

McIntyre Win Porcupine District Basketball Title

South Porcupine Defeated In Sudden Death Play-off

McIntyre Grab 21-19 Victory After Hahn Scores Single Point on Foul Shot With Less Than Five Minutes to Go. Dunnigan's Fourth Basket With Minute to Go Clinches Verdict.

McIntyre won the Porcupine District basketball association championship last night when they defeated South Porcupine in a sudden-death final at Schumacher High School gymnasium by the close score of 21-19. While the purple-clad Macs seemed to show a more finished style of play, South Porcupine battled to the last ditch and might just as easily have left the floor with the title under their belts.

Never more than three points separated the two squads at any time and the first half ended with the score 12-11 in favour of McIntyre. The Porkies matched every wile of the cagey McIntyre crew in the first half that produced a fast brand of basketball.

The pace quickened as the second half got under way but neither outfit could produce a consistent scoring attack. Play raced from end to end with both teams scoring on some well engineered assaults but with only five minutes left to play the score was tied at 18-18.

It was a penalty shot on a personal foul by Luita that started the Macs on the victory trail. Hahn took the shot and dropped a perfect shot through the hoop to put the Macs one point up. Art Dunnigan actually won the game when with only a minute to go he snared a smart basket on a McIntyre attack that beat the South Porcupine defence. The Porkies were still to be reckoned with however and Myers scored the last point of the night with only fifteen seconds to go. In the dying seconds of the game the losers came within the proverbial eyelash of tying the score but the final whistle blew with McIntyre two points up.

McIntosh was the star performer for the losers scoring ten of his team's points, while Art Dunnigan for McIntyre accounted for nine and Hahn seven.

The lineups and scoring was as follows:

McIntyre—Hahn, c. (7); Surgeon, f. (1); Anderson, f. (4); Dunnigan, g. (9); Calverley, f. Robertson, g. Duxfield, g.

South Porcupine—Jakes, g. (1); Jackson, g. Mcintosh, c. (10); Fera, f. (4); Luita, f. (2); Myers, f. (5).

Programme for Music and Literary Club on Monday

There will be a meeting of the Porcupine Women's Music and Literary Club on Monday, April 11th, at the Harmony hall, Fourth avenue. The speaker for the day will be Mr. E. J. Trancum, supervising principal of the Timmins public schools, whose address will include an outline of the new course of study in the schools of the province. A musical interlude by Mrs. Paul Piche, pianist, will be another special feature of the occasion. Another interesting item on the afternoon's programme will be the chorus of pupils from Birch Street public school, under the direction of Miss Teskey.

High-Grade Samples From Week's Run of the Press

St. Thomas Times-Journal:—Discussion of the Canadian defence estimates so far as it has gone, has been less critical than in recent years. This is not due to the \$2,000,000 reduction from the previous year, but to the fact that members who formerly opposed military expenditure as a matter of habit have come to realize, in the light of recent developments, that Canada must make something more than a pretence of taking care of her own defence.

Final Game of Schumacher High School Basketball

Schumacher, April 8.—(Special to The Advance)—The final game of the Schumacher High School interform basketball league was played on Monday evening in the High School gymnasium. The Fifth form defeated the Third form who were the runners-up, by a score of 6 to 4.

By this victory the Fifth form wins the shield which is competed for each year.

Vimy Banquet Here Saturday Evening

Special Menu, Special Programme, Specially Good Time for All Attending.

Another big night is planned by the Canadian Legion in Timmins to celebrate the Battle of Vimy. The event which has become a yearly feature of the camp will be observed by a banquet and concert in the Legion hall on Saturday evening, April 8th, 1938. It is the twenty-first anniversary of the great Canadian Corps victory, when Vimy Ridge was captured from the Germans. The beautiful Canadian memorial erected on the ridge and unveiled two years ago records the names of the many that fell in battle during the days preceding the big attack and after. It is said to be the most beautiful in all France and remains a lasting tribute to the heroism of the Canadian troops.

