

# Lady Curlers at South Porcupine Making Good

### South End Ladies Keen on Curling. With Men Retaining Their Love of the Royal Ice Game, Curling Has Big Place in Life at South Porcupine. Other South Porcupine and Dome News

South Porcupine, Ont., Jan. 15, 1938.—(Special to The Advance)—The curling rink holds the centre of interest for the news this week. Each afternoon the ladies are keener, getting more adept at the noble art of hurling a stone, and are really coming along quite nicely. On Thursday four teams were playing, and each tied for place. The teams under Skips Mrs. R. P. Smith and Mrs. Moore tallied 5-5 and those under Mrs. Longworth and Mrs. Rayner tied 3-3.

There is room for a few more ladies in the club, and it is hoped to make a great success of this venture. A schedule has been drawn up till the end of January as follows:—

To be played on Monday, Wednesday and Friday afternoons. On Tuesdays and Thursdays the ladies will receive instruction and will practise.

On Monday Mrs. Smith plays Mrs. Moore and Mrs. Rayner plays Mrs. Moore.

On Wednesday Mrs. Rayner vs. Mrs. Rayner, and Mrs. Smith vs. Mrs. Moore. On Friday Mrs. Rayner vs. Mrs. Moore, Mrs. Smith vs. Mrs. Rayner.

The personnel of the teams is as follows:—

Skip, Mrs. R. P. Smith; vice-skip, Mrs. J. Cooke; second, Mrs. Longworth; lead, Mrs. Cameron.

Skip, Mrs. Rayner; vice-skip, Mrs. Hovey; second, Mrs. McLellan; lead, Mrs. Fairhurst.

Skip, Mrs. Moore; vice-skip, Mrs. J. Davis; second, Mrs. Thomas Wilson; lead, Mrs. M. Smith.

Skip, Mrs. Moore; ice, Mrs. H. M. Turner; second, Mrs. White; lead, Mrs. Lewis.

The Gallagher Cup now stands to date:

Sauder has won 1; Laforest has won 2; F. C. Evans has won 4; Sky has won 1; Cantor has won 2; Lamothe has won 3; Cooper has won 2. Group 2: Stevenson has won 2; Dr. Smith has won 3; Dr. Somerville has won 4; S. Fulton has won 6; Henderson has won 2; Fairhurst has won 2; Miller has won 2.

So it would appear likely that Evans and Somerville will play off the finals with four-fifths of the playing already completed.

And last night (Friday) the spotlight shifted to the Dome Mincis rink when 16 rinks competed in a bonspiel. Four rinks from South Porcupine attended under Skips Laforest, Sky, Sauder and Somerville; and South Porcupine brought home the bacon. L. Sauder's team winning in the finals from J. White's Dome team. The prizes given were silver dishes, those of the winning team being of slightly more value than those of the runners-up. All enjoyed a thoroughly good evening and a splendid lunch was provided under the management of Mr. Longworth, who is head of the Dome committee.

The first twin babies to be born in the camp this year are South Porcupine products. On Jan. 8th in Tisdale hospital twin boys were born to Mr. and Mrs. Dalfred Lahti. In our last issue this was given as 'a son' in the birth announcement. Our error having been pointed out to us, we are glad to remedy the mistake, and announce that not only are they twins but bonny babies weighing 7 and 6 lbs. respectively.

Miss Lillian Huot returned from Toronto on Monday last.

The Rebekah Lodge is holding a bridge party in their hall on Friday next, Jan. 21st, and would be glad to see a good attendance.

Golden City held another nice community affair in which arrangements were made for both young and older people to enjoy themselves, on Thursday evening last in the township hall. The "Good Times" Club (which has an inviting title) were responsible, and as usual in Golden City all the community turned out en masse and filled the hall. Euchre was played first and Mrs. Fareo was the lucky winner of first prize, and Mr. Rozon champion for the men. Dancing was then in order, the prizewinner for the spotlight dance being Miss Mary King. A very nice lunch was served during the evening.

Mr. McDonald, air pilot with the Algonia Air Port, left on Wednesday for Montreal where he has accepted a position with the Canadian Airways Co and will not be returning. Mrs. McDonald, who has been active in community work here, having assisted in home nursing lectures to our Girl Guides and Rangers, and who is secretary for the Hospital Auxiliary, will not be leaving until the end of the month, when we shall be sorry to lose her.

Mr. H. C. Smith, pilot of the Wicks plane, left on Friday for Fraserdale to bring out a sick girl, Marion Northey, to Cochrane hospital, suffering from ruptured appendix. He took Dr. Empey, of Cochrane, in this morning to the Hiawatha Mine at Oba. The girl is progressing favourably after operation.

