Large Crowd at Hospital Opening

(Continued from Page One) Dr. Russell informed the assemblage that it was hoped to remodel the surgical wing and add a complete fracture room to the X-ray department. With the completion of these plans, Timmins will have the best equipped hospital north of Toronto, he declared. In concluding his remarks he paid glowing tribute to the architect, D. R. Franklin, and Sister Joseph, hospital building expert, who was loaned to St. Mary's by the Mother House. "They are the geni who have produced a palace," Dr. Russell remarked. Referring to the total outlay for the hospital, Dr. Russell told his listeners that the 150 beds have been installed at a cost of \$2250 per bed, which is regarded as an excellent record as to cost. Before calling on the next speaker the chairman extended the sincere thanks of the board of directors for the many contributions made to the hospital by individuals, the town and other organizations and companies. Bishop L. Rheame, who had earlier blessed the building, was loud in his praise for the Sisters of Providence for their untiring efforts to provide the best possible hospital for Timmins people and referred with pride to their fine work in attending to the suffering

and broken. Mayor Bartleman extended his sincere congratulations on behalf of the town and referred briefly to the growth of the hospital since its inception. "Its fine record of the past will only be excelled by its wonderful record in the future," Mr. Bartleman declared. Rev. Father Theriault, who has been closely associated with the hospital since the beginning, as parish priest at St. Anthony's, gave a brief but enthusiastic commendation to the Sisters of Providence for their generosity and sacrifices and drew attention to the fact that it was only through a loan from the Mother House that the new addition was possible. Previously in 1926 the Mother House had extended a loan of \$135,000 to provide for an extension of the building at that time. Rev. Father O'Gorman, recalled to the audience that he had officiated at the opening of the first hospital in Timmins in 1912 in the absence of the Bishop who was visiting the mission stations in the Hudson Bay district at the time. He pointed with pride to the growth of the hospital as the needs of the community increased and asked that the public extend the same generous assistance that they had in the past. He talked at some length on the needs of voluntary hospitals and urged his listeners to realize the fine work that is being done at St. Mary's. R. J. Ennis was introduced by the chairman as a man who has supported the hospital from the start. Mr. Ennis told his listeners that the mines in the camp, who had contributed in a large

way to the hospital in the past, were more than satisfied to leave its administration in the capable hands of the Sisters of Providence. "They have donated \$165,000 toward it and we are proud of them and their institution," he remarked. E. L. Longmore told the gathering that speaking as a protestant he wished to draw the attention of the public in general to the deep debt of gratitude that is due the Sisters of Providence for the fine way in which they have fostered and developed St. Mary's hospital from the time of its inception. He asked the hearty co-operation of the community in giving the assistance to the hospital that it requires. Previous to the speeches the entire crowd was taken through the building and inspected the new departments that have been included in the addition. Many individual remarks were made indicating that St. Mary's Hospital has a host of friends in Timmins who are not slow to recognize its merits. Elsewhere in this issue will be found full description of the new hospital and its equipment. Miss Mona Olaveson, speaking on behalf of the student nurses, came to the platform at the conclusion of the other speeches and voiced the sincere appreciation of her class for the fine new building and the attractive living quarters that had been provided for them. Music for the occasion was supplied by the Timmins Boys' Band under the baton of Bandmaster Fred Wolno. A number of well-rendered selections were heard prior to the opening ceremonies.

Protect Children from SMALLPOX

SMALLPOX IS A DANGEROUS DISEASE OF ALL AGES IT CAN BE WIPED OUT!

Children of pre-school age may receive free vaccination for Smallpox at the clinic, 44 Fifth Avenue, on Monday, Tuesday and Thursday afternoon, between 3.00 and 4.00 o'clock, April 4th, 5th and 7th, 1938.

Vaccination is good for 7 years.

J. A. McINNIS, M.D., M.O.H.

Dr. H. H. Moore Sends His Congratulations from D.C.

Washington, D. C. March 25, 1938 Sister Superior, St. Mary's Hospital Timmins, Ontario. Congratulations on your splendid achievement. Regret very much unable to be present on this occasion. Wish to extend to the Sisters and Nurses in training best wishes for happy enjoyment of their New Home. Dr. H. H. Moore.

