

Christmas Seals Fund Now Totals Over \$1800

Still More Required to Reach Objective. Amount Less than Last Year. Intention to Close Fund at Early Date. Any Who have Not Made Donations Should do so Now.

The Christmas Seal Fund Committee this week announce that total donations to the fund to date are \$1807.00. This is below the objective aimed at and also below the total of last year. The intention, however, is to close the fund at an early date, so any who wish to help this worthy cause should send in their donations at once.

The Christmas Seals Fund has been in charge of the Porcupine Christmas Seals Committee, sponsored by the Timmins Lions Club, and assisted by the Canadian Tuberculosis Association. The purpose is to raise the needed funds to carry on the fight against tuberculosis in this district. The funds raised go exclusively to tuberculosis prevention work, with special attention to the children, on the principle that if the youngsters can be guarded against tuberculosis, the disease can eventually be conquered. Tuberculosis tests, X-ray examinations, clinics and other approved methods are used, and these have brought very gratifying results. Packages of seals were sent to a selected list of addresses with the request that the seals be returned or a donation of \$1 or more be made for

the work. Some have not responded yet to the suggestion but they have a few days yet before the lists are finally closed.

The committee in charge in the Porcupine district includes:—F. H. V. Ball, president; Dr. N. H. Russell, treasurer; Mrs. W. Wren, secretary; Mrs. C. Abrams; Mrs. S. C. Platus; Miss E. W. Cathers; Mrs. F. Farr, nurse, Timmins; Miss L. Wing, nurse, Schumacher; Miss G. Fowler, nurse, South Porcupine.

In the past two months The Advance has published a number of lists of the names of those responding to the call. The following is the completion of the list up to yesterday, Jan. 19th:—

Gave His Life

Dr. W. G. Raymond Jotcham, son of Mr. and Mrs. G. J. Jotcham, Montreal, whose death from meningitis in a Nigerian leper colony is announced. Dr. Jotcham, McGill graduate decided to devote his life to Nigerian lepers in a Baptist missionary district, and after having been there only six months, died suddenly in what has once more proved "the white man's grave" a name the west coast of Africa has long had. Dr. Jotcham was only 25 when he died.

Three Months for Man Who Used Flashlight in Hotel

Rouyn, Jan. 19.—John Schackl, was sentenced last Saturday morning at the local court by J. O. Tardiff, J.P., to three months at Ville Marie jail on a charge of vagrancy. He was arrested at 5 a.m. on December 26, prowling in the corridor of the Albert's hotel after having effected his entrance by means of the fire escape, and was using a flashlight. When questioned by the police he asserted he was a guest of the hotel but it was found he was not registered.

Information secured by the local police from Ottawa revealed that Schackl had a previous record including two terms of two years each, one for forgery and the other for receiving stolen goods, six months for theft of cheques and eight months for breaking and entering and theft. He is said to have used the name of Joe Skladen and Joe Sklade at other times and to have committed offences in Timmins, Kirkland Lake and Rouyn.

Bridge at Swastika Rebuilt in the Night

New Structure Gives 13-Foot Clearance for Trucks

(Northern News) Working in the early hours of Sunday morning between regular train schedules, a crew of T. & N. O. workmen completed a major change on the railway when they removed the old low-hanging bridge at Swastika, replacing it with one of greater clearance.

The men started their operations after the paper train from the North went south at 10:38 p.m. Ties and tracks on the bridge were drawn up and then the couplings of the two sections were divided to allow the huge crane to move each one separately.

The crane was of the largest type, being brought from the Canadian Bridge Company for the moving of the bridge. When each cross beam of the old bridge was ready for moving the immense clamp, hanging by ten strands of steel wire from the arm of the crane, was adjusted to the middle of the beam.

As each section of the old bridge, which had a clearance of nine feet, two inches, was drawn up from its concrete bed it was taken down the track to await transportation from Swastika.

The job was only started when the old structure was out of the way. The new structure, which weighs in the neighbourhood of 60 tons, had been assembled just to the west of the old one and on the same level to eliminate any excessive lifting. To make the job more difficult both sections, each weighing 29 tons, were joined together.

The moving of the new span was a tax on the power of the crane which, according to workmen, had a maximum lifting power of 45 tons. The steel jaw was clamped onto the middle cross bars of the span and it was carefully and slowly drawn into place.

The present bridge is new from the ground up. Larger and stronger bases of steel and concrete have replaced the old stone supports which have upheld the T. & N. O. trains ever since the line has been operating into Swastika.

With the bridge in place it was only a matter of time until the workmen had the ties and tracks in place and ready for the southbound train No. 4 at 11:43 Sunday morning.

The new bridge, besides replacing one that had served its time, now affords truckers an added clearance of over four feet, making the opening from road to bridge over 13 feet.

Officers Elected for Library at the Falls

Other Items of News from Iroquois Falls.

Iroquois Falls, January 18, 1938.—(Special to The Advance)—At a general meeting of the Iroquois Falls Public Library, held in the library rooms, Monday evening, the election of officers for 1938 took place.

A good attendance was reported, demonstrating the public interest in this essential unit of literary circles.

The officers elected for 1938 were:—

Chairman—Mr. F. E. Wood.