At the banquet on Saturday, the Ladies' Auxiliary will cater to the gathering and a special menu has been prepared. There will be two sittings the first at seven o'clock with the second following before the programme gets under way. A short toast list has been planned and some of the branch members will speak to these toasts.

The concert will include some of the best local male talent and a pleasant evening should be the result. Only a few reservations are left and it would be a good plan to phone the steward tonight for yours, if not already reserved. The banquet and all arrangements are under the direction of the Legion entertainment committee, Alf Bellamy, secretary, acting for Geo. Nippers, chairman, who has been sick.

Business Girls' Club Presents Play Here

Tuesday Evening's Attraction was, "Ask Me Another."

The Porcupine Business Girls' Club held their regular meeting in the dancing studio at the Harmony hall on Tuesday evening. Nearly every member of the club was present at the meeting, the feature attraction of which was a play entitled "Ask Me Another."

Miss Eve Marshall the president of the club, opened the meeting. The usual business matters were discussed, and it was decided that a bridge and five hundred party, similar to that held by the club last year, would be held during the early part of May. Everyone is welcomed to these card parties, which have proved very popular in the past.

The cast of the comedy one-act play, which proved very interesting and entertaining to the members, was as follows:—Ma—Miss Annette Perreault; Pa—Miss Janet Lucas; Marie—Miss Annie Senchison; Moon—Miss Myrtle Burns; Percival—Miss Gwen Luxton.

The success of this play was so definite that the members are looking forward to staging other performances of the kind.

After the presentation, a delicious lunch was served.

The next meeting of the Porcupine Business Girls' Club will be held on Tuesday, April 12th, and at this meeting Gertrude Strickland and Stephanie Ostrowski will give addresses on their work, to acquaint the members with work other than their own.

Powder Snow In The Rockies

Nothing in Europe, according to the most enthusiastic visitors, can compare with the Canadian Rockies for ski-ing. Record crowds of visiting winter sportsmen this season have found superlative snow conditions in the Banff and Lake Louise districts of the great mountain ranges in Western Canada. Owing to the altitude of this mile-high playground, the ski-ing will remain good until early summer.

The Canadian Rockies are experiencing a great increase in popularity. Special trains have been brought large crowds of skiers regularly from Western Canada and United States to enjoy the fine powder snow surface on the long, sweeping slopes of Mount Norquay and Sunshine Lodge, and many parties have penetrated to the unsurpassed Skoki Valley and Mount Assiniboine districts. Other large parties have come

from Toronto, Boston, New York and distant eastern centres.

Among their numbers have been celebrated skiers acquainted with the most famous ski-grounds of the world, all of whom have been impressed by the scenic grandeur, sense of exploration, and the perfect snow conditions.

The pictures above include two scenes from Mount Assiniboine and Skoki Valley and action shots of expert skiers enjoying the deep powder snow.

Temiskaming Mud Causes Adjournment of Court

In its report of police court at Halliburton on Monday, The Northern News says:—

"Thick, slimy, Temiskaming mud caused the adjournment of still another case, or rather four of them, for there were four charged, all with a presumed assault that occurred at Matachewan. The defendants, who had taken one method of transportation from the mining camp, were all on hand, but the plaintiff and his witnesses, who had tried another way of reaching Haliburton, had become mired somewhere between Elk Lake and the court house. Word had first been received that they were on their way, and the case was held over for a time, but again a message from the driver of the taxi that they had hired came through that he was unable to get through, and so the charges had to be put over for another week, much to the discomfort of the defendants, who were thus forced to make another trip from their homes, one of them, of the fair sex, giving way to a woman's last refuge, tears."

Ford Shows Two V-8 Cars, New Trucks

FRONT END views of the three units of the Ford V-8 line for 1938 are pictured above. At top, left, is the standard V-8 car, designed for owners to whom economy is paramount. Below, the de luxe Ford V-8, stylish sister of the standard car. The standard Ford, in three body types is powered by the famous Ford V-8 engine. The de luxe car, in eight body types, is richly styled with new outward beauty and interior luxury. Sweeping lines and longer hoods give the 1938 Ford V-8 cars a new and distinctive appearance. Both the de luxe and standard cars have the same Ford V-8 chassis. The new Ford V-8 truck front is shown, (top right). New treatment of the radiator grille on both de luxe and standard trucks, gives a more massive, impressive appearance which is heightened by the long louvres which extend horizontally along the hood. Trucks are in three wheelbase lengths, the 157-inch, the 134-inch which replaces the 131½-inch of previous years and the 112-inch wheelbase for commercial cars.