Congratulations from the Superior-General of Order

March 25, 1938 Sister Mary Liguori, Superior, St. Mary's Hospital, Timmins, Ontario. Superior-General of the Sisters of Providence and her Council offer sincere congratulations and best wishes on solemn occasion of Blessing and Formal Opening St. Mary's Nurses' Home. Heartily appreciate kind co-operation extended by His Excellency, Reverend Clergy, Officials, Benefactors, Doctors, Contractors and Citizens towards erection of Building. —Mother Praxade

St. Mary's Journal-Argus: The bright student told the professor that the greatest time-saver was love at first sight.

Judge Plouffe at Anniversary Event

First Anniversary of St. John the Baptist Society Here.

A remembrance celebration was held at the Notre Dame des Lourdes parish on Sunday to commemorate the first anniversary of the founding of the Society of St. John the Baptist at the Parish of Notre Dame des Lourdes. About two hundred and twenty-five people were present at the banquet which formally opened the evening's formalities. The president, Mr. L. P. Lafrance, proposed a toast to St. John the Baptist, which was responded to by Fr. Chapleau. Other toasts were as follows: to "The Society of St. John the Baptist of the Parish of Notre Dame des Lourdes" by Mr. Bernard Lalande; to "The Notre Dame des Lourdes Church" by Fr. Theriault; to "St. John the Baptist, of St. Anthony's Parish," by M. F. Gauthier; "The French-Canadian Women," by Mr. W. Clement; to "The French Language," by His Honour J. A. S. Plouffe, judge of the District of Nipissing, who was the guest of honour during the evening. An orchestra under the direction of Mrs. Larcher rendered several pleasing selections, and several hymns and other songs were sung by the choir of the parish.

The gathering was addressed by Mr. Gauthier, Fr. Chapleau and Fr. Theriault, after which Fr. A. Morin introduced the guest speaker, Judge J. A. S. Plouffe. All present were interested in the address given by Mr. Plouffe, and a vote of thanks was given by Mr. M. A. Proulx. The meeting was brought to a close with the singing of "O Canada."

Urges Vaccination Against Smallpox

No Cases Here but M. O. H. Asks Parents to Have Children Immunized from Disease.

While an advertisement appears in this issue asking that children be vaccinated against smallpox, Dr. J. A. McInnis, medical officer of health, stated in an interview with The Advance today that there hasn't been a case here for some time. This condition is regarded as the result of the general acceptance of vaccination here as a safeguard against the disease, and further use of the protection given by vaccination will help keep the town free from the disease.

The purpose of the advertisement is to urge parents to have their children protected from the disease by vaccination. All kiddies over three months of age should be vaccinated, Dr. McInnis recommends.

Children of pre-school age will be vaccinated without charge at the clinic on Fifth Avenue on Monday, Tuesday and Thursday, April 4, 5 and 7, and mothers are asked to co-operate fully with the health department here in its fight against any possibility of smallpox.

Birth of Four Daughters and Two Sons Registered

Born—to Mr. and Mrs. Seraphin Potvin of 59 Rea street south, on March 25th—a daughter. Born—on March 20th, to Mr. and Mrs. Leo Robitaille of 65 Columbus avenue—a daughter. Let The Advance Know How You Want Paper Delivered

There are a few hitherto receiving their paper by mail who have not yet let The Advance know how they wish the paper delivered now that mail delivery is in effect. The price of The Advance now is the same by mail as by carrier boy, the postal rates for newspapers being raised to a cent an issue. The paper will be delivered earlier by carrier boy than by mail delivery. Those who wish to have the paper delivered by carrier boy instead of by mail should send their street address to The Advance at once. Thanks!