Two fire calls this week—both chim-

ney fires. On Wednesday afternoon at 5 p.m. an alarm for a blaze at 18 Strachan avenue was responded to in quick order and soon put out. On Thursday at 6 p.m. flames coming from the chimney of a small house on Main street caused an alarm to be given with the same result.

The event that you simply must not forget about this week is the High School concert on Thursday (20th). Tickets are selling like hot cakes, and ticket-holders will have first choice of seats. At 7 p.m. the doors will be open to those with tickets and at 10 minutes to 8 all the public will be admitted at the door. So you see, it will pay you to buy your ticket now. The programme is going to be good. Every effort is being made to polish up those three plays, till you will imagine that you are at Hart House, and please bring large handkerchiefs, because one play is going to make you weep! And, of course if it doesn't, the others may make you laugh till you cry.

And one special feature, forgotten in the last write-up in this column, will be the singing of the Glee Club, which, under Mr. Roy's efforts, is doing nice work. One number specially arranged for student voices has been prepared by Mr. Roy himself. The boys' athletics—tumbling and horse work—is to be something extra special too.

Mrs. Harold Montrose and Mrs. Roy Andrews were visitors on Thursday at the home of Mrs. Harvey Moore, in Timmins.

Miss Annette Pieher, of Ansonville, is visiting her sister, Mrs. A. Bedard, at 126 Bruce avenue this week.

## Head Technical Dept.

A. E. Dymont, who has been appointed head of the Technical Department of the Explosives Division of Canadian Industries Limited following the retirement of E. Godfrey, L. H. Bergman, formerly with the sales department in Edmonton and Beloeil, P.Q., succeeds Mr. Dymont as Northern Technical Representative at Halleybury, Ontario.

## Hungary's Condition Said Unbearable

(Continued from Page One) the nations of the world could not be as friendly as the two whose flags drape the wall at the back of the hall, the Union Jack and the Stars and Stripes," said Mr. Gladstone.

"While we here are happy, there are millions in sorrow owing to wars in China and Spain. We pick up the papers, read the horrors and then forget without even stopping to think.

"The trouble in Europe to-day, to my way of thinking, started with the signing of the Versailles Treaty, when the countries of the nations on the German side were sliced up and divided among the victors. Speaking of my own country, I have visited it several times but could not live there owing to the unbearable conditions," he declared.

Taking a postcard from his pocket, Mr. Gladstone illustrated how his country had been cut up until to-day it is but thirty per cent. of its original size. A gadget on the side of the card showed clearly the parts of Hungary that had been allotted to different countries, with Roumania getting the biggest slice. He claimed that it was impossible for the people of one country to live and work in harmony under a different rule to that to which they had been born, making peace a thing out of the question.

He spoke of a cabinet minister in the Roumanian government whose anti-Semitic views had received prominence in the papers of late. Mr. Gladstone was unable to understand his viewpoint as the man himself is a Jew, born in the same town as himself. The cabinet minister in question is a lawyer and a poet and soon found favour in Roumania, gradually rising to a position of prominence by reason of his literary works and finally entering the government.

He claimed that the Fascist movement is growing fast in Hungary and that Germany and Italy are working by their oppression of the smaller countries to gain their allegiance and form a ring around Soviet Russia. By this way he charged they hoped to either make Russia a Fascist state or force them into a war, which he claimed would be worse than the last.

In tendering his appreciation for the reception accorded him by his listeners, he expressed his thanks that he is living under the Union Jack.

**Treasure Leaving:**

The members of the Club received with genuine regret the announcement that "Whit" Whitney, manager of the Woolworth store here and a charter member, has been transferred to St. John, New Brunswick, in a similar capacity. Dr. Joe Kelly, in referring to Mr. Whitney, reminded his hearers that the club is losing one of its hardest-working members. He had served in many capacities on the executive and latterly as treasurer. Special mention was made of his work during the old home week celebration last year. As a token of their esteem the club members presented him with a handsome cut glass decanter.

**Musical Selections**

Dr. Peter Wenger, who told the gathering that in honour of the speaker he had chosen a Hungarian selection, presented an enjoyable violin solo with artistic mastery and was heartily encored. Mrs. Charles Wilkins accompanied at the piano.

Wally West, harmonica virtuoso, received a rousing round of applause for his two selections.

It was announced that the sum of \$25 had been received from the local branch of the Canadian Legion to assist a family here who had been found to be in dire need.