Gambles are the Commercial Bowling League Champions

Big Crowds Out on Monday and Tuesday Evenings to See Final Games for League Championship. The Advance Made a Good Start but Lost Out by a Good Margin at Close of Games.

There were plenty of bowling fans on hand to witness the play-offs for the league championship of the Commercial Bowling League on Monday and Tuesday of this week. There were so many fans that the players had to stand themselves.

It was a touch and go series until the fifth game, when Gambles clicked in every department, and ran up a good lead to go into the sixth and final game and won out by a comfortable margin.

The Advance took the first game by 72 pins and the second put on 6 more pins. Gambles came back in the third to cut down to 46 pins.

On Tuesday the fruitters took every game, the first by 40 pins, the second by 79 and the third by 185 pins, to win by a total of 258 pins.

It was the rookie, Geo. Ashford, who put the Fruitters in the lead for he held the score down the first night and did himself honour the second.

Ansara and Wallingford for the printers had their worse night of the season, Tuesday—they could not click.

With the league series out of the way for the silverware next week.

At the regular supper meeting of the Men's Forum of the United Church held last night in the basement of the church, the speaker for the evening was Mr. M. B. Scott, whose address on Italy and its people was both timely and informative. Mr. Scott gave a most interesting historical sketch of the Italian people and an account of conditions in Italy as he found them some years ago when he was employed there.

His description of the characteristics, customs and habits of the people of Italy were illustrated in apt and telling way by numerous anecdotes and reminiscences. In concluding his address which was very greatly appreciated throughout, Mr. Scott gave a brief but illuminating review of the origin and ancestry of the past war peoples of Northern Italy. He ventured the opinion that these people of foreign origin in Italy might some day be the cause of a severe setback in the present plans of the Italian nation in its climb to power.

At the meeting last night, immediately following supper, the programme opened with an accordion selection by Stanley Precious, the selection being heartily enjoyed. The gathering was then delightfully entertained by two tenor solos by Mr. Trener. Appreciation of these numbers was shown by the long and hearty applause given them. At the close of the meeting the audience was delighted with another accordion number by Mr. Precious, Mr. E. B. Weir, president of the Men's Forum, officiated as chairman for the evening.

Impose Heavy Fine on Man at Cochrane

Mystery About Shipment of Furs from Cochrane.

Cochrane, April 6.—William Thompson was a much sought man in Cochrane Monday when C. A. Clark of that town was assessed fines and court costs amounting to \$444.15 by Magistrate E. R. Tucker for illegal possession of 18 beaver skins.

The pelts were seized by Overseer F. McKnight, Foleyet, in an express car when under shipment to Winnipeg. The suit case containing the skins was addressed to Fred Thompson, Winnipeg. The consignee was William Thompson, Cochrane.

On investigation it was found that Clark has shipped the illicit furs and on instructions from the district headquarters of the Department of Game and Fisheries in North Bay Overseer L. O. Dent, Cochrane, charged Clark with illegal possession.

Unknown Owner
In court the accused man admitted shipping the case. He said he sent it for a man named Thompson whom he did not know and had not seen before. He was not aware of the contents. He stated.

Clark was assessed \$20 for each pelt and costs amounting to about \$80. The fine was paid.

Unusual Action
At the same court E. Cripps of Clute claimed wages from P. Johnston for work performed on a farm at Clute, the claim amounting to \$46. A counterclaim by Johnston for damage and loss of livestock and potatoes was allowed by the court. The damage was estimated at between \$700 and \$800 and the magistrate, in giving his decision advised Cripps that he was lucky a criminal charge for cruelty to animals had not been laid against him.