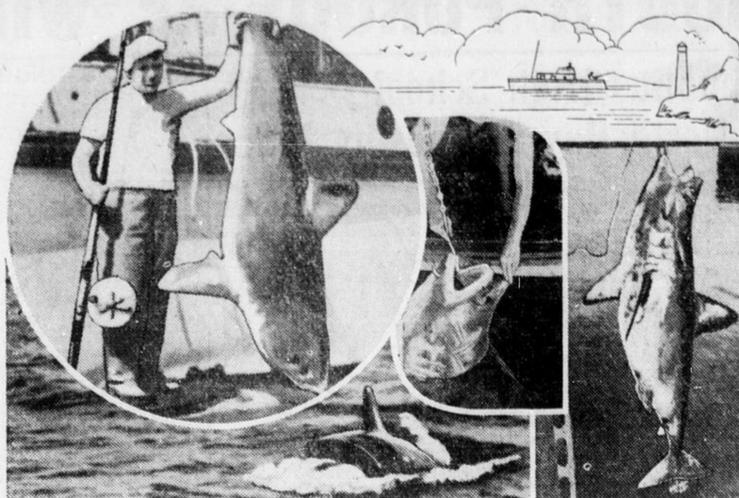

Former Porcupine Mine Manager to be Married

Last Thursday's Globe and Mail published half-tone photographs of Miss Elizabeth McBean and Mr. David C. Leggett, of Toronto, whose engagement is announced. The bride elect is the daughter of Mr. and Mrs. Frederick John McBean, and Mr. Leggett is the son of the late Mr. and Mrs. Thomas Haight Leggett, Plainfield, N.J. Mr. Leggett is well known in the Porcupine camp, having been on the staff of the Hollinger for some time and more recently being manager of the Hugh-Pam Mine in Whitney township.

North Bay Nugget:—King Winter and Jack Frost don't count for much when Jupiter Pluvius takes a hand in weather dispensing.

Montreal Gazette:—On the day that John Henry Scadlund pleaded guilty to kidnapping the late Charles S. Ross, retired Chicago manufacturer, it was announced that 12-year-old Peter Levine, of New Rochelle, N.Y., had been kidnapped for ransom. Ross was murdered after his wife had paid \$50,000 for his return, as demanded, and a conspirator who protested against his ill-treatment was coolly shot dead at the same time. Now it is a child who is the victim. Evidently kidnapping has not been stamped out, as the federal agents not long since declared. The G-men still have to contend with monsters.

Shark Fishing New West Coast Sport

The spunky trout of the Laurentians and the Canadian Rockies, the scrappy bass of Northern Ontario, the huge muskungee at French River have all been put on their mettle by a fighting fish new to Canadian sportsmen—the shark, killer of the deep. Basking sharks have been found in large numbers on the east coast of Vancouver Island. While they seem harmless as far as swimmers are concerned, they are a terror on the end of 500 yards of 50-pound test line. Many fishermen have tried shark fishing with great success.

A Victoria man, McGinty Matter-son, caught the first shark. It weighed 596 pounds. The record so far is a 987-pounder landed by Commander May, of California. Equipment is simple and not too expensive and the sport is thrilling beyond imagination. When the shark first takes the bait, a salmon from six to eight pounds, the fisherman thinks he has hooked the bottom. Then the fun starts. With mad rushes and plunges he churns the water into foam. He has a nasty habit of turning on the boat and snapping at the line or rolling on it and severing it with his file-like skin. You never know what he will do

next. About the time you think your back will break or your arms torn out, you work the fish closer to the boat. It is suicidal to try to land such a large fish and it is customary to give him a coup de grace with a 30-30 rifle. It is a grand sport and a new one for Canadians but interest is so keen, judging by inquiries received by the Canadian Pacific tourist department at Montreal, that many Canadian and American sportsmen are expected to unite forces in a war on sharks from July to September, the time of year they appear in greatest numbers.

Spring Wedding at the United Church

Mr. Raymond Wigley and Miss Margaret Bethune United in Marriage.

A quiet but pretty early spring wedding took place in the United Church on Thursday evening at 8 p.m. when Rev. W. M. Mustard united in marriage Margaret, daughter of Mrs. Robert Bethune, of Scotland, and the late Mr. Bethune, and Mr. Raymond Wigley, son of Mr. and Mrs. William Wigley, of Niagara Falls.

The bride was charmingly attired in a grey spring suit, made on fitted lines, and wore a blouse of rust silk and grey poke bonnet, with matching accessories.

Mrs. Douglas Bethune attended the bride, attractively dressed in a plaid swagger suit, with black sailor hat and accessories in black.

Mr. Douglas Bethune, brother of the bride, acted as best man.

Both bride and groom are popular members of the town's younger set, the bride having recently taken part in the play presented by the United Young People's.

Mr. and Mrs. Wigley will reside at 1 1/2 James avenue.