Guests present for the occasion included Mrs. C. Wilkins, Maurice Williams, Dr. P. Wenger, Wally West, Perry Seaborne, Dr. Hiel, Fred Hornby, Mr. Rattray, new manager of Woolworth's, Bob Manson, of Kirkland Lake Kiwanis, and Jack Arnold, of Toronto, new local manager of the Industrial Acceptance Corporation.

## Pleasant Sleigh Ride and Supper Enjoyed by A.Y.P.A.

The A.Y.P.A. held a sleigh ride on Wednesday evening, January 12th. About 25 of the young people gathered at the parish hall at 8 p.m. and from there in sleighs they rode to the Ski Club and back to the parish hall where a steaming hot supper, just the thing for appetites that had been made keen by the outdoors, was waiting for them. The tasty supper had been prepared by Miss Latiffie Habib, assisted by Mrs. Fisher, and was thoroughly enjoyed by the young people.

The meeting for next Wednesday, January 19th, will take the form of a publicity night, by Walter Cowan and all members are urged to attend.

North Bay Nugget:—It should be a Happy New Year until the Ontario Legislature meets in March.

## Charming Wedding at United Church

(Continued from Page One) for the occasion with flowers. Mrs. Scott received the guests, wearing a becoming gown of black chiffon, with black faille hat and veil, and a corsage of orchids and lily-of-the-valley. A dainty buffet lunch was served. Mrs. G. S. Lowe and Mrs. W. Nicolson poured tea. Mrs. James Ralph and Mrs. George Drew assisted with the guests, aided by Mrs. Francis Woodbury and the Misses Ina Boone, Jane Mulvihill, Mary McLaughlin, Mary MacNamara and Miss McGarry.

The bride and groom left on the afternoon train for Toronto and points south, the bride wearing a coral dress with black trimming, and a black Hudson seal coat with black accessories and corsage of Talisman roses.

The groom's gift to the bride was pearls; the bride's gift to the groom, a stick-pin with pearl; the groom's gift to the bridesmaid, costume jewelry; to the best man, a stick-pin; to each of the ushers, a monogrammed tie-pin; to the organist and soloist, each a compact. The bride and groom received a very large assortment of beautiful gifts from their numerous friends, as well as telegrams of best wishes from out-of-town friends.

The bride is a true daughter of the North, being one of the first babies to be born in the Porcupine, and having gone to school here, graduating from Victoria College, Toronto University, to teach at the Timmins High and Vocational School. The groom is manager of the Timmins branch of the Canadian Acceptance Corporation, coming here from Toronto some three years ago. He has made many friends during his residence here.

Mr. and Mrs. Grady will reside at 72 Tamarack street.

Mrs. Wilson entertained also for Mrs. W. Christie, who, at the end of the month is leaving to make her home in Timmins. We shall be sorry to lose Mrs. Christie, who has been a resident at this end of the camp for a number of years. At this party Mrs. Christie won first prize for bridge, and Mrs. Armstrong second.

The visiting guest honoured by Mrs. Wilson was Mrs. Dewar of Truro, Nova Scotia, mother of Mrs. O. Proulx, when on Friday a bridge party was given for her. Mrs. O. Proulx won first prize at this affair and Miss Jean Wilson second. The hostess served a delicious lunch on each occasion.

**Guides and Brownie News**

Guides will please start in earnest next Wednesday, meeting in the Scout hall at 6 p.m.

Brownies had a full meeting on Tuesday afternoon. With Brown Owl they played a new game—King's Messenger—part of their work being to know how to carry and deliver messages. They worked at sewing for their badges and were taught how to carefully and properly fold up their clothes. Four new Brownies were present. Brown Owl wishes all Brownies to meet at 5:45 now at each meeting, and to please be on time.

**Guests Entertained at South Porcupine**

Other News of South Porcupine and the Dome

South Porcupine, Ont., Jan. 15, 1938.—(Special to The Advance)—We regret that Mrs. J. Chisnau was called to Cobalt on Monday upon hearing that her mother, Mrs. Riopelle, was very ill.

News from Mr. and Mrs. Murray Tait, of Schumacher, who are spending some weeks in the South, was received this week by Dr. Fraser. Owing to Mrs. Tait's health a winter in the South was deemed advisable so Mr. Tait is taking the holiday which was due him last summer, now, at Vero Beach, Florida. They write that they had a pleasant trip down but that Florida is in the grip of a cold spell just now. The Rev. Tait is returning by Feb. 1st, but Mrs. Tait and her daughter will be staying on for some time.

