Unemployed Bushman Dies By His Own Hand

Fifty-Year-Old Eino Maki, SlashedHis Throat in Basement Room of Sixth Avenue Hotel Tuesday Night. Dies Before Doctor Arrives. Had Been Out of Work for Two Months.

Slashing his throat from ear to ear with a razor as he lay in bed in a room in the basement of an hotel on Sixth avenue Tuesday night, Eino Maki, fifty-year-old unemployed Finnish lumberjack, died in less than twenty minutes, shortly before the arrival of a doctor. After an examination had been made, death was pronounced due to suicide and no formal inquest will Complaints from 2nd Ave.

Maki was seen in the midst of the fatal slashing by three young boys who were standing outside and happened to look in through the window. Rush- The latest form of theft reported in ing into the hotel they notified one of town is that of stealing the brass doorthe staff and a few minutes later the slot plates from the letter boxes recently police were notified. The immediate aim is to figures.

Ask \$25,000,000

It is understood that an appropriation of \$25,000,000 may be asked this year for the following:

(1) Completion of the Trans-Canada hard-surfaced highway from coast to coast, part of it over a route through Northern Quebec and Northern Ontario to Winnipeg.

(2) New mining roads running north from the Trans-Canada Highway to tap rapidly developing mining towns.

(3) Improvement of all national parks including clearing underbrush. parks and hard-surfacing highways to them connecting with the Trans-Canada Highway.

off lands.

(5) Expansion of the prairie farm rehabilitation scheme to embrace about \$4,000,000 a year.

Werk for Able-Bodied
