### Mrs. Olivier Blais Dies at Age of 80

One of the Pioneer Residents of Cobalt Camp.

Cobalt, March 10.—(Special to The Advance)—Mrs. Olivier Blais, widow of the late Olivier Blais, pioneer Cobalt business man, and herself one of the oldest residents of this camp both in years and length of residence, died on Tuesday morning at the home of her daughter, Mrs. Fred Mondoux, in her 81st year. She had been ill only a few weeks. Her death occurred almost on the first anniversary of her husband's passing, a year ago yesterday at Kirkland Lake.

Born at Stanford, P.Q., on July 26, 1857, Mrs. Blais was formerly Marie Malvina Champagne. With her husband and members of the family, she came to Cobalt in 1905 and since then had made her home in the silver camp. Surviving are four sons, Fred in Sherbrooke, P.O., Oliver of Kirkland Lake, Nova in Toronto and Guillaume of Rouyn, also three daughters, Mrs. Ernest Leduc of Sturgeon Falls, Mrs. Mondoux here and Mrs. Raymond Maurice of Halleybury. There is also a brother, Joseph Champagne, of St. Georges de Windsor, P.Q.

The funeral was held this morning from the home of Mrs. Mondoux to St. Therese's Roman Catholic church. Requiem Mass was celebrated by the parish priest, Rev. Father St. Louis, after which the body was taken to the station, where it was sent to Kirkland Lake for burial to-day beside her late husband.

### Sudbury Bank Accountant Given Fifteen Months

Sudbury, March 9th.—Fifteen months determinate and 10 months indeterminate in the Ontario Reformatory at Guelph, was the sentence imposed on H. E. Marlow, once accountant of the Sudbury branch of the Canadian Bank of Commerce, when he pleaded guilty before Judge Edmund Proulx to-day to three charges involving theft of \$18,000 in money and bank securities. The sentences were the same for all three counts and will run concurrently. "I regret very much, Marlow, that I have to pass sentence on you. It is hard for a judge to sentence any citizen with whom he has been in contact in business and social life," said his honor.

### Timmins Representatives Westinghouse Convention

### Porcupine Hospital Directors Re-elected

(Continued from Page One)  
paid, \$108,665.87, or a few dollars less than we have received and been promised. Of course the outside of the hospital has yet to be finished, and none of us will be satisfied until that is done. But by this time we have become pretty good beggars and your board is confident that the necessary funds can be raised and that this hospital will be started off free of debt.

Your board also approached Mr. Frederick W. Schumacher, of Columbus, Ohio, and asked him for an endowment subscription. Mr. Schumacher, who is well known in the district for his generosity, subscribed \$20,000, some of which is in hand and the balance of which is to be paid this year. This will supply money for necessary maintenance.

Those who paid life memberships of \$100 or more are always entitled to a vote at the annual meeting of the hospital. In order to permit others to vote it has been decided to sell annual membership tickets at \$1 per year and such memberships will entitle the holder to a vote at the annual meeting. The money so raised will help to meet the deficit which seems to stare nearly every hospital in the face.

Your board feels that they have been very fortunate indeed to secure the services of Miss Morgan as Nurse Superintendent.

We feel sure that the community will be as pleased with her as we are. In closing I want to express my personal expression of thanks for the support given me by your board and by the community. Our task has involved a lot of hard work but we feel that we have accomplished something real for the community.

This report was well received and Mr. C. G. Kemsley seconded the motion for acceptance.

Each member of the board spoke.

Mr. P. Kinkel, vice-president, said that the vision which a community had of building a hospital which could be commenced by August 1st and be occupied by patients by the middle of February, was a great one but the members of the board appreciated the fact that their efforts were being appreciated by the community. "Mr. Stovel has given generously of his time and made himself part and parcel of this hospital," said Mr. Kinkel.

Dr. Kinsman spoke of the realization of a long-cherished dream in the actuality of the Porcupine General hospital. Doctors from all over the province have visited the building, including one Scotch doctor, and all agree that it compares favourably with any of the best.

Mr. John Fell said he was pleased with the satisfaction everyone has displayed toward the hospital. The people feel that it belongs to themselves and that they themselves manage it.

Mr. F. C. Evans knew intimately all the details connected with the old hospital, and said it was gratifying to see this building on the Foley-O'Brien hill. He wished to thank Mr. Stovel publicly for the interest shown by him in the new hospital.

Mr. Skinner moved that the present board be re-elected until November, when another meeting will be called. Mr. Honer seconded the motion—which was unanimously carried. Messrs Edwards and Morgan were appointed auditors on a motion by Mr. G. Helmer and Mr. R. Vaughan.

### Infant Has Narrow Escape at Swastika

Mother and Father Suffer Burns in Escaping from Fire.

(From Northern News)  
Fire gutted the house at 7 Hay street, Swastika, late Saturday night with the occupants barely escaping with their lives so quickly did the flames spread. Severe burns were suffered by Mrs. Dan Lalonde, about the back and hips, as she was rescuing her 18-month-old daughter, Caroline, and the child was also burned about the feet. Dan Lalonde, who got their seven-month-old baby to safety, had his head scorched by the flames.

The fire broke out at about 11.30 p.m. and was first noticed by Lalonde when he awoke to see a blaze issuing from their sitting room. He at once awakened his wife and taking up his younger child in his arms rushed for the rear door followed by Mrs. Lalonde carrying the little girl. In her anxiety she stumbled and fell, dropping the child, and by the time she had recovered her footing, the baby's feet both had been caught by the flames. The two were rushed to the home of Mrs. Lalonde's parents in Swastika, Mr. and Mrs. J. W. Armstrong, where they were attended by Dr. Edis.