A representative group of the Young People's church organizations in the camp was held on Wednesday evening in the basement of the Schumacher United Church. Two delegates from the A.Y.P.A. of St. Paul's, two from the Y.P.S. of the United Church, and two from each of the Timmins branches were there with their respective ministers. They held a nice meeting with Mr. Elmer Wheeler of Timmins acting as chairman, and Mr. Arthur Higginbottom, of Schumacher, as secretary. The groups intend to combine twice a year—once for religious observance, possibly during Holy Week, and once later in the fall when they plan a vesper service and an outdoor picnic. The Ministerial Association will "sit in" with the committee of young people.

Mr. and Mrs. Ken Myers moved from Front street on Thursday to occupy an apartment on Rae avenue (Mr. H. Kaufman's house).

The talk which was to be given at the United Church Men's Club meeting on Tuesday last by Dean Kester has been postponed until their next meeting.

Mr. Ira Crawford left on Thursday to visit in Ottawa.

Miss B. Maxwell-Smith left on Sunday to return to school in Toronto.

The first hint of spring comes with the following announcement which we are asked to make. The Ladies' Guild of the United Church will be holding a Valentine tea on Feb. 11th, with a sale of sewing and home baking in the United Church from 3 to 7 p.m. And the reason we are asked to publish this so early is to let other organizations, who may be planning Valentine Day activities, know in time, not to conflict with Friday, Feb. 11th.

Mr. Willis Watt, of Helmer's Dairy, was called on Thursday to Shawville on account of the serious illness of his father.

Miss Elizabeth Atkinson, of Campbell's Bay, is in camp visiting at the homes of Mrs. Fynan, Mrs. Brown and Mr. Clement.

Dr. Fraser published the banns of marriage on Sunday between Fred Mickal and Annie Leontowicz, who are to be married by him to-morrow (Sunday). This is, we believe, the first time that banns have been published in our United Church. It is legal and in order, but as a rule the publishing of banns is general only in Catholic and Anglican churches.

Both Archdeacon Woodall and Dr. Fraser have been sick with the prevailing flu epidemic which seems to be claiming fresh victims daily.

The home of Mrs. Wilson, Main street, was the scene of parties last week in honour of a new bride, a departing resident of South Porcupine and a visiting guest. Mrs. Emerson Bowes, the new bride in town, was entertained on Thursday by friends who met at Mrs. Wilson's home to enjoy an evening of cards and pleasure, and to present to the guest of honour a wedding gift in the shape of a silver cream and sugar set and tray. Mrs. Thompson won first prize at bridge

reception, soft music was rendered by Mr. James Ostrom and Mr. Eddie Nathanson, and a tasty collation was served.

The young couple left Timmins on the 5:45 train, the bride looking charming in her travelling costume of wine crepe with matching accessories. They will reside in Kirkland Lake where Mr. Labow is employed on the staff of one of the larger mines.

## Scouts Own Service Yesterday

E. L. Longmore's Address Impressive and Inspiring.

One of the particularly interesting features in connection with the conference here of Northern Ontario Scout Leaders was the "Scouts Own" service on Sunday morning at 10 o'clock in the Hollinger Recreation hall.

The service was attended by forty or more of the delegates to the conference, as well as by some others interested in Boy Scout work.

Scoutmaster George Whiting, of Iroquois Falls, conducted the service, while Field Secretary A. Faddon, of Toronto, presided at the piano and led the singing of the hymns.

The service was usually impressive and inspiring throughout. The outstanding feature was the address of Mr. E. L. Longmore, General Surface and Mill Superintendent of the Hollinger, who was the guest speaker for the occasion. Mr. Longmore took as the theme of his address the idea that a religious background was necessary to the development of the strongest type of character. He referred to some cases of men who made no professions whatever of religion and yet whose character might be above reproach. Instead of disproving the truth of his idea, such cases actually supported the belief, for it would be found that in practically every case these men had had the blessing of religious training and influence in their young and impressionable years and this religious background was giving strength to their characters and to their lives even after they had apparently ceased to take an interest in religion. Touching on the history of men who had contributed to the welfare of the world in many lines and men whose characters had been of example, service and benefit to their fellows, Mr. Longmore showed that religion had been the real and vital force behind all the good. Without the impetus, the inspiration and the strength that true religion gave, character would lack the force and the vitality that would make it of the greatest value in the world.

## New Officers of Horticultural Society

(Continued from Page One)

Honorary Members—Mayor J. P. Bartleman, John Knox, R. J. Ennis, R. P. Kinkel, Dr. Lee Honey, R. Elston, A. H. Wohlrab, W. Eccleston, Mrs. W. H. Pritchard, Mrs. John Knox.