Treasurer—Mr. R. W. Sterns.

Secretary—Mr. Alec Neill.

Members of the Board—Mr. Thos. J. Hogg, Mr. T. H. Wilkes, Mr. J. H. Kavelman, Mrs. Geo. S. Wilson, Mr. E. Palmer, and Mr. G. J. Morrisette.

It was decided at this meeting that, due to the mill running short time, which results in limited earnings of the employees, the library would extend their time limit for membership dues, from January 31st to April 30th, thereby enabling all to carry on their regular exchange of books.

This will be greatly appreciated by those who would otherwise be forced to discontinue their regular reading.

Black Hawks Hold Dance

An enjoyable dance was held in the Iroquois Falls town hall on Monday evening, January 17th, under the auspices of the Ansonville Black Hawk hockey team.

A fair crowd danced to the excellent music of Al Pierini and his Aristocrat Orchestra.

All attending reported having had an excellent time.

Personals

Mr. Earnest Cashmore was called to Sudbury due to the death of his grandmother, which took place on Monday. He will join his parents, Mr. and Mrs. J. H. Cashmore, who had previously gone to Sudbury, having been notified of the ill health of Mrs. Cashmore's mother.

The Iroquois Falls Scout Leaders and Committeemen who attended the Boy Scout Conference in Timmins last week-end, report having had an interesting, educational and enjoyable trip.

Woman Killed Returning from Fire at St. Hyacinthe

Death is certainly taking a heavy toll in St. Hyacinthe, Quebec, this week. There was the disastrous fire at the Sacred Heart College building, entailing a loss of probably half a million dollars and a death toll that it is feared will exceed 50, while many others suffered serious burns and broken bones in effort to escape the fire. Miss H. Grondin went on Tuesday to visit the scene of the fire. Returning from the visit and while only a short distance away from the wreck of the college building, the motor car in which Miss Grondin was riding was struck by a Canadian National Railway train at the grade crossing. The motor car was wrecked and Miss Grondin was killed. Joseph Grondin, the driver of the car escaped serious injury in the collision, but his wife was rather badly hurt.

Cobalt Girl Breaks Leg Through Rut in Roadway

Cobalt, Jan. 20.—(Special to The Advance)—When her foot apparently caught in a rut in the roadway, Miss Dolly Appleby, daughter of Mr. and Mrs. Charles Appleby, sustained a clean fracture of the right leg between the knee and ankle here late Saturday night. The young woman was returning home along Cobalt street when the accident happened. She was taken to her home by Robert Latimore and Eric Smith, later removed to the Municipal hospital to have the fracture reduced and afterwards taken back home again.

Hollinger Gold Kings Defeat South End in Junior "A" Game

Winners Produce Two Goals in Overtime to Win Out 4-2. Referees Hand Out Twenty-Two Penalties, Including Two Majors. Hollinger Overcame South End Lead Twice

Cliff Thompson's Hollinger Gold Kings, won the first game of their N.O. H.A. Junior "A" series with South Porcupine Monday night, scoring two goals in overtime to win 4-2.

It was a rousing battle from the drop of the hat. Sticks and tempers waved and flared and the two referees, Walter Grant, of Timmins, and Jim Fell, of South End, had a busy night. In all a total of twenty-two penalties were handed out, including majors to both Ploplis and Smith for fighting. Both teams were short-handed almost continually and goaltenders on both sides had a busy night.

The first period went scoreless, with the referees handing out four tickets to the penalty box. Almost as the second period started, twenty-three seconds after to be exact, Cunningham scored the first goal of the night for South Porcupine. With the edge on the wrong side of the ledger Hollinger plugged away doggedly and finally Corlick got the equalizer at 12:52.

South End again took the lead in the third period after about six minutes of play but Chapman and Symons combined for a nice goal to again tie the count with six minutes to go. Full time ended without any further scoring.

Hollinger were much the better in the overtime which was equally as rough as the regular game, four penalties being imposed during the ten-minute session. Corlick won the game for Hollinger after two minutes and twelve seconds of play with a smart goal and Ploplis made it sure with about two minutes to go when he scored the last goal of the night which gave the Gold Kings the verdict 4-2.

Summary—First Period
No score.
Penalties: Cabyk, Perry, Symons, Ploplis.

Second Period
South Porcupine, Cunningham 23
Hollinger, Corlick 12:52
Penalties: Richard (2), Fraser (2), Perry, Harris, Dysart, Cabyk.

Third Period
South Porcupine, Dysart 5:45
Hollinger, Chapman (Symons) 13:20
Penalties: Doran, Cabyk, Ploplis (major), Smith (major), Chapman, Auger.

Overtime
Hollinger, Corlick 2:12
Hollinger, Ploplis 7:48
Penalties: Symons, Doran, Turcotte, Corlick.

Nova Scotias Move Higher in League

Leaders Improve Their Position in Bankers Bowling by Shut-out Win.

Halifax Herald: As the Old Year drew to a close, the League of Nations released a startling table of statistics from which the astounding fact emerges, viz., that twelve billion dollars was the world's armament bill for 1937. Incredible, but tragically true. It is more than three times the amount spent on munitions in 1913—the year prior to the catastrophe of 1914.