Mr. and Mrs. H. Daoust, who lived in the front apartment of the house, escaped injury and part of their furniture and clothing were removed. The Lalondes suffered a total loss of their belongings.

The building, which is owned by Alex Perron, burned fiercely for nearly two hours with the Swastika brigade fighting the flames manfully in zero weather. After an hour the conflagration was so persistent and threatened to such an extent the adjacent buildings that a call for assistance was put through to the Kirkland Lake Fire Brigade. Chief Mathieson and his men with the pumper and small truck were soon on the scene to supplement the efforts of the Swastika brigade by pumping water from the river until the flames were entirely subdued.

Mr. Daoust had his furniture insured for \$1000, but it is understood that Mr. Lalonde carried no insurance. His parents-in-law, Mr. and Mrs. Armstrong, are one of the pioneer families of Swas-

tika, and Mrs. Lalonde is the sister of Mrs. Jim Petrin, also of Swastika.

The firemen had to work in intensely cold weather in battling with the fire. One of the results of the severity of the cold was a frozen face suffered by Russ Monroe of the Kirkland Lake brigade while returning on the truck.

### Excellent Violin Recital on Tuesday

E. Nathanson's Pupils Show Notable Talent.

The pupils of E. Nathanson presented a violin recital at the Harmony hall on Tuesday evening, to a fairly large number of their parents and friends. A violin recital of this kind where many of the performers are just beginning to study music, is a pleasure to behold because each artist seems to put all he has into making the best he can of the selection he is playing, and because a year or two later, it will be a delight to mark the change in his abilities. Each violinist of Tuesday night was on the stage to prove to the audience that he had been attentive in his studies, and to tell his mother and father that he appreciated this opportunity that they were giving him.

Most of the selections on the programme Tuesday evening were well-known and popular ones. A great deal of the success of the recital is due to the time and effort spent by E. Nathanson, the teacher, and by Gordon Archibald, as the accompanist.

In two piano solos, Paddy Quinn again added another to his long list of successful performances, the audience being delighted with the selections and the manner in which they were played.

The most popular numbers on the programme, receiving loud applause, were "La Sonnabula," played by Ernest Manero; "Russian Folk Songs," played by Max Mahoruk and Victor Shutiakow; "Russian Dance," played by Victor Shutiakow; "Czardas," played by Miss Laura Wuorimaki; and "Oriental," played by Walter Zadorozny. ### Kirkland Lake Man Awarded Damages

Total of \$1,831 for Man Who Was Assaulted Last October.

Halleybury, March 10.—(Special to The Advance)—An award of \$1,831 and costs was made in Supreme Court sittings here on Tuesday afternoon when a jury which deliberated nearly two hours returned a verdict to Mr. Justice George Urquhart finding in favour of Stanley Sczyzka, 31-year-old employee of the Sylvanite mine at Kirkland Lake, who had sued three Polish compatriots as sequel to an alleged attack on him by them in Kirkland Lake last October. Sczyzka brought action for \$5,000 damages.

Defendants were Stanley Kose, Stanley Goliski and Adolph Suskevitch, who, according to plaintiff, assaulted him so seriously about the head for no reason he could advance that his skull was fractured in two places. Goliski did not take the stand at this court, but Kose and Suskevitch both testified they had no hand in the affair, which occurred on a Kirkland Lake street during the night of October 3 and when Sczyzka, on his own story, was returning to the Polish hall after visiting a friend's house nearby for a pint of beer.

Kose and Suskevitch swore defendants had been accosted by two other men on the street and, after Kose had

been threatened with violence, had all run away. Kose had been arrested the same night by Constable Allan Morton, of Teek police, who said bloodstains on Kose's clothing seemed fresh, but which this defendant said he had received during a previous fracas two weeks before. Plaintiff thought a small hammer had been used on him and then was some evidence of stone throwing.

Sczyzka, represented by W. A. Gordon, K.C., and W. S. Macpherson, said he had been left unconscious, was 17 days in hospital and off work until December 14, besides undergoing an operation. Apportioning the award, the jury found Sczyzka entitled to \$1,000 for pain and suffering, \$200 for his doctor, \$74 for hospital expenses, \$457 for loss of time and \$100 compensation for not being likely in the immediate future to resume his former employment of machine runner, at which he had been making close to eight dollars per day. Latterly, he has been on other jobs, which do not pay so well.

It developed during the hearing that the three defendants had been in magistrate's court charged with assault at the instance of someone not specified, and they had been acquitted on that occasion. Summing up, Mr. Justice Urquhart told the jurors they were not concerned with that phase of the evidence at this hearing. E. E. Pearlman appeared for the defendants.

The only other case for this sittings was a non-jury action brought against Lakeside-Kirkland Gold Mines by Richard D. Cullin, formerly of McIntyre

and Schumacher mines, and who told his counsel, George Mitchell, K.C., he regarded himself as "an efficient mine operator". He is suing the company for \$3,882.50, wages allegedly due him by the company. A second jury case was postponed owing to the illness of plaintiff, Ralph Lacoste, of Matachewan. There were no criminal cases, and Sheriff Harry Clifford presented a new pair of white gloves to Mr. Justice Urquhart, who confessed this was the first time in his life he had been north of North Bay.