President—Geo. Hogg.

First Vice-President—Mrs. R. P. Kinkel.

Second Vice-President—W. F. Lawry.

Secretary-Treasurer—Mrs. H. M. Downing.

Directors—W. Spencer, A. E. Rigg, J. Knell, A. Proulx, Mrs. A. James, Mr. Christie, Mrs. Christie, Mrs. Stirrat, Mrs. Carl Briggs, Mr. Campbell.

Auditors—A. R. Harkness, R. Elston.

Excellent work has been done by the Timmins Horticultural Society in past years, and the promise for 1938 is even better. The new president has been secretary-treasurer of the Society for a number of years and gave unstinted time and effort in the interests of the Society and for the advancement of horticulture. All the other officers and members of the executive are also enthusiasts for horticulture and have been active workers in previous years. The Society has a number of special plans under way for 1938, and with the full support of the public the present year should be a notable one for horticulture in Timmins.

## Home Wedding in Timmins Yesterday

(Continued from Page One)

Mr. and Mrs. Percy Waxer, of Kirkland Lake, Ont.

At 11:30 a.m. the strains of the Wedding March, rendered by Miss Doris May Cooke, called the assembled guests to silence and while the groom attended by Mr. Harold S. Gerson awaited at the canopy, the bride appeared upon the arm of her father. She wore a lovely white chiffon velvet princess dress, a coronet of white velvet and full length veil and carried a bouquet of calla lilies and lilies-of-the-valley.

Attending her were her sister, Evelyn Goldie Halperin, as maid of honour, and her younger sister Judith Miriam Halperin, as junior bride's maid. The maid of honour wore a midnight blue velvet floor length dress, a Juliet cap, and carried a nosegay of talisman roses while the junior bride's maid wore a floor length dress of peach taffeta and a corsage of violets.

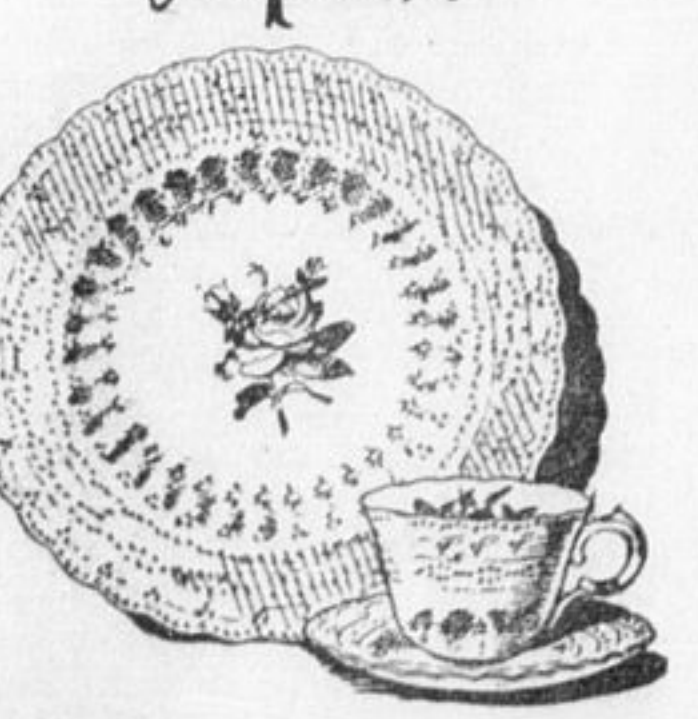

The ceremony proceeded in the Orthodox Jewish form with Rabbi Wolf Linder and Rabbi David Monson officiating. Following the ceremony, during the signing of the record, Mrs. Harry W. Darling sang De Koven's "Oh, Promise Me," accompanied by Miss Cooke.

The bride's mother looked lovely in a beige lace floor length dress with matching hat and a corsage of pink American Beauty roses, while the charming mother of the groom wore a black French brocaded silk floor length dress with a corsage of red American Beauty roses.

Following the ceremony the wedding breakfast was served to about fifty guests, the relatives and close friends of the young people. Later in the day, from three until six, some two hundred and fifty friends were received at the main dining room of the Empire Hotel. The tables were decorated with spring flowers, the centre table upon which was the wedding cake being trimmed with smilax and candles. During the

### BILLINGSLEY ROSE

The lacy daintiness of the jewel shape has a special appeal to the bride.

Arabesque in style—the rose painted in center, gives it an English feeling. Combined with the rich, creamy color of the ware, the whole is a pattern of rare beauty.
