturday, is to the effect that although Sonny has had a fairly restful night he is by no means out of danger as yet.

FIFTY-MILE-AN-HOUR GALE DOES DAMAGE IN QUEBEC

Extensive damage was caused in Quebec City on Sunday by a fifty mile an hour gale which tore through the city uprooting trees and littering the streets with broken branches. The gale was accompanied by snow and sleet. When it was over the streets were littered with debris.

One of the most promising gridiron stars in the Toronto district, William McFarlane, aged 19, broke his neck on Saturday afternoon. McFarlane was playing in a game against East York High School at Etobicoke. He was playing in the backfield.

Timmins Man Drowned as Car Plunges off Wharf

Harry Golds One of Four Who Dies When Automobile Plunges Off Wharf. Found Yesterday in Thirty Feet of Water After Search Since Morning.

Two False Alarm Calls Received

Firemen Catch Young Boy Who Turns in False Alarm. Lecture and Release Him.

Seven calls, two of them false alarms, were received by the fire department since Thursday noon. A small boy who is alleged to have turned in the last false alarm, was caught by firemen who gave him a severe lecture and allowed him to go.

On Thursday at 5:23 p.m. a chimney fire at 11 Wilson ave. was quickly extinguished. Six minutes later another call was received from 21 Laurier ave. where there was a chimney fire.

On Friday at 2:58 a.m. a call was received from 11 Hector Ave. Fire got into the side of the house from an open space between the chimney and the wall and caused damage to the extent of about \$150. Chemicals and water were used to bring the flames under control. The house was damaged only on the outside.

Also on Friday at 7:06 p.m. and 9:26 p.m., calls were received. The first was to Box 42, south of Young street across the tracks where there was a small brush fire. The next call was for a false alarm.

On Saturday at 12:47 p.m. employees of the Marshall-Ecclestone garage saw steam rising from the boiler in the basement and thought it was smoke. They put in a call and firemen quickly discovered the trouble.

On Saturday at 8:55 p.m. the second false alarm was received. A phone call was received from 51 Lakeshore road. The small boy who turned in the call was scolded by firemen and released.

Word was received here yesterday morning that Harry Golds, 40, manager of Feldman Motor Sales, Timmins, was one of four persons drowned in Windsor over the week-end when an automobile went off the end of Windsor wharf into the Detroit river.

Mr. Golds went to Toronto last week with Louis Feldman to attend the motor show and on to Windsor to bring back new automobiles. Mr. Feldman came back and Mr. Golds was to return on Friday night or Saturday morning.

Yesterday morning a fisherman went to the wharf and noticed the tracks of an automobile leading off the end. He notified police and dragging operations were begun in the vicinity. Yesterday afternoon at about 5:30 o'clock the automobile containing the four bodies was found and dragged out of the water. The dead were identified as Miss Marjorie Darragh 23; Mrs. Helen Reameau, 40; Frank Whittaker, 43, all of Windsor, and Mr. Golds.

When the car which was found thirty feet away from the edge of the dock in thirty feet of water, went off the end is unknown. It may have been Friday night, Saturday or Saturday night.

Investigating policemen reported that tire impressions were found in the oak planking of the dock. The Windsor Fire Department's life-boat grappling hooks were attached to the automobile and it was dragged to the surface where two cranes lifted it out of the water. Policemen said that there was no way to explain how the car was driven on the dock. There were many danger signs at the approach they said.

Harry Golds was well known and well liked in Timmins. He has been associated with Feldman Motor Sales for more than fifteen years, and during that time, made a host of friends and acquaintances.

Mr. Golds leaves Timmins tonight for Windsor. Police reported that Whittaker was a representative of the Canadian branch of Gar Wood Industries Incorporated.

Timmins Jeweller Faces Two Receiving Charges

Allegedly Bought Jewellery Stolen by Youth. Mrs. Annie Lautyk Finds Youth in Her House and Holds Him There While Husband Telephones Police.

Friends of China Held Mass Meeting Yesterday

A boycott of Japanese goods in this country was advocated yesterday afternoon by ten speakers at a Friends of China mass meeting held in the Empire theatre. The meeting was well attended.

Speakers pointed out that Japan was the aggressor nation in the Sino-Japanese conflict and advocated action to prevent the war by the rest of the world.

Speakers were, the chairman, Patrick Monk; Mayor Bartleman, Councillor Wren, Loy Shack, W. B. Teeple, J. B. Tester, David Lee and Mrs. Lee, W. B. Armstrong, Mrs. B. Fong, John Ferris, of Cochrane asked that a Friends of China society be formed in Timmins.

Officers Change

LT.-COL. GEORGES LE BEL, V.D.

When Brig. R. O. Alexander D.S.O. the district officer commanding, carried out his annual inspection of Les Fusiliers, Mont Royal, last week at the Pine avenue armory, it was the last parade for Lt.-Col. Georges Le Bel, V.D., shown above, who handed over command of the regiment to Major Paul Grenier, V.D.

Jules Schwartz, Timmins jeweller, faces two charges of receiving stolen goods in police court tomorrow afternoon. Linked with the receiving charges are three of house breaking against a youth who was apprehended on Thursday night through the courage of Mrs. Annie Lautyk, who finding the young man in the act of breaking her home, held him until the arrival of police.

It is alleged by police that the young man, who faces three charges of house-breaking, stole jewellery in various Timmins residences and sold it to Schwartz.

Householders whose homes have been broken recently and who have lost jewellery are asked to call at the police station, where they may be able to identify some of the articles that allegedly were sold to Schwartz.

Police are loud in their praise of Mrs. Lautyk, who, with her husband, was returning home on Thursday evening at about eight o'clock. She and Mr. Lautyk saw the beam of an electric torch playing around inside the darkened house and immediately assumed that someone was breaking in.

They entered and surprised the young man in the act. Mrs. Lautyk closed and locked the door. She remained in the house and watched the intruder while her husband went to the nearest telephone and called the police station.

When the call was received there were no officers aside from the sergeant on the desk, in the station. However, the sergeant immediately turned on the recently installed call light system. Inside of two minutes officers patrolling in a scout car saw the lights and telephoned to the station. They were sent to the Lautyk home at 175 Pine street north where they arrested the young man.

A thorough investigation into the recent activities of the alleged thief led to the laying of two more charges of breaking and entering. Further investigation led to the laying of two charges of receiving against the jeweller to whom the young man was alleged to have sold the loot.

Some forty-seven friends of Mr. and Mrs. D. Keeley motored up from Kirkland Lake on Saturday night to hold a house-warming party at the new home of Mr. and Mrs. Keeley at the Buffalo-Ankerite. A delightful time was spent by all, the guests returning home to Kirkland Lake on Sunday.
